12	Thursday, 1st June 2017 - WTMLB HYSE - Waitemata Local Board Office (6pm-8pm)
Topic	Comment
Q2 Tell us what you think about the draft local board plan	Draft the Local Board Plan reflecting youth voice, priorities and engagement feedback
Q3 Are there any specific projects or initiatives you would like the board to focus on	Consider noise levels in the City (eg use of leaf blowers) and the number of events with agreed sound levels which increase above agreed levels over time
Q3 Are there any specific projects or initiatives you would like the board to focus on	Consider the effect CRL will have on K Road - rail station and residents
Q3 Are there any specific projects or initiatives you would like the board to focus on	Redesign transport system based on hubs - Supermax proposal - reduce congestion
Q3 Are there any specific projects or initiatives you would like the board to focus on	Too many buses on Albert Street
Q3 Are there any specific projects or initiatives you would like the board to focus on	Not enough in the Plan about homelessness, need showers, lockers, night shelter
Q3 Are there any specific projects or initiatives you would like the board to focus on	Put showers in Ellen Melville Centre
Q3 Are there any specific projects or initiatives you would like the board to focus on	Engage with organisations in the city that do have showers and make them available for the homeless
Q3 Are there any specific projects or initiatives you would like the board to focus on	Install portable showers in carpark buildings
Q3 Are there any specific projects or initiatives you would like the board to focus on	Provide access to showers in Victoria Park
Q3 Are there any specific projects or initiatives you would like the board to focus on	More cycleways please
Q3 Are there any specific projects or initiatives you would like the board to focus on	More car free zones
Q3 Are there any specific projects or initiatives you would like the board to focus on	Central footpaths upgraded and made safe
Q3 Are there any specific projects or initiatives you would like the board to focus on	Ensure the transport needs of young people are met
Q3 Are there any specific projects or initiatives you would like the board to focus on	Advocate and support walking, cycling and PT prioritising initiatives
Q3 Are there any specific projects or initiatives you would like the board to focus on	Pedestrian priority at crossings
Q3 Are there any specific projects or initiatives you would like the board to focus on	Speed cameras and red light cameras needed in City Centre
Q3 Are there any specific projects or initiatives you would like the board to focus on	Develop High Street into a shared space
Q3 Are there any specific projects or initiatives you would like the board to focus on	Many of our heritage buildings have no heritage assessments
Q3 Are there any specific projects or initiatives you would like the board to focus on	Encourage Developers to provide communal spaces
Q3 Are there any specific projects or initiatives you would like the board to focus on	Increase public space in the City centre
Q3 Are there any specific projects or initiatives you would like the board to focus on	Increase recreation opportunities
Q3 Are there any specific projects or initiatives you would like the board to focus on	Lockers and showers are needed sooner rather than later
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	City Centre 30km/hr enforced
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Advocate for better air quality, diesel buses out, electric buses and at Ports
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Yes please increase the urban forest in the city centre rather than destroying it
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Council should stop removing trees
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Advocate for maintaining trees in City Centre on streets
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	An emergency shelter is needed
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Need to provide for the health and happiness of the large homeless population
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Strongly advocate to Council on providing emergency shelter is a must
Q5 Do you have any other comments to make on the draft local board plan	Request inorganic and organic collection in city centre particularly for apartments
Q5 Do you have any other comments to make on the draft local board plan	Engage with apartment blocks
Q5 Do you have any other comments to make on the draft local board plan	Local Board business meetings in the evenings not in afternoons, good to have some early some later
Q5 Do you have any other comments to make on the draft local board plan	Use Ellen Melville Centre as location of Local Board meetings
Q5 Do you have any other comments to make on the draft local board plan	Businesses in the city centre can help the Local Board with engagement
Q5 Do you have any other comments to make on the draft local board plan	Need to acknowledge Asian retail and the effect of this on other retail offerings
Q5 Do you have any other comments to make on the draft local board plan	Isolation of residents is a big issue, especially students
Q5 Do you have any other comments to make on the draft local board plan	The central city has too many junk food and convenience stores

Topic	Comment
Q5 Do you have any other comments to make on the draft local board plan	Key to the City is mobility but not with cars
Q5 Do you have any other comments to make on the draft local board plan	Public Spaces should be driven by the community not Council
Q5 Do you have any other comments to make on the draft local board plan	Objective 4 needs to address more than parks and needs to include small areas of public space needed for community activities

