Project: Outlook for Someday Free One-day Film-making Workshop

Location:	West Auckland - New Lynn Community Centre		
Summary:	A free one-day film-making and talent development workshop that equips young people with the skills to generate ideas then uses those ideas as inspiration to develop them into films that have the potential to engage and inform their communities.		
Dates:	01/09/2017 - 31/05/2018	Rain dates:	-
People benefiting:	25	People delivering:	10
Promotion:	Not stated To schools in the West Auckland area and like-minded community organisations.		

Community benefits

Identified need:

In 2016, the film challenge and workshops involved over 1000 young people. Even more people were involved as supporters. Together those people made engaging, creative, compelling films that involve, inform and challenge their communities to seek a better future.

Identified community outcomes:

The Outlook for Someday one-day sustainability film-making workshop offers young people the opportunity to experience film-making from beginning to end. There's nothing quite like following an idea from its conception to screening it before an audience. While not all participants in the workshops go on to submit films to The Outlook for Someday film challenge, we know there are plenty who take the ideas and concepts explored on the day into their creative lives. For this reason, we believe that our workshops fill a valuable role in the communities we go to.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

By receiving support for the workshop, this will improve the organisations sustainability and continue the ability to provide opportunities to young people in media, the environment and sustainability.

We have to fundraise every years to make these workshops happen and to give young people these opportunities.

Project: "In our Hood"

Location:	Whau Local Board Area		
Summary:	In 2017 we produced a "In my Hood" - a directory of services and resources that exist inside the Whau for young people. We were able to have 50 of these directory printed. Feedback from the local board and all groups who were gifted a copy of the directory has been very positive and we would like to print as many copies as we can and get them out to young people sonf locations where young people can access them. ideally we would like to print 500		
Dates:	01/09/2017 - 02/11/2017	Rain dates:	-
People benefiting:	depending on number of copies but with copies being in libraries/agencies - limitless	People delivering:	Whau Youth Providers Network - up to 10
Promotion:	Not stated through Whau Youth Providers Network members will share with thier networks and through social media campaign focused on FB		

Community benefits

Identified need:

The directory was a successful project and now we would like to get the directory into the hands of young people and agencies in our community. Young people have no place to search for local information and supports for are specifically for them

Identified community outcomes:

To inform young people and people who work with young people on what is here in our community to support them. To continue to identify the success and gaps in our youth specific resources.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- outstanding development in New Lynn, Avondale and along our main roads

connecting young people to services that are in the Whau and continue to offer an insight to the local board about the gaps in services, support, space and resources for young people in our Whau community

Project: Elder Support Program

Location:	Mt Roskill War Memorial Hall, Auckland		
Summary:	Bhartiya Samaj Charitable Trust conducts its few of its events from our office at 13 May road which has the capacity to accommodate 30 to 40 members. We have been conducting our events with larger gatherings at Mt. Roskill war memorial hall. Utmost care is taken to ensure the comfort and safety of the participating members including arranging for the transport for the desirous members.		
Dates:	11/11/2017 - 15/10/2018	Rain dates:	-
People benefiting:	400	People delivering:	20
Promotion:	Not stated Our Activities are regularly being promoted on various media platforms like the FM radio, our websites, on our social media platforms and ethnic newspapers and magazines.		

Community benefits

Identified need:

It is found that in South Asian family the culture of joint families is still prevalent where seniors live with their children and grandchildren. They stay at home and feel isolated, lonely and thus rises emotional stress. It is important to keep going one has to indulge in some interaction or activity with likeminded people. therefore, the need of such a platform arose along with the need to familiarize the younger generation with the traditions and values of the community

Identified community outcomes:

Our activities are directed towards the wellbeing of the community which includes members from all the age groups. It includes

1. Elder care and socializing.
2. Child and youth skill development.
3. Migrant Support and settlement.

Alignment with local board priorities:

Whau

- Whau's local arts, cultures and heritage are cherished
- great local communities across the Whau

It aligns well with the priorities of Local board.

