630	Vibrant town and village centres and a thriving local economy	ATEED: Local Economic Growth	Research to support future development of Glenfield town centre	<p>The local board has a desire to see its town centres succeed. Within the LED Action Plan action 1.12 b is to develop and implement actions within each BID/business association area around business attraction and retention, which could include contracting specialist service providers to implement actions.</p> <p>The local board has a desire to see its town centres succeed. The draft 2017 Local Board Plan includes as a key outcome 'our urban centres are vibrant' and provides objectives for each of the area's centres.</p> <p>Within the LED Action Plan action 1.12 b seeks to develop and implement actions within each BID / business association area around business attraction and retention, which could include contracting specialist service providers to implement actions.</p> <p>The proposed project will focus specifically on the Glenfield town centre. The research, when combined with the findings of an economic assessment of recent infrastructure investments in Highbury, will establish an evidence base to inform future development options for the Glenfield town centre and possibly others. A key aim of the project is that the research findings will inform work by Auckland Council's Plans and Places Department to develop a centre plan for the Glenfield town centre, tentatively scheduled to commence in 2018/19. Accordingly, the research brief will be</p>	Inform options and opportunities for development of the Glenfield town centre aimed at increasing patronage and investment.	The findings of the deferred Highbury Investments Impact Assessment may shape elements of this project. The board will very likely expect to make a further decision on the actions identified as it progresses.	Q1; Q2; Q3; Q4	LDI: Opex	\$ 20,000
1033	Vibrant town and village centres and a thriving local economy	ATEED: Local Economic Growth	Young Enterprise Scheme (KT)	<p>ATEED, on behalf of the Young Enterprise Trust, delivers the Young Enterprise Scheme (YES) in Auckland. YES is a practical, year-long programme for year 12 and 13 students. Through the programme, students develop creative ideas into actual businesses, complete with real products and services and experience real profit and loss.</p> <p>The funding from the local board will support the delivery of the Young Enterprise Scheme Enterprise-Days in February 2018. The e-days are held in sub-regions (north, south, east, central/west) and are the first day students get to meet the Young Enterprise team, and find out about their 2018 year, what YES is all about, and what is in store for them.</p>	Students learn key work skills and business knowledge including: business fundamentals, planning, interpersonal relations, financial, decision making, reporting, risk management and team work. YES helps create a culture of innovation and entrepreneurship amongst Auckland's young people.	No further decisions anticipated.	Q3	LDI: Opex	\$ 1,000
