It would bring together the isolated and marginalized women from our diverse community in South-Auckland (Otara-Papatoetoe). It would provide them the opportunity to share their positive energies, get empowered and interact with each other. It would provide an opportunity to learn some skill or to develop a hobby that would be creative and therapeutic in nature.</p> <p>Women would be made aware of their self-care while de-stressing them which would improve not only their quality of life but also bring about a positive change in their relationships and generally in community.</p>

Local board recognition	Would like to have a banner and team tent with our Papatoetoe-Otara Local Board logos on it. We could also look at designing a special approved jersey from the club and have Papatoetoe-Otara Local Board as main sponsor along with promoting our local businesses who would also be willing to sponsor if any. Invite local board to prize giving to be our honoured guest and help out with recognising excellence.		
Alignment with local board priorities	<ul style="list-style-type: none">• Thriving communities <p>Papatoetoe PRIDE have taken the leap of faith in accepting the invitation of being the first South Auckland Team from Papatoetoe & Otara; to represent our community and families on the world stage -Global Games Junior Rugby Festival Event down in Queenstown.</p> <p>Along with thinking BIG and creating lifetime experience for our boys and their families, comes a financial commitment. In faith we are reaching out to our community and God willing, if blessed with this Grant it will take off the financial burden on many of our low income families who will struggle to give their kids this experience.</p>
