Project: To remember Rewi Alley 120 years Music Concert

Location:	Henderson		
Summary:	We want to remember this nice guys who did hard work in China during the Chinese war. We want to invite Chinese and Kiwi community to listen to New Zealand-Chinese Tenor (Bo Jiang) to sing songs to remember the friendship between China and New Zealand.		
Dates:	20/10/2017 - 22/10/2017	Rain dates:	-
Active participants:	5000	Audience size:	200

Community benefits

Identified community outcomes:

Both Chinese community and kiwi community will remember the wonderful person and build up more strong relationship between two communities.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- fostering arts, culture and sport in the community

As we know, China and New Zealand is a big workmate together. Our program remembers the New Zealand friendly person Rewi Alley in order to build strong relationships and trust between two countries, so will bring more work together in the future

New Zealand Dance Advancement Trust (Operating as The New Zealand Dance Company)

Legal status:	Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: The New Zealand Dance Company Youth Engagement Programme Delivery

Location:	Schools in the Henderson-Massey area		
Summary:	As part of our Youth and Community Engagement Programme, The New Zealand Dance Company is offering local schools within the Henderson-Massey area performances and workshops, delivered by our professional contemporary dancers, providing an opportunity for young people to engage and experience some of the highest quality dance in the country. Taking our work to schools makes it accessible to all and our hope is that we open up a new world of dance and life skills to students encouraging values of responsibility, teamwork, discipline, communication, collaboration and creativity.		
Dates:	01/10/2017 - 01/10/2018	Rain dates:	-
Active participants:	600 - 1200	Audience size:	12

Community benefits

Identified community outcomes:

We encourage inclusiveness through our engagement in schools, inspiring young people in primary, intermediate and secondary schools to stay fit and healthy, empowering participants to develop their skills. Cost of transport to performances in theatres is often prohibitive for schools, so bringing our workshops and performances directly to schools provides equal access to students so that everyone can enjoy the benefits of confidence, collaboration and connectivity. Our professional dancers are highly skilled in teaching, supporting life-long learning through dance - a transformative and positive influence in young people's lives instilling a sense of discipline, joy, trust, motivation, inspiration, responsibility and identity. We believe that this sector of our community deserve high quality experiences that positively affect them for life.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- enhancing community and economic opportunities

Arts and culture is the fabric that binds community together, providing vital support and guidance in fostering confidence, sense of identity and expression in our young people. Our workshops are beneficial both mentally and physically, empowering young people to increase their life skills, offering tools to build responsibility, reliability, team work, empathy to others and discipline. For many young people, dance is a whanau and instils a great sense of belonging and confidence in what they can contribute to a team – valuable skills for employment. We open up new skillsets to students, encouraging values of communication, collaboration and creativity.

Collaborating organisation/individual	Role

Demographics

Māori outcomes: • Not stated

Target ethnic groups: All/everyone

Promoting SmokeFree: Breath is vital to life and vital to dance. Our dancers are excellent role models to students and demonstrate the connection between health and happiness in our post show Q & A sessions.

Our dancers will explain how smoking negatively impacts on fitness levels to the young students in the workshops. We will also happily take on any advice from Auckland Council workers on how we can best promote smoke-free messages.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	50%	50%	%	%	%	%

Financial information

Amount requested: \$2000.00

Requesting grant for: Costs to create, rehearse and deliver the performance/workshops. This funding will go towards the direct delivery costs, which includes dancers' salaries, artistic teams' salaries, transport to the schools and rehearsal space hire. The cost to run the Company each week is \$28,000.

If full amount requested is not able to be funded:

Any amount would be helpful in the costs of delivering our workshops and performances to local schools. We would like to keep the costs to schools as low as possible in order to make our work accessible to all. Each performance and workshop delivery takes a day of the company's time to deliver, plus approximately two days of management time to liaise and plan.