No of Attendees	Event
8	Wednesday, 7th June 2017 - WTMLB HYSE - Grey Lynn Community Centre (6pm-8pm)
Topic	Comment
Q3 Are there any specific projects or initiatives you would like the board to focus on	Building setbacks for higher density infill development
Q3 Are there any specific projects or initiatives you would like the board to focus on	Design new buildings with weather protection
Q3 Are there any specific projects or initiatives you would like the board to focus on	Ensure new highrise has groundfloor activation
Q3 Are there any specific projects or initiatives you would like the board to focus on	Reinstate Park Rangers
Q3 Are there any specific projects or initiatives you would like the board to focus on	Rose Road Gully - needs ongoing commitment for maintenance
Q3 Are there any specific projects or initiatives you would like the board to focus on	Need stormwater and wastewater seperation and solutions
Q3 Are there any specific projects or initiatives you would like the board to focus on	Do not wait for the Central Interceptor - seperation needed now, old infrastructure
Q3 Are there any specific projects or initiatives you would like the board to focus on	Vinegar Lane an example of poor planning for green space and trees
Q3 Are there any specific projects or initiatives you would like the board to focus on	To ensure we never have another Grey Lynn Bunnings-type development we need to ensure developments include awnings and community enhancing spaces at street level
Q3 Are there any specific projects or initiatives you would like the board to focus on	Advocate for a stronger role in resource consenting process - especially notified consents
Q3 Are there any specific projects or initiatives you would like the board to focus on	Urban forest trees should include fruit trees and those in the road corridor (as well as native planting)
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Trees in streetscape in front of new development
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Drinking fountains in the streetscape
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Improve Home Street Reserve
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Residential parking permits must be complemented by great public transport
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Monitor and maintain beach maintenance
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Ponsonby Road footpaths need immediate upgrade
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Accelerate the low carbon action plan, climate change is a crisis now
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Clear weeds from gully in Grey Lynn Park
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	That mitigation and adaption to climate change be a top priority of the Local Board - prioritise the low carbon plan and budget
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Continue to promote low carbon active transport - cycling, walking, greenways etc
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Continue to support and advocate for Smokefree initiatives and ask Auckland Transport for reports on their promotion of their facilities being smokefree
Q4 If there was one key initiative from our draft local board plan that you wish to see prioritised for funding, what would it be	Address sewage overflow into Cox's Creek - even in advocacy
Q5 Do you have any other comments to make on the draft local board plan	Weave iwi engagement within Board plans and projects
Q5 Do you have any other comments to make on the draft local board plan	Maintenance of existing and new assets is an issue - parks, plant and tree maintenance, weed removal
Q5 Do you have any other comments to make on the draft local board plan	Development Plans for Park are good but need maintenance
Q5 Do you have any other comments to make on the draft local board plan	Slow response tiem to logged issues which are not replciated by AT and Watercare - must be more efficient
Q5 Do you have any other comments to make on the draft local board plan	Western Springs Precinct needs coordiantion of all parties with an interest, partuicallry access, parking public transport, needs a coordinated plan
Q5 Do you have any other comments to make on the draft local board plan	Extend library hours
Q5 Do you have any other comments to make on the draft local board plan	Impact of intensification/ apartments on existing infrastructure
Q5 Do you have any other comments to make on the draft local board plan	Underground powerlines if road is being dug up for water infrastructure
Q5 Do you have any other comments to make on the draft local board plan	Undertake analysis of Business Improvement Districts and consider these in the development of the Local Board Plan
Q5 Do you have any other comments to make on the draft local board plan	Fix abandoned changing sheds in Grey Lynn Park; eyesore
Q5 Do you have any other comments to make on the draft local board plan	Promote te reo on signage
Q5 Do you have any other comments to make on the draft local board plan	Advocate for a larger Transport Capital Fund - \$500,000 is far too low and \$10m overall is far too low
Q5 Do you have any other comments to make on the draft local board plan	Advocate to Government and Governign Body that mitigation and adaption to climate change be a top priority of Council
Q5 Do you have any other comments to make on the draft local board plan	Consider greater use of "local" targetted rates especially for certain local projects (eg community facilities) - 2.5% rates is too low
Q5 Do you have any other comments to make on the draft local board plan	Support Māori Responsiveness Plan locally and involvement of Māori in the Plan
Q5 Do you have any other comments to make on the draft local board plan	Undertake a 'carbon audit' of a service or project to get an idea how Council could reduce its carbon footprint
Q5 Do you have any other comments to make on the draft local board plan	That there be compliance with 'poster' signage across the Local Board area - poster signs are being plastered everywhere in breach of the signage bylaw
Q5 Do you have any other comments to make on the draft local board plan	Advocate for and support communities oppose new liquor stores
Q5 Do you have any other comments to make on the draft local board plan	Contribute to an annual Auckland Council Advocacy Statement to Central Government - as Auckland is picking up the pieces from high immigrationand social disintegration
Q5 Do you have any other comments to make on the draft local board plan	Support 'shared car' options such as CityHop

Topic	Comment
Q5 Do you have any other comments to make on the draft local board plan	Ensure a percentage of the funding from resident parking zones is returned to the Local Boards for local projects and not AT consolidated fund
Q5 Do you have any other comments to make on the draft local board plan	Support 'no relocations' in forthcoming Gambling Policy
