Dear Izzy

Far North District Council wants to conduct a preliminary scoping exercise to see if a sparsely populated part of our District (the Hokianga) could possibly qualify as a Dark Sky Place.

We note the obvious key role you and the Great Barrier Local Board played in the Aotea/Great Barrier Island International Dark Sky Sanctuary Application to the International Dark-sky Association, and all the processes that led to that point.

Would it be possible for us to strike up an email dialogue with you, with the intention of setting up a face to face meeting in Auckland sometime in the near future, to discuss the nature of the process you and the Local Board undertook to turn your project into a reality? Thank you, in anticipation for any information and assistance you can provide.

If you require any further information please do not hesitate to contact Council on 09 401 5200 or free-phone 0800 920 029.

Yours sincerely

Ken Ross
