
**Waitakere Ranges
Local Board Plans
2017-2020
Event Feedback**

No of Attendees	Event
5	Sunday, 4th June 2017 - WTKLB HYSE - Swanson Market (9am-11am)
Topic	Comment
Q3 Tell us what you like the most about our proposed local board plan	We activelyprotect the Waitakere Ranges Heritage Act
Q3 Tell us what you like the most about our proposed local board plan	Our unique natural habitats are protected and enhanced
Q3 Tell us what you like the most about our proposed local board plan	Our communities celebrate their distinct identities
Q3 Tell us what you like the most about our proposed local board plan	People experience local arts and culture and recognise our heritage
Q3 Tell us what you like the most about our proposed local board plan	Our urban centres are enjoyable places to be
Q3 Tell us what you like the most about our proposed local board plan	Community spaces and recreation facilities meet your needs and are easy to get to

No of Attendees	Event
7	Thursday, 8th June 2017 - WTKLB HYSE - Waitakere Ranges Local Board Office (6pm-8pm)
Topic	Comment
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Weed management and Kauri dieback in need of a long term view
Q5 What else could we do to respond better to Maori needs and values	Active R&R, Marae – could be initial basis to generate idea’s from within their communities - would require LB commitment.
Q5 What else could we do to respond better to Maori needs and values	Active R&R, Marae - Give people experience around decision making, create competition to generate ideas, links people face to face
Q5 What else could we do to respond better to Maori needs and values	Active R&R, Marae - Seen to be successful overseas – interest in the political context? / noted 2 articles/books
Q5 What else could we do to respond better to Maori needs and values	Active R&R, Marae - Increase interest and participation
Q6 Do you have any further comments about our proposed local board plan	Support continued focus on the environment
Q6 Do you have any further comments about our proposed local board plan	Feel that level of care has dropped since amalgamation
Q6 Do you have any further comments about our proposed local board plan	Do support idea of taking a local delegation to GB in City
Q6 Do you have any further comments about our proposed local board plan	Participatory budgeting - set aside budget (set value - 200k), community identify potential project, a selected community jury decide which to progress, implement.

No of Attendees	Event
1	Tuesday, 13th June 2017 - WTKLB HYSE - Waitakere School Hall (6.30pm-8.30pm)
Topic	Comment
Q6 Do you have any further comments about our proposed local board plan	Broadband – put cell tower on the beach and then a cable back up to the exchange. The coroner previously noted (2005) that poor communications infrastructure is an issue that contributes to incident such as drownings, deaths and missing people, related to the beach.
Q6 Do you have any further comments about our proposed local board plan	Need safe walking for local residents in Bethells to the beach (Mosquito Lane). Walkway would improve public safety.
Q6 Do you have any further comments about our proposed local board plan	The Bethells river and lagoon – cow pollution is leading to E.coli.
Q6 Do you have any further comments about our proposed local board plan	Wants fruit tree planting in public areas / carpark. Avocados have already self-seeded.
Q6 Do you have any further comments about our proposed local board plan	A need for community activity support at Bethells – i.e. around the walkway mentioned above.

1	Thursday, 15th June 2017 - WTKLB HYSE (Pop Up) - Heritage Community Drop In
Topic	Comment
Q3 Tell us what you like the most about our proposed local board plan	More art in public places.
Q3 Tell us what you like the most about our proposed local board plan	Maui dolphins!
Q3 Tell us what you like the most about our proposed local board plan	Better marine protection.
Q3 Tell us what you like the most about our proposed local board plan	A continual reference to the Local Area Plans will keep us on track.
Q6 Do you have any further comments about our proposed local board plan	More funding and contractor help needed for reserves, roadsides (Auckland transport) and difficult private properties in South Titirangi (i)
Q6 Do you have any further comments about our proposed local board plan	More funding and contractor help needed for reserves, roadsides (Auckland transport) and difficult private properties in South Titirangi (ii)
Q6 Do you have any further comments about our proposed local board plan	Sustainable neighbourhood support should be maintained, at least in the Waitākere Ranges Heritage Area (i)
Q6 Do you have any further comments about our proposed local board plan	Sustainable neighbourhood support should be maintained, at least in the Waitākere Ranges Heritage Area (ii)
Q6 Do you have any further comments about our proposed local board plan	Sustainable neighbourhood support should be maintained, at least in the Waitākere Ranges Heritage Area (iii)
Q6 Do you have any further comments about our proposed local board plan	Can Auckland Transport please be a good neighbour and remove their environmental weeds (i)
Q6 Do you have any further comments about our proposed local board plan	Can Auckland Transport please be a good neighbour and remove their environmental weeds (ii)
Q6 Do you have any further comments about our proposed local board plan	Can Auckland Transport please be a good neighbour and remove their environmental weeds (iii)
Q6 Do you have any further comments about our proposed local board plan	More work with keeping communities connected with their Local Area Plans (LAPS) after they are published
Q6 Do you have any further comments about our proposed local board plan	Financial support for the project to build a trail from Mosquito Lane (off Bethells Road) to Te Henga Beach, which is needed as the road is too dangerous for kids to walk to the beach.
Q6 Do you have any further comments about our proposed local board plan	Faster internet connections would allow more residents to work at home and not drive to the city

