Location	The Playhouse Theatre, 15 Glendale Rd, Glen Eden		
Summary	A theatre production for the July school holidays performed by children for children and their parent to come and enjoy. Theatre performed by children to children empowers both groups. Our cast is open to all children to audition and we usually have a wide range of cultures represented.		
Focus specific information	Type of art form: Theatre		
Cost of participation	Tickets cost \$15.00 each		
Requesting grant for	The hire of radio microphones for the show. Children have smaller voices than adult actors and as we have recorded orchestra soundtracks we need our lead actors to have enhanced sound.		
Active participants	70	Audience size	1300-1500 people
Promotion of activity	Yes, Social Media, Glen Eden Newsletter, Our Newsletter, Signs, Our ticketing Agency, Flyers		
Local board recognition	In our show programme, in our Newsletters, on our Facebook page, on our website.		
Alignment with local board priorities	<ul style="list-style-type: none">• people are more active in local arts, events and recreation activities,• we have places for children and people to gather, be active and be involved,• improve the health of our community <p>PTI produces a Junior Theatre Production each year for the under 18 members of the Community. The production is also staff by youth volunteers in most of the back stage positions as well. Last year, apart from three, volunteers were ALL under 21. This year we are hoping the same ratio will apply. From the stage manager, who is in charge of the show, to the technical teams (lighting and sound) these positions were all filled by persons under the age of 21.</p> <p>The skills taught to youth included life, cooperation, success and confidence skills.</p>

Project details

Project title	Toy Library Federation Training Weekend, New computer database		
Dates	28/07/2017 - 30/07/2017		
Location	Holiday Inn Auckland Airport, 2 Ascot Road		
Summary	<p>Funding requested for 3 new committee members to attend Toy Library Federation of NZ Training weekend, providing a chance to network with other Libraries and gather ideas to optimise our services. We will learn more about health and safety, financial sustainability/processes, strategic planning, legal requirements and HR. We are also requesting funding to upgrade our Library software to operate more efficiently, last done 10 years ago. The system upgrade will give a better service to our members (as they will be able to use the system to book toys, see what's available etc.) and will support what we learn from the training e.g. health & safety, financials - better able to track toys, target members, buy the right toys for our market.</p>		
Cost of participation	Cost of the training weekend		
Requesting grant for	We are requesting funding for three Training Weekend tickets and the upgrade to our operating software for the library.		
Active participants	3 members of committee (training weekend)	Audience size	100 families will benefit
Promotion of activity	<p>Yes, The toy library committee will agree on actions / initiatives coming out of training weekend during committee meeting 5th Sept</p> <ul style="list-style-type: none"> - library system available for members to use 15th August - we would acknowledge training & library systems changes in quarterly newsletter and communications to members by 15th August <p>The new system has functionality not currently available with the old system such as ability to search catalogue of toys from home, schedule a volunteer session, receive notices, annual subscription renewal forms etc. and we would promote these benefits to our members via all social media fronts, signage and newsletters in an ongoing basis.</p>		
Local board recognition	We would share the news of Auckland Councils generosity with all of our members via our newsletter (emailed to all member families), as well as posting on our Facebook page. We would feature the Auckland Council logo on our website acknowledging them as a sponsor of our Toy Library.		
Alignment with local board priorities	<ul style="list-style-type: none"> • we have places for children and people to gather, be active and be involved, • support community-led initiatives and action, develop and encourage community participation <p>Our Toy Library provides a chance for parents to volunteer, meet other local families and connect with others in the community. Our committee is only 4 people at the moment, 3 of who are new within the last year; training is critical to the operation of the library. The committee gives time to fundraising, accounting, website, and promotion of the library while we have an active group of parent volunteers who help the librarian during library hours. We provide a valuable</p>

Demographics

Maori outcomes	Yes, Improving Maori social, economic, and cultural well-being is a key priority for this project and all work undertaken by the Auckland Women's Centre. Maori represent many of low income women in the community and our course and forums are designed to take down barriers (such as cost) to participation. The diversity hui will have a Maori focus, collaborating with Maori organisations such as the Maori Women's Welfare League and will have a panel of Maori women speakers. We also provide Pakeha the opportunity to learn and participate in Te Kanga and Te Reo Maori through our workshops and protocol.
Accessible to disabled	Yes, All our venues have a wheel chair ramp and full wheel chair access to the hall with free parking onsite. Our staff and tutors are trained in accommodating and supporting clients with a disability.