Project: BOOST - Kelston

Location:	Kelston Community Hub		
Summary:	BOOST is a programme launching grassroots community leaders, where we grow local leaders in Kelston.		
Dates:	02/10/1917 - 01/06/1918	Rain dates:	-
People benefiting:	24 direct participants with an expectation of a positive effect for the participants whanau and wider community members	People delivering:	3
Promotion:	Not stated Through posters, facebook, flyer drops and via schools who we see as being an important referral point for participants. We will also advertise via the Kelston Community Trust newsletter and through our Hub networks.		

Community benefits

Identified need:

In our community we see a number of people who have strong community aspirations. Some individuals have been able to realise their projects with minimal support others have spoken to us about wanting to contribute and use their free time towards community work but have not known how they can best participate. Other volunteers have had a willing spirit to help out but have lacked the self-awareness to engage effectively.

Identified community outcomes:

To grow community leaders who will have more of an understanding of civic leadership and also look at and develop ideas that they wish to pursue that will enhance the community fabric of Kelston. We really just want more people to participate in the community and have fun doing it.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

By encouraging local community leaders and developing the community ideas of those leaders we are enhancing participation by locals in Kelston. We hope to see art, culture or heritage projects coming out from the participants for thier community focused project.

Project: Kelston Boys High School Whanau Day

Location:	Kelston Boys High School 78-86 Archibald Rd Kelston		
Summary:	We aim to host a day of fun, music, food and activities suitable for all ages to attend in drawing in family, friends and the wider community. The intention being to engage the wider community with extended family members. We wish to reaffirm community links throughout the Kelston and wider community and to extend the invitation beyond its limits. This event is free and entry available to any person.		
Dates:	04/11/2017 - 04/11/2017	Rain dates:	-
People benefiting:	200	People delivering:	25
Promotion:	Not stated through school newsletters, social media, Eventfinda, flyers and radio		

Community benefits

Identified need:

We have witnessed low family engagement and on hand support for secondary school aged students. The age of the students at secondary school level are the age that is relative to leading into adulthood and therefore the most informative. Support of friends, family and the wider community provide the stability that youths need and with the right encouragement and support systems in place, they are more likely to succeed both academically and socially. This in turn will reinforce their transition into the workforce as prepared young adults.

Identified community outcomes:

we are hoping for community engagement, which was evident last year with an increase in attendance, and positive feedback which was received from the community.- A bringing together of all community members to engage in a free event that highlights Kelston Boys High School .

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

We aim to invite and encourage extended whanau and friends to engage with their attending family members. we will also encapsulate the greater Auckland area as an extension of our school community, a few of our students who travel from parts of South Auckland to school each day. We have a number of students who participated in Maori and Pasifika groups at Polyfest and they will be showcasing their ability and performances. the events strategy is to cater for all age groups and to give opportunity to visit our school and see that it is a great place for learning.

Project: Purchasing Digital Talking Books

Location:	Auckland Wide		
Summary:	The running costs of the library totals approximately \$684K a year which we cover. The library does not receive any funds from government contracts and purchasing new titles is completely reliant upon grants received from funders. We aim to purchase 1000 new titles this year but that really is only a drop in the ocean compared to all of the books that are out there! Some of our library users are avid readers, and may read 6 or 7 books a week so it's important for us to have plenty of fresh reading material. The average price of each book is \$800 per book.		
Dates:	01/07/2017 - 30/06/2018	Rain dates:	-
People benefiting:	2600	People delivering:	10
Promotion:	Not stated		

Community benefits

Identified need:

We carry out annual surveys of members and record the amount of loans requested per city. Last year's library user survey showed that although the service is the most highly rated of all Blind Foundation services, a wider and more current range of titles is needed.

Identified community outcomes:

Local public libraries cannot cater to the low or no vision public and the different formats that are required so the Blind Foundation library plays a critical role in education and supporting development in literacy, reading and learning. People who lose their sight also lose options when it comes to participating in former recreation, work and socialisation activities so are prone to experiencing feelings of disempowerment and isolation. Consequently with much more free time and less to fill it, talking books fill a large gap and many library users are voracious "readers". The Library service is the most highly rated service by members, with a rapidly growing wishlist.

