

Father and Child Trust

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Father and Child Trust Support Service

Location:	Onehunga Auckland		
Summary:	<p>We provide personal support, emotional and practical support around family situations.</p> <p>This often includes loss, grief, acceptance, attendance at Family Group Conference/lawyer/Ministry for Vulnerable Children, Oranga Tamariki meetings with clients – we advocate and empower dads to attend Themselves.</p>		
Dates:	01/09/2017 - 31/08/2018	Rain dates:	-
Active participants:	5	Audience size:	300
Promotion:	Not stated Website and Facebook		

Community benefits

Identified need:

In the last 12 Months, we have helped over 300 new clients (dads have come to us for help). On average clients will visit 5 times for support and we will make at least one offsite meeting in support. By providing support to dads and organisations that want safer children in safer communities and less domestic violence there needs to be a shift in the amount of support given to parents in particular fathers. When parents, adults stop being violent to one another. When fathers see themselves as equals with equal responsibilities. When shared care or co-parenting is the normal expectation.

Identified community outcomes:

Social services are created as a response to the social need. Our communities need for Great fathers as much as

They need great mums. Children are our future and we need to nurture that future by supporting those who care

for them, educating those who need knowledge and creating an environment that celebrates and supports all

Parents/caregivers.

Father and Child is a very small organisation with a big challenge and that challenge is to enable a community to

Respond to the needs of its fathers in ways that create enduring outcomes for their families and community.

New Zealand deserves to have first world health care, first world education and first world parenting. High domestic violence rates, teenage pregnancy, teen suicide, dad less children and male suicide

could all be reduced with initiatives that provide more support. Many of our clients have come from dysfunctional families.

They want to break the intergenerational cycles and become great role models now and for the future. Our legacy is not only the dads and other services we have helped over the last 19 years; it's their children and their children's children.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a built environment that strengthens our communities and reinforces our heritage and local character

Functional/Operational – supporting community groups to have accessible facilities that will enable the delivery of well-being services.

Supporting efficiency and excellence in the community sector through supporting capacity and capability building including support for volunteers.

Services, programmes and projects that support the wellbeing of youth → rangatahi, children → → kaumatua and families –whanau and people promotion of safe, self-sustaining and inclusive communities.

Onehunga Chinese Association Incorporated

Legal status:	Other: not for profit community group	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Onehunga Chinese Association Incorporated

Location:	3 Pearce Street, Onehunga, Auckland		
Summary:	Onehunga Chinese community centre service to the local Chinese communities. Local Chinese peoples can take part in all kind of activities in community centre twice a week. The activities include table tennis, singing, aerobics, tach and instrument playing.		
Dates:	01/01/2017 - 31/12/2017	Rain dates:	-
Active participants:	9	Audience size:	170
Promotion:	Not stated We have already promoted our projects on WeChat (china's social media platform).		

Community benefits

Identified need:

Some new activities were added to the community Center, this year we added taichi, instrument playing, karaoke. All of these activities are most popular with local citizens. We have already promoted our projects on Wechat(china's social media platform)

Identified community outcomes:

1. For elderly Chinese, Onehunga Chinese community center provides fixed venues for their social activities. We believe that frequent social activity may help to prevent or delay cognitive decline in old age.
2. Those activities that provided by community center such as table tennis, singing, aerobics and taichi can improve the health of the participants, and reduces the risk of diseases and obesity.
3. Organize social activities to promote cultural exchange for the local community, including but not limited to parties, art performance.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

Cultural exchanges: helping Chinese people to integrate into society better; organize dance team and active participation in public-interest performances; Organize festival parade.

Social commonweal activities: participate the Planting Activity every year; organize public-interest performances; providing help to people with disabilities; organize public lecture and training in Onehunga Library.

The interaction between the police and citizens: we maintain good exchanges and cooperation with the local police station. We also assist the police to dispatch the leaflets concerning safety knowledge.

Exercise and fitness: The participants can choose an activity that is interesting to him. We provide table tennis, singing, aerobics, Taichi for selection.

Collaborating organisation/individual	Role

Communicare CMA (Ak) Inc.

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Royal Oak Friendship Centre

Location:	Royal Oak Baptist Church Hall, Cnr Symonds St and Erson Ave, Royal Oak		
Summary:	Communicare's Royal Oak Friendship Centre is open once a week during term time providing a welcoming environment for all senior and/or disabled members of the local community to meet and enjoy each other's company. Communicare provides morning tea and a light lunch as well as shared activities such as crafts, games and the occasional outing. It is Communicare's mission to care for the health and wellbeing of isolated seniors and address the challenges of aging and social isolation and we believe friendship centres such as the one in Royal Oak go a long way to helping our members face these challenges.		
Dates:	01/10/2017 - 01/10/2018	Rain dates:	-
Active participants:	15	Audience size:	80
Promotion:	Not stated Communicare is constantly striving to gain publicity for its services and friendship centres. We do this on our own website and Facebook page. We provide information and brochures to all local medical centres and promote local centres and activity through local community newspapers. We are also promoted through websites and newsletters of allied healthcare providers.		

Community benefits

Identified need:

Communicare has been operating in the area for nearly 60 years. Demand for our friendship centre has always been steady with several allied healthcare agencies referring members to Communicare. With an increasingly elderly population in Royal Oak and across Auckland in general the need for such a centre continues to grow.

Identified community outcomes:

Through our Royal Oak Friendship Centre we aim to better connect with the local community. By running the centre locally we can maintain that local community focus achieving: 1. the centre is open and accessible to all elderly and disabled in the local community; 2. it is staffed by a local coordinator who is supported by local volunteers sharing a local community network; 3. our members are better supported in their community, are able to stay living locally in their own homes longer, and are far less at risk of social isolation. The health and wellbeing of our members within their local community is paramount.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

Communicare's priority is to enhance the wellbeing of the elderly and disabled, and to support them

through their participation in a local friendship centre. This supports the priority of the Maungakiekie-Tamaki Board - building strong communities where people can connect. Local participation by way of local volunteers and drawing on the support of local businesses and individuals supports a sense of community and celebration within Royal Oak. Our friendship centre plays a large part in keeping the community's elderly members safe and healthy encouraging them to be actively involved in local life. Local involvement is key to achieving our stated mission.

Collaborating organisation/individual	Role
NA	NA

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Communicare's Maori Health policy aims to ensure that our services are responsive to the needs of our Maori members. We observe Maori custodial rights, needs and interests and work hard to create an environment at our friendship centre that embraces and cares for the wellbeing of our tangata mauiui and their whanau.

Target ethnic groups: All/everyone

Promoting Smoke Free: We exist first and foremost to care for the health and wellbeing of the elderly and disabled. Creating a smoke-free environment is an essential element of this. Our venues are all clearly designated smoke-free and all members, staff and volunteers are apprised of this when they first attend a centre.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

Extra Talk

Under the umbrella of Dunkirk Road Activity Centre Inc.

Legal status:	Other: not for profit community group	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Extra Talk Conversation groups

Location:	Dunkirk Activity Centre, Dunkirk Road, Panmure Onehunga Community Centre, Church Street, Onehunga		
Summary:	We are 2 conversation groups teaching and learning English with an emphasis on everyday spoken English. The learners are migrant/refugee Speakers of Other Languages and the tutors are trained volunteers with more than 12 years of ESOL group tutoring.		
Dates:	03/10/2017 - 28/09/2018	Rain dates:	-
Active participants:	25-35	Audience size:	20-50 (including learners' families)
Promotion:	Not stated The programme is promoted in Dunkirk Road Activity Centre advertising material. Word of mouth from promotion from learners and tutors.		

Community benefits

Identified need:

Our group has conducted these classes for 18 months with volunteer tutors since 2016. Our learners are wholly committed to improving their use of English and appreciate being part of a secure learning group. Currently we have 20 regular attendees with 4 volunteer tutors.

Identified community outcomes:

Learners will increase their confidence, proficiency and understanding of English and thus enable their participation and contribution in the community.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a healthy natural environment enjoyed by our communities

Encouraging and enabling new New Zealanders to be confident within and participate in English language in their community.

