669	Thriving local economy	ATEED: Local Economic Growth	Identifying the value of rural sector to Franklin	<p>Research to identify the value of the rural sector to the Franklin Local Board area to identify the value of the sector to the area and to the wider region.</p> <p>Horticulture and agriculture are important sectors in Franklin and is supported in the local board's LED Action Plan:</p> <p>1.8 Advocacy for management of impacts from residential and other uses' growth on land used for high-value horticulture.</p> <p>Undertaking this research will be useful information for the local board to support the sector as pressure on the area's land increases as Auckland's population grows and rural land is considered for release for housing.</p> <p>Collation of the information will also assist the local board and others tell the Franklin food story in connection to other economic development initiatives underway i.e. the value is of what is grown, the jobs, the R & D, the plants, equipment, the innovation and the facilities.</p> <p>An assessment of the future of the sector, employment and skills needs and the supply of appropriate labour can also be included.</p>	An independent assessment of the value of the sector will provide the local board with useful information to base decisions when considering potential land use issues. It will also allow for the promotion of the sector and the contribution it makes to Franklin and its identity.	The Franklin LED Action Plan aspires for Franklin to develop as a horticulture centre of excellence. This research should inform any future support the local board consider through its LED Action Plan and may lead to further allocation of board funding to support innovation or promotion of the sector.	Q1; Q2	LDI: Opex	\$ 15,000
851	Thriving local economy	ATEED: Local Economic Growth	Refresh Franklin LED Action Plan	The Franklin Local Economic Development (LED) Action Plan was produced in 2013 and has been implemented in part over the last 4 years. This project is to undertake a review of the Franklin LED Action Plan to ensure actions are aligned with the direction of the new Local Board Plan and is more focused on deliverable activities that the local board can focus on over the next three years.	Provide the local board with a clear three year strategically focused plan to aid work programming.	Adoption of a refreshed three year Local Economic Development Action Plan	Q2; Q3	LDI: Opex	\$ 12,000
1105	Thriving local economy	ATEED: Local Economic Growth	Young Enterprise Scheme (FR)	<p>ATEED, on behalf of the Young Enterprise Trust, delivers the Young Enterprise Scheme (YES) in Auckland. YES is a practical, year-long programme for year 12 and 13 students. Through the programme, students develop creative ideas into actual businesses, complete with real products and services and experience real profit and loss.</p> <p>The funding from the local board will support the delivery of the Young Enterprise Scheme Enterprise-Days in February 2018. The e-days are held in sub-regions (north, south, east, central/west) and are the first day students get to meet the Young Enterprise team, and find out about their 2018 year, what YES is all about, and what is in store for them.</p>	Students learn key work skills and business knowledge including: business fundamentals, planning, interpersonal relations, financial, decision making, reporting, risk management and team work. YES helps create a culture of innovation and entrepreneurship amongst Auckland's young people. In participating in YES students can also earn credits that can be put towards NCEA attainment levels.	No further decisions anticipated	Q3	LDI: Opex	\$ 2,000
1976	Thriving local economy	ATEED: Local Economic Growth	Pukekohe Prospectus	Provide funding to the Pukekohe Business Association to assist them with the costs of printing and distribution of the Pukekohe Prospectus that has been developed in 2017.
