Aspiring Leaders Forum

MYC has selected two candidates who will be sent down to Wellington to participate in this years Aspiring Leaders Forum. One member is funded thanks to the generous sponsorship of the board, and the second is sponsored by MYC from our internal funding allocation. The selection of successful applicants was carried out by an external source to ensure a fair, and equal chance for all applicants. The successful applicants are

- Chloe Destrieux
- Damian Piilua

In addition to two of our own members, MYC received an application for sponsorship from a member of the community. Tonisha Rohe was granted \$363.05 towards travel costs to attend the forum.

Youth Space

The youth space is coming together. We have selected paint, and are in the process of acquiring quotes for an air conditioning unit, and carpet tiles. We have cleaned out the space, and have begun painting.