Collaborating organisation/individual	Role
Dunkirk Road Activity Centre Inc.	Subsidised venue hire, advertising and promotion in Centre programmes at no cost, umbrella funding and administrative assistance.

Demographics

Māori outcomes: • NA

Target ethnic groups: Other: All migrants/refugees, Speakers of Other Languages

Promoting Smoke Free: Smoking is not permitted at any of the venues which we use. The programme we run discusses many topics of interest with the learners.

Summary:	The production and distribution of a range of multi-lingual children's books originated in New Zealand and reflecting New Zealand culture but provided in a range of 7 plus community languages.		
Dates:	01/09/2017 - 31/03/2019	Rain dates:	-
Active participants:	We have a team of two but will be contracting a range of local translators, book designers and printers to produce the material	Audience size:	There are around 8,000 students' years 0 to 15 in the Auckland Maungakiekie-Tāmaki region, according to the Ministry of Education, but there are approximately 90,000 students enrolled in education in the larger Auckland region, plus there are a number of new immigrant centres and refugee community groups established here. 700,000 citizens in Auckland identify themselves as non-European and nationwide there are approximately 850,000 students nationally in primary, secondary and early childhood education, all of whom could benefit from these resources.
Promotion:	Not stated Through book shops, libraries, library supplies, advisers, and through an on-line catalogue.		

Community benefits

Identified need:

Interviewed experts in Schools, Libraries and Immigration centers.

Planned frequent communication with interested organisations to ensure we are updated as needs change.

Identified community outcomes:

The provision of resources to Auckland's preschools, primary schools, libraries and immigration centers.

More far reaching consequences include the enabling of inclusion within the wider community, ensuring that older generations and new immigrant groups are encouraged to be part of children's education.

Our goal is to recognised, acknowledged and provided for the needs of the non-English speaking community by giving those groups access to New Zealand's stories and quality literature.

This is will also encourage language learning for older members of the community who are not involved in the education system.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- successful businesses and good jobs for our people

By promoting inclusion, diversity and participation in society though access to education and arts literature. The head office will be within the Maungakiekie-Tamaki region.

Project: Growth and Connect Nights

Location:	385 Mt Wellington Highway, Mt Wellington		
Summary:	Teaching youth how to become positive role models in the community. Mentoring youth causing a positive influence and encouraging them to reach their full potential. Supporting youth through challenging situations. Learning positive life-skills through good decision making, assertiveness and conflict resolution. Encouraging youth to live alcohol and drug-free lives.		
Dates:	06/10/2017 - 28/09/2018	Rain dates:	06/10/2017 - 28/09/2018
Active participants:	20 People	Audience size:	Unlimited. To date we have reached 300youth.
Promotion:	Not stated 1. Facebook. 2. Flyers. 3. Personal invitations.		

Community benefits

Identified need:

There are no free of charge youth events in the area

Identified community outcomes:

The youth will be off the streets, they will have a safe place to go.

This is an on-going community project and we will know the activity has achieved the objectives when there are fewer youth on the streets and attending the events.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a healthy natural environment enjoyed by our communities

Weekly events run to engage and support youth in our community, teaching them how to become positive role models in the community.

Getting alongside youth mentoring them causing a positive influence and encouraging them to reach their full potential.

Connections with young adults as a person to look up to that can help and support them through challenging situations causing them to become responsible youth in our community.

All events are alcohol, smoke and drug-free and in a safe environment.

Project: Community Impact Days

Location:	Homes in the Maungakiekie-Tamaki community		
Summary:	<p>Improving community spirit and connectivity with four Community Impact Days per year where we send out upward of 550 volunteers into homes to help very needy people, families, the elderly and disabled in the Maungakiekie-Tamaki community. We carry out cleaning, gardening, painting and maintenance.</p> <p>We promote volunteering and social investment.</p> <p>Outcomes include improved living conditions, connection and company, improved quality of life and access to healthier secure housing.</p> <p>We also receive second-hand furniture donations which we repair and regenerate for distribution to families in need.</p>		
Dates:	25/11/2017 - 08/09/2018	Rain dates:	-
Active participants:	Approximately 550 People	Audience size:	On any given Community Impact Day we visit in excess of 50 homes which results in over 200 homes with families being reached.
Promotion:	Not stated Marketing through email, flyers and networking meetings		

Community benefits

Identified need:

An overflow of referrals from community organisations. A large number of families struggling with poverty and no financial or practical support. This is an ongoing project that has been operating for 10 years and the need is substantially growing each year. Needs have been identified through our close association and working together with grass-roots community organisations like Grandparents Raising Grandchildren, Multiple Sclerosis Auckland, Barnardos, ATWC, Procure, Te Hononga, AWHI, Tamaki Regeneration and also Council/Government departments like Housing New Zealand Corporation, Housing for elderly in council villages and Oranga Tamariki.

Identified community outcomes:

The activities bring the community together to go out as volunteers.

It promotes volunteering and social investment in the community and makes a difference in the community.

We also improve the community spirit and connectivity through the Community Impact Days.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a healthy natural environment enjoyed by our communities

We mobilise teams upward of 550 volunteers who go into homes to help needy people, families,

elderly and disabled in the Maungakiekie-Tamaki community. The volunteers are from a diverse range of cultures. They work together in harmony to achieve a common objective, making families safe and connected. They carry out cleaning, gardening, painting and maintenance which are all community-led. Volunteers unselfishly give up their time and skills to assist people in the community. The result is improved living conditions, healthier homes, connection, company and improved quality of life. We receive second-hand furniture donations which we regenerate for distribution to families.

Collaborating organisation/individual	Role

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Help Maori families maintain a safe and healthy standard in their homes by removing mould from ceilings, bathrooms, shower units, kitchens and bedrooms. Cleaning ovens, fridges, cupboards, walls, windows, floors and carpets. Repairing holes in walls, building fences to keep children safe. Cleaning gardens, mowing lawns, cleaning decks and slippery paths to prevent accidental injury. All this leads to improved living conditions for the elderly, families, widows, special needs and single parents. We also receive second-hand furniture donations which we repair and regenerate for distribution to families in need. 45% Of our volunteers who attend Community Impact Days are Maori.

Target ethnic groups: All/everyone

Promoting Smoke Free: Volunteers do not smoke while volunteering and working in the community.

Project: Attitude life-skills and wellbeing presentations in Maungakiekie/Tamaki schools for 2018

Location:	In assembly halls and classrooms of Onehunga High School (24 Pleasant St, Onehunga), Tamaki College (Cnr Elstree Ave & Taniwha St, Glen Innes), and One Tree Hill College (421-451 Great South Rd, Penrose).		
Summary:	<p>This project involves Attitude presenters visiting three Maungakiekie-Tamaki high schools as required during 2018 to deliver 22 life skills and mental wellbeing presentations to students in the funding region, as well as provide them with Hardwired (addictions) handbooks.</p> <p>The main objectives of the Attitude programme are to encourage mental & emotional resilience and help prevent youth suicide, teen pregnancy, drug & alcohol abuse and low self-esteem - some of the main issues NZ young people are struggling with today. Students are empowered to reach their potential, make good decisions, recognise they have a voice, and contribute towards making their community a safe place.</p>		
Dates:	01/11/2017 - 30/11/2018	Rain dates:	-
Active participants:	2	Audience size:	2700
Promotion:	Not stated We promote our Attitude Programme for Schools on our website (www.attitude.org.nz) and spend a lot of time cultivating relationships with schools. Our Attitude team have good existing relationships with high schools in the Maungakiekie-Tamaki local board area, so they don't spend too much time on promotion in this area, preferring to focus our promotional energy and optimising efficiency by maintaining our relationships with the schools directly.		

Community benefits

Identified need:

NZ statistics are alarming and some of the worst in the world when it comes to Youth suicide, teenage pregnancy and STIs. Bullying in schools, criminal assaults by children and teenage binge drinking culture are frequently in the media.