Alignment with local board priorities:

Whau

- great local communities across the Whau
-

187 blind or low vision residents live within the Whau Local Board area. Loss of vision can cause depression brought on by difficulty participating in social, recreation and leisure and loss of independence. Consequently with much more free time talking books fill a large gap and many become passionate "readers". Our library provides these individuals with educational and recreational books to enable them to feel connected and participate in their communities, thereby contributing to their mental health and overall wellbeing.

Demographics

Māori outcomes:

Accessible to people with disabilities: Yes - The Blind Foundation is New Zealand's main provider of practical and emotional support to the 12,272 New Zealanders who are blind or have low vision, enabling them to face their future with confidence. Our purpose is to ensure people are able to fully participate in everyday life by advocating for a truly accessible and fully inclusive New Zealand; reach more people by enhancing our current services, removing barriers to accessing our service and increasing awareness of the Blind Foundation services. Our library helps remove barriers from reading for learning to being able to read about current affairs.

Project: West Auckland Adult and Continuing Education

Location:	The project distribution will be based from Rutherford College Community Education, 16 Kotuku Street, Te Atatu Peninsula		
Summary:	The distribution of West Auckland Adult and Continuing Education booklets to over 60,000 households in the West Auckland area. The booklet is inclusive of more than 25 different organisations offering educational opportunities to adults aged 16yrs to 100yrs+		
Dates:	15/01/2018 - 18/12/2018	Rain dates:	-
People benefiting:	120,000+	People delivering:	25+ Organisations
Promotion:	Not stated A once off distribution of the booklet to over 60,000 West Auckland Households as well as stands in all Libraries, CABs, and various Supermarkets, Mega Mitre 10 and other shops throughout the West Auckland region all year.		

Community benefits

Identified need:

Although information is online, the hard copy of this publication is still in high demand every year and we feel it must be maintained to reach our target minority groups such as low income, Pasifika people or new migrant families, many of whom are not computer literate or lack computer access at home

Identified community outcomes:

The project is inclusive of services available to educate and enrich people so that they have a better feeling of self-improvement, as well as the opportunity to upskill themselves and explore new pathways to employment, education and a better life

The West Auckland Continuing Education Booklet is one of the best ways to get our programmes in front of tens of thousands of households and individuals in our area. West Auckland families benefit from knowing all the courses available in their area for either personal or work purposes. There are formal and informal courses to suit everyone, at whatever age, both free and at a small cost.

The organisations participating can design their advertising to promote their whole programme for the year and it stays in front of people, unlike other print advertising. Organisations then co-operate to help distribute the book to many community and business premises in their area and they also build networks amongst themselves providing pathways for students to benefit from.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- stronger local businesses providing more and higher paid work

By providing and promoting a variety of Life-long Learning opportunities in West Auckland for adults, that will help to enrich their lives and promote strong communities, as well as to upskill to

enable them to contribute to society at their full potential. It also provides a means for social cohesion amongst communities by engaging in learning activities together and opportunities for small business to upskill.

Requesting grant for: The production of the booklet is self-funded by the providers involved, it is the distribution to West Auckland households that we are requesting funding as many people still do not have computers in their homes and this booklet has a long established reputation in the West. People are already asking what courses are available next year and when will a copy of the booklet be available

If full amount requested is not able to be funded:

We would be grateful for any contribution that the three council are able to grant towards the distribution cost

Cost of participation: The booklet is free to participants and some courses are free, others carry a small costs that varies per course, per establishment.

Community benefits

Identified need:

Statistics NZ identifies one in five New Zealanders has a disability. In StarJam's age range (6 – 25 years), approximately 150,000 young people face barriers in their daily lives, especially the 52% (79,040) with learning disabilities.

StarJam is many attendees' only community outlet, offering acceptance, freedom from isolation, skills learning and socialising. We do not require disclosure of participants' disabilities, but know they have a range of physical, intellectual, sensory, learning, mental health/ emotional, speech and language disabilities.

Our workshops are mostly full, with some waiting lists. Regular inquiries express a need for our organisation.

Referrals from disability agencies (eg IDEAS services, Spectrum Care, Hohepa) recommend StarJam to their members.

