| Q2 Please rank the following in order of importance, where one is most important and four is least important | A clean and clear environment and water resource are the top main condition for people. Personally, it is important for young people to have new opportunity as they are often not involved that much in community welfare. It's important for community members to get know each other because more and more immigrants come from different ethnic groups (from other countries). It's important to improve local people's living conditions, good relationship, transport which can encourage these people without cars to join community activities. Because, caring engaged and safety are very important for people in community. In community all people can learn how information and also making friends and contribution with other (health and wellbeing). |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | 0 Maungakiekie-Tamaki has quality infrastructure to match growth   |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Transport is horrible in Auckland, improving them is long overdue.   |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | A clean and clear environment and water resource are the top main condition for people. | Q2 Please rank the following in order of importance, where one is most important and four is least important | B2, People have so many needs, for example; play, business, happiness life, so these are very important for people. The community and the people are priority. During everything in the mould, human factors would be the one. As long as there are people, every kind of miracle can be created.  |
| Q3 Do you think we have missed anything? If yes, please explain what it is and why it's important            | Strengthen the safety and security. Establish a safety/ security structure.  |
| Q3 Do you think we have missed anything? If yes, please explain what it is and why it's important            | Safety- It's always a big issue at Onehunga. A lot of shops have been stolen. Less places for community members to use, no money to rent. Robbery and thieves are often happen in this areas. This threatens people to have a peaceful life.   |
| Q3 Do you think we have missed anything? If yes, please explain what it is and why it's important            | Maybe explain the local board a bit more so people understand the question more, they are unsure.  |
| Q3 Do you think we have missed anything? If yes, please explain what it is and why it's important            | To maintain and improve our lifestyle quality. The community need to have clear and clean water resources and healthy, beautiful lifestyle.  |

| Q2 Please rank the following in order of importance, where one is most important and four is least important | Board members limited in what they can promote (e.g.. AT projects)  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Lack of free flowing traffic  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Keep parking off arterial routes - parking on the street affects traffic flow   |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Until population grows, can't sustain public transport  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Got good feedback from the Youth Week events, which attracted a number of people. Young people liked being included in the decisions being made by council. Young people like the activities going on                         |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | But young people would like to keep in simple – want easier/simpler information to digest from council.   |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Community feeling better about Oranga Community Centre but there have been hiccups (people using alcohol at events held at the centre). Could the facility be alcohol free?   |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Support creating job and other opportunities for youth  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Connecting services with those in need  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Don't know who the community leaders are? Ron (attendee) answered there are a number of local groups he's involved with that support the community (e.g. Synergy, Te Papa Rugby Club etc.)                                    |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Important that local board supports the local community groups  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | We've got a community growing around the wake-boarding cable & lagoon in Onehunga.  |
| Q2 Please rank the following in order of importance, where one is most important and four is least important | Making sure increasingly popular facilities are well-serviced. Like the lagoon toilet block in Te Tauranga has drainage issues.   |