- Student feedback obtained through our third party online evaluation survey gives strong evidence for the need for and success of our programmes.
- We have been delivering presentations in Maungakiekie schools for 17 years and are always invited back. These invitations give a clear indication that schools endorse our programmes and see a need for what we are doing.

Identified community outcomes:

The Attitude programme develops young people by teaching them how to make good decisions and inspiring them to implement these decisions. We help them focus on their strengths; we equip them to engage with and solve problems, cultivate healthy self-esteem and good mental health, recover from setbacks, and understand and improve relationships.

With good emotional and resilience skills, teenagers are less likely to fall into substance abuse, self-harm and dangerous relationships. Students are empowered to make informed choices and negotiate their teenage years in a safe and positive way and so become positive contributors to society.

- Through improved decision making our programmes encourage students to positively contribute towards making their community a safe and friendly environment for all, irrespective of age, ethnicity or ability.
- Volunteering is promoted and students are encouraged to become involved in the caring and building of their community and its members.
- Young people are given insights into their own family dynamics and provided keys on how to get on better with their families.
- Attitude educates young people on the physical and emotional benefits of living an active healthy life style.
- Equality and understanding are key messages we deliver.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- strong and thriving communities that are enabled to participate, celebrate and contribute

This request is for funding to deliver our Attitude programme to 3 high schools in the Maungakiekie-Tamaki local board area. The Attitude programme develops youth by teaching them how to make good decisions and enabling them to implement these decisions. Through our range of presentations and resources we teach young people how to engage with and solve problems, how to cultivate healthy self-esteem and mental health, and how to understand and improve relationships. Communities thrive as youth are empowered to become mature, responsible, and contributing individuals.

Collaborating organisation/individual	Role
Youthline - Stephen Bell ph. 376 6645	A support service to which we refer young people.
Onehunga High School - Tom Webb, Deputy Principal, ph. 636 6006	Requested programmes and resources
Tamaki College - Jason Borland, HOD of Health, ph. 521 1104	Requested programmes and resources
One Tree Hill College - Mark Barlow, HOD of Health, ph. 579 5049	Requested programmes and resources

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

As many students at these schools identify as Māori, many Māori students will learn skills to build resilience which will improve their social wellbeing. Many of our presentations speak on the importance of celebrating your cultural heritage and traditions and to take pride in the community they're from.

Target ethnic groups: All/everyone

Promoting Smoke Free: Our "Hardwired" presentation and handbook deals specifically with the benefits of being smoke-free and the dangers of smoking. We address the topic as part of our focus on the four aspects of "Hau Ora".

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	40%	60%	%	%	%	%

Financial information

Amount requested: \$2,862.00

Requesting grant for: If successful this grant will be used to contribute towards the cost of delivering 22 mental health and wellbeing presentations at \$200 each to approximately 2700 students attending three high schools in the Maungakiekie-Tamaki local board area, plus provide 625 Year 10 students with a copy of our 'Hardwired' (drug & alcohol education) handbook @ \$1.38 each.

If full amount requested is not able to be funded:

Presentations are \$200 excluding GST each. Funding towards a minimum number of presentations (2 at each school) totalling \$1200 would be preferred.

Cost of participation: Attitude understands that there is a pressure on schools' budgets which is why we seek funding to offset this cost. Schools are asked to contribute what they can in the form of a koha donation towards the cost of receiving presentations, which varies from school to school.

Project: Kiwi Can in 4 Tamaki Primary Schools

Location:	Glen Taylor School: 172 West Tamaki Road, Auckland 1072; 2) Glenbrae Primary: 103 Leybourne Circle, Auckland 1072; 3) Panmure Bridge: 76 Kings Road, Panmure, Auckland 1072; 4) Tamaki Primary: 11A Alamein Road, Panmure, Auckland 1072		
Summary:	<p>Kiwi Can is a life skills and values programme delivered to the whole school by trained Kiwi Can leaders, with every child attending a Kiwi Can lesson once a week, every week of the school year.</p> <p>Kiwi Can lessons have been shown to contribute to greater communication skills, social interaction, cooperation and displays of kindness and caring.</p> <p>School Principals tell us that the Kiwi Can programme has a noticeable effect on how well their children interact with each other – with significant decreases in truancy and bullying in the playground.</p>		
Dates:	01/10/2017 - 30/09/2018	Rain dates:	-
Active participants:	6	Audience size:	826
Promotion:	Not stated		

Community benefits**Identified need:**

Through collaboration with the schools and our own research we know that there is a significant and on-going community demand for our programmes and for our key staff in local schools. Through the feedback from teachers, families and the children and young people participating in the programme themselves, we know there is not only a demand but meaningful outcomes achieved for children and young people in our community.

Identified community outcomes:

Each of our programmes includes a Community Project. This is an opportunity for students to develop reciprocity and build better knowledge of, and stronger relationships with, their families/whanau, school community and broader community.

There are a number of great opportunities for the community and key stakeholders to engage with our wonderful Kiwi Can kids through the Community Project. This could include:

- painting murals at schools, playgrounds and public spaces
- landscaping parks and playgrounds
- planting trees
- creating or restoring playground equipment

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a built environment that strengthens our communities and reinforces our heritage and local character

1) Our programmes are informed by best-practice research, focusing on positive child and youth development. We apply Lerner et al 5 C's model of positive youth development to support young people to develop their: • character • caring and compassion • confidence • competence • connections. These lead to greater levels of contribution.

2) The Kiwi Can programme includes a Community Project that involve students in enhancing their school/ playground/ local public spaces such as parks by planting trees or painting murals etc. This gives students an opportunity to have a stronger relationship with their community and participate in building the character of local spaces.

Collaborating organisation/individual	Role
1) Glenbrae Primary School 2) Glen Taylor School 3) Panmure Bridge School 4) Tamaki Primary School	An agreement is signed between our organisation and each of the schools whereby the former agrees to deliver the Kiwi Can programme and the latter agree to support the delivery including supporting programme evaluation

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Out of 826 students attending the four schools, 300 are Maori and 422 are Pacific. All of these students stand to gain from the Kiwi Can programme. Kiwi Can operates under the P.E.A.C.E. philosophy, where excellence in action is achieved through an on-going cycle of:

- Praising effort, reflection and intent
- Encouraging and supporting change through developing new skills and understandings
- Celebrating Achievement, learning and transformation
- Providing opportunity for new Challenges, including transferring new skills and understanding across a variety of contexts
- Celebrating Excellence

Target ethnic groups: All/everyone

Promoting Smoke Free: The programme supports the smoke free policy that applies to all the schools where the programme operates.

Financial information

Amount requested: \$10,000.00

Requesting grant for: We seek funding support towards wages for five staff (Kiwi Can Leaders) who are responsible for delivering our Kiwi Can programme in the schools and are critical to its success. These amazing people coordinate all aspects of programme delivery including conducting classes, guiding students, organising community projects and liaising with schools and other relevant stakeholders.

Wage costs are the only direct and significant costs for running these crucial programmes. We do engage volunteers from the school and community as appropriate to help minimise other costs.

If full amount requested is not able to be funded:

Contribution towards wages of our Kiwi Can Leaders.

Cost of participation: There is no cost of participation in these programmes.

New Zealand Centre for Gifted Education Limited

Legal status:	Other: Not-for-profit limited liability company with charitable status	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Subsidies MindPlus Auckland East

Location:	c/- Riverina School, 30 Millen Avenue, Pakuranga, Auckland		
Summary:	MindPlus – Where like-minds grow together: MindPlus is a programme for gifted 6-13 year olds that provides intellectual, creative, social and emotional learning and support. Children come together, with a specialist teacher, for one day each week. Together they engage in differentiated, strength-based learning experiences to further develop their gifts and talents and a greater understanding of themselves. MindPlus offers a differentiated curriculum with a specific focus on talent, conceptual and personal development, and thinking and research process development. The programme provides holistic educational instruction and recognises potential as well as performance.		
Dates:	02/10/2017 - 01/10/2018	Rain dates:	-
Active participants:	2	Audience size:	100
Promotion:	Not stated We promote our programme through our website, media releases, promotions to business and education communities, social media, notices, annual publicity campaign, newsletter.		