Cost of participation: \$5 per head for the performance, and \$250 for the workshop. But we vary this cost dependant on the schools finances, and often provide free performances if the schools arts budget is minimal - frequently the case.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$10,385.00	\$750.00	\$1,000.00	\$8,385.00

Project: Update Sea Kayaking Sprayskirts

Location:	Adventure Specialties Trust, Henderson		
Summary:	We are requesting funding to update our double sea kayak spray skirts. These items receive heavy use on our adventure therapy, youth development, family and school programmes. We recently purchased a fleet of double sea kayaks for a very good price however the spray skirts that came with them were not in good condition and are in desperate need of replacement. Because of the nature of our work it is imperative that we maintain all our gear to a high quality to ensure our clients safety.		
Dates:	19/09/2017 - 20/09/2017	Rain dates:	-
Active participants:	3000	Audience size:	15

Community benefits

Identified community outcomes:

Adventure Specialties Trust works collaboratively with many different community groups and schools aiming to achieve our vision of "using outdoor adventure to grow great communities". Specifically the aim of our youth development programmes are to be a "catalyst" for positive changes in the participants lifestyle; the aim of our family programmes is to strengthen family relationships and our work with schools enables them to have a professional and safe organisation assist them in running their general outdoor education activities. By working collaboratively with community groups and schools we are able to offer the adventure component that they do not have the expertise or experience to deliver.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- enhancing and celebrating our natural environment

We work alongside many community groups in Henderson and Massey enhancing the programmes they run by adding an outdoor adventure component. This often involves taking them into remote locations to enjoy nature through kayaking, tramping etc. Examples of our clients include a young mothers' programme with The Living and Learning Centre, Family camps with Massey Community Trust, Project K with Waitakere College and an Adventure Club with Zeal.

Bhartiya Samaj Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: International Diabetes Day Celebration

Location:	Mt Roskill War Memorial Hall		
Summary:	International Diabetes Day Celebration : Aim to educate our senior members about timely diagnosis of Diabetes and its treatment to reduce risk of serious implications. Also to promote healthy eating, lifestyle and wellbeing of our Senior members.		
Dates:	11/11/2017 - 11/11/2017	Rain dates:	-
Active participants:	200 +	Audience size:	15

Community benefits

Identified community outcomes:

Bhartiya Samaj Charitable Trust has been serving the community since 1995. We are the largest South Asian group in Auckland with primary objective to bring together people of South Asian origin . The World Diabetes Day activities will focus on promoting the importance of screening to ensure early diagnosis of diabetes and treatment to reduce the risk of serious complications. During this event, they will be made aware of how to prepare healthy eating options so that community members are able to maintain an active and healthy lifestyle.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing and celebrating our natural environment

By educating our senior members about the benefits of early detection of diabetes, we will be promoting a safe and healthy wellbeing of our members. We plan to have a Diabetic health specialist, a nutritionist and yoga expert who will help and guide our members to overcome this lifestyle disease(early detection and control through use of natural resources and environment).

Collaborating organisation/individual	Role
Will be approaching Diabetes NZ Auckland Branch	conduct test for diabetes

The Parenting Place - Attitude Youth Division

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Attitude Mental Health & Wellbeing Presentations for Henderson & Massey High Schools

Location:	Classrooms and Assembly Halls of Henderson High, Liston College, Massey High, Rutherford College, St Dominic's Catholic College and Waitakere College		
Summary:	<p>Attitude, the youth division of The Parenting Place, equips teenagers with life skills necessary for building a meaningful life. Our objective is to encourage mental and emotional resilience and help prevent youth suicide, teen pregnancy, bullying, drug and alcohol abuse and low self-esteem, some of the key issues NZ young people are struggling with.</p> <p>For this project Attitude presenters will visit six Henderson and Massey high schools as required during 2018 to deliver presentations and handbooks to approximately 7100 students.</p>		
Dates:	30/01/2018 - 30/11/2018	Rain dates:	-
Active participants:	7100	Audience size:	5

Community benefits

Identified community outcomes:

By teaching critical social skills and promoting overall wellbeing, Attitude teaches young people how to engage with and solve problems, how to cultivate healthy self-esteem and good mental health, how to recover from setbacks and how to understand and improve relationships. With good emotional and resilience skills, teenagers are far less likely to fall into substance abuse, self-harm and dangerous relationships. The community benefits as young people are given tools to become mature, responsible individuals, becoming positive contributors to the wider community. Attitude also educates young people on the physical and emotional benefits of living an active healthy life style. Equality and understanding are key messages we deliver.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
-

Attitude presentations teach good emotional and resilience skills, and as a result teenagers are far less likely to fall into substance abuse, self-harm and destructive relationships. The community benefits as young people are equipped and inspired to become positive contributors to their community now and into the future. Students are encouraged to positively contribute towards making their community a safe and friendly environment for all, irrespective of age, ethnicity or ability. Volunteering is promoted and students are encouraged to become involved in the caring and building of their community and its members.

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

As many students at these schools identify as Māori, many Māori students will learn skills to build resilience which will improve their social wellbeing. Many of our presentations speak on the importance of celebrating your cultural heritage and traditions and to take pride in the community you're from.

Target ethnic groups: All/everyone

Promoting SmokeFree: Our "Hardwired" presentation and handbook deals specifically with the benefits of being smoke-free and the dangers of smoking. We address the topic as part of our focus on the four aspects of "Hau Ora".

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages

Financial information

Amount requested: \$2000.00

Requesting grant for: Attitude presenters will visit six Henderson and Massey high schools as required during 2018 to deliver presentations and handbooks to approximately 7100 students. We request funding from Auckland Council Henderson-Massey Local Board towards the cost of 33 presentations requested by high schools and the provision of Hardwired (drug and alcohol) handbooks for all Year 10 students.

If full amount requested is not able to be funded:

Any part of this project which can be funded would be a great help. Presentations are \$200 each and funding towards at least 6 presentations (\$1200) would be the most preferred, as that means we can deliver at least one presentation to each school and ensure students aren't missing out on learning essential life skills.

Cost of participation: If we are unable to fundraise for all costs we ask schools to donate a koha for our presentations, though as schools budgets are limited this is not always possible.

Total expenditure	Total income	Other grants approved	Applicant contribution

Neighbourhood Support Waitakere

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Neighbourhood Support Waitakere - Safer Plates Events

Location:	Key locations within the ward areas. including: North West, Westgate, Royal Heights, West City, Massey, Te Atatu, Ranui, Lincoln, Henderson		
Summary:	Neighbourhood Support Waitakere promotes Safer Plates events within our area as a crime prevention initiative. Safer Plates events are held with support from our key partner agencies such as NZ Police Community Constables and Neighbourhood Policing Teams, local Community Patrols, AT and local organisations that have a community safety focus. We take the opportunity to engage with members of communities, encouraging participation and membership to our sustainable networks.		
Dates:	01/09/2017 - 01/09/2018	Rain dates:	-
Active participants:	To date 2014-2017: 3496 vehicles / Super gold/GW component: 1021	Audience size:	NSW = 3, plus NZ Police and Community Patrols up to 8

Community benefits

Identified community outcomes:

NSW continues to promote 'safe, supportive and connected communities'.

The Safer Plates initiative (tamper proof number plate screws) is regarded as a crime prevention strategy and part of our safer communities' vision. We seek funding for this project to continue to support our communities with this initiative, specifically our elderly community members who are super gold card holders with a free safer plates service. We've found this target group to be the most vulnerable when targeted in number plate theft, along with a 'good will' component for our community members who may be unable to afford this service .

Alignment with local board priorities:

Henderson-Massey

- providing a fund for local community safety projects
- events that foster community spirit

Neighbourhood Support Waitakere's vision aligns wholly with the purpose of this fund - in continuing to build and strengthen our local communities educating and increasing awareness of key safety messages, thus increasing the perception of safety and wellbeing. Our Safer Plates events provide the opportunity to actively engage with a wide and diverse community demographic, encouraging people to take a proactive approach towards crime prevention, actively promoting participation in local NSW networks. We want our communities to feel safe in their own homes, supported and connected in their neighbourhoods with a sense of belonging.

