

ID	LB Plan Outcome	Lead Dept/Unit or CCO	Activity Name	Activity Description	Activity Benefits	Further Decision Points for LB	Timeframe	Budget Source	FY17/18
307	Treasured for its environment and heritage	I&ES: Environmental Services	Dominion Reserve - weed control	To undertake weed control in a high priority reserve.	To increase the biodiversity values of the reserve, noting that this reserved sits in an ecological corridor.	None.	Q3; Q4	LDI: Opex	\$ 10,000
295	Treasured for its environment and heritage	I&ES: Environmental Services	Healthy Rentals project (Papakura)	<p>The Healthy Rentals Project aims to reduce household energy use and associated carbon emissions, and to improve the quality of rental homes by keeping houses warmer and drier.</p> <p>The project would complement the regionally funded Community Energy Efficiency Programme being delivered in part of the board area. The regionally funded project is targeted at owner-occupiers whereas the healthy rentals project would be offered to rental properties.</p> <p>The project would involve</p> <ul style="list-style-type: none"> • a free independent assessment of the rental property • advice on potential improvements and behaviour changes that increase the overall energy efficiency and health of the rental home, and help tenants save money on their power bills. • provision of targeted energy efficiency products/devices (eg free products for tenants such as LED lightbulbs, draught stoppers and/or subsidies for landlord-led physical improvements) <p>This project will improve the wellbeing of tenants of participating properties. As Māori have a lower level of home ownership generally, this project has the potential to contribute to health outcomes for Māori families.</p>	<ul style="list-style-type: none"> • Lowering carbon footprint of residents through energy saving and contributing towards the goal of the Low Carbon Auckland Action Plan to achieve a 40 per cent reduction in greenhouse gas emissions by 2040 • Improvements to health and wellbeing – warmer, healthier homes and reduced incidence of cold, flu, respiratory illnesses such as asthma, rheumatic fever etc • Economic impact – cost saving to residents in the form of lower power bills. • Increasing housing literacy – empowering residents with information 	None	Q3; Q4	LDI: Opex	\$ 30,000
41	Treasured for its environment and heritage	I&ES: Environmental Services	Wai Care schools (Papakura)	This project is working with local schools to create better understanding of streams, undertake riparian restoration and water quality monitoring.	<ul style="list-style-type: none"> • Improves students and associated community understanding of human impacts on streams and the receiving environments (Manukau Harbour). • Continuation of stream restoration projects which connects students to their local place, creating ownership while also improving water quality, biodiversity and aesthetics. • Water quality monitoring helps students to understand and connect with their environment. It also provides information on whether the restoration work is contributing to improvements in water quality. <p>A high proportion of Papakura school children are Māori. This project provides an opportunity for those schoolchildren to participate in the care of the natural environment.</p>	None.	Q1; Q2; Q3; Q4	LDI: Opex	\$ 10,000

1975	Treasured for its environment and heritage	I&ES: Healthy Waters	Industry Pollution Prevention Programme (Papakura)	To support improvements to waterways through a proactive programme supporting and encouraging businesses to be more aware of how their practices can impact on local waterways.	<ul style="list-style-type: none"> • Increased awareness around how businesses contribute to water pollution • Educational to reduce water pollution • Improved social responsibility of businesses in the area as they will be more aware of what is best practice in ensuring that waterways are protected from pollution. • educate businesses about potential issues with the aim of preventing pollution at source. This approach is recommended in areas where there is a concentration of industry and business close to water bodies, including streams and harbours. • build relationships with and an understanding of the local industrial sector. 	The board may wish to provide feedback on target area.	Not scheduled	LDI: Opex	\$ 15,000
81	Treasured for its environment and heritage	I&ES: Healthy Waters	Manukau Harbour Forum (Papakura)	To continue support for the Manukau Harbour Forum	The Manukau Harbour Forum enables shared decision making and collaboration on issues impacting on the Manukau Harbour. Engagement and collaboration with mana whenua is required to ensure that the Manukau Harbour is enhanced and protected.	Any new work programme will require board approval.	Not scheduled	LDI: Opex	\$ 8,000
