Kia ora,

We hope to obtain the property in 2018 but this is subject to Parliament process of our Bill Reading (x3) then once this is complete, our Bill become the Act intended to transfer te Naupata, Musick Point.

It could be in 2019 given the election later this year.

Mauri Ora.

Importance: High

Dear James,

I just had a query regarding road naming at 6-10 Clovelly Rd,Bucklands Beach. Can I please just confirm that Ngāi Tai Ki Tāmaki are taking over Musick Point in 2018? If we can get confirmation of this that would be really appreciated as I am currently assessing the names put forward by the applicant and on behalf of Ngāi Tai Ki Tāmaki . Many thanks.
