Project details

Project title	Life Education - learning with Harold		
Dates	01/02/2017 - 23/12/2017		
Location	The grounds of the school we are visiting		
Summary	<p>Life Education and Harold the Giraffe delivers vitally important preventative health messages to children and youth across NZ in our unique multidisciplinary mobile classrooms.</p> <p>Life Education visits schools by invitation, not by right, meaning that every visit we make to schools must add value and enrich the school community or we would not be invited back</p>		
Cost of participation	<p>The COST for the Life Education programme is \$17.92 per child. We charge the schools a nominal \$5 per child [Yr 0-6] and \$7 per child [Yr 7/8]...HOWEVER if the school indicates that the visit cannot proceed due to this charge the Board has given us a mandate to waive the fee so that NO CHILD misses out on these important lessons.</p>		
Requesting grant for	<p>The delivery of the programme - this encompasses the running costs of the mobile classroom, insurances, salary and professional development of the Educator, resource development etc</p>		
Active participants	24000 [across the 4 local board areas listed above] 40000 children will be taught across our whole area in 2017	Audience size	25000 across 4 LB areas being applied to - this incl parents, teachers and community
Promotion of activity	Yes		
Local board recognition	<p>Schools are advised, pre-visit of the Local Board support and asked to promote this through their websites and school newsletters</p> <p>Local Board members are always welcome to come and sit-in on mobile classroom lessons</p>		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • assist young people to move from school to work or further training <p>Life Education educates and empowers children to make healthy choices so they can live life to the fullest - we align with the above priorities through the lessons we deliver and we also align with the Franklin LB outcomes of creating a proud, safe and healthy community. By supporting us you will be endorsing your aim of 'supporting groups to be effective and contribute to the community'</p> <p>In the Franklin area there are 39 eligible schools and 9289 eligible students</p>

Demographics

Maori outcomes	Yes, As an inclusive organisation we use Te Reo Maori words throughout our lessons. One of our Educators speaks fluent Te Reo and this enables us to visit full immersion schools and kuras across our area. Our take home workbooks are produced using Maori language for schools/students that request this.
Accessible to disabled	Yes, We visit all schools - including special needs schools/units, the deaf unit at Ormiston Primary, the Blind and low vision school etc If there is a student in a wheelchair we offer the school a lifting service to have the student included or take our lesson into the classroom environment

Project details

Project title	Counselling Services for Older Adults		
Dates	03/07/2017 - 29/06/2018		
Location	Cambria Park Homestead, 250 Puhinui Road Papatoetoe		
Summary	<p>It is recognised that older people often experience numerous changes and challenges of aging, such as health issues, relocating, death of a spouse, family concerns, relationship issues, and may experience stress, depression, and anxiety as a result. Since 2013 we have provided a counselling service to older adults in a number of wards in South Auckland thanks to the support of local boards. We want to continue to offer this to older residents. Counselling can be effective in minimising or preventing the need for referral to mental health services even while older people are on medication for anxiety and depression. One manager of a retirement village mentioned that the majority of women entering the village are on anti-depressants.</p>		
Cost of participation	No though we encourage clients to become members and always welcome donations.		
Requesting grant for	Salary and travel costs of the counselling service, shared between the six local boards.		
Active participants	150	Audience size	150
Promotion of activity	Yes		
Local board recognition	local board's contributions will be acknowledged in our newsletters and annual report		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • work with local partners to help to make the community feel safe • support events that celebrate our distinctive local communities and enable people to come together <p>South Auckland is seen as a young city but we have high numbers of people over the age of 65 and this number is growing. It is recognised that older people often experience numerous changes and challenges of ageing, such as health issues, relocating, and death of a spouse, family concerns, and relationship issues and may experience stress, depression, and anxiety as a result. Counselling can be effective in minimising or preventing the need for referral to mental health services even while older people are on medication for anxiety and depression.</p>

If full amount requested is not able to be funded, would a smaller amount be of assistance?	Yes, the salaries are the essential component. We run a tight ship with low overheads and deliver high quality services. In this application we have shared the cost of an FTE across the 6 local boards in South Auckland based on the older people population in each of these areas. At the moment we have one qualified experienced counsellor who works 30 hours per week delivering the service to whole region and this funding will enable us to increase her