Community benefits**Identified need:**

There is an idea that state education is free and should cater for all needs. This works well when the teaching professional is trained in the multitude of skills required and equipped with the knowledge they need to cater for all. Unfortunately in the world of gifted and talented students this isn't the case. This is proven by the Ministry of Education's own research in 2004 and the Education Review office in 2008 plus the demand for our own specialist services.

MartinJenkins Scoping report (February 2014) demonstrates three major reasons, based on delivery and excellence gaps, why funding is important for gifted children, particularly low socio-economic areas. (Attached)

Identified community outcomes:

- Gifted and talented children have equitable access to MindPlus without financial disadvantage to families
- Provide an innovative learning environment where students can engage in in-depth learning with like-minds
- Retention of programme in area with high level of deprivation and need

Students become more self-aware, confident, engaged, motivated and resilient. Children and families have better participation, engagement and positive contributions to the wider community.

Our vision is for students to be:

- cognitively
- creatively
- motivationally
- emotionally
- socially
- ethically, and
- practically

High-functioning learners, ready and able to make a positive contribution to their whanau, schools, and communities.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
-

People need to feel connected to their local community and to find their place in it. Our innovative programme provides well-being to children that otherwise often doesn't feel challenged and understood and don't always make the right choices - many 'fall through the cracks'. Students thrive with an appropriate level of challenge in an environment that understands their specific learning needs. They discover how to use their gifts, talents, passions and exceptional abilities to provide leadership. This leads to better participation, engagement and positive contributions to the community. Communities are strengthened in capacity through lifting the talents of their gifted students.

Financial information

Amount requested: \$5,000.00

Requesting grant for: Subsidies to support gifted children to access MindPlus Auckland Central, providing for their specific learning needs. We aim to achieve equity of access for children of diverse backgrounds to access our programme. Many of the students that benefit from our programme would not be able to attend without subsidies. These are kids who need our programme, but their families are not in a financial position to contribute the full fee and will not be able to attend until we secure funding to provide them with a subsidy.

If full amount requested is not able to be funded:

Any contribution would be appreciated. As we believe strongly in keeping our programme accessible for all who need it, we are reliant on grants and donations to cover our costs.

Cost of participation: The fee for MindPlus is \$2,660 per student per year though the costs are higher than this. We raise funds in order to offer subsidies for students requiring them as we believe in equitable access.

Shanti Niwas Charitable Trust

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: International Day Of Older Person

Location:	Shanti Niwas Center, 3 Rowe street, Onehunga, Auckland		
Summary:	<p>“International Day of Older Persons (IDOP)”, is celebrated worldwide on 1st October each year. To commemorate this we plan to celebrate IDOP by holding a multicultural event in Onehunga. The event will have performances and competitions by the seniors as well as information stalls . The objective of the project is to empower and increase the Mana of the seniors by showcasing their ability, talents and entertain them. The event will provide an opportunity for the Onehunga community, including the business to participate, interact, market products and services, and celebrate. We plan to have this as a yearly event in Onehunga and for it to be a permanent feature of the events calendar in Auckland region.</p>		
Dates:	07/10/2017 - 07/10/2017	Rain dates:	-
Active participants:	five	Audience size:	500
Promotion:	<p>Not stated We plan to print and distribute pamphlets in and around Onehunga and involve the local Business Community. Posters will be displayed in retail Outlets and shops in Onehunga. Announcements on radio and advertisements in the print media will be done frequently. We have had discussions with ethnic print media who are happy to support this event. Shanti Niwas has an online presence and will be publicizing this event through its web site and on Facebook.</p>		

Community benefits

Identified need:

Shanti Niwas has been in the forefront, providing services, to empower and integrate the South Asian Seniors into the community. Our programmes and services have made the seniors aware of their rights and entitlements, and helped them make informed decisions. The availability of a platform to interact with the community has resulted in the Seniors being more confident, understanding, respecting appreciating and imbibing different cultures and values.

Shanti Niwas along with NZ Police and the Onehunga Chinese Community are running the Community Safety Ambassador project in and around Onehunga. In true Kiwi Spirit of giving back to the community the Shanti Niwas has extended the visiting services to include prisons.

Identified community outcomes:

We would like this event to be a more inclusive event of the Onehunga Community and provide a platform to Seniors, Onehunga Business and the Onehunga Community at large to meet and interact.

The Seniors will perform and compete enabling them to use their skills and talents, which will encourage other seniors to be active, healthy and enjoy their age.

Workshops by and for seniors will be undertaken with an aim to impart a healthy and fit life style. The event has the potential to attract other community members, thereby adding to Onehunga's vibrant multi-cultural environment. The event will have stalls where community based information, products and services can be disseminated to the Seniors.

The event will also attract the younger generation who will learn life skills and experience from the older generation. Interactions would lead to healthy respect within generations.

Other community organizations will take part and perform in the event, which will enhance the multi-cultural values of Onehunga

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- a built environment that strengthens our communities and reinforces our heritage and local character

The event is an open event where in all members of the community can participate and celebrate. The event is an annual event and over the years we expect it to be one of the main events showcasing the elder community in Onehunga where in business and service providers will be able to interact and disseminate information.

The event will have performances from different ethnic communities, promoting the Onehunga cultural heritage. The competition will showcase the talent which will increase the Mana of Seniors. The event will provide a platform for the Onehunga Business and Service providers to disseminate information.

Mojde Ovlad

Under the umbrella of New Zealand Ethnic Social Services

Legal status:	NA	Activity focus:	Events
Conflicts of interest:	None identified		

Project: Auckland Farsi Language Group Event

Location:	Onehunga		
Summary:	The project will raise awareness in parents about the importance of language learning in children. A workshop for both parents and children from the Farsi speaking community will be conducted by the Auckland Farsi Language School as an event/workshop to celebrate its work in teaching Farsi/Persian to children from Auckland's Farsi communities and to raise awareness on the importance of language in maintaining Persian culture. The event will host about 120 people of the community and will include parents of children ages 4-12 and the children themselves. Educated professionals in language learning and child psychology will facilitate this workshop event		
Dates:	15/12/2017 - 17/12/2017	Rain dates:	15/12/2017 - 17/12/2017
Active participants:	Two coordinators, four facilitators, four community volunteers, umbrella organization's support, staff support from umbrella organization	Audience size:	120 kids and parents
Promotion:	Not stated Flyers and posters will be designed with the event details. Flyers will be distributed to Farsi speaking community members during community meetings and get togethers. Posters will be put up in community operated businesses and in groceries frequented by community members. Events flyers will be sent by email to all community members on the Auckland Farsi Language School and the New Zealand Ethnic Social Services mailing lists.		

Community benefits

Identified need:

Parents from the Farsi speaking community identified the need of their children's lack of ability to use their mother tongue which isolated them from their grandparents and the older members of the community. This in turn isolated them from their cultural practices, values and beliefs. This established the need for the Farsi language school event which will highlight the need for language learning in children

Identified community outcomes:

The learning outcomes in this project are a combination of knowledge, skills, and attitudes for participant children and the ability to integrate into school and community. Fluency and literacy in the mother provides a cognitive and linguistic foundation for performing well in additional languages. Children learning their mother tongue, they are more likely to enrol and succeed in school and their

parents are more likely to communicate with mainstream neighbours and teachers thus contributing to community wellbeing and success. Mother tongue based education especially benefits disadvantaged groups, especially children. Therefore, this project will help integrate Farsi children into Auckland's wider communities.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- strong and thriving communities that are enabled to participate, celebrate and contribute

The project reinforces the language and cultural diversity of Auckland and lays a strong foundation for a diverse community that is well integrated within itself and within the wider community

The Asian Network Incorporated (TANI)

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Migrant and Refugee Health and Wellbeing Project

Location:	101 Church, street. Onehunga. 1061		
Summary:	<p>The funding will be utilised for:</p> <ul style="list-style-type: none"> - Delivering the “Community Health Conversations”, a series of health education, empowerment & self-management seminars especially designed for the most vulnerable migrant and refugee communities. - As a part of ongoing support and information sharing, a quarterly newsletter will be published in 2-3 languages. This newsletter will target vulnerable elderly, children/youth & women issues. - As a part of the project delivery, some of the funding will go towards the salary of the “Bi Lingual Community health worker as well as to the 15 volunteers who provide ongoing support. 		
Dates:	01/11/2017 - 31/10/2018	Rain dates:	-
Active participants:	3000+	Audience size:	3000+
Promotion:	Not stated Yes we will advertise and promote the project through our website and newsletters to inform migrants and refugees of the services being offered as well as to inform on the health education workshops and training programmes.		

