<input type="checkbox"/>	Requesting a temporary access over parkland		
<input type="checkbox"/>	License to occupy		
<input checked="" type="checkbox"/>	Other – please describe: Permission to park a 20ft container until end of October		

Project Details	
Detailed description of project :	Ngati Whatua are donating 1500 rat traps and stations for distribution to Devonport residents. A storage point for the items is needed during the staged distribution of them; due to lack of storage in the suburb a container would be best fit - a space is needed to park it
Are you providing plans/aerial maps/sketches/photos? If so, please list names of attachments:	flyer about project attached to email
How will the project impact on park, users and other stakeholders:	the container will take up 2-3 carparks but if placed strategically shouldn't cause any inconvenience
Mitigation works for impact:	
Proposed physical works start date:	Fri 23 June
Proposed physical works completion date:	Tues 31 October
Alternative Options Researched:	
Detailed description of other alternative options that have been explored:	Alternative parking space could be shell carpark on the corner of King Edward Parade and Cheltenham Road
Reason why alternative option was dismissed:	it hasn't been dismissed, Ft Takapuna was just the preferred option as it is less visible to passers-by
Contractors Details If Applicable:	
	Phone and Mobile
Consent Details If Applicable:	
Resource consent No. and details:	
Building consent No. and details:	
Other details:	

Applicant Details		
Name:	Jane O'Hagan	
Postal Address:	L2 Bledisloe
