Project: 2017 OKE Head2Head Walk

Location:	Oura Bay Beach Motor Camp, 294 Oura Bay Rd, RD4 Waiuku, Auckland 2684		
Summary:	The Head2Hed Walk has been going since 2012 and is now the official fundraiser for the OKE Charity. This is a unique event, circumnavigating the entire Manukau Harbour, all 125km! Teams are five people cover the 125km distance in the form of a relay, with each walker walking approximately 25km each. The event start in Oura Bay at 8am Saturday morning and finishes in Huia around 9am Sunday morning.		
Dates:	11/11/2017 - 12/11/2017	Rain dates:	Not identified
People delivering:	OKE has four people working on the project. We're also engaging Event Management students from AUT South Campus to support the running of the event.	People reached:	At least 150 people are directly involved in the event. Throughout the 125km route of the event, 1,000's will be aware of the walkers taking part.
Promotion:	Not stated We have enlisted the support of West Cost Creative who have provided a detailed Communications and Campaign Proposal. This grant application will help to fund this campaign.		

Community benefits

Identified need:

There is a real need for this event, in order to raise funds for the OKE Charity. Over the years, OKE has identified the need for school gardens is much greater than just knowing about fruit and vegetables. Through contact with schools, we have found there is a distinct lack of understanding of gardening and the many benefits it can provide. Teachers, as well as students, need educating.

Then, of course, there is the actual OKE Head2Head Walk itself. This is a social and community focused event. The idea of the event is to bring communities all around the Manukau Harbour together and remind people that Auckland doesn't finish at Mt Wellington but stretches out the amazing Awhitu Peninsula.

Identified community outcomes:

The charity builds an amazing community spirit within the primary schools in works with. The school gardens build an amazing array of skills in the kids, which are sadly lacking; compassion, ownership, resilience, empowerment, etc.

As mentioned above, this is a social and community focused event. The team behind the event engages with community groups all around the harbour and the ultimate goal will be for each leg of the walk to be managed by the communities they pass through. As well as raising funds for the OKE Charity, we want to showcase the Manukau Harbour, as it needs more attention and love.

Alignment with local board priorities:

- support events which encourage visitors to spend more time in Franklin as a destination
- support events that aim to be financially sustainable and become a regular and celebrated part of the Franklin event calendar

OKE Head2Head Walk starts in Orua Bay and almost half of the event (60km) takes place in the Franklin District. In the lead up to the event, we will be promoting the areas included in the event. As well as teams of walkers, their supporters, event volunteers and the general public will be heading out to the Franklin area to be part of the walk. Orua Bay Motor Camp will see increased bookings at a quiet time of the season. People will stop in Waiuku to buy refreshments. \$5,000 from previous Head2Head Walks has funded a project at Awhitu School

Māori outcomes:

Through the OKE education resource, we will be encouraging the development of Maori philosophy, Hauora, the health and well-being of kiwi kids. The gardens will also encourage the growth of local native plants and develop an understanding of traditional Maori foods and natural products.

Community benefits

Identified need:

The Asia Oceania zone for wheelchair rugby was at risk of not having a qualifier event for countries to gain a placing for 2018 World Wheelchair Rugby Championship. NZWR submitted a late bid to fill this gap.

NZWR need to raise the profile of wheelchair rugby to future volunteers and youth participants.

Wheel Blacks will be in a much better position to gain a placing being on their home turf with local community and family support. Not having to travel to another country eliminates travel fatigue and emotional stress from being away from familiar environment and support people.

Identified community outcomes:

Raise the profile of wheelchair rugby in NZ for the disabled population and local community.

Increase youth participation as players and volunteers in wheelchair rugby via school spectatorship at the event.

Wheel Blacks medal at the Asia Oceania Zone Championship.

Alignment with local board priorities:

- support events that celebrate our distinctive local communities and enable people to come together
-

Our unique event, last hosted in NZ over eight years ago, will engage with a sector of the community who have a limited number of opportunities to watch disability sport played at the highest level. This hopefully will then lead to participation at our Auckland clubs. It also supports the opportunity for being involved in the event as a volunteer.
