Talofa! Its YOUTH WEEK! The theme for this year is Our voices count; count our voices! We are looking forward to seeing you in schools this week! The Samoan quote for the day is, E pala le ma'a, a e le pala le upu. In translation: Even stones decay, but words endure. Make your voice count; not just this week but every time you speak! Have an amazing day!

E pala le ma'a,
a e le pala le upu.

Even stones decay,
but words endure.

We all need to determine a great future for ourselves, because just like water, we can have many ripples after we make our decisions. Cherish your time with family and friends. When you need a moment of calm, remember this quote. #BeKindToOneAnother 🧡

la malu le vai
i lou finagalo.

May your mind
be like cool water.
