A.	Parrs Park Pump Track presentation	3

## Work involved

- Mounds of soil topped with lime – can be made from re-contouring existing land and/or importing soil. Some spoil is available at the park at the moment;
- Professional trail builders to form basic track, community working bees to complete;
- Funding may be available from the Trusts, Sport Waitakere and others;
- Ongoing maintenance and minor works.

## Location requirements

- Track size and shape is flexible to site characteristics;
- Surveillance from street or neighbouring houses;
- Signage for rules of use;
- Low rail fence to keep out motorbikes.

## Options for track location