Jammer, parent/caregiver feedback and surveys confirm the transformative impact of StarJam.

Identified community outcomes:

- 1) Strengthening Communities:
 - a. Workshops provide places of acceptance for vulnerable youth
 - b. Community performances promote inclusiveness, dispel preconceptions about the capabilities of disabled. They allow the Jammers (participants) to see themselves as valued, contributing members of the community.
 - c. Strengthens families through a network of support and respite for caregivers isolated by their child's disability.
- 2) Increase involvement of and opportunities for marginalised and minority groups:

StarJam offers freedom from marginalisation and isolation through lack of access to suitable community outlets by circumventing barriers:

- a) All disabilities accepted
- b) Wide age range (6 -25) accepted
- c) Choice of musical skills workshops offered
- d) Seek out workshop venues in reasonable proximity to homes of local Jammers

We do not:

- e) Charge a fees (donations only)
- f) Require a parent to remain present (they often have other children to care for)
- g) Teaching is at a pace and style adapted to the needs of the Jammers.
- h) Jammers feel valued: they participate in decisions about running the workshops

3) Reduce intolerance, bullying and racism:

StarJam removes insecurities that make the disabled targets of bullying by giving Jammers a feeling of self-belief and pride in having an outlet that is uniquely 'theirs.'

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

StarJam provides 2 welcoming and people-centred music workshops and a community performance programme for 19 young people with disabilities in the area. StarJam's presence promotes Whau as a community supporting people with disabilities and their inclusion in community life. StarJam strengthens communities and families, offering a vibrant outlet where disabled youth are free from isolation and lack of opportunities, where they are included in group decisions and can develop self-belief and motivation, leading to more fulfilling lives. The community discos and performances celebrate music and diversity, bringing joy to audiences, allowing 'Jammers' to feel valued contributors in their community.

Accessible to people with disabilities

Yes - StarJam is an organisation set up to provide support to young people living with disability. All workshop venues and community performance locations must have full accessibility for people with disabilities (for both StarJam attendees and members of the audience): from car parks to workshop rooms, stage and auditorium access, communal spaces and bathrooms.

Target ethnic groups:

All/everyone

Promoting SmokeFree:

All workshop venues are strictly smoke-free with appropriate signage. All community performance spaces are smoke-free (auditorium, green rooms, communal spaces), also with appropriate signage. Smoking is not permitted by

any StarJam participant or staff member when representing our organisation.

Community benefits

Identified need:

-Age group under 15(17.9%), 15-29(30.4%), 30-64(48.1%) and 65(3.6%) Koreans are living in New Zealand.

-78% of Koreans in New Zealand live in Auckland. (Ref. <http://www.stats.govt.nz>)

Due to an increase of Korean migrants in past years, our society realised that a cultural event is required to give a better understanding of Korean culture to fill the cultural gap between migrants and the local communities. So, the society organised Korean Day to deliver and share Korean culture with local communities and other ethnic groups.

Identified community outcomes:

1. Reduce the cultural gap between Koreans and other ethnic groups to make Auckland rich in culture.
2. Provide opportunities for learning and experiencing Korean culture to local Aucklanders.
3. Provide opportunities to Korean migrants for rising cultural pride and educate the next generation.

Alignment with local board priorities:

Whau

- Whau's local arts, cultures and heritage are cherished

Korean Day is purposed to deliver and share Korean culture with local communities and it will help to build a strong community to approach to Auckland's cultural rich city outcome. And Korean Day would support all age include youth and different ethnic groups to educate Korean culture and gives

opportunities to experience to understand.

Community benefits

Identified need:

This is the only public Waitangi Day celebration in West Auckland

Identified community outcomes:

We aim to promote Waitangi Day and the Treaty of Waitangi in a cultural, whānau friendly and community based environment that all ethnicities and local communities can enjoy, respect and nurture.

We aim to minimise and reduce negative social and health impacts that affect the West Auckland community, promoting smoke, drug, violence and alcohol free whānau.

We aim to encourage proactive participation and involvement by all stakeholders including local government, government bodies, private sector, local communities and NGOs.