Community benefits

Identified need:

Various research documents, community consultations and our engagement with the community has shown that Asian and African migrant and refugee communities, have not been accessing the NZ health & social services at the extent that other populations are. After an extensive engagement with the most vulnerable ethnic groups TANI has determined that a large proportion of Asian and African communities residing in Auckland has been deprived of the many social & health services that are offered to all New Zealanders. E.g.: Free access to Breast screening, Bowel screening, diabetes self-management programmes, Family violence prevention services and many other social services.

Identified community outcomes:

Community outcomes will be determined through the following means:

- (a) NZ health system – Navigation and understanding
- (b) Information on various public health & awareness initiatives across Auckland region.
- (c) Information on Family Violence preventions services and where to go for help
- (d) Education on Diabetes and how to live happily despite of the diabetic conditions
- (e) Education & information on Bowel screening, Breast screening and HPV vaccinations.
- (f) Information on community safety and how to be more vigilant (g) Education on car seat &

booster seat use.

(g) Printing and dissemination of newsletter that will have the information on health & social services and current/upcoming events.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

We believe that the proposed activities will help the most vulnerable migrant and refugee communities within Maungakiekie-Tamaki local board area to have a better understanding of the NZ health and social systems and community. There are many migrants and refugees from Asia and African who have settled in the local board area and require the health and social service care and support that main stream organizations do not provide in their own language and cultural understanding. This is essential to better settlement.

Collaborating organisation/individual	Role
Ministry of Health - Funds	Funding towards core operational costs and activities and administration not funded through this request.

Demographics

Māori outcomes: • NA

Target ethnic groups: Chinese, Korean, Indian, Middle Eastern, African

Promoting Smoke Free: There will be no smoking within the premises of the workshops and training programmes. Because this programme is focused on health education a non-smoking message is paramount in all our promotional materials.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	3000%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	%	%	%	%	%	3000%

Financial information

Amount requested: \$10,000.00

Requesting grant for:

- Delivering the “Community Health Conversations”, a series of health education, empowerment & self-management seminars especially designed for the most vulnerable migrant and refugee communities.
- As a part of ongoing support and information sharing, a quarterly newsletter will be published in 2-3 languages. This newsletter will target vulnerable elderly, children/youth & women issues.
- As a part of the project delivery, some of the funding will go towards contracting a Bi Lingual “community health worker within the ethnic migrant and refugee community.

If full amount requested is not able to be funded:

We would request for funding towards the bi lingual community health worker and volunteer support costs.

We receive an annual subsidy from MOH towards core programme costs, but not towards the proposed budget as requested within this grant application. We have also applied to other funding agencies and waiting to receive approval which is towards the overall budget to operate the programme.

Cost of participation: No cost towards participation in TANI programme activities.

Project: Wildlife signage and Rescue Kits

Location:	Panmure Basin, Panmure-Maungakiekie Tamaki		
Summary:	To protect and save what is left of the Panmure Shag Colony with a dedication sign to Pam Howlett, who started the Sanctuary and wildlife careback in the early 1980's Wildlife Rescue Kits for gathering the ever increasing number of injured birds and wildlife in the Panmure, Tamaki area.		
Dates:	20/10/2017 - 22/12/2017	Rain dates:	-
Active participants:	Ten team members from our Society.	Audience size:	Tamaki Estuary Members, and local Public so it would be over 500
Promotion:	Not stated The Membership newsletter, local papers and our Web page and Face-book pages and Social Media, Panmure Basin Advisory Group, and the Panmure Business association, along with the Historical Society's newsletter.		

Community benefits

Identified need:

The need is outstanding and has been undone for years. This has been a failure to the community on keeping them informed of the plight of this vital and historic Colony of Shags and its importance to the area.

Identified community outcomes:

The wildlife will benefit and exposing the public to the endangered wildlife around them. Greater community awareness for all ages in our Community of the work and lifetime commitment by the late Pam Howlett on the Tamaki Estuary.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- a built environment that strengthens our communities and reinforces our heritage and local character
- strong and thriving communities that are enabled to participate, celebrate and contribute

By enhancing and supporting the environment with a stronger link to our Community that allows them to participate in keeping our environment in a healthier position

Parent and Family Resource Centre Inc. trading as Disability Connect*Under the umbrella of* Disability Connect

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Microphone and Speaker for public events

Location:	Disability Connect, 3b Olive Road, Penrose (this is our base location through sometimes the microphone/speaker would be used at a variety of Auckland locations)		
Summary:	We wish to purchase a microphone and speaker system to facilitate clear communication at our various seminars, Expo's and public events. These events are free to disabled people and their family members. We attract increasingly large numbers of attendees to our seminars, forums and public events and we wish to ensure all present can clearly hear the valuable information we convey.		
Dates:	02/10/2017 - 02/10/2020	Rain dates:	-
Active participants:	4	Audience size:	3600
Promotion:	<p>Not stated Disability Connect regularly and robustly promotes all our public seminars, forums, Expo's and events by:</p> <ol style="list-style-type: none"> 1) Specific mass emailing to our membership promoting these events - the disability sector works collaboratively to "forward" such promotions as appropriate to the wider community. 2) Facebook and social media promotions 3) Features in our fortnightly E bulletin 4) Promotion on our website 		

Community benefits**Identified need:**

We have seen a significant ongoing increase in the number of attendees at our various public events over the last 2-3 years. On occasion we have had feedback that it is difficult to hear a speaker at these events due to large numbers of attendees and latent noise of such large groups in one area. Speakers all have a variety of strength to their voices and to ensure clarity and that all our various speakers are clearly heard - thus maximising the benefit of attending our events - we would like to use a microphone/speaker when appropriate.

Identified community outcomes:

The community outcomes include that:

- 1) our speakers will be clearly heard by all attendees including those attending large events where ambient noise can become problematic - and including attendees who have some degree of hearing difficulty
- 2) our speakers will be satisfied their valuable message has been heard by all attending and not "lost" in any given opportunity
- 3) Subject matter as well as health and safety and venue "housekeeping" information is clearly

conveyed to ensure events run smoothly and safely.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

Disability Connect provides disability information and advice. We deliver this information to the Auckland community is via seminars, Expo's and workshops. To ensure clarity and accessibility of this important information we wish to use a speaker/microphone system to ensure our message is heard by all participating at our increasingly attended events. In this way we encourage strong and thriving communities that are enabled to participate, celebrate and contribute. We are also promoting parks, sports and recreational facilities that promote healthy lifestyles and enhance wellbeing by the very nature of the content of our seminars which focus on disability/health related information.

Collaborating organisation/individual	Role
Disability Connect regularly collaborates with a large number of not for profit disability organisations as well as occasional engagement with government Ministry officials and District Health Board officials	On occasion speakers from these collaborating organisations deliver presentations at our seminars and forums - this is in addition to our regularly scheduled speakers.

Demographics

Māori outcomes: • NA

Target ethnic groups: All/everyone

Promoting Smoke Free: As a health and disability service we consistently promote best practice health principles including smoke-free messages. We are very proactive in health message delivery particularly in our fortnightly E bulletin which features and entire section on health messages, workshops, self-care training courses and support groups.

