Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Members were pleased to hear about the new rubbish bin initiative that will tak effect in Papakura very soon. Some were a little unsure about how they felt about having orange rubbish bags and having to pay for them.
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	Members also agree that it is a very good draft plan and is broad enough to hit a lot of areas in one go.
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	They like the idea of having a community hub for people to come together and use spaces for various reasons.
Q2 Please rank our outcomes in order of importance, where 1 is most important and 5 is least important.	Members expressed their interest in transport plans and are fully behind what the local board has proposed.
Q2 Please rank our outcomes in order of importance, where 1 is most important and 5 is least important.	Need more variety of shops in Papakura.
Q3 What do you think of our priorities	Members expressed their interest in developing the Papakura town centre and perhaps having a mall to allow people to stay and shop in Papakura, also, to generate more jobs.
Q3 What do you think of our priorities	Cross Street, needs to have a speed bump as it is a street in Papakura where cars tend to speed up and down on. Dangerous for children walking to and from school or just hanging out in general.
Q3 What do you think of our priorities	High importance needs to be placed on the youth of Papakura, what initiatives are being used to target them and making them more involved.
Q3 What do you think of our priorities	Parks need to have some exercise equipment for the youth and children to use.
Q3 What do you think of our priorities	Perhaps a time-zone or arcade or a space where youth can gather.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	One lady expressed having the maternity hospital to be done up for mothers/future mothers here in Papakura.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Parks in Papakura have very low fences and is not very safe at all for the youth or any of Papakura's residents to use. Members suggested maybe looking at building taller fences around our local parks.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Community Hall is always being fully booked and can hardly get a space there to use, maybe renovating the community hall to make it more available for residents of Papakura.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Rollerson Street has been identified as being very dangerous and needs speedbump to stop people from speeding up and down on, again, unsafe for the public, especially, our youth and children.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Need to offer more courses and places to educate our school leavers IN Papakura.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Alleyway that connects Sutton and Rollerson needs to be made safer and cleaned more as a lot of children use it.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Streets near the swimming pool are in Papakura need more lights as it is too difficult to navigate through.
Q4 Do you think we have missed anything in the draft plan? If yes, could you explain what and why it's important	Idea to have a youth council/local youth board in Papakura to have not only the 'educated' few but also, a mix of those who live in Papakura but are not well educated. Their voices need to be heard also, and they need to have a say. Perhaps maybe having a fono that is just targeted at the youth of Papakura.