Collaborating organisation/individual	Role
NZ Police - Community Constables and Neighbourhood Policing Teams	Volunteer/Community safety promotion and engagement
Community Patrols	Volunteer/Community safety promotion and engagement
Community agencies e.g.: AT - red light campaign	Community Safety messages
Community agencies e.g.: local area safety agencies	Community Safety messages

Demographics

Māori outcomes: • Not stated

Target ethnic groups: All/everyone

Promoting SmokeFree: We supply fortnightly emails to all members on our extensive member database network, along with an active Facebook page where we share all community safety and wellbeing messages. We are happy to provide smoke-free messages in our community magazine and have these available at our events free to the community.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	%	%	%	%	50%	50%

Financial information

Amount requested: \$1960.00

Requesting grant for: We are applying for the cost of Safer Plates tamper proof screws to enable an ongoing trend of free service for Super Gold Card holders and community members who cannot afford this safety initiative, this funding will enable a further 875 or more vehicles to receive this subsidised service.

Invoice supplied is rated at the cost of the most expensive screws required, however, some screws may be up to 10 or 20c cheaper to purchase which will allow for slightly more persons/vehicles being completed.

If full amount requested is not able to be funded:

We have identified our Super Gold Card holders to be among the most vulnerable in our communities for number plate theft. Whilst they may or may not be specifically targeted, this generation do feel they have been personally victimised, and traumatised by the effects of criminal activity. We are able to take the opportunity to encourage membership to our networks with ongoing communications supplying key safety messages, and networking within existing or new Neighbourhood Support Street groups

Cost of participation: Safer Plates standard cost per vehicle is \$4.00, we are applying to fully subsidise our Super Gold Card holders and community members who can't afford the service.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$1,960.00	\$0.00	\$0.00	\$0.00

Project: MBODY movement - Free Community Workshop Series

Location:	Te Atatu Peninsula Community Centre, 595 Te Atatu Rd, Te Atatu Peninsula, Auckland 0610		
Summary:	We are creating a free community workshop series of movement based mindfulness and well-being sessions for adults, facilitated by a professional movement practitioner. Called MBODY movement, we aim to increase people's fitness, strength, co-ordination, flexibility, joy and connectedness through both movement education and fostering of community spirit. Each 2-hour workshop will include 3 sessions; cardio focused, social partnering focused and mind/body focused. People are welcome to do one, two or all three of the fun and open sessions in each workshop.		
Dates:	03/09/2017 - 17/09/2017	Rain dates:	-
Active participants:	50	Audience size:	2

Community benefits

Identified community outcomes:

Our purpose for doing this is to increase people's health, well-being and connectedness through movement education and fostering of community spirit. Through participating in movement and mindfulness exercises together, people will experience both the joys and benefits of moving, nurturing and being present with our bodies, and with each other.

The movement workshops will increase people's fitness, strength, co-ordination and flexibility, and provide people access to experiencing healthy and empowered relationships with their bodies.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

We are encouraging and guiding people to express themselves artistically, creatively and culturally through guided movement exercises. We are promoting and nurturing increased physical health and well-being through dance and movement.

By participating in guided movement sessions in an open group setting, we will acknowledge each other by name and eye contact, cultivate a sense of familiarity and togetherness, and acknowledge our similarities through exploring how our physical human bodies move and breathe.

Collaborating organisation/individual	Role
None identified	

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Cathy Livermore, our movement specialist who is instructing/teaching the workshops, is Māori.

According to the 2013 census, 18.7% of our target market (the residents of Te Atatu Peninsula being Matipo, Durham Green and Te Atatu Central combined) are Māori.

