<b>Q4 What is one thing you think is missing in the Waitakere Ranges area, which you feel is extremely important for the future</b>	<b>Environment</b>	'Local Board Plan Feedback' Central Government i.e. Welly needs to help out as Waitakere Ranges are taonga for whole of country. First thing to do is stop cutting down mature trees, especially taonga like kauri, totara, rimu, pohutakawa.
	<b>Transport</b>	Make people who work and drive single into town have to catch a bus or car pool .give them 3 days to drive into town 2 days to catch a bus or train in too work traffic is diabolical and woeful at peak hours we should be taking traffic off the road not providing more lanes into a bottle neck .