Project details

Project title	Meola Creek Restoration		
Dates	01/02/2017 - 31/12/2017		
Location	100 Motions Rd, Western Springs, Auckland 1022		
Summary	Stream between Pasadena Intermediate & Western Springs College		
Focus specific information	<p>Environmental benefits: This project is looking to remove weeds that are hindering or killing the growth of our native plants. In addition we are also removing contaminants around the area to better the environment and overall health of the stream.</p> <p>Community involvement: Open invite to all the community. We are advertising through the school newsletter. We are working with Auckland Zoo to create a green corridor in the area.</p> <p>Land owners: Western Springs College- Ministry of Education Land with Permission for riparian restoration A continuation of previous work</p>		
Cost of participation	No		
Requesting grant for	Weed control & natives to plant		
Active participants	50	Audience size	500
Promotion of activity	Yes, Facebook page, the school newsletter to community. We will also plan to advertise through school, with posters and banners		
Local board recognition	Schools Newsletter, Facebook page		
Alignment with local board priorities	<ul style="list-style-type: none">• our local waterways are cared for and levels of pollutants reduced,• more opportunities are created for people to enjoy our parks and open spaces,• support community-led initiatives and action <p>Native plants next to the stream will help control erosion and flooding of the stream, reducing the possibility of pollutants entering the stream.</p> <p>This water seeps into the soil and helps sustain the stream during drier times. This is especially important to Western Springs as rubbish, for the past landfill site is resurfacing on the sloping landscape surrounding the stream. This means that when there is rainfall, the rubbish is more likely to enter the stream and pollute it. Planting Native plants will reduce this risk which will help better the streams current state.</p>

Project details

Project title	Adopt a Tree		
Dates	11/06/2017 - 18/04/2017		
Location	Western Park and Ponsonby Road		
Summary	<p>The object is to get local Ponsonby residents, visitors, children and businesses to adopt a street or park tree. In doing this we aim to raise awareness of how to look after our street trees, the ecosystem services they are giving us and have the discussion why we should look after them.</p> <p>There will be a project launch on Sunday 18 June, with media, in the morning at Western Park followed by a walk the length of Ponsonby Road to Three Lamps visiting businesses and speaking to people as we go giving out information and ribbons for people to tie around the trees that they adopt. May also visit Auckland Fair Shed 10 in the afternoon, still to obtain permission.</p>		
Focus specific information	<p>Environmental benefits: Our street trees will be better looked after and have people who adopt them to look out for them. Many mature trees on private land may be saved by our engaging with Auckland residents about the reasons why we need to preserve our mature trees on private land.</p> <p>Community involvement: Aprilanne Bonar Wendy Gray We are communicating at present with other possible collaborators from the community</p> <p>Land owners: Western Park and Public Space - Auckland Council - we have spoken permissions will be applied for after this application is submitted A new initiative</p>		
Cost of participation	No		
Requesting grant for	The stickers, pamphlets, posters, ribbons balloons, sashes. Anything else?		
Active participants	6-10	Audience size	800+ and ongoing because the ribbons remain for all to see
Promotion of activity	Yes, Marketing will be Stuff, Ponsonby news, Local newspapers, Local Board Web, UTA NZ Website, UTANZ Website page, School Newsletters		
Local board recognition	We wish to include the Waitematā Local Board name (maybe logo depending on cost) on all the yellow ribbons that are tied around the trees on pamphlets and posters and in our press releases and interviews.		
Alignment with local board priorities	<ul style="list-style-type: none"> • our streets work as great public spaces, • our natural heritage is protected and enhanced, • develop and encourage community participation <p>UTA is concerned about Auckland's urban trees. The loss of tree protections has seen a net loss of a significant number of Auckland's mature trees. Plus our local trees have been sprayed with weed killer, and since 2010 tree protection and management policies have lacked co-ordination and planning resulting in damage to our street trees. UTA proposes a community campaign of engagement raising Tree Consciousness, starting in Ponsonby, by encouraging</p>		

	residents, business people and children to "Adopt a Tree". The "Adopt a Tree" campaign aims to develop community participation in raising awareness of our local environment, streets and public spaces.

Project title	Espano Flats shed roof re-asphalting		
Dates	03/07/2017 - 07/07/2017		
Location	20 Poynton Terrace, Newton, Auckland 1010		
Summary	The front courtyard of the Espano Flats is undergoing modernisation and rationalisation of its services (water in / out, UFB etc.). A crucial part of this has been concrete repairs to the roof of the shed, which also now needs to be waterproofed and made trafficable with asphalt. Doing this will enable the frontage of the building to be more attractively integrated with Poynton Terrace, protects the structure of this heritage building from water ingress, and protects the (original) electricity supply box in the shed.		
Focus specific information	<p>Environmental benefits: Protects the structure and services of an iconic Auckland heritage building.</p> <p>Community involvement: The body corporate committee of the building.</p> <p>Land owners: Body corporate 112278</p> <p>A continuation of previous work</p> <p>Building/site recognised in a council heritage schedule: Yes</p> <p>Building/site registered with the NZ Historic Places Trust: Yes</p> <p>Building/site accessible or visible to the public: Yes</p>		
Cost of participation	Not applicable.		
Requesting grant for	The re-asphalting of the shed roof.		
Active participants	10	Audience size	Not applicable.
Promotion of activity	Yes, We will inform owners of the individual flats of progress, and thank the WLB in our AGM minutes. We would also be willing to participate in media coverage, and the heritage festival.		
Local board recognition	Through communications to owners, participation in any media coverage, and the acknowledgement of the board in any materials used during the heritage festival.		
Alignment with local board priorities	<ul style="list-style-type: none"> our distinctive heritage and historic places is promoted and preserved, improved pedestrian and cycling safety and travel options, our streets work as great public spaces <p>This project (to reasphalt the shed roof of the Espano Flats courtyard) contributes to the rejuvenation / preservation of the frontage of this heritage building, and works towards the enhancement, improved functionality & beautification of the general character of Poynton Terrace.</p>