Target ethnic groups: All/everyone

Promoting SmokeFree: The participants will be guided through exercises involving breathing, energy flow, awareness of emotions and increasing physical health. We will discuss and show how movement and mindfulness exercises can be very effective as well as healthy stress relievers.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

CARE Waitakere Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Fridge / Freezer for the Community Foodbank based at C.A.R.E. Waitakere

Location:	75 Beach Rd, Te Atatu Peninsula, Auckland 0610		
Summary:	The Food bank moved from the Te Atatu Community House after the Community House closed last year. We raised money to purchase a small cabin for the Foodbank, which is now housed on the CARE Waitakere driveway. The project is the purchase of maximum sized fridge / freezer that will fit in the space. Foodbank clients and 8 volunteers will be provided with safe efficient storage for the fresh and frozen foods donated from Countdown and other community individuals and groups.		
Dates:	01/09/2017 - 20/09/2015	Rain dates:	-
Active participants:	Estimated 150 families over the year	Audience size:	1

Community benefits

Identified community outcomes:

Countdown, Te Atatu Peninsula, has recently committed to providing regular fresh and frozen food to the CARE Community Food bank. With a spacious and reliable fridge/ freezer the Food Bank clients and 8 volunteers will be provided with safe efficient storage for the fresh and frozen foods donated from Countdown and other community individuals and groups.

Food will not be wasted.

Foodbank users, Staff and Volunteers will feel valued and be able to give and receive best service.

Over the past year, working together with the community over 200 food parcels and Christmas Hampers were provided, improving the health and wellbeing of 130 families including 310 children.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing community and economic opportunities

The purchase of a reliable fridge freezer for the Foodbank encourages people in the community to give more fresh and frozen food to support the well-being of vulnerable families in the community. It increases our capacity to provide much needed fresh food. People of all ages call in to donate food. Recently Countdown has come on board to donate fresh and frozen food. There have been many positive comments on Facebook Community page.

Collaborating organisation/individual	Role
Community individual	\$488.25
Te Atatu Peninsula Community Trust	Regular food donations collected

Father and Child Trust

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Father and Child Trust Support for Fathers

Location:	Auckland		
Summary:	<p>We provide personal support, emotional and practical support around family situations.</p> <p>This often includes loss, grief, acceptance, attendance at Family Group Conference/lawyer/ Ministry for Vulnerable Children, Oranga Tamariki meetings with clients – we advocate and empower dads to attend themselves.</p>		
Dates:	01/09/2017 - 31/08/2018	Rain dates:	-
Active participants:	300	Audience size:	5

Community benefits

Identified community outcomes:

Social services are created as a response to the social need. Our communities need for Great fathers as much as they need great mums. Children are our future and we need to nurture that future by supporting those who care for them, educating those who need knowledge and creating an environment that celebrates and supports all parents/caregivers. Father and Child is a very small organisation with a big challenge and that challenge is to enable a community to respond to the needs of its fathers in ways that create enduring outcomes for their families and community. New Zealand deserves to have first world health care, first world education and first world parenting.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

One in three children live in a single parent family where one parent is disengaged and not involved. 15% of those parents are dads. There are over 15,000 solo dads receiving the Work and Income Benefits (only one parent can receive this) compared with 1000 in 2007. The amount of dedicated support has not increased.

Traditionally many professionals have not recommended shared care arrangements overlooking the true benefits children receive if both the parents are truly focused on their welfare and are equally supported.

Collaborating organisation/individual	Role
None identified	

Demographics

Māori outcomes: • None stated

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, All/everyone

Promoting SmokeFree: Auckland Council approved a smoke-free policy in 2013 aimed at making public outdoor spaces smoke-free across the Auckland region.

Our event is a Father's Day Event, children will be attending, we will add the smoke-free message to the design of the flyer.

