WHO WE ARE AND WHAT WE DO

Devonport Takapuna Local Youth Board

A group of young individuals who aspire to implement positive change within their community

Raise events in our community, Broaden our connections, Host and Facilitate events

SHORE JUNCTION

This is Younited's largest current project, working alongside Yes Disability to create an innovative and accessible youth space on the North Shore.

Younited has been involved in this project from its beginning, giving input on the building's design features, management, and purpose, in relation to the needs of the youth on the shore.

The aim of Shore Junction is to provide youth with a designated space for work and creativity.