Project details

Project title	Matching adult male volunteer mentors with fatherless boys		
Dates	30/04/2017 - 01/05/2018		
Location	39 Robertson Rd, Avondale, Auckland		
Summary	Our coordinators recruit, screen and train men to be long-term volunteer mentors for fatherless boys. A robust screening process ensures they are emotionally healthy and safe to be in sole care situations with young boys. Each Big Buddy then spends several hours a week with his Little Buddy.		
Requesting grant for	Laptop computers and part salary for our volunteer coordinators.		
Cost of participation	No. Participation is free.		
Active participants	600	Audience size	600
Promotion	Yes - Pamphlets, website, Facebook, TV and newspaper advertising.		
Local board recognition	Acknowledged on our website and Facebook.		
Reason for the project	We maintain a database of Little Buddies waiting for a match. We currently have more Little Buddies waiting than Big Buddies in training. The Census shows 52,500 boys aged 7-14 living in single parent households. We estimate 8,000 will be truly fatherless – boys who have no on-going contact with an adult male.		
Community benefit	Boys with a mentor do better at school and are better adjusted and prepared for their role as an adult male. With a good role model, they learn what it means to be a good man. This creates well-adjusted men who are an asset to their community.		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • assist young people to move from school to work or further training <p>Fatherless boys who gain an adult male mentor (Big Buddy) have better outcomes in education, social integration and mental health. They grow into men who are an asset to their community.</p>

Project details

Project title	LiteClub Auckland		
Dates	01/08/2017 - 31/10/2017		
Location	Franklin: Te Kohanga Rugby Football Club (Tuakau Bridge - Port Waikato, Te Kohanga), Pukekohe Netball Centre (Queen St, Pukekohe), Buckland Bowling Club (31 George Crescent, Buckland, Pukekohe), Hunua Bowling Club (2315 Hunua Road, Hunua Home), Karaka Bowling Club (Cnr Linwood & Blackbridge Roads, Karaka Home). Devonport-Takapuna: Takapuna Rowing Club (Sir Peter Blake Drive, Bayswater), Waitemata Golf Club (15 Derby St, Devonport), Becroft Tennis Club (Bond Cres, Forrest Hill), Castor Bay Tennis Club (15 Midway Ave, Castor Bay).		
Summary	<p>Our team will visit the five clubs to install energy efficient light bulbs, hot water cylinder and pipe insulation, water-saving devices and a waste minimisation programme. Our Sustainability Adviser assesses the buildings looking for efficiency opportunities beyond the immediate changes we make, ie. heating, ventilation, and appliance efficiency. These ideas are then turned into an Efficiency Action Plan, which sets out a list of specific actions the club could take to further reduce its environmental impact and running costs. We also reach out to club members by installing posters and light switch stickers to inspire members to take the same positive actions at home. We offer support and advice to clubs on an ongoing basis.</p>		
Focus specific information	<p>Environmental benefits: Less pressure upon national electricity, water and landfills systems; reduced carbon dioxide emissions from electricity generation; reduced methane emissions from compostable waste; decreasing consumption of heavy impact materials and non-reusable/recyclable packaging; improved reuse of materials.</p> <p>The environmental benefits are first realised at the implemented clubs and then at club members' homes in the wider community as members are encouraged to adopt sustainable practices, as seen at their club.</p> <p>Community involvement: Sports clubs, their members. Volunteers and club officials, Counties Manukau Bowls, Auckland Rowing Association, Tennis Northern, Harbour Golf, Counties Manukau Rugby Union, Harbour Sport, Counties Manukau Sport.</p> <p>Land owners: The clubs sign up for LiteClub on our website and in doing so they enter into a contract, which gives LiteClub permission to implement the LiteClub programme at their club.</p>		
Cost of participation	No.		
Requesting grant for	So far, we have received \$15,003 towards the general costs of the implementation from Auckland Council's RENH grant. In this application we request that Franklin and Devonport-Takapuna Local Boards consider funding the shortfall of the project. The costs include salaries, materials installed at the club, administration costs, travel costs, and promotion.		
Active participants	3,960	Audience size	3,960
Promotion of activity	Yes		

Local board recognition	We will send a media release to news media acknowledging Auckland Council's and Franklin and Devonport-Takapuna Local Boards' support, plus we will thank Auckland Council for their contribution to this project on social media and include the Auckland Council logo on the funders section of our website and brochure.
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • support local environmental initiatives • encourage activities that reduce waste to landfill • prevent illegal dumping and preserve the beauty of our environment <p>LiteClub helps reduce overhead costs of community sport facilities, enabling clubs to spend more on sports, thereby lowering barriers to participation, encouraging an active and healthy lifestyle; LiteClub physically improves clubroom facilities - they are warmer, dryer, healthier and safer places for communities to gather as well as being more efficient.</p> <p>LiteClub's Waste Minimisation Programme helps clubs capture recyclables and reduce the amount of waste sent to landfill; members are educated on environmental and financial benefits of good recycling practices.</p> <p>LiteClub identifies larger efficiency opportunities and supports clubs in future-proofing their club rooms, while further reducing sport's impact on the environment.</p>