10	Saturday, 17th June 2017 - WTKLB HYSE - Glen Eden Community House (12pm-2pm)
Topic	Comment
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Need better parks and facilities in Glen Eden.
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Concerned that there is less budget in the parks budget lines in the Local Board Plan to look after those areas, e.g. basketball half court in Prospect Park is in poor condition, with no net.
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Concerned that there is less budget in the environment budget lines in the Local Board Plan to look after that area.
Q6 Do you have any further comments about our proposed local board plan	Virgo Common needs a re-vamp. The playground is just for wee kids and the older ones can't use it.
Q6 Do you have any further comments about our proposed local board plan	Is starting to visit Glen Eden more than she used to. Likes the Glen Eden Library.
Q6 Do you have any further comments about our proposed local board plan	Prospect Park has only one swing, so kids can't play together. It is a well used park but could be used more.
Q6 Do you have any further comments about our proposed local board plan	There are no toilets in most parks in the (Woodvale / wider Glen Eden) area.
Q6 Do you have any further comments about our proposed local board plan	All parks in the (Woodvale / wider Glen Eden) area need more lights, and toilets. Ceramco toilets are closed during the day.
Q6 Do you have any further comments about our proposed local board plan	Want signage for heritage and historic sites in Glen Eden.
Q6 Do you have any further comments about our proposed local board plan	There should be public toilets at the Glen Eden Railway Station.
Q6 Do you have any further comments about our proposed local board plan	The fences around this part (Prospect Park) need to be maintained better.
Q6 Do you have any further comments about our proposed local board plan	More input as to solar energy.
Q6 Do you have any further comments about our proposed local board plan	Glen Eden needs a public weed bin.
Q6 Do you have any further comments about our proposed local board plan	Need a walking link between Tawini Road and Shetland Street

No of Attendees	Event
5	Wenesday, 21st June 2017 - WTKLB HYSE - Laingholm Village Hall (6.30pm-8.30pm)
Topic	Comment
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Place for historic heritage about Titirangi.
Q6 Do you have any further comments about our proposed local board plan	Footpaths along Scenic Drive are dangerous, and maintenance has gone backwards
Q6 Do you have any further comments about our proposed local board plan	Weeds on road verges and frontages such that residents themselves can't tackle weeds on them. Is getting worse over past several years.

No of Attendees	Event
31	Sunday, 25th June 2017 - WTKLB HYSE - Titirangi Village Market (10pm-2pm)

Q3 Tell us what you like the most about our proposed local board plan	We actively protect the Waitakere Ranges Heritage Act
Q3 Tell us what you like the most about our proposed local board plan	Our unique natural habitats are protected and enhanced
Q3 Tell us what you like the most about our proposed local board plan	Our communities celebrate their distinct identities
Q3 Tell us what you like the most about our proposed local board plan	People experience local arts and culture and recognise our heritage
Q3 Tell us what you like the most about our proposed local board plan	Our urban centres are enjoyable places to be
Q3 Tell us what you like the most about our proposed local board plan	Community spaces and recreation facilities meet your needs and are easy to get to
Q3 Tell us what you like the most about our proposed local board plan	Better marine protection.
Q3 Tell us what you like the most about our proposed local board plan	Maui dolphins protected.
Q3 Tell us what you like the most about our proposed local board plan	Seeing is believing eg. Cnr Warner Pk and Victory Roads
Q3 Tell us what you like the most about our proposed local board plan	Tree protection
Q3 Tell us what you like the most about our proposed local board plan	Art in public places
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Council should make an app so people can map issues they find like wasp nests etc
Q6 Do you have any further comments about our proposed local board plan	Concern about Watercare project planned for Woodlands Park.
Q6 Do you have any further comments about our proposed local board plan	A continual reference to LAPs will keep us on track.
Q6 Do you have any further comments about our proposed local board plan	Really worried about Watercare and size of proposed plants.
Q6 Do you have any further comments about our proposed local board plan	Concern about Titirangi chickens
Q6 Do you have any further comments about our proposed local board plan	Stop the spread of weeds and restore environment budgets
Q6 Do you have any further comments about our proposed local board plan	Restore Ranges to pre-amalgamation
Q6 Do you have any further comments about our proposed local board plan	No passing lines on Huia Road
Q6 Do you have any further comments about our proposed local board plan	More integrated public transport across the region
Q6 Do you have any further comments about our proposed local board plan	Concern about clearing of bush for Watercare.
Q6 Do you have any further comments about our proposed local board plan	Traffic speed on Huia Rd should be 50k
Q6 Do you have any further comments about our proposed local board plan	Visibly supporting community led development - funding ability to communications marketing how to - requires community collaboration - co-design the future

No of Attendees	Event
23	Thursday, 29th June 2017 - WTKLB HYSE - West Auckland Pasifika Forum, Encounter Christian Centre
Topic	Comment
Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future	Hold more of these forums and ongoing discussion
Q6 Do you have any further comments about our proposed local board plan	Identify Pacific leaders and work with them rather than just generalised comments to the community
Q6 Do you have any further comments about our proposed local board plan	Jobs and economic development for our Pacific community are important
Q6 Do you have any further comments about our proposed local board plan	See this meeting as the start of a relationship
Q6 Do you have any further comments about our proposed local board plan	Communication to the Pasifika community about the bus network changes were poor, need more targeted engagement
Q6 Do you have any further comments about our proposed local board plan	Pacific community feel they haven't got access to decision makers
Q6 Do you have any further comments about our proposed local board plan	Pacific community wants consistency across all boards e.g. Pacific strategy
Q6 Do you have any further comments about our proposed local board plan	Create opportunity to use church and religious groups for engagement
Q6 Do you have any further comments about our proposed local board plan	Do a stocktake of existing relationships then think of how to leverage them