The Synergy Projects

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Family & Kids Day Out

Location:	Oranga Community Centre (Fergusson Park) Waitangi Road, Oranga, Auckland		
Summary:	Family fun day which offers activities which families can participate in and enjoy. Bouncy castles, inflatable obstacle courses, inflatable soccer course, top town traditional team games, live music, free bbq, outdoor basketball/netball/touch competition. Encourages the community to meet their neighbours, use their parks and buildings, help facilitate some of the activities, community to adopt a custodian role in making the community safer and remove the negative stigma being associated with so far. It is a build up to the Oranga Festival which is held in Nov/Dec 2017.		
Dates:	04/11/2017 - 04/11/2017	Rain dates:	-
Active participants:	Synergy Projects staff of 8 facilitators, To Wahi and staff of 5 and Centre staff of 3	Audience size:	300
Promotion:	Not stated Promotion via Facebook pages and Instagram updates. Community notices via Radios. Newspaper articles in Neighbourly/Onehunga Newspaper/Mangere Bridge Noticeboard. Through the local Church networks, flyer drops in the areas, Community noticeboard of local suburbs, rugby clubs, netball clubs, local shops and shopping centres. All the websites of networks in Oranga such as the Oranga Collective.		

Community benefits

Identified need:

We have been working for approximately two and half years now in the community. We have identified that with more activities in and around the community being delivered it has help decrease the safety issue that has plagued the community for years. The people are voicing to us as we work with their children and youth, they would like to see more community/family events in their area. More families are coming out and use the parks. The highlight is they see their neighbours and kids facilitating these small events and activities. The opportunity to provide a platform where the locals can showcase their own cultures and identity has made a huge positive impact in the Oranga/Onehunga Community.

Identified community outcomes:

Increase physical and mental wellbeing of young people. Reduction in crime and safety issues in and around Oranga and Fergusson Park through increase activities. Create a safe environment for youth to participate, celebrate and express their talents and gifts in a safe environment. Youth and Community have a sense of ownership and become roles for others through mentorship and life skills workshop offered by Synergy Projects. Building local leadership capacity in the neighbourhood. Pathways created into education and business for young people and the community.

Community getting to know their neighbours by attending these events and supporting them in providing for the needy and vulnerable families of Oranga.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

The project encourages the community to come together, participate and contribute through activities, meeting their neighbours, supporting their neighbours, being active and fit. Using their local parks and facilities which also help reduce the safety issue of the community by seeing the community engaging with one another and with different ethnic backgrounds. Celebrating their diversity, cultures and identities.

YWCA Auckland

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	Maungakiekie-Tamaki Local Board member, Debbie Burrows, is an employee of YWCA Auckland as our Business Development Manager.		

Project: Sponsor two young women on YWCA Auckland's Future Leaders Programme

Location:	Onehunga High School		
Summary:	Young women from low socioeconomic communities have limited access to opportunities; many leave school without adequate qualifications and struggle to find gainful employment. This sets them up for a life of low wage earnings and they struggle to exit this cycle of disadvantage. YWCA Future Leaders is a four year, free mentoring programme which supports and empowers young women, aged 14-18 (in six Auckland decile 1-4 schools including OHS) to become leaders in their communities. The programme contributes to increased self-confidence, empowerment and educational achievement. The cost of one young female SEHC student participating in one year of the Future Leaders Programme is \$2,000		
Dates:	01/10/2017 - 30/09/2018	Rain dates:	-
Active participants:	6	Audience size:	100
Promotion:	Not stated		

Community benefits

Identified need:

Future Leaders meets the need for positive youth development programmes in low-income communities. 80% of our participants are Pacifica/Maori and evidence indicates that these youth have higher risk factors around what determines their long term wellbeing compared with other youth in New Zealand. Being culturally responsive and participative, Future Leaders is helping to meet the need in this marginalised community and is affecting long term positive outcomes for the participants and their whānau.

To understand the needs of young women, YWCA Auckland conducts annual community-based interviews. Key themes:

- Growing awareness of gender inequality
- Need for positive female role models
- Lack of awareness of options for their future
- Need for supportive relationships to grow self-confidence and leadership

Identified community outcomes:

We have designed the programme to deliver the outcomes of:

- Strengthened community connections and access to needed resources
- Increased ability to achieve self-determined goals
- Increased self confidence

- Strong network of positive relationships with female role models

The programme has also been found to positively impact the young women's increased educational achievement, uptake of leadership roles in school and community, and ability to manage cultural challenges.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
-

The Future Leaders Programme supports the priority of strong and thriving communities that are enabled to participate, celebrate and contribute. The young women in the programme are empowered in their development and ability to contribute to their communities as participating in the programme helps young women take on leadership roles in school and community. Future Leaders focuses on positive outcomes for young people and their families living in high need communities. Ultimately, when young people thrive so do our communities.

Collaborating organisation/individual	Role
Onehunga High School	By having the Future Leaders Programme in OHS, the school commits to liaising with our Programme Facilitators, assisting with recruitment and retention of the girls on the programme and allow us to conduct school meetings twice a month. We have been delivering this programme in SEHC for 12 years and thus have a strong relationship with the school.

Demographics

Māori outcomes: • NA

Target ethnic groups: All/everyone

Promoting Smoke Free: We have a smoke and alcohol free policy that covers all staff whilst working with young people. If staff does smoke, we encourage smoking cessation. All of our events are smoke free.

Tamaki Community Development Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Paddle Boarding for the Summer.

Location:	Kohimaramara beach and ocean		
Summary:	Every Summer we join up with Chris "Stand up and paddle with Chris" Batkin and provide paddle boarding lessons and competition with other clubs for children in the community. This involves picking up the children and youth and transporting to Kohimarama, providing them with afternoon tea, and dropping them back at home afterwards. There are also prizes that we give to children who may have won a place in competitions or just acts of affirmation. At the end of the season we have an afternoon tea party for the children and give the facilitators a small gift as a thank you note.		
Dates:	16/10/2017 - 12/04/2018	Rain dates:	-
Active participants:	4 - 3 staff and one volunteer (the provider of the paddle boarding activity)	Audience size:	20 - 30 children and youth.
Promotion:	Not stated		

Community benefits

Identified need:

We receive referrals from the schools, MVCOT (formerly CYFS), and other NGOs to work with children who may present with behavioural issues, no lunch, truancy, and other conditions like ADHD and Autism (among others) - the schools usually identify that the issues with the child go deeper and so our Family Workers engage with the families where they walk alongside them providing whatever it takes to help the family reach a better place in life.

Identified community outcomes:

Youth learning good values and work ethics: One example is the following: We currently have 6 girls who regularly attend the primary schools netball meets on a weekly basis where they are umpires. The girls earn \$10 at every meet they umpire at - they are keen to partake in this and our hope is that they develop good work ethics and the value of earning your money. These girls were put into this by our Family Worker who continues to motivate and encourage the girls. With funding obtained from Z-energy's Good in the Hood, we were able to provide the 6 girls with quality netball shoes and are looking to obtain t-shirts for them too. We feel this not only always the girls to learn good ethics but it also keeps them away from other undesirable activities.

Being in safe, constructive places after school i.e. with the paddle boarding

Learning a sport that should be something that will fill their time so that they do not venture into other areas that will not be beneficial to them.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

- strong and thriving communities that are enabled to participate, celebrate and contribute
- By providing a safe, pleasant place where children can be spending their time at and learning new skills (sports).

Collaborating organisation/individual	Role
Chris Batkin "Stand up and Paddle with Chris"	Provides free tuition and paddleboards

Demographics

- Māori outcomes:**
- Māori participation - Māori priority group, target group, high representation or Māori staff delivering
- We have 2 Maori staff in our organisation, 2 Pacific Islanders, and 2 European. Our family workers who are the main coordinators of the Paddle Boarding program are Maori.
- Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, All/everyone
- Promoting Smoke Free:** Young people who might be smokers do not smoke in our presence, however the buildings of the church, where the Trust is housed has "no smoking" signs on the building.