We aim to create and promote forms of inclusiveness that provide healthy interaction opportunities for the community which will increase better understanding of different cultures, customs, lifestyles, traditional knowledge and beliefs.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

Waitangi@Waititi provides the opportunity for togetherness to commemorate an important day in NZ's history and exposure to Māori culture, as well as giving service providers the opportunity to engage with attendees and the community alike. Enables these organisations to provide critical support services to our community and achieve the objective; To minimize and reduce negative social and health impacts that affect the West Auckland community.

Waitangi@Waititi 2017 remains a smokefree, alcohol & drug free, and violence free day for all which, as well as being in line with the above objective, makes for embracing a healthy lifestyle and fun day.

Project: Walk With Us

Location:	New Lynn Community Centre		
Summary:	This project is to lead the Asian community and new comers on bushwalks. New Lynn community centre will be our starting and ending point which encourage the community to use this facility. During the walk, New Zealand culture and heritage will be introduced and there will be activities such as protection for Whau river.		
Dates:	05/10/2017 - 15/02/2018	Rain dates:	-
People benefiting:	over 200	People delivering:	2
Promotion:	Not stated Release two promotions through social media platform Wechat. Articles on this page have an average view rate of 2000 - this page currently has a total of 70000 Chinese subscribers.		

Community benefits

Identified need:

I am an Asian Community Coordinator employed by Sport Waitakere. I have spoken with various Chinese groups and individuals in the Whau area who have all indicated they would like to do bushwalking however do not possess the skills or knowledge. The Whau LB is 1/3 Chinese, we think this is a great opportunity for the Chinese community to get to know their community and support a healthier Whau River.

Identified community outcomes:

1. People become physically and mentally healthy through walking.
2. Raise the awareness of protecting the Whau river and the environment around them.
3. People get to know the New Lynn community centre and potentially use it more often.
4. New Zealand Heritage will be introduced along the walk and people will respect NZ culture more.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- healthy Whau River and valued environment

The Chinese population is increasing in the Whau Local Board area. We see this is an opportunity to increase the PA levels of the local Chinese community as well as increasing awareness of the Whau Rives and the need to protect it and the surrounding environment.

Project: Weed Advice

Location:	6 Olympic Place, New Lynn, Auckland.		
Summary:	This project will provide free weed advice on the phone, as well as site visits when required, and small scale weed eradication. The aim is provide a service to all weed-related inquires across three local boards from the 1st of October 2017, to the 31st of March 2018. This kind of personalised service is sorely lacking. It will better inform the public (on an as needs basis) - and it will enable us to control small weed outbreaks before they spread.		
Focus specific:	Environmental benefits: This is about dealing with inquiries from the public about weeds in their environment. Unknown weeds can be readily identified by knowledgeable staff and the public can be told/shown the best means of managing and or eradicating them. Dealing with small infestations is a way of nipping the weed problem in the bud.		
Dates:	01/10/2017 - 31/03/2018	Rain dates:	-
People benefiting:	600	People delivering:	Two.
Promotion:	Not stated We plan to promote and advertise this project through the EcoMatters Facebook page,		

Community benefits

Identified need:

We get many calls a month from people who want advice/assistance with their weeds. We try to help, but as we are not funded for this work, we're limited in what we can do. Mostly we can only offer a bit of advice over the phone.

Identified community outcomes:

This project will help people identify their weeds.

This project will give people advice on how to best manage/eradicate their weeds.

The community will feel better supported by their Local Board as a result of this project.

Alignment with local board priorities:

Whau

- healthy Whau River and valued environment
- great local communities across the Whau

We will be able to provide free weed advice, including site visits and small scale weed eradication to residents in the Whau Local Board area. This will benefit the Whau River catchment specifically and the wider environment more generally by reducing weeds in the community. It will be about tackling small problems before they become larger ones.

Community benefits

Identified need:

Most of the 4,000 birds received every year are from the West Auckland area. This number has been steadily increasing and peaks in the spring/summer baby bird season. We also care for birds from other areas of Auckland.

Identified community outcomes:

Fostering relationships with our communities is important to us and we provide education on conservation issues and bird care to schools and other community groups. We also work with the Corrections Department to offer work experience and upskilling opportunities.

