Q1 On a scale of one to five, are we on the right track with our proposed local board plan	The local board is doing their best with current resources
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	How the local board is using resources is impressive.
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Boards projects are community driven, wanting to hear the voice of the people. Its about the community.
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Agree but there are too many liquor stores, bars and \$2 shops that attract the wrong crowds and window washers.
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Need to make information more clear
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Follow up with action, a plan is a plan
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Small to medium size projects working well, by connecting with other organisations
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Plan too broad at first, but once it was broken down by Angela it made it clearer
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Not enough emphasis on age friendly city. Age friendly city already has domains
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Need to look at transport around Manukau Super Clinic. E.g. More buses on site
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	More specifics around connectedness. What does that mean?