Parent Aid Waitakere

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Advertising within the community for awareness of Parent Aid Waitakere

Location:	Waitakere Auckland.		
Summary:	<p>At a recent PAW committee meeting it was discussed that advertising material was needed to create awareness in the community for the free service that Parent Aid Waitakere provides for families in West Auckland with children aged 0-14 years old.</p> <p>Parent Aid Waitakere has been providing a practical and in-home support service to families for 23 years now and we want to continue to do so.</p> <p>The physical address of our office base changed address in July 2016 and we need pamphlets with the reflected changes to be placed in areas of community involvement such as the local CAB offices, medical centers and hospitals and when out networking with other community agencies.</p>		
Dates:	01/09/2017 - 01/09/2018	Rain dates:	-
Active participants:	We aim to target all families in Waitakere area approximately 200,000 individuals.	Audience size:	4 team members and 10 volunteers

Community benefits

Identified community outcomes:

*A community where we know our neighbours work together on issues and value diversity- Our support workers are able to support families with practical tasks in the home which help empower families and reinstate the value of togetherness within our community.

*A good life for young and old - We want to inform about our free service to clients to help those who are in need and may not be in a position to financially afford these services, hence creating a stress free environment in the home.

*With the funding support we will be able to reach out to more diverse families via local schools and childcare centers to foster and enhance the community spirit.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing community and economic opportunities

*A community where we know our neighbours work together on issues and value diversity- Our support workers are able to support families with the basic of tasks in the home which help empower families and reinstate the value of togetherness within our community.

*A good life for young and old - We want to inform about our free service to clients to help those who are in need and may not be in a position to financially afford these services, hence creating a stress free environment in the home.

Mt Tabor Trust

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Mt Tabor day art activities

Location:	30 View Road, Henderson		
Summary:	Tuesday morning is art for Deaf Day Programme and Friday afternoon is art for everybody. We are providing day activities for our individuals with intellectual disabilities from within the Mt Tabor community and other local providers. It allows these individuals to express themselves and to communicate using a visual medium.		
Dates:	15/08/2017 - 30/12/2017	Rain dates:	-
Active participants:	20 - 30	Audience size:	2 facilitators

Community benefits

Identified community outcomes:

As this project is open to all adults with intellectual disabilities within the Henderson area it is a great resource and programme for the whole community. It is a great social outlet as well as creative. It also gives them a chance to start putting together a portfolio if they would like to exhibit their artwork.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- fostering arts, culture and sport in the community

By bringing members of the wider community together to participate in artwork.

Tirimoana Primary School

Legal status:	Other: School	Activity focus:	Environment
Conflicts of interest:	None identified		

Project: Te Rakau Whenua Water tank

Location:	Te Rakau Whenua Native Garden Tirimoana School 34 Kokiri Street Te Atatu South		
Summary:	The school enviro group has since 2007 started a regeneration programme and created an area on the school field where they have continually planted and replaced native trees. We have named this area Te Rakau Whenua and we are continually expanding it with new plantings. A water tank will enable us to water the native plants over the summer months. There is currently limited provision for watering this area using a long hose from the nearest tap. A water tank can be filled from the roof of our nearby sports pavilion. In previous years we have lost a number of young plants over the summer and intend to plant more native plants in the next few months.		
Focus specific:	Environmental benefits: Learning about and applying sustainable use of water. Learning about and maintaining an area of regenerating native forest. Native plants and trees will flourish, and will encourage other native animal species to inhabit.		
Dates:	04/09/2017 - 29/09/2017	Rain dates:	-
Active participants:	700 students, 60 staff and 400 families.	Audience size:	60 children plus 3 teachers in the Enviro group benefiting over 700 students in the school community.

Community benefits

Identified community outcomes:

A successful grant to purchase a water tank will add to our school Enviro programme, and will be useful in teaching children sustainable practice with water. It will also enable us to continue to expand our native plant area, Te Rakau Whenua, which enables the community to learn about sustainable native planting.

Alignment with local board priorities:

Henderson-Massey

- enhancing and celebrating our natural environment
- enhancing community and economic opportunities

This project focuses on sustainable practices for use of water, and for regeneration of a native plant area in the school grounds. It will also serve as a practical real life learning opportunity for children about sustainable practice in the community.

Collaborating organisation/individual	Role
Students, teachers and parents	Installing the water tank and watering native plants

Demographics

Māori outcomes:

- Māori focus - tikanga (practises), matauranga (knowledge), te reo (language)

We teach indigenous Maori practices for sustainable use of the environment, and we teach the principle of Kaitiakitanga.

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, African

Promoting SmokeFree: Our school is 100% smoke-free.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	%	%	%	%	%	100%

Financial information

Amount requested: \$1000.00

Requesting grant for: The purchase of a water tank.

If full amount requested is not able to be funded:

Cost of participation: Not applicable

Total expenditure	Total income	Other grants approved	Applicant contribution
\$869.56	\$0.00	\$0.00	\$0.00

Expenditure item	Amount
Water tank 3500 litre	\$869.56

Royal New Zealand Coastguard Boating Education

Legal status:	Incorporated Society	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Safe Boating

Location:	West Wave Henderson		
Summary:	Safe Boating teaches primary and intermediate aged children how to be safer around boats. West Wave and Coastguard Boating Education have partnered so West Wave can deliver the programme to their community. West Wave are in need of new buoyancy aids in allowing delivery of the programme to resume.		
Dates:	01/09/2017 - 04/09/2020	Rain dates:	-
Active participants:	1000	Audience size:	10

Community benefits

Identified community outcomes:

To teach children how to keep themselves and others safe around boats and what to do if they end up in the water. They will then go home and tell their families, so the information will be shared.

This is also the beginning of a pathway of marine education, should they want the opportunity.

Alignment with local board priorities:

Henderson-Massey

- providing a fund for local community safety projects
- fostering arts, culture and sport in the community

Currently there are too many people going boating and not coming home. Most of these are preventable tragedies. By teaching our young people the importance of wearing a life jacket, how to fit their own and what to do if they end up in the water, we are working to make communities safer and lower the boating fatality toll while providing a pathway of marine education for those who find a passion in being on the water.

Collaborating organisation/individual	Role
West Wave	Delivery of the programme.

Demographics

Māori outcomes: • None stated

Target ethnic groups: All/everyone

Promoting SmokeFree: This is aimed at 8 - 12 year olds in a smoke free environment.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	100%	%	%	%	%	%

Financial information

Amount requested: \$1978.00

Requesting grant for: 29 Hutchwilco buoyancy aids. Funding has already been found for the boats and the training.

If full amount requested is not able to be funded:

For as many buoyancy aids as possible.

Cost of participation: This is up to West Wave. If they have to charge, I believe it will be around \$2.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$1,977.43	\$0.00	\$0.00	\$1,978.00

Expenditure item	Amount
29 Hutchwilco Buoyancy Aids	\$1,977.43

Income description	Amount
Coastguard Boating Education will not profit from this project. Any money West Wave charges will be put towards replacing gear, when needed.

NZ Tag20

Legal status:	Other: Requesting under \$1,000	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Oceania Cup

Location:	Melbourne - Taterson Park		
Summary:	Tag20 Sports event being held in Melbourne. We are a competing Nation 14 boys and Youth Girls		
Dates:	24/11/2017 - 26/11/2017	Rain dates:	-
Active participants:	100	Audience size:	40

Community benefits

Identified community outcomes:

This is an opportunity for kids who normally wouldn't have a chance to travel and compete at an international Level.

We want to give the kids a chance to succeed where they may not be able to in other places or at other levels of sport.

Alignment with local board priorities:

Henderson-Massey

- strengthen governance capacity in our community and recreational organisations
- events that foster community spirit

It encourages parents that any child from any background can come and play and enjoy what tag20 has to offer, they will also enjoy a family created environment that supports and fosters ALL children.

Collaborating organisation/individual	Role
None identified	

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

We have many Maori children whom are members and will compete at this international level.

Target ethnic groups:

New Zealand European, Māori, Pacific Peoples

Promoting SmokeFree:

Fitness, better health, feeling better.