Alignment with local board priorities:

Whau

- healthy Whau River and valued environment
- great local communities across the Whau

We enhance and celebrate the natural environment by caring for New Zealand's precious bird life, offering work, educational and volunteer opportunities.

Community benefits

Identified need:

There are only a few public and family events in our immediate local area. This is one that is focussed on everyone joining in, all ages. It is growing over the last 2 years we have run it and we expect it to be bigger this year.

Identified community outcomes:

All the community can take part in this event and it draws the community together. We expect to see attendance go up as more people come and enjoy the day together. It is timed to be at beginning of school holidays for families, and last big event before Christmas, one to relax and take time out of the pre-Christmas rush.

Alignment with local board priorities:

Whau

- Whau's local arts, cultures and heritage are cherished
- great local communities across the Whau

Provides an opportunity for the community to meet together. For families to have a fun. Budget friendly free event where they are all welcome and appreciated. It connects the local businesses by their contributions to the public. Local cultures are given opportunities to be a part of the event, by performing and our heritage is cherished and on display.

Project: West Auckland Event Box Schools Tour

Location:	Zeal will approach 13 intermediate and high schools in West Auckland. Depending on interest and available funding, we aim to put on lunchtime festivals at approx. 10 schools over terms 1 and 2 next year. The following schools will be contacted 1) Henderson-Massey Local Board: Henderson High School, Waitakere College, Rutherford College, Massey High School, St Dominics College, Liston College 2) Whau Local Board: Kelston Boys High School, Kelston Girls College, Green Bay High School, Avondale College, Avondale Intermediate 3) Waitakere Ranges Local Board: Glen Eden Intermediate, Hoani Waititi School		
Summary:	Zeal will take the Event-Box, a truck with fold-out stage and state-of-the-art sound and lighting equipment, to 10 West-Auckland schools. Working with a team of students and musicians/artists from each school, Zeal will put on a mini lunchtime festival showcasing a local artist, school talent, dance-battle, fun challenges, games and giveaways. Students will have the opportunity to be involved in planning, production and management of the event. These fun, memorable, celebration events are aimed at fostering a pride moment within the school, bringing students together, encouraging student involvement, championing school values, and creating a positive and thriving school-culture. (NB: If wet, an alternative date will be arranged or the event will be held inside using equipment from the Event-Box.)		
Dates:	07/02/2018 - 31/07/2018	Rain dates:	28/09/2018 - 01/08/2018
People benefiting:	approx 9000 students	People delivering:	Per school: 10 - 15 key students, 5-10 music students, 10-20 event day helpers. Total: 25-45 students per school. Total 10 schools: 250-450 students

These can be viewed here:</p> <ul style="list-style-type: none"> • Henderson-Massey Local Board - https://www.youtube.com/watch?v=EDS1CLMjZb8 • Whau Local Board - https://www.youtube.com/watch?v=OdtFQeqKYbw • Waitakere Ranges Local Board - https://www.youtube.com/watch?v=lvG2VY5BExM <p>- The tour will be promoted on our website and Facebook page prior to and during the tour using the promo videos.</p> <p>- Banners which will be placed around the school on the day of the event.</p> <p>- Set up of the Event Box will begin at 7.30 am as students begin to arrive at school to pique their interest and build momentum for the lunchtime event.</p>		

Community benefits

Identified need:

The need for more youth-events was established in the Point Research feasibility study commissioned by Zeal in 2014.

The main findings were:

- Young-people need somewhere to go and something to do in their local communities to express themselves creatively
- Young-people's interests are diverse and service providers need to cater to this
- Young-people desire central involvement in the establishment and running of any services
- Transport, safety and cost are the biggest barriers to participation

Through the West Auckland Event Box School Tour, Zeal will take its events to where young-people are, ensuring accessibility and offering young-people opportunities to be involved both as performers and event/programme managers.