Financial information

Amount requested: \$3,000.00

Requesting grant for: For transportation costs, afternoon tea costs, koha for Facilitator, and end of seasons celebration.

If full amount requested is not able to be funded:

Transportation costs. We use the vehicles that 1. Is partly owned by the Trust and the Church and 2. A second vehicle that is owned by the Church. We use the vehicles for family work, taking children to after-school programs and holiday programs, transporting women to and from the Parenting Programs and so forth - it is our biggest operating expenditure after salaries - a grant from the Local Board will be of tremendous assistance in meeting our transportation costs.

Cost of participation: No cost but we would like to give the facilitator a Koha at the end.

New Zealand Dance Advancement Trust

Legal status:	Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: NZDC Youth & Community Engagement Programme

Location:	Maungakiekie-Tāmaki Region		
Summary:	NZDC's Youth Engagement Programme offers schools in the Maungakiekie-Tāmaki region an opportunity to experience world-class performances and workshops delivered by our professional contemporary dancers. The programme is designed to open up new pathways and teaches life skills to students such as values of responsibility, teamwork, discipline, communication, collaboration and creativity. With financial assistance from the Maungakiekie-Tāmaki Local Board, we strive to eliminate the cost barrier of delivering our highly educational and beneficial programmes to schools in the Maungakiekie-Tāmaki region. By targeting low decile schools, we wish to make arts accessible to all. In addition, we wish to further engage the senior community and promote health benefit of dance with our Senior Engagement Programme - Feisty Feet.		
Dates:	01/10/2017 - 04/08/2017	Rain dates:	-
Active participants:	12	Audience size:	600 - 1500
Promotion:	Not stated Direct emails and phone calls to local schools and in our EDMs.		

Community benefits

Identified need:

We have gauged interest from local schools in the Maungakiekie-Tāmaki region, including Pt England whom all said they are lacking professional dance workshops and opportunities for students to understand and experience the benefits of dance. We are particularly interested in targeting low decile schools, and reaching out to as many schools in the Auckland region as possible. We had have previous experience at delivering free workshops and performances at Pt England School and Glenbrae Primary School, and received incredible praise on the power of delivery of highly engaging contemporary dance and breaking down the cost barrier to experience such performances and workshops. Many schools simply cannot afford to pay for the cost of performances and workshops without your support.

Identified community outcomes:

We encourage inclusiveness through our engagement in schools and the community by empowering young people to stay fit and healthy, and develop life skills. Cost of transport and attending performances in theatres is often prohibitive for schools, so bringing our workshops and performances directly to schools provides equal access to students so that everyone can enjoy the benefits of confidence, collaboration and connectivity. Our professional dancers are highly skilled in teaching and supporting life-long learning through dance - a transformative and positive influence in young people's lives that instils a sense of discipline, joy, trust, motivation, inspiration, responsibility and identity. We believe that these sectors of our community deserve high quality experiences that positively impact them.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

Arts and culture is the fabric that binds community together, providing vital support and guidance in fostering confidence, sense of identity and expression in our young people. Our workshops are beneficial both mentally and physically, empowering young people to increase their life skills, offering tools to build responsibility, reliability, team work, empathy to others and discipline. For many young people, dance is a whanau and instils a great sense of belonging and confidence in what they can contribute to a team – valuable skills for employment. We open up new skillsets to students, encouraging values of communication, collaboration and creativity.

Promoting Smoke Free: Breath is vital to life and vital to dance. Our dancers are excellent role models to students and demonstrate the connection between health and happiness in our post show Q & A sessions.

Our dancers will explain how smoking negatively impacts on fitness levels to the young students in the workshops. We will also happily take on any advice from Auckland Council workers on how we can best promote smoke-free messages.

Financial information

Amount requested: \$7,000.00

Requesting grant for: We are requesting funding towards the costs to create, rehearse and deliver the Youth Engagement performances and workshops delivery in this area. This funding will go towards the direct delivery costs, which includes dancer's salaries, artistic team's salaries, transport to the schools and rehearsal space, hire. The cost to run the Company each week is \$28,000.

If full amount requested is not able to be funded:

Any amount would be helpful in the costs of delivering our workshops and performances to local schools. We would like to keep the costs to schools as low as possible in order to make our work accessible to all. Each performance and workshop delivery takes a day of the company's time to deliver, plus approximately one week of management time to liaise and plan.

Cost of participation: \$5 per head for the performance, and \$250 for the workshop. But we vary this cost dependant on the schools finances-, and often provide free performances if the schools arts budget is minimal - frequently the case.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$13,205.00	\$1,500.00	\$2,000.00	\$2,705.00

Expenditure item	Amount

AIESEC in Auckland City Inc.

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Overseas Volunteerships and Internships for Youth

Location:	Youth from the Maungakiekie-Tāmaki Local Board region, and the overseas location where they will have their project.		
Summary:	We are aiming to send local youth from the Maungakiekie-Tāmaki Local Board region on overseas volunteerships and internships in order to help develop their leadership potential by giving them this life-changing opportunity. We aim for them to learn much about themselves and the overseas community that they have their project in, and to bring back this knowledge to Auckland upon their return.		
Dates:	01/11/2017 - 01/03/2018	Rain dates:	-
Active participants:	40 people	Audience size:	40
Promotion:	Not stated Facebook posts Local, university campus promotions		

Community benefits

Identified need:

AIESEC internationally was founded in 1948 after World War 2, with the aim of fostering cross-cultural understanding and developing leadership in youth, in order to prevent future conflict.

Although New Zealand is home to people from many different cultures, youth do not have many opportunities to truly experience what another culture is like, and they will not be able to do this without actually traveling to a nation abroad. AIESEC offers this to young people, in an organised and established way.

Identified community outcomes:

We aim to develop leadership in young people. By going overseas and learning so much about both themselves and the overseas community they will return as engaged members of the New Zealand community and global citizens. Through the leadership qualities they will have developed, they will now be able to be more active in their local communities, and share their learnings from their AIESEC exchange with everything that they do in the future.

Alignment with local board priorities:

- strong and thriving communities that are enabled to participate, celebrate and contribute

We will offer the scholarships to cover the admin fee of any young person from the Maungakiekie-Tāmaki region. This will enable the young person to go on the experience and afford a life-changing experience, as they will not need to pay the administration fee, only the direct exchange costs.

Collaborating organisation/individual	Role

Conflicts of interest:	None identified		

Project: Purchasing Digital Talking Books

Location:	Auckland Wide		
Summary:	The running costs of the library totals approximately \$684K a year which we cover. The library does not receive any funds from government contracts and purchasing new titles is completely reliant upon grants received from funders. We aim to purchase 1000 new titles this year but that really is only a drop in the ocean compared to all of the books that are out there! Some of our library users are avid readers, and may read 6 or 7 books a week so it's important for us to have plenty of fresh reading material. The average price of each book is \$800 per book.		
Dates:	01/07/2017 - 30/06/2018	Rain dates:	-
Active participants:	2600	Audience size:	10
Promotion:	Not stated		

Community benefits

Identified need:

We carry out annual surveys of members and record the amount of loans requested per city. Last year's library user survey showed that although the service is the most highly rated of all Blind Foundation services, a wider and more current range of titles is needed.

Identified community outcomes:

Local public libraries cannot cater to the low or no vision public and the different formats that are required so the Blind Foundation library plays a critical role in education and supporting development in literacy, reading and learning. People who lose their sight also lose options when it comes to participating in former recreation, work and socialisation activities so are prone to experiencing feelings of disempowerment and isolation. Consequently with much more free time and less to fill it, talking books fill a large gap and many library users are voracious "readers". The Library service is the most highly rated service by members, with a rapidly growing wish list.

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
-

There are 184 members currently living within the Maungakiekie-Tamaki Local Board area. The Blind Foundation library plays a role in providing educational books to support development in literacy, reading and learning. With a small contribution from the local board, we will be able to support local blind people and those with low vision by adding a collection of material that is current, topical and diverse. By providing the library service, we enable the blind and low vision residents within your community to feel connected and enabled to participate in their local communities.

