

# Birkenhead War Memorial Park

Reserve Development Plan May 2010

## Key:

— Park Boundary

— Existing tracks  
- maintenance and improvements required

— Develop existing connections

— Investigate potential pedestrian connections

— Establish new track

▼ Walkway signage positions

Existing Building

Building affected by staged changes. New, remove, demolish or reuse

## Pan Park Improvements:

- Weed management
- Maintain visual connections
- Planting

## Cohesive character enhancements to provide strong, distinctive park identity through rationalised:

- Furniture
- Signage
- Fencing
- Building colour

NOTE: Proposals for future development of community use facilities will not be funded by NSCC. Some proposals are contingent on others and some proposals are anticipated to be staged.