Identified community outcomes:

Key community outcomes:

- To bring young people together to share fun celebration moments that build a positive school culture and environment
- To involve young people in the creative-arts, providing them with opportunities to showcase their talents
- To provide learning and training opportunities for young people in event management

Alignment with local board priorities:

Whau

- great local communities across the Whau
- Whau's local arts, cultures and heritage are cherished

The West Auckland Event Box School Tour offers young people an opportunity to experience a range of creative arts through a lunchtime festival held at their school using the Zeal Event Box. These fun and memorable events foster community spirit within the school bringing students together, encouraging student involvement and helping to create a positive school environment. Young people are given the opportunity to showcase their talent as well as being actively involved in the planning, production and management of the event. It also enables Zeal to link students to the range of creative arts programmes at our West-Auckland Youth Facility.

Kelston Community Hub

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Flotilla Whau

Location:	Archibald Park, Kelston & Whau River		
Summary:	<p>For one day each year the Flotilla Whau activates the Whau River, highlighting its as a place for recreation, whilst also informing participants about the ecosystem, Whau history and local community initiatives. It is an event that has now been going for 5 years and each year has been supported by a variety of local community groups, artists and businesses. Previously organised by Hoopla; this is the first year that it will be directly connected to Kelston with the Kelston Community Hub as the organiser with support from Kinstry Smythe from Community Waitakere and Kelston Community developer.</p> <p>This gives great opportunity to connect more locals with the event and foster more connections within the local community.</p>		
Dates:	24/03/1918 - 24/03/1918	Rain dates:	-
People benefiting:	400-500	People delivering:	4
Promotion:	<p>Not stated - We plan to expand on the marketing of previous years by doing a run of Phantom posters, as well as distributing posters and flyers to community facilities, cafes etc in the local area.</p> <ul style="list-style-type: none"> - Deliver flyers to letterboxes of residents living on the streets closest to the Whau. - Direct communication with those on the data base from previous years. - Share information on the facebook page. - Event listings in Our Auckland and Eventfinda. - Media releases to local media like Western Leader, Titirangi Fringe etc as well as articles in local school newsletters and local magazines/ papers - Direct communication with people associated with the Kelston Community hub and Community Waitakere Charitable Trust 		

Community benefits

Identified need:

The Whau river has not been treated well in the past, and as a result the water quality and health of the river banks was severely degraded. Encouraging people to foster a relationship with the Whau river will create the opportunity for more understanding and respect for the Whau river & its environment. It is also a great opportunity to create more awareness around water safety. New Zealand has very high rates of drowning and we plan to work with the Dean Greenwood swim school to offer information about swimming lessons, as well as working with Watersafe Auckland again to promote the use of lifejackets when involved in water activities.

Identified community outcomes:

- Strengthening relationships within the community particularly ethnic community and young people
- broader awareness & respect for the Whau and its history, leading to the creation of a healthy &

valued environment

- Opportunity for all ages to interact, & particularly to engage with young people.
- Opportunity for locals to experience getting out on the water
- Opportunity for local Iwi and artists to tell their stories/ share their creative vision

Alignment with local board priorities:

Whau

- Whau's local arts, cultures and heritage are cherished
- great local communities across the Whau

Third priority; Healthy Whau river and valued environment.

We see all of these priorities as being intertwined. A healthy environment supports a healthy community and vice versa.

By having heritage information from Maritime museum; providing a platform for community organisations such as Te Whau Pathway & Whau Catchment trust & local artists & Iwi to tell their story; offering locally based cultural food options; engagement with Dean Greenwood Swim School & Water safe Auckland to encourage water safety; engaging local youth through opportunities to participate on the water and having activities on land. Procuring what we need locally where-ever possible supporting local businesses.

Collaborating organisation/individual	Role
Kare Kare Surf life saving Club	providing water safety, bringing boat, equipment and lifeguards
Watersafe Auckland	providing life jackets so that participants can safely go on boats as passengers
Au Canoe club	provide rafts & water training for participants who don't have their own vessel
Kelston Community Patrol	provide traffic control at Archibald Park
Community Waitakere	Provide community developer Kinstry Smythe
Maritime Museum	Bringing historic steamboat Puke with ability to take passengers on Flotilla, & display at Archibald park
Whau Catchment Trust	Providing information re restoration of the river
Sport Waitakere	Providing activities on land
Whau the People	Providing artists/performers
te Whau Pathway	Providing information on the Te Whau pathway
Dean Greenwood Swim school	Water safety lessons

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Open the Flotilla with a Powhiri, involve local Maori to korero about Archibald park with manuhiri to the park, walk the new Te Whau pathway to signify important sites to Iwi. Invite more waka ama groups to join in (last year 2 groups participated) Invite local Maori kai operators to sell their food.

