<b>Q5 Do you have any other comments about our proposed local board plan</b>	<b>Planning</b>	Just fix the drains at the Kauri Domain Balmain road first as they are a disgrace and track has been under water for six months or more!! The board or staff should be sacked!.
	<b>Parks, sport and recreation</b>	Another grandstand. Or How about club rooms for the different sports club that use to use the grandstand as their home. I'm sure Northcote Tigers, Birkenhead calliope and raffle club would appreciate that after being kicked out.
		Local Board Plan Feedback Not sure if this is the right place for this...but I would love to see a toddler-friendly playground in the area. I've noticed lots of great upgrades around and about. They are awesome. There is a fabulous playground on Jutland st in Beaumont. It attracts lots of families and is really well used. Windy ridge reserve has a wee playground that could use a bit of a makeover.
		With a new grandstand or Northcote Tigers clubrooms.
		I feel what the Kaipatiki area lacks is spaces where all the whanau can partake in physical activity irrespective of age or ability. The sport that is fantastic for this is frisbee golf aka disc golf. Unfortunately there are no facilities currently available for the public in our community.