Financial information

Amount requested: \$2,000.00

Requesting grant for: To buy books with enough licences for multiple users to borrow simultaneously. The cost is approximately \$500-\$2,000 per book, depending on the supplier and the book title.

If full amount requested is not able to be funded:

The target budget for the year is \$250,000 and orders are placed to the value of the funds raised when the amount has accrued over \$30,000. The last orders amount to \$33,043.92.

Cost of participation: Lifetime membership is \$50 donation

StarJam Charitable Trust

Legal status:	Charitable Trust 123760 CC10557	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Stage 1 (2018): Music Performance Workshops for Youth with Disability

Location:	1) Kelston Girls College, 2) North Harbour Life Development Centre, 3) Wilson Home Trust, 4) The Auckland Performing Arts Centre (TAPAC), 5) The Nathan Homestead, 6) Oranga Community Centre		
Summary:	Funding for music workshops and community performance programmes for youth living with disability in Auckland from February to April 2018		
Dates:	12/02/2018 - 13/04/2018	Rain dates:	-
Active participants:	107 participants in the 11 workshops listed	Audience size:	43 = Auckland: 1x Regional Programme Coordinator, 12x Tutors, 30x Volunteers
Promotion	Yes		

Community benefits

Identified need:

Statistics NZ identifies one in five New Zealanders has a disability. In StarJam's age range (6 – 25 years), approximately 150,000 young people face barriers in their daily lives, especially the 52% (79,040) with learning disabilities.

StarJam is many attendees' only community outlet, offering acceptance, freedom from isolation, skills learning and socialising. We do not require disclosure of participants' disabilities, but know they have a range of physical, intellectual, sensory, learning, mental health/ emotional, speech and language disabilities.

Our workshops are mostly full, with some waiting lists. Regular inquiries express a need for our organisation. Referrals from disability agencies (e.g. IDEAS services, Spectrum Care, Hohepa) recommend StarJam to their members. Jammer, parent/caregiver feedback and surveys confirm the transformative impact of StarJam.

Identified community outcomes:

1) Strengthening Communities:

- a. Workshops provide places of acceptance for vulnerable youth
- b. Community performances promote inclusiveness; dispel preconceptions about the capabilities of disabled. They allow the Jammers (participants) to see themselves as valued, contributing members of the community.
- c. Strengthens families through a network of support and respite for caregivers isolated by their child's disability.

2) Increase involvement of and opportunities for marginalised and minority groups:

StarJam offers freedom from marginalisation and isolation through lack of access to suitable community outlets by circumventing barriers:

- a) All disabilities accepted

- b) Wide age range (6 -25) accepted
- c) Choice of musical skills workshops offered
- d) Seek out workshop venues in reasonable proximity to homes of local Jammers

We do not:

- e) Charge a fees (donations only)
- f) Require a parent to remain present (they often have other children to care for)
- g) Teaching is at a pace and style adapted to the needs of the Jammers.
- h) Jammers feel valued: they participate in decisions about running the workshops

3) Reduce intolerance, bullying and racism:

StarJam removes insecurities that make the disabled targets of bullying by giving Jammers a feeling of self-belief and pride in having an outlet that is uniquely 'theirs.'

Alignment with local board priorities:

Maungakiekie-Tāmaki

- strong and thriving communities that are enabled to participate, celebrate and contribute
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being

StarJam promotes strong communities and participation for all by providing 2 welcoming people-centred music workshops for 19 young disabled participants in Maungakiekie-Tamaki. StarJam addresses issues of isolation and lack of suitable recreational outlets that meet the needs of the disabled, as with few barriers to participation (open to all disabilities from a wide age range, different music options available, free of charge, conveniently-located, no parental presence required) workshops are readily accessible to participants. Workshops involve attendees in decisions, and the community performance celebrate their musical achievements, bringing joy to the audience, allowing 'Jammers' to feel valued contributors in their community.

Collaborating organisation/individual	Role
Kiwanis	Practical support at fundraising and events
BNI Success (Business Network International)	Technical and practical support (free of charge)
Jump Jam 4 StarJam (collaboration with Primary School Association)	Fundraising and awareness
Recreate	Information sharing (currently exploring partnership ideas regarding recreational activities for our respective members)

Demographics

Māori outcomes: NA

Target ethnic groups: All/everyone

Promoting Smoke Free: All workshop venues are strictly smoke-free with appropriate signage. All community performance spaces are smoke-free (auditorium, green rooms, communal spaces), also with appropriate signage. Smoking is not permitted by any StarJam participant or staff member when representing our organisation.

Elvis in the Gardens

Legal status:	Limited Liability Company	Activity focus:	Community
Conflicts of interest:	None identified Katrina Win - one of the organisers is in a second term on the Papakura Local Board.		

Project: Elvis in the Gardens2018

Location:	Auckland Botanic Gardens		
Summary:	Free one day music festival		
Dates:	04/03/2018 - 04/03/2018	Rain dates:	-
Active participants:	Three plus 20 on the day -	Audience size:	Between 15 and 20 thousand
Promotion:	Not stated Facebook Page - currently 6000 followers Event Website Venue website Sponsors websites Arthritis NZ website and member data base Posters Flyers to Franklin and South Auckland Schools and businesses Billboards		

Community benefits

Identified need:

The fact that between 15,000 and 20,000 people attend this event every year indicates there is a place for this free event in our Auckland Summer Music events calendar. We established this event in Franklin and it has grown like topsy since. Many of the original Franklin attendees have not missed a year since,

Identified community outcomes:

An event that Aucklanders are proud of as it profiles not only where we live to non- Aucklanders but has hit the international scene as well.

Safe smoke free and family friendly event that suits all members of the community

Togetherness and community spirit

Appreciation of natural environment surroundings

Support for local accommodation and hospitality industry

A Large scale free event that is convenient to travel to for those South of the Bridge

Show case of local businesses who sponsor the event

Chosen Charity that affects every family - Arthritis NZ

Alignment with local board priorities:

Maungakiekie-Tāmaki

- a healthy natural environment enjoyed by our communities
- parks, sports and recreational facilities that promote healthy lifestyles and enhance well-

Collaborating organisation/individual	Role
Counties Manukau Sports	Finding recipients of donations for helping with set up and break down. Also running a Turbo Touch for older children present

Project details

Project title	Matching adult male volunteer mentors with fatherless boys		
Dates	30/04/2017 - 01/05/2018		
Location	39 Robertson Rd, Avondale, Auckland		
Summary	Our coordinators recruit, screen and train men to be long-term volunteer mentors for fatherless boys. A robust screening process ensures they are emotionally healthy and safe to be in sole care situations with young boys. Each Big Buddy then spends several hours a week with his Little Buddy.		
Requesting grant for	Laptop computers and part salary for our volunteer coordinators.		
Cost of participation	No. Participation is free.		
Active participants	600	Audience size	600
Promotion	Yes - Pamphlets, website, Facebook, TV and newspaper advertising.		
Local board recognition	Acknowledged on our website and Facebook.		
Reason for the project	We maintain a database of Little Buddies waiting for a match. We currently have more Little Buddies waiting than Big Buddies in training. The Census shows 52,500 boys aged 7-14 living in single parent households. We estimate 8,000 will be truly fatherless – boys who have no on-going contact with an adult male.		
Community benefit	Boys with a mentor do better at school and are better adjusted and prepared for their role as an adult male. With a good role model, they learn what it means to be a good man. This creates well-adjusted men who are an asset to their community.		
Alignment with local board priorities	<p>Maungakiekie-Tamaki</p> <ul style="list-style-type: none"> strong and thriving communities that are enabled to participate, celebrate and contribute <p>WE match adult men as volunteer mentors for fatherless boys. Boys who gain an adult male mentor (Big Buddy) have better outcomes in education, social integration and mental health. They grow into men who are an asset to their community.</p>