Target ethnic groups: All/everyone

Promoting SmokeFree: The Kelston Community Hub currently has a social worker (Lineti Latu) working in a project to engage with local youth to promote smoke free Kelston by 2025. We will invite Lineti and her team to promote smoke free awareness at the Flotilla. We will also invite Helen Clark who is a patron of ASH NZ- Action for Smoke Free 2025 who has connections to Kelston to be present.

Avondale College Community Sports Trust

Legal status:	Charitable Trust	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Turf Replacement and Upgrade

Location:	203 Rosebank Road, Avondale, Auckland		
Summary:	We operate and maintain an artificial sport surface which has a limited useful life. Every ten years the surface is required to be uplifted and replaced to maintain a quality and safe playing surface. The last replacement took place in 2007 and the Trust is scheduled to renew the surface in November 2017 and weather permitting, the project will be completed by the end of January 2018.		
Dates:	06/11/2017 - 31/01/2018	Rain dates:	-
People benefiting:	3,000 plus hockey players, plus families	People delivering:	2-3 Trustees, Project Manager, possibly some volunteer hockey players, 8 or more specialist contractors
Promotion:	Not stated		

Community benefits

Identified need:

Hockey turfs have a life of approximately 10 years before they are at a stage where health and safety issues are considered. Our existing turf was laid in 2007 and needs the top carpet replaced. The water sprinklers used are 19 years old, and it is a prudent time to replace – at least six of the 10 sprinklers have needed to be maintained or replaced. The current dug-out area is in need of upgrade and improvement. The dug-out area is located in the front of a grass embankment, its impractical and hinders team preparation due to lack of space.

Identified community outcomes:

1. to continue to provide a quality surface for the Auckland hockey fraternity - the surface at Avondale College is the hub of hockey for the western district servicing the community. locals sports clubs and secondary school competition.
2. continuous improvement to the overall hockey pavilion area, providing a practical and safe facility for everyone who uses it.
3. to encourage use of the surface by other sporting codes, ensuring the facility has maximum usage.

Alignment with local board priorities:

Whau

- great local communities across the Whau
- outstanding development in New Lynn, Avondale and along our main roads

The Avondale College Hockey Turf is a key location for the delivery of hockey to the West Auckland community. Participation in sport brings people together, contributes to healthy communities and provides leadership opportunities to young people. The upgrade and development of our turf area and Pavilion ensures that we continue to provide a quality facility for our community, including

Avondale College, other secondary schools, sporting clubs and community social sport. In addition to providing a quality playing surface our Pavilion provides a social hub, a facility unique to our hockey turf in West Auckland.

Collaborating organisation/individual	Role
Tiger Turf NZ Ltd	Up-lift existing and re-lay new turf
Advanced Irrigation Ltd	Remove existing and install new sprinklers
Excalibur Builders Ltd	Co-ordinate and complete dug-out area
Tiger Turf NZ Ltd	Supply replacement practice goals

Demographics

Māori outcomes: • None identified

Target ethnic groups: All/everyone

Promoting SmokeFree: The hockey facility is on Avondale College school grounds which has a strict no smoking policy. This is communicated by No Smoking signs and identified in any documentation relating to usage of the facility.

Financial information

Amount requested: \$45000.00

Requesting grant for: We are requesting a contribution from Council towards the cost of replacing the turf (playing surface). We are planning on using our accumulated funds to replace up to four of the existing goals (which are 19 years old), to also replace the sprinklers, complete the dug-out project and contribute around 50% of the turf costs. We will continue to seek funding for some of these costs. Some of the accumulated funds will be held for future improvements, or unforeseen needs.

If full amount requested is not able to be funded:
