| Project title | The New Zealand Dance Company Youth Engagement Programme at Whakatakopokai | | |
| Dates | 06/07/2017- 06/07/2017 | | |
| Location | Whakatakopokai Child Youth & Family Care and Protection Residential Facility, 400 Weymouth Road, Weymouth, Auckland 2103 | | |
| Summary | <p>Providing free contemporary dance workshops and a performance to Whakatakopokai youth residents. Whakatakopokai is a Child Youth and Family (CYF) Care and Protection Residence. It provides safe care for up to 22 young people. The young people in residence are aged from 11 years with the average age being 13 - 14 years. We are offering a performance of 1 hour duration followed by a workshop with students. This is a programme we have successfully delivered to this facility in 2016 and is tailored to meet the specific needs of the students.</p> <p>The workshop helps students to build confidence, independence and well-being, experiences that they can apply to their everyday lives.</p> | | |
| Cost of participation | No (we would normally charge \$10 per head but would like to be able to offer this opportunity free of charge.) | | |

| Alignment with local board priorities | <ul style="list-style-type: none"> • Activities that showcase the rich and diverse culture and talent in our local area and help create a programme of events and entertainment for Manurewa • Activities that are aimed at advancing our young people and make it easier for them to get active and be involved <p>Our belief in empowering and inspiring young people is the driving force behind our Youth and Community Engagement Programme. This programme is a leader in providing youth with pathways to all aspects of contemporary dance, offering multiple opportunities for connection and interaction. Our workshops are empowering, and beneficial to both mental and physical health, enabling young people to be active and involved with the community. Last year's pilot of workshops at Korowai Manaaki and Whakatakopokai, to help at risk youth in these facilities to build confidence through dance, was highly successful and we plan to continue this relationship.</p> | | |

| Project title | Manurewa Playcentre playground equipment | | |
| Dates | 02/07/2017- 03/07/2017 | | |
| Location | 7 Lupton road, Manurewa | | |
| Summary | <p>The purchase of playground "cubes" (see quote) and playground equipment. The purpose is to improve the quality of early childhood education we offer by improving our playground area. Also to meet health and safety regulations as we recently had to get rid of our old cube because it was unsafe.</p> <p>The project targets the young people in our community and their whanau. Particularly in the low socio economic group as our education is free.</p> | | |
| Cost of participation | We have a koha of \$20 per term per child if they are in a position to donate, but it is in no way enforced. We would rather parents donate their time to run awesome playcentre sessions. | | |
| Requesting grant for | New Cubes and outdoor equipment. | | |
| Active participants | 40 | Audience size | more than 400 over the 10+ year life span of equipment |
| Promotion of activity | Yes, We are always promoting playcentre in the community in the effort to get more members. This includes attending community events, handing out flyers, holding garage sales and galas etc. Having attractive, fun looking playground equipment mainly helps as it makes the playground look great and this attracts people walking and driving past and visiting. Also people see us through the fence when they are visiting the church and kindy next door. | | |
| Local board recognition | We will post photos on our public face book page and put up a sign on the gate. | | |
| Alignment with local board priorities | <ul style="list-style-type: none"> • Activities that are aimed at advancing our young people and make it easier for them to get active and be involved • Initiatives that are aimed to preserve our heritage and important elements of our past • Activities that are aimed to improve the overall wellbeing of the Manurewa community <p>Manurewa Playcentre is a parent run ECE providing top quality, parent lead, and free early childhood education to Tamariki of Manurewa. We also provide free adult education giving our whanau tools they need to provide first class education- improving wellbeing of adults involved, giving them skills, support and improving the wellbeing of our kids as parents make the best teachers.</p> <p>The purchase of playground cubes and equipment encourages our kids to get active outside, gain confidence, and provides challenges. It also attracts new members, improving the wellbeing of adults and kids in our community, and meeting health and safety regulations.</p> | | |

| Project title | Providing gender identity and sexual orientation counselling and support | | |
| Dates | 01/06/2017- 31/05/2018 | | |
| Location | level 2, 31 Hargreaves Street, St Marys Bay, Auckland | | |
| Summary | OUTLine already works with individuals, professionals and schools in the Manurewa area, providing initial help and ongoing support from a free, confidential phone service. OUTLine collaborates to address needs of high risk people, especially for young people struggling with their identity and their ability to engage fully with their peers and educational processes. OUTLine recruits and trains volunteer phone counsellors from all areas of Auckland. | | |
| Cost of participation | No fee to volunteers or callers to participate. Face-to-face clients pay a below-market rate for counselling. Donations are encouraged. | | |
| Requesting grant for | OUTLine estimates approximately 300 calls in the last year from people in Manurewa, as well as making professional face-to-face counselling available where needed and training phone counsellors volunteering from Manurewa. We estimate about 1.5% of our current resource is deployed for Manurewa people. | | |
| Active participants | 140 | Audience size | 11250 |
| Promotion of activity | <p>Yes, We send out brochures to community agencies (medical centres, high schools, tertiary education, CABs, women's refuges, sexual health and other agencies) as well as print advertising in the LGBTI media and on LGBTI gaynz.com website. We are active with our own website www.outline.org.nz and on Facebook and twitter.</p> <p>We attend information days at schools and tertiary education establishments.</p> <p>We use high-profile LGBTI events (such as the Auckland Pride Festival) to promote our services.</p> | | |
| Local board recognition | We produce an annual report detailing our community partners. We would include acknowledgement of the local board, as well as on our website. | | |
| Alignment with local board priorities | <ul style="list-style-type: none"> Activities that are aimed to improve the overall wellbeing of the Manurewa community. <p>People worried about gender or sexuality issues suffer in many other aspects of life. Fear and stigma routinely result in isolation. Shame blocks resolving issues. OUTLine provides a clinically robust free service. People contact OUTLine confidentially for themselves or for family /friends/ clients. OUTLine is a safe first contact. We work with people through their fear, isolation and shame, towards self-acceptance and community involvement.</p> <p>Youth are particularly at risk. NZ youth suicide rates are high. However research shows LGBTIQ youth are 4 – 6 times more likely to self-harm than others. Some people of Manurewa suffer invisibly.</p> | | |

| Maori outcomes | Yes, Māori families are often strongly supportive of their LGBTI people. We receive significant calls from Māori LGBTI people and their families seeking assistance with coming out and transitioning. We target Māori callers through the health system and community links as well as general advertising in LGBTI publications and web services. |
| Accessible to disabled | Yes, Our telephone service is highly accessible to people with most disabilities. We also offer a professional counselling service accessible both face-to-face from a mobility-friendly building and by Skype, which can support even hearing-impaired clients |

| Location | Manukau New Life Centre 12 Jellicoe Rd, Manurewa, Auckland 2102 | | |
| Summary | Outreach consultations in family's homes give support to families who have an Autistic child. The one on one service helps families address issues and develop coping strategies for anxiety, behaviour, socialising. Skills gained give the child and family confidence to participate in their community, learn and thrive. This service is complemented by our community Workshops which provide an understanding of how children are affected by Autism and ways that people can help them in a variety of settings. | | |
| Cost of participation | Donation/Koha from families | | |
| Requesting grant for | The funding will go towards venue hire, contracting professional services to facilitate workshops and programmes and printing of handouts and materials that are given to families. | | |
| Active participants | 100 | Audience size | 60 for workshop 40 for Outreach |
| Promotion of activity | Yes, We inform our 3500 member database about our upcoming services via a bi-monthly newsletter. We promote our workshops and services through articles in local papers, website and Facebook. We notify schools, community and health services of upcoming workshops. | | |
| Local board recognition | We acknowledge the contribution on our website and in all communication to families and community. Flyers promoting the workshops will have the council logo on them and will be put up in community venues and health services around Auckland. In all media associated with the programmes the council will be acknowledged. EG: place logo on printed material Publicly available Annual Report specifies each grant detail | | |
| Alignment with local board priorities | <ul style="list-style-type: none"> • Activities that are aimed at advancing our young people and make it easier for them to get active and be involved • Activities that are aimed to improve the overall wellbeing of the Manurewa community <p>The Children's Autism Foundation (CAF) provides support services for families with autistic children and their communities. The services provide strategies, knowledge and practical steps to help families and their community. Many families are experiencing financial and emotional distress which can cause isolation from the community. CAF provides direct one-on-one outreach support by visiting the family home, Community workshops about understanding autism and related topics and social skills programmes for families. | Maori outcomes | <p>Yes, CAF has a strong track record of providing support services to Māori. CAF provides support, advice and holistic, whanau-centred solutions to empower the entire family to manage the intense emotional and practical impact of autism. CAF ensures that all services are:</p> <ul style="list-style-type: none"> • High quality, practical and effective • Affordable and accessible • Responsive to cultural concerns and aspirations • Responsive to the broad range of autism issues • Unified and integrated <p>A Māori Advisor supports programme development and CAF has one Maori family consultant. CAF aims to improve awareness and understanding within whanau and iwi, for understanding autism and working with other health/education professionals.</p> |
| Accessible to disabled | <p>Yes, Children with Autism often have additional diagnosis such as: dyslexia, dyspraxia, Asperger's, anxiety, and attention deficit/hyperactivity disorder (ADHD), depression and intellectual disabilities. The Children's Autism Foundation therefore provides services to assist with the issues arising from the Invisible disabilities and works with other organisations who specialise in these areas. CAF is proud to be an active part of the Invisible Disabilities CUBE (a collective of providers in the community).</p> |

| Maori outcomes | Yes, As explained above the intension is to encourage the attendance whanau whose whaiora are experiencing mental health disorders and/or drug and/or alcohol abuse. To invite speakers to answer questions whanau may have around symptoms/medication, coping strategies. Also to provide the opportunity for staff support and for the group attendees to support one another. A need has been identified by our staff who work with whaiora and their whanau in the South Auckland area. |
| Accessible to disabled | Yes, By providing premises which is equipped with a lift, making it wheelchair accessible. There is also disabled parking nearby. The rooms where the groups would be held are small in size, making it easier with hearing disabled people to hear. While the group is on the first floor, access to the lift is on the ground floor, making it easier for the sight impaired to access |
