

New Zealand Ethnic Social Services

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: NZESS Children's Summer Art and Environment Programme

Location:	Te Atatu enable		
Summary:	The NZESS summer art and environment programme will be held for a 40 migrant and refugee children aged between 6 and 17 years from West Auckland. The programme will have an environmental and art focus and will introduce children to creative expression through the art while they also explore their settlement experiences as New Zealanders. The environmental focus will introduce them to the New Zealand environment where they will learn about the indigenous people and their common names for common plants and trees. The programme will culminate in an Art show at Corbans Gallery, in Henderson, West Auckland on Race Relations Day where parents and the community will participate.		
Dates:	22/12/2017 - 24/02/2018	Rain dates:	-
People participating:	NZESS Manager, NZESS Coordinator, NZESS programme developer, Arts Tutor, and Community leaders	People benefitting:	40 children, their parents, wider community
Promotion:	Through flyers, posters, emails and social media to inform migrant and refugee community organizations, leaders and families of the project so that their children may participate		

Community benefits

Identified need:

- Prior community meetings have indicated the need for summer programme for children in a safe environment where children will learn something and have fun. This is indicated in the support letters from the community members and in community members taking time to volunteer in the programme

Identified community outcomes:

The outcomes for the community is as follows:

- Diverse communities learn about each other's cultures contributing towards their integration
- Immigrant communities will learn of and be able to reflect on the fragile ecosystem of the Auckland region in general and West Auckland region in particular, through the Art programme.
- Communities will have an opportunity to see and appreciate diverse cultures through their art their surroundings and take ownership to conserve it.
- Communities will share the young refugee's migrant's vision of New Zealand and its environment through Art exhibition at Corbans Gallery.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- enhancing and celebrating our natural environment

The arts focus of the project encourages creative expression in migrant and refugee children and the capacity to use art as a means of interaction and integration

The environment and Maori focus will foster learning of New Zealand's special environment and its indigenous peoples in young immigrants teaching them the nuances of being New Zealanders and the need to conserve and protect the New Zealand environment

Collaborating organisation/individual	Role
Community parents	160 hours volunteer time
Art tutor aides	40+hours volunteer time
NZESS	40 hours venue

Demographics

- Māori outcomes:**
- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)
- One component of the project has a Maori focus where the children will use Auckland Council resources called 'Maori on the forest' to learn about the Maori, their life in the forest and their names for common plants and trees.
- Accessible to people with disabilities:**
- Yes - Ramps will be provided for any children with physical disability to access venue
- Aides will be on hand to help children with any other disability
- Target ethnic groups:** Other Asian, Middle Eastern, Latin American, African
- Promoting SmokeFree:**
- NZESS will provide a smokefree environments to help support the health and wellbeing of the children and any other participants in the programme
 - We will ensure that we protect children from exposure to tobacco marketing and promotion

Project: Exchange

Location:	The Chapel, 75 Beach Rd, Te Atatu Peninsula, Auckland 0610		
Summary:	We will run open auditions for Te Atatu local Lauren Jackson's award-winning play "Exchange". We will cast youth (aged 15 - 20 years) from diverse cultural backgrounds and offer them the opportunity to rehearse and perform the play under the direction of Colombian theatre practitioner Natascha Diaz-Cardona. Participation during the entire process will be free of charge and we will be seeking young actors who may not otherwise have the resources to study acting. The only compensation we expect from the actors is their commitment to the project. The play will be offered back to the community as two free performances at The Chapel in Te Atatu Peninsula.		
Dates:	22/01/2018 - 30/06/2018	Rain dates:	-
People participating:	15	People benefitting:	300
Promotion:	We will promote the public performances on our local Facebook community page and distribute flyers about the event. We will also organise an article in the Western Leader about the project and create a Facebook flyer that the cast and crew can circulate.		

Community benefits

Identified need:

When we teach our term-time classes at the Community Centre we see a number of students hanging out unsupervised. There is much discussion in our community about a lack of free creative opportunities for our local youth in West Auckland, beyond what they are offered at school. Indeed there has been a lot of press lately about a nationwide need to engage with youth and help them express themselves as a way of improving the mental health of New Zealand youth. We would like to play a part in addressing this. Moreover "Exchange" addresses issues of migration and multi-cultural relationships. These are issues faced by our youth today.

Identified community outcomes:

Opportunities for a diverse cast. The cast calls for Maori, Pasifika, Asian and Pakeha actors. Not only will the young actors cast in the play improve their performance skills, but they will develop their social skills. They will forge new friendships, meet like-minded people, and learn to work in a team environment. Benefits to the wider community would be: supporting the work of local playwright Lauren Jackson; bringing a New Zealand story to the community; involving other local creatives to help with set, costume design and music; connecting the wider community to local youth in a way that is positive; supporting local venue The Chapel, which is seeking stronger community connections. Acceptance of diverse cultures and what we can learn from each other are strong themes of "Exchange". This production will open this conversation within the community.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

By providing a free opportunity for local youth to engage in theatre under the guidance of experienced theatre practitioners. By bringing a successful play to the Te Atatu community and drawing on 100% local talent to realise this project.

Collaborating organisation/individual	Role
Marlon Ortiz	Costume design
Julian Wilson	Set design

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - The Chapel will be our rehearsal and performance venue. It is wheelchair accessible.
Target ethnic groups:	New Zealand European, Other European, Māori, Pacific Peoples, Chinese
Promoting SmokeFree:	The Chapel is a smoke-free environment. None of the creative team smoke and we won't allow smoking before, during or after rehearsals. We will take the opportunity to educate participants on the harm smoking does to an actor's vocal capacity.

Atamira Dance Collective Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: ATAMIRA by Kelly Nash

Location:	Corban Arts Estate, 426 Great North Road, Henderson.		
Summary:	Movement and dance workshops designed to empower community members. Maori contemporary dance is used as a tool for individual and collective empowerment through learning exercises and skills that aim to unlock tension and create more flow and balance in their lives. Tikanga Maori underlies the entire process. Te reo Maori is incorporated into the workshops and used in a way that provides opportunities for those that have little knowledge of the language to learn both movement and spoken language in a safe and empowering setting.		
Dates:	13/11/2017 - 15/12/2017	Rain dates:	-
People participating:	10	People benefitting:	250

Community benefits

Identified need:

Contemporary dance is part of our cultural heritage and tradition. We seek to preserve the values of our Tupuna while moving and positioning ourselves within Te Ao Hou. As the living faces of our ancestors, we give new voice and form to their shared visions and dreams. Through our dance we preserve, develop and transmit stories and messages of the past. Through our bodies we also explore how great artistry can move us to imagine the future. Strengthening ties with kaumatua and hau kainga is one way in which we can facilitate a deepening of cultural knowledge for the community. In this context we also deepen whānau engagement with what we do and this enhances their understanding of contemporary dance.

Identified community outcomes:

Health, Community well-being, Creativity and greater understanding and appreciation of Maori Culture. Atamira wishes to foster and grow participation in Maori Contemporary Dance in the Auckland region through our four newly developed programmes of dance activity. We have instigated dance workshops in tikanga Māori to strengthen our understanding and cultural knowledge base, and recognise the need to make these workshops a more regular part of the community and tool for greater understanding and well-being. Our TUHONO connecting and empowering objective gives us momentum as a team of Maori artists to share our skills with the community. Ensuring we are getting it right and meeting the needs of our community and region is critical to our success and so measuring our success is important to be able to track our progress.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

By the practice of our guiding principles: Nga Whanonga Pono. Atamira is committed to the following principles and values: Auahatanga: Being Creative and Visionary, Panekiritanga: Excellence, Whakamana Tangata: Empowerment of our people, He Whanau Kotahi : One team,

Aroha: Love and Respect, Hauora: Balance and wellbeing, Whakapapa : Honour our roots
 Wairuatanga : Honour our spiritual connections, Kaitiakitanga – Maintaining care for our artistic projects

VISION

To dance with mana

MISSION

Taking stories and expressions of Māori brilliance to the world through unforgettable Māori Contemporary Dance

Collaborating organisation/individual	Role
NA	

Demographics

- Māori outcomes:**
- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).
- ATAMIRA has been established since 2000. ATAMIRA Dance Company has the vision 'To Dance with Mana'. The company's mission is 'taking the stories and expressions of Māori brilliance to the world through unforgettable Māori contemporary dance'. The Company is positioned nationally as a leading presenter of work created by Maori dance artists, and provides platforms for the development of Maori choreographers and dancers and their dance work. Globally ATAMIRA has a unique and indigenous voice, and is growing relationships for the creation and presentation of performances on the world-stage.
- Accessible to people with disabilities:** Yes - Our studio is disability friendly and we also have the ability to include people with disabilities in our dance workshops.
 We have a large space and many assistants during the classes.
- Target ethnic groups:** New Zealand European, Māori, Pacific Peoples, Other Asian
- Promoting SmokeFree:** NA

Project: Multilingual Children's Books

Location:	Ellerslie		
Summary:	The production and distribution of a range of multi-lingual children's books originated in New Zealand and reflecting New Zealand culture but provided in a range of 7 plus community languages.		
Dates:	01/09/2017 - 31/03/2019	Rain dates:	-
People delivering:	We have a team of two but will be contracting a range of local translators, book designers and printers to produce the material	People reached:	There are around 8,000 students; years 0 to 15 in the Auckland Maungakiekie-Tāmaki region, according to the Ministry of Education, but there are approximately 90,000 students enrolled in education in the larger Auckland region, plus there are a number of new immigrant centres and refugee community groups established here. 700,000 citizens in Auckland identify themselves as non-European and nationwide there are approximately 850,000 students nationally in primary, secondary and early childhood education, all of whom could benefit from these resources.
Promotion:	Not stated Through book shops, libraries, library supplies, advisers, and through an on-line catalogue.		

Community benefits

Identified need:

Interviewed experts in Schools, Libraries and Immigration centres. Planned frequent communication with interested organisations to ensure we are updated as needs change.

Identified community outcomes:

The provision of resources to Auckland's preschools, primary schools, libraries and immigration centres. More far reaching consequences include the enabling of inclusion within the wider community, ensuring that older generations and new immigrant groups are encouraged to be part of children's education. Our goal is to recognised, acknowledged and provided for the needs of the non-English speaking community by giving those groups access to New Zealand's stories and quality literature. This is will also encourage language learning for older members of the community who are not involved in the education system.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

By promoting inclusion, diversity and participation in society through access to education and arts literature.

Collaborating organisation/individual	Role
NA	

Demographics

- Māori outcomes:**
- Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)
- Our bilingual text will include titles in Te Reo Maori. The quantity will depend on the advice we receive from our translator: Ngare Roberts, who is already an award-winning Te Reo Maori translator.
- Accessible to people with disabilities** Yes - Children's literature is inherently accessible to people with disabilities. We will be researching e-book editions where possible.
- Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern
- Promoting SmokeFree:** No characters will be smoking in any of these titles.

Aphasia New Zealand (AphasiaNZ) Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Aphasia West Coffee Group and Sing-Along

Location:	INRF, 2 Claude Brooks Drive, Henderson, Auckland		
Summary:	A drop-in support group for people living with and affected by aphasia in West Auckland. An opportunity for people to connect with others, facing similar challenges because of their aphasia. An opportunity for carers, partners and family members to discuss concerns and strategies with the Auckland Community Aphasia Advisor (CAA). People with aphasia can try singing as a way to enhance their communication.		
Dates:	01/11/2017 - 31/03/2018	Rain dates:	-
People participating:	2	People benefitting:	500
Promotion:	Through our communications and community networks in Auckland i.e. other community organisations working with and for people with stroke, and providing services to those after stroke such as The Stroke Foundation (Northern Region).		

Community benefits

Identified need:

Aphasia is more common than Parkinson's disease affecting one in three people who have a stroke. In Auckland 2 or 3 people acquire aphasia every day just from stroke. We do not know the true extent of aphasia because statistics for head injury and brain tumour acquired aphasia are not collated. Evidence-based analysis estimates at least 10,000 Aucklanders currently live with aphasia. Aphasia can affect anyone of any age. While aphasia often affects older people, there has been a marked increase in younger people with stroke and aphasia. People affected by aphasia struggle in our communities because of a lack of awareness, as well as assumptions made about their communication difficulties, and AphasiaNZ was founded because of these unmet needs.

Identified community outcomes:

- 1) Knowledge and awareness of aphasia will continue to increase in communities, building on a growing awareness, resulting in those with aphasia being less marginalised and better understood in community settings.
- 2) People affected by aphasia will be supported and empowered to reintegrate into and participate in community activities after acquiring aphasia, and provided with suitable assistance to return to paid work, and volunteering.
- 3) People affected by aphasia (including whanau, carers, and friends of people with aphasia) will be better supported, less isolated, and those with aphasia will be empowered to live a full life with a communication impairment.
- 4) People working with those with aphasia in our communities who are under resourced will have access to the appropriate materials and resources to enable them to better support people with and affected by aphasia.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

By providing a free service to those with and affected by a hidden disability, that enables participation, connection, reconnection, and support that is accessible and barrier-free.

Collaborating organisation/individual	Role
INRF (Integrated Neurological Foundation)	Venue for support group and assistance with singing

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - Our services and specifically for people with and affected by aphasia. Aphasia is a hidden disability.

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, All/everyone

Promoting SmokeFree: As smoking is a risk factor for stroke, and stroke is the most common cause of aphasia, AphasiaNZ promotes healthy practices through all initiatives and work.

Community Impact Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Community Impact Days

Location:	Homes in the Henderson-Massey community		
Summary:	Improving community spirit and connectivity with four Community Impact Days per year where we send out upward of 550 volunteers into homes to help very needy people, families, the elderly and disabled in the Henderson-Massey community. We carry out cleaning, gardening, painting and maintenance. We promote volunteering and social investment. Outcomes include improved living conditions, connection and company, improved quality of life and access to healthier secure housing. We also receive second-hand furniture donations which we repair and regenerate for distribution to families in need.		
Dates:	25/11/2017 - 08/09/2018	Rain dates:	-
People participating:	Approximately 550 People	People benefitting:	On any given Community Impact Day we visit in excess of 50 homes which results in over 200 homes with families being reached.
Promotion:	Marketing through email, flyers and networking meetings.		

Community benefits

Identified need:

An overflow of referrals from community organisations. A large number of families struggling with poverty and no financial or practical support. This is an ongoing project that has been operating for 10 years and the need is substantially growing each year. Needs have been identified through our close association and working together with grassroots community organisations like Grandparents Raising Grandchildren, Multiple Sclerosis Auckland, Barnardos, Procure, 2Shine, The Fono and also Council/Government departments like Housing New Zealand Corporation, Housing for elderly in council villages and Oranga Tamariki.

Identified community outcomes:

The activities bring the community together to go out as volunteers. It promotes volunteering and social investment in the community and makes a difference in the community. We also improve the community spirit and connectivity through the Community Impact Days.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing community and economic opportunities

We mobilise teams upward of 550 volunteers who go into homes to help needy people, families, elderly and disabled in the Henderson-Massey community. The volunteers are from a diverse range of cultures. They work together in harmony to achieve a common objective, making families safe and connected. They carry out cleaning, gardening, painting and maintenance which are all

community-led. Volunteers unselfishly give up their time and skills to assist people in the community. The result is improved living conditions, healthier homes, connection, company and improved quality of life. We receive second-hand furniture donations which we regenerate for distribution to families.

Collaborating organisation/individual	Role
NA	

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Help Maori families maintain a safe and healthy standard in their homes by removing mould from ceilings, bathrooms, shower units, kitchens and bedrooms. Cleaning ovens, fridges, cupboards, walls, windows, floors and carpets. Repairing holes in walls, building fences to keep children safe. Cleaning gardens, mowing lawns, cleaning decks and slippery paths to prevent accidental injury. All this leads to improved living conditions for the elderly, families, widows, special needs and single parents. We also receive second-hand furniture donations which we repair and regenerate for distribution to families in need.

Accessible to people with disabilities: Yes - Assist people with disabilities who are unable to perform tasks in the home by maintaining a safe and healthy standard in their homes. We remove mould from ceilings, bathrooms, shower units, kitchens and bedrooms. Cleaning ovens, fridges, cupboards, walls, windows, floors and carpets. Repairing holes in walls, building fences to keep children safe. Cleaning gardens, mowing lawns, cleaning decks and slippery paths to prevent accidental injury.

We also receive second-hand furniture donations which we repair and regenerate for distribution to families in need.

Target ethnic groups: All/everyone

Promoting SmokeFree: Volunteers do not smoke while volunteering and working in the community.

Te Atatu Peninsula Business Association

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Christmas Display 2017

Location:	Te Atatu Peninsula town centre		
Summary:	To contract Network Visuals to provide Christmas pole banners and wreaths including installation and removal, using the existing banner supports. This will provide a Christmas display for the whole community and add to the effect of the six metre Christmas tree already provided for the community, by the Business Association.		
Dates:	02/11/2017 - 31/01/2018	Rain dates:	-
People participating:	11	People benefitting:	Population of wider Te Atatu - approx. 24,000
Promotion:	Through our usual marketing platforms - social media, website, Te Atatu Views magazine.		

Community benefits

Identified need:

Feedback from the community, including a letter of request, asking that the Business Association provide Christmas enhancements that are beyond our budget but would allow the town centre to compete with nearby malls with regard to ambiance during the Christmas period.

Identified community outcomes:

Te Atatu residents love their community and are very proud of it. We would like to be able to provide a Christmas display that recognises this spirit and enables an enhanced feeling of wellbeing during the festive season and leading up to it. In turn, this encourages local people to support their local businesses during this busy season, instead of leaving to shop in other areas and this strengthens local economic development.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

Creating a festive atmosphere within our town centre not only encourages local residents to spend within their local area, thereby creating local economic development, but also foster community spirit by generating good feeling.

Henderson Riding for the Disabled Association Incorporated

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Therapeutic Horse-Riding

Location:	Henderson Valley Park, 201A Henderson Valley Road, Henderson		
Summary:	We aim to deliver safe and effective horse-riding therapy programmes for people with disabilities in the West Auckland Community. Riding is an enjoyable form of healthy, outdoor exercise, and an exciting, challenging and motivating activity. Riding and equestrian skills are also transferable into many aspects of daily life. Interactions with the horse and the effects of its movement on the human body also have significant therapeutic benefits.		
Dates:	01/01/2018 - 31/12/2018	Rain dates:	-
People participating:	60	People benefitting:	150
Promotion:	The project will be promoted during August, specifically, through national RDA Awareness Week. We will also promote at other opportunities that may arise from time to time.		

Community benefits

Identified need:

We receive referrals from healthcare professionals and the Waitakere Child Development Unit and have a substantial waiting list. A 2011 feasibility study researched demand:

"The HRDA has had waiting lists for a number of years which is a clear indicator of unmet demand".

"Data point to a significant proportion of the population having some form of disability. This coupled with the projected population growth in the Waitakere ward, suggests the demand for HRDA's services is likely to continue to grow in coming years."

We plan to increase rider numbers from 46 to 50 per week in term 4, 2017.

Identified community outcomes:

Access to a riding therapy programme for the West Auckland Disabled community - this is the only NZRDA affiliated group in West Auckland.

Provides an opportunity for families and community volunteers to network.

Provides exercise to improve wellbeing for everyone involved - both riders and volunteers.

Our vision is to 'Reach More Riders and Change More Lives'

Alignment with local board priorities:

Henderson-Massey

- strengthen governance capacity in our community and recreational organisations
- events that foster community spirit

Funding support for accounting processes supports the organisation with compliance requirements.

Networking between volunteers, riders and their families foster community spirit.

Collaborating organisation/individual	Role

Womens Centre Waitakere

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: S-safety E-esteem L-life F-family - SELF

Location:	Te Atatu Peninsula Community Centre, Womens Centre Waitakere, Te Atatu south Community Centre and Massey Leisure Center.		
Summary:	A series of workshops and sessions aimed at vulnerable women equipping them with the skills and methods to be confident and reduce their risk of being at harm in the community. We also include couples as part of our parenting sessions.		
Dates:	13/11/2017 - 31/08/2018	Rain dates:	-
People participating:	2 external facilitators and 2 staff members.	People benefitting:	190
Promotion:	We will advertise through our website, Facebook page, local community pages and have posters in the library, Plunket centres, community centres; care Waitakere, family action, local churches- Henderson Baptist; glen Eden Baptist, Te Atatu bible chapel.		

Community benefits

Identified need:

We have requests from parents and teachers for the need for self-esteem and self-defence class for teenagers and the women in the community. We have confirmed 8 young girls who would access both. We have 5 mothers who would be interested in the mom and baby yoga classes and would like to offer this to our vulnerable moms who attend counselling for trauma and violence related concerns. Self-defence classes are a welcome addition to the clients we work. The YMCA based in Massey Leisure Centre has offered us their room for free and would like the youth group to participate in the free self-defence workshops.

Identified community outcomes:

Mental wellbeing and Safety - girls and women are aware of their surroundings and able to defend themselves. Increased awareness about surroundings and increased confidence levels. Physical health improvement outcomes for mothers and women attending mother and baby yoga-Postnatal yoga focuses on bringing structural integrity back to the body, helping to realign the spine and pelvis. Common problems such as back pain are relieved, and clients also learn breathing awareness and relaxation techniques, which helps increase energy levels. Self-esteem and confidence increase; improved safety and awareness of bullying and how to deal with it- 8 young women- sexual consent workshop alongside the 6 session self-esteem workshops. Parenting programme- young mothers and single parents - in-house facilitator able to run

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- enhancing community and economic opportunities

The programmes and workshops will provide women and families to contribute effectively to our community.

Collaborating organisation/individual	Role
Massey Leisure centre	Free use of their hall for the self-defence sessions.
SAFE self defence	run monthly free self-defence courses for women in the community
Journey of the butterfly- Natalie	Pick up and drop off all the girls in a van and co facilitate the groups.

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - Our site is wheelchair accessible and the trainers are able to adapt the programmes to suit individual needs.
Target ethnic groups:	Pacific Peoples, All/everyone
Promoting SmokeFree:	The Centre is smokefree and we have signs reminding clients that we are able to support them and direct them to services relating to quitting smoking. Focus on breathing techniques will include discussions on health and support available with stopping smoking where relevant.

New Zealand Centre for Gifted Education Limited

Legal status:	Other: Not-for-profit limited liability company with charitable status	Activity focus:	Community
Conflicts of interest:	None identified		

Project: MindPlus Auckland West Subsidies

Location:	c/- Bruce McLaren Intermediate, 61-69 Bruce McLaren Road, Henderson, Auckland 0612		
Summary:	MindPlus – Where like-minds grow together: MindPlus is a programme for gifted 6-13 year olds that provides intellectual, creative, social and emotional learning and support. Children come together, with a specialist teacher, for one day each week. Together they engage in differentiated, strength-based learning experiences to further develop their gifts and talents and a greater understanding of themselves. MindPlus offers a differentiated curriculum with a specific focus on talent, conceptual and personal development, and thinking and research process development. The programme provides holistic educational instruction and recognises potential as well as performance.		
Dates:	02/11/2017 - 31/10/2018	Rain dates:	-
People participating:	1	People benefitting:	50
Promotion:	We promote our programme through our website, media releases, promotions to business and education communities, social media, notices, annual publicity campaign, newsletter.		

Community benefits

Identified need:

There is an idea that state education is free and should cater for all needs. This works well when the teaching professional is trained in the multitude of skills required and equipped with the knowledge they need to cater for all. Unfortunately in the world of gifted and talented students this isn't the case. This is proven by the Ministry of Education's own research in 2004 and the Education Review office in 2008 plus the demand for our own specialist services. A MartinJenkins Scoping report (February 2014) demonstrates three major reasons, based on delivery and excellence gaps, why funding is important for gifted children, particularly low socio-economic areas. (Attached)

Identified community outcomes:

Gifted and talented children have equitable access to MindPlus without financial disadvantage to families. Provide an innovative learning environment where students can engage in in-depth learning with like-minds. Retention of programme in area with high level of deprivation and need. Students become more self-aware, confident, engaged, motivated and resilient. Children and families have better participation, engagement and positive contributions to the wider community.

Our vision is for students to be:

- cognitively
- creatively

- motivationally
- emotionally
- socially
- ethically, and
- practically

High-functioning learners, ready and able to make a positive contribution to their whanau, schools, and communities.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

We aim to inspire gifted children to develop and celebrate their qualities and abilities by providing them with specialist learning opportunities and supporting the networks around them. Students discover how to use their gifts, talents, passions and exceptional abilities to provide leadership and actively and purposefully connect with and participate in their communities. Improved performance at the high skill level will have a greater impact on economic growth than improved performances at lower skill levels. Our programme results in less money spent on deficit areas to these children such as justice/youth development interventions.

%	100%	%	%	%	%	%

Financial information

Amount requested: \$5000.00

Requesting grant for: Subsidies to support gifted children to access MindPlus Auckland Central, providing for their specific learning needs. We aim to achieve equity of access for children of diverse backgrounds to access our programme. Many of the students that benefit from our programme would not be able to attend without subsidies. These are kids who need our programme, but their families are not in a financial position to contribute the full fee and will not be able to attend until we secure funding to provide them with a subsidy.

If full amount requested is not able to be funded:

Any contribution would be appreciated. As we believe strongly in keeping our programme accessible for all who need it, we are reliant on grants and donations to cover our costs. We do not receive government funding.

Cost of participation: The fee for MindPlus is \$2,660 per student per year though costs are higher than this. We raise funds in order to offer subsidies for students requiring them as we believe in equitable access.

Community benefits

Identified need:

Consultation with members and families/caregivers has demonstrated this need.

Identified community outcomes:

Social justice for all. Building social inclusion, connectedness and resilience for our members. Community participation and engagement. Confidence building, the opportunity to develop resilience

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

Skills For All is a specially designed project that builds on people's current skill base and addresses in gaps in skills and knowledge. Targeted skills based workshops will include budgeting, grocery shopping, meal planning, use of public transport, cooking skills and public transport knowledge. Alongside these workshops will be values based leadership training that will assist people with disabilities to identify their unique talents and ways in which they can contribute towards their local communities. PHAB believes these workshops will increase the confidence of our members and their abilities to secure paid and unpaid employment positions.

Collaborating organisation/individual	Role
Jamie Masters - YES Disability	Specially trained facilitator and youth worker

Auckland Regional Migrant Services Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Safari Playgroup West

Location:	Henderson Baptist Church - 325 Great North Road, Henderson		
Summary:	The Safari Playgroups have all been set up to respond to the needs of mothers from refugee and migrant backgrounds, often recently arrived in NZ, who have minimal English. They need to access English Language classes at a suitable level that is easily accessible, with childcare alongside. Such families can often have 2 – 4 children, no transport, and very little if any family support. The model is unique it provides multiple benefits, for mothers and their children, as well as for service providers who seek to connect with hard-to-reach families. Mothers who are involved in the Safari Playgroups benefit not only from English classes run by trained ESOL teachers, they also benefit from the workshops and speakers who visit.		
Dates:	01/11/2017 - 31/10/2018	Rain dates:	-
People participating:	4	People benefitting:	73 families per year in Safari (Henderson) alone
Promotion:	Through ARMS networks of community providers, we visit local schools and social work agencies as well as poster at doctors, social work agencies and other community notice boards.		

Community benefits

Identified need:

ARMS staff works closely with the core Red Cross Refugee Services staff that support newly-arrived refugees during the early stages of their resettlement. Consistently these workers have found it very difficult to find suitable childcare coupled with English language classes, particularly as the families are 'pepper-potted' in low decile areas, often poorly served by buses, where they do not feel particularly safe. Other evidence comes from the first Safari Playgroup (Lynfield) was set up in 2009, the second one (Henderson) in 2013, and the Safari South one in 2015. 442 families from refugee background have participation in these playgroups.

Identified community outcomes:

Improved socialisation of children outside of their home; becoming accustomed to ECE routines; learning through play; enhancement of development; forming of friendships; encouragement of creativity; sense of belonging in a playgroup context; identification of behavioural or developmental or other issues; improved nutrition and health; greater readiness for entry into more advanced ECE and primary school. They will have access to English Language classes at a suitable level that is easily accessible, with childcare alongside. Improved English skills; greater confidence in communicating; acquisition of English for parenting/school engagement/going to the doctor. For mothers and children for who transport and/or distance are major barriers to ECE/English language participation. The impact this has on the family has a dual purpose - in breaking down the barriers of isolations through access to transportation that also results in greater sense of belonging; familiarity with others in the community. Introduction to local services; forming of relationships with other mothers outside of own cultural/linguistic community; introduction to library and other free activities

recreational facilities; learning about nutrition, healthy foods, parenting skills, water safety, diabetes, accessing health services, NZ school system; being able to get questions answered and advice re every-day-living challenges.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- providing a fund for local community safety projects

Most of the mothers who attend have been experiences isolation and depression when they come to the playgroup and connected with other mothers they feel part of something a sense of belonging is increased and the desire to then support other women who have been in their shoes is the bases of community spirit. By providing social cohesion the sense of safety is increased getting to know the community services and a person creates safer communities.

Collaborating organisation/individual	Role
ARCC	Knowledge, referrals of women

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - The community development projects are deliberately sited in venues easily accessible by public transport or on foot for women in the neighbourhood. All our venues are accessible by people with disabilities, plus those with young children in buggies, and they are near car parks. Women and their families are referred to Safari from ARCC and agencies such as Plunket, DHB, schools, school social workers, and refugee community organisations. Red Cross provide us information about newly arrived families in the areas in which we operate, and Red Cross volunteers often bring women along for the first few times. Women also hear of the programme from existing members; we provide a van pick up service for the women who can't access transport.

Target ethnic groups: Indian, Other Asian, Middle Eastern, Latin American, African, Other: Burmese

Promoting SmokeFree: Our venue is smoke free so no one is allowed to smoke on or near the premises. We have health promoters who come to the playgroup from time to time to discuss health issues with the women.

Project: "Healthy Meals on a Budget" Group

Location:	Te Atatu Peninsula Community Trust Kitchen facilities, 75 Beach Rd, Te Atatu Peninsula		
Summary:	This free group is for anyone interested in learning new cooking skills, sharing ideas, and gaining strategies for making the most of a tight budget; and having fun! People learn to cook a range of tasty recipes that their whānau will love! They go home with easy recipes and a tasty meal to share. Participants gain greater confidence in their ability to cook nutritional, tasty meals for their whanau as well as learning new ideas for getting the most out of a tight food budget. We anticipate that this group will continue to provide a welcoming space for people to learn new skills, share their own knowledge and experience and build connections with others who may be in similar situations.		
Dates:	11/05/2018 - 22/06/2018	Rain dates:	-
People participating:	3	People benefitting:	8 families
Promotion:	Facebook Community page, Community Network and Plunket		

Community benefits

Identified need:

We have run a pilot group earlier this year and the second is underway with a waiting list building for the future. The participants are often referred by Budgeting mentors, Social Workers, Plunket or other concerned people in the community who encourage their friends to get help.

Identified community outcomes:

Participants gain greater confidence in their ability to cook nutritional and tasty meals for their whanau as well as gaining new ideas for getting the most out of a tight food budget. The group will provide a welcoming space for people to learn new skills, share their own knowledge and experience and build connections with others who may be in similar situations.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

Many of the participants of the current and past groups come from a disadvantaged background, having experienced domestic violence and economic hardship. The structure of the group allows people to come into a friendly welcoming place, learn together and share ideas over a meal. People go back to their whanau equipped with ways to more effectively manage their budget and provide healthy meals their whanau can enjoy. All participants go home with a starter pack for repeating the meal they learned to prepare, setting them up for immediate success.

Collaborating organisation/individual	Role
Te Atatu Peninsula Community Trust	Reduced fees for use of kitchen and hall facilities.

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - Our present group has two people with disability - one with hearing loss and one with intellectual disability. Both these people will be supported by volunteers to ensure they can gain the best experience. One person has mental health challenges. She will be supported by a social worker.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	Healthy Meals on a Budget emphasises making wise choices to support physical health, as well as living within budgeting constraints. Living smoke-free is emphasised as the best choice.

Auckland Kids Achievement Trust trading as Graeme Dingle Foundation Auckland

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Stars Adventure Camp at Rutherford College

Location:	Rutherford College: Kotuku Street, Te Atatu Peninsula, Auckland 0610		
Summary:	Stars is a Graeme Dingle Foundation programme that makes the transition into secondary school a more positive experience for Year 9 students. Stars helps to strengthen the student's view of the school as a caring community by building positive relationships between Year 9 students, teachers and senior students. It builds a stronger school culture and reduces truancy. Year 12 and 13 students are trained as Peer Mentors and are encouraged to develop leadership and life skills through the delivery of weekly lessons to Year 9s. These lessons extend the Year 9s understanding of respect, self-confidence, communication, social reciprocity and resilience. Stars has four planned and integrated stages - Peer Mentoring, Adventure Camp, Community Adventure and Community Project.		
Dates:	01/04/2018 - 30/06/2019	Rain dates:	-
People participating:	2	People benefitting:	360

Community benefits

Identified need:

Through collaboration with the schools and our own research we know that there is a significant and on-going community demand for our programmes and for our key staff in local schools. Through the feedback from teachers, families and the children and young people participating in the programme themselves, we know there is not only a demand but meaningful outcomes achieved for children and young people in our community.

Identified community outcomes:

Expected outcomes for students from the Stars Adventure Camp are that they:

1. Work closely with other students forming and developing pro-social relationships with others in their school community.
2. Develop communication, problem-solving and teamwork skills.
3. Gain personal confidence and increased self-efficacy through taking on challenges and achieving success.
4. Acquire and develop skills in outdoor activities.
5. Understand the importance of environmental conservation and sustainability.
6. Set and achieve some short-term goals.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

Stars research has shown that students are highly engaged in the programme, particularly those

youth attending low decile schools and schools that are predominantly Māori and Pasifika. Evidence shows that Stars contributes to the wellbeing of the students by helping them to gain practical skills and life skills such as: working with others, connecting to their communities, meeting personal achievements, improving relationships with friends, and developing relationships with older peers.

Collaborating organisation/individual	Role
Rutherford College	An agreement is signed between our organisation and the school whereby we agree to deliver the Stars programme and the school agrees to support the delivery including supporting programme evaluation

Demographics

- Māori outcomes:**
- Māori participation - Māori priority group, target group, high representation or Māori staff delivering 25% of the Year 9 students at Rutherford College are Maori. Statistics show that out of these only about 9% stay in school by Year 13. The Stars programme can help change this situation because research has proven that Stars: Keeps students in school.
 - Contributes to the wellbeing of students by helping them gain practical and life skills.
 - Helps students work together as well as work with others.
 - Helps students to connect to their communities by contributing and giving back.
 - Improves relationships between peers, by strengthening bonds between older and younger students.
 - Builds confidence through facing challenging activities.
 - Helps students to achieve academic goals as well as personal achievements.
- Accessible to people with disabilities:** Yes - Stars is a programme for all Year 9, 12 and 13 students. The opportunity to participate in Stars is available to all the children with disabilities in these classes attending the school.
- Target ethnic groups:** All/everyone
- Promoting SmokeFree:** All our programmes are school based and support the smokefree policy that applies to all the schools.

Financial information

Amount requested: \$10000.00

Requesting grant for: Funds are requested for the Stars Adventure Camp where professional outdoor facilitators take students through a series of outdoor and indoor activities to develop positive relationships and teamwork. The Camp can last up to five days. Major camp expenses include accommodation, catering, instruction and gear change items. The Adventure Camp is an essential component of the Stars Programme. We are requesting a contribution towards the cost of this camp.

If full amount requested is not able to be funded:

Contribution towards Stars Adventure camp costs.

Cost of participation: There is no cost of participation for this project.

Kids Safe With Dogs Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Kids Safe With Dogs - Henderson/Massey

Location:	Individual schools where the education programme is carried out		
Summary:	We will be delivering training on school ground to classes of children, approximately 30 pupils at a time. We start with Three Golden Rules and then depending on the age of the children we discuss scenarios which helps the children to develop empathy by using "how would you feel if.....". We created Jelly and our other cartoon characters which helps the children and makes it easy for them to remember what the programmes teach.		
Dates:	01/11/2017 - 20/12/2017	Rain dates:	-
People participating:	3 x Administrators 4+ x Instructors	People benefitting:	1200+ Depending on funding
Promotion:	We would like to get as much publicity about this great initiative as possible. Is fantastic to have councils on board helping our children stay safe around dogs.		

Community benefits

Identified need:

The number of dog bites continues to grow across New Zealand. Dog bites to children 0-14 account for 20% of the total. Over the past 10 years we have seen almost a 14% increase in dog bites to children under the age of 14. That equates to over 2000 children being bitten every year in New Zealand

Identified community outcomes:

Children that know how to stay safe around dogs so that they do not get bitten. This will bring down the number of dog bites and help to ensure less in the future

Alignment with local board priorities:

Henderson-Massey

- providing a fund for local community safety projects
- events that foster community spirit

The project is designed around dog safety. It is important that we teach children how to stay safe around dogs.

Holding programmes like this fosters community spirit as it encourages people to talk about dogs and how to behave around them.

Financial information

Amount requested: \$5000.00

Requesting grant for: Printing of material and paying instructors/administrators.

If full amount requested is not able to be funded:

Part funding would mean going into fewer schools and teaching fewer children. The board could decide which schools would receive funding.

Cost of participation: We previously have offered are programme for \$5.50 per child with some uptake. We want to give access to the programme to more children so applying for funding to cover the cost.

Royal New Zealand Foundation of the Blind

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Purchasing Digital Talking Books

Location:	Auckland Wide		
Summary:	The running costs of the library totals approximately \$684K a year which we cover. The library does not receive any funds from government contracts and purchasing new titles is completely reliant upon grants received from funders. We aim to purchase 1000 new titles this year but that really is only a drop in the ocean compared to all of the books that are out there! Some of our library users are avid readers, and may read 6 or 7 books a week so it's important for us to have plenty of fresh reading material. The average price of each book is \$800 per book.

Promotion:	Not stated		

Community benefits

Identified need:

We carry out annual surveys of members and record the amount of loans requested per city. Last year's library user survey showed that although the service is the most highly rated of all Blind Foundation services, a wider and more current range of titles is needed.

Identified community outcomes:

Local public libraries cannot cater to the low or no vision public and the different formats that are required so the Blind Foundation library plays a critical role in education and supporting development in literacy, reading and learning. People who lose their sight also lose options when it comes to participating in former recreation, work and socialisation activities so are prone to experiencing feelings of disempowerment and isolation. Consequently with much more free time and less to fill it, talking books fill a large gap and many library users are voracious "readers". The Library service is the most highly rated service by members, with a rapidly growing wish list.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities

A majority of the low or no vision members (295) live within the Henderson-Massey Local Board area. The Blind Foundation library plays a large role in providing these individuals with educational and topical books or magazines to support community participation such as having copies of the Auckland Plan and Local Board plan in accessible formats. With a small contribution from the local board, we will be able to add material that is current, topical and diverse. By providing the library service, we enable the blind and low vision residents within your community to feel connected.

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - The Blind Foundation is New Zealand's main provider of practical and emotional support to the 12,272 New Zealanders who are blind or have low vision, enabling them to face their future with confidence. Our purpose is to ensure people are able to fully participate in everyday life by advocating for a truly accessible and fully inclusive New Zealand; reach more people by enhancing our current services, removing barriers to accessing our service and increasing awareness of the Blind Foundation services. Our library helps remove barriers from reading for learning to being able to read about current affairs.

Rutherford College Community Education

Legal status:	Other: State Secondary School	Activity focus:	Community
Conflicts of interest:	None identified		

Project: West Auckland Adult and Continuing Education

Location:	The project distribution will be based from Rutherford College Community Education, 16 Kotuku Street, Te Atatu Peninsula		
Summary:	The distribution of West Auckland Adult and Continuing Education booklets to over 60,000 households in the West Auckland area. The booklet is inclusive of more than 25 different organisations offering educational opportunities to adults aged 16yrs to 100yrs+		
Dates:	15/01/2018 - 18/12/2018	Rain dates:	-
People participating:	25+ Organisations	People benefitting:	120,000+
Promotion:	A once off distribution of the booklet to over 60,000 West Auckland Households as well as stands in all Libraries, CABs, and various Supermarkets, Mega Mitre 10 and other shops throughout the West Auckland region all year.		

Community benefits

Identified need:

Although information is online, the hard copy of this publication is still in high demand every year and we feel it must be maintained to reach our target minority groups such as low income, Pasifika people or new migrant families, many of whom are not computer literate or lack computer access at home

Identified community outcomes:

The project is inclusive of services available to educate and enrich people so that they have a better feeling of self-improvement, as well as the opportunity to upskill themselves and explore new pathways to employment, education and a better life. The West Auckland Continuing Education Booklet is one of the best ways to get our programmes in front of tens of thousands of households and individuals in our area. West Auckland families benefit from knowing all the courses available in their area for either personal or work purposes. There are formal and informal courses to suit everyone, at whatever age, both free and at a small cost. The organisations participating can design their advertising to promote their whole programme for the year and it stays in front of people, unlike other print advertising. Organisations then co-operate to help distribute the book to many community and business premises in their area and they also build networks amongst themselves providing pathways for students to benefit from.

Alignment with local board priorities:

Henderson-Massey

- enhancing community and economic opportunities
- events that foster community spirit

By providing and promoting a variety of Life-long Learning opportunities in West Auckland for adults, that will help to enrich their lives and promote strong communities, as well as to skill and upskill to enable them to contribute to society at their full potential. It also provides a means for social cohesion amongst communities by engaging in learning activities together

Collaborating organisation/individual	Role

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

Maori learners are inclusive participants in all of the courses offered in this project with the main focus being on uplifting well-being, enriching lives, promoting stronger communities and upskilling people to enable them to contribute to society at their full potential. There are even some courses that are specific to Te Reo Maori Language, culture and heritage.

Accessible to people with disabilities: Yes - People with disabilities are inclusive participants in all of the courses in this project. Life-learning is inclusive of all adults and we often have participants with disabilities participating to upskill so they gain confidence and feel more connected with their community

Target ethnic groups: All/everyone

Promoting SmokeFree: Not only are there educational courses covering health and well-being, as well as budgeting and personal development many of the premises where courses are held are smoke free.

Financial information

Amount requested: \$4140.00

Requesting grant for: The production of the booklet is self-funded by the providers involved, it is the distribution to West Auckland households that we are requesting funding as many people still do not have computers in their homes and this booklet has a long established reputation in the West. People are already asking what courses are available next year and when will a copy of the booklet be available

If full amount requested is not able to be funded:

We would be grateful for any contribution that the three council are able to grant towards the distribution cost

Cost of participation: The booklet is free to participants and some courses are free, others carry small costs that vary per course, per establishment.

The Korean Society of Auckland

Legal status:	Incorporated Society 546227 CC24361	Activity focus:	Events
Conflicts of interest:	None identified		

Project: 2018 Korean Day

Location:	North Shore Event Centre		
Summary:	All day event that shows a variety of Korean culture. It is for Aucklanders in All ages, especially targeted families. Exchanging cultures between different ethnics and share tips for living in Auckland.		
Dates:	14/04/2018 - 14/04/2018	Rain dates:	14/04/2018- 14/04/2018
People delivering:	400	People benefitting:	10000
Promotion	Yes		

Community benefits

Identified need:

-Age group under 15(17.9%), 15-29(30.4%), 30-64(48.1%) and 65(3.6%) Koreans are living in New Zealand.

-78% of Koreans in New Zealand live in Auckland. (Ref. <http://www.stats.govt.nz>)

Due to an increase of Korean migrants in past years, our society realised that a cultural event is required to give a better understanding of Korean culture to fill the cultural gap between migrants and the local communities. So, the society organised Korean Day to deliver and share Korean culture with local communities and other ethnic groups.

Identified community outcomes:

1. Reduce the cultural gap between Koreans and other ethnic groups to make Auckland rich in culture.
2. Provide opportunities for learning and experiencing Korean culture to local Aucklanders.
3. Provide opportunities to Korean migrants for rising cultural pride and educate the next generation.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

Korean Day is purposed to deliver and share Korean culture with local communities and it will help to build a strong community to approach to Auckland's cultural rich city outcome. And Korean Day would support all age include youth and different ethnic groups to educate Korean culture and gives opportunities to experience to understand.

Project: Elvis in the Gardens2018

Location:	Auckland Botanic Gardens		
Summary:	Free one day music festival		
Dates:	04/03/2018 - 04/03/2018	Rain dates:	-
People delivering:	Three plus 20 on the day	People reached:	Between 15 and 20 thousand
Promotion:	Not stated Facebook Page - currently 6000 followers, Event Website , Venue website, Sponsors websites, Arthritis NZ website and member data base, Posters, Flyers to Franklin and South Auckland Schools and businesses and Billboards		

Community benefits

Identified need:

The fact that between 15,000 and 20,000 people attend this event every year indicates there is a place for this free event in our Auckland Summer Music events calendar. We established this event in Franklin and it has grown like topsy since. Many of the original Franklin attendees have not missed a year since,

Identified community outcomes:

An event that Aucklanders are proud of as it profiles not only where we live to non- Aucklanders but has hit the international scene as well. Safe smoke free and family friendly event that suits all members of the community. Togetherness and community spirit. Appreciation of natural environment surroundings Support for local accommodation and hospitality industry. A Large scale free event that is convenient to travel to for those South of the Bridge Show case of local businesses who sponsor the event. Chosen Charity that affects every family - Arthritis NZ

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing and celebrating our natural environment

Members from the Henderson Massey Board attend this free event every year to enjoy the Auckland Botanic Gardens, the music and the atmosphere of community togetherness in a safe, smoke free, family friendly, natural environment.

Applications prior to the 2014/2015 financial year have all been accounted for and omitted from this summary

Ecomatters Environment Trust

Legal status:	Charitable Trust	Activity focus:	Environment
Conflicts of interest:	None identified EcoMatters has a Board member who is a Local Board employee and another Board member who is a Local Board member.		

Project: Weed Advice

Location:	6 Olympic Place, New Lynn, Auckland.		
Summary:	This project will provide free weed advice on the phone, as well as site visits when required, and small scale weed eradication. The aim is provide a service to all weed-related inquires across three local boards from the 1st of October 2017, to the 31st of March 2018. This kind of personalised service is sorely lacking. It will better inform the public (on an as needs basis) - and it will enable us to control small weed outbreaks before they spread.		
Focus specific:	Environmental benefits: This is about dealing with inquiries from the public about weeds in their environment. Unknown weeds can be readily identified by knowledgeable staff and the public can be told/shown the best means of managing and or eradicating them. Dealing with small infestations is a way of nipping the weed problem in the bud.		
Dates:	01/10/2017 - 31/03/2018	Rain dates:	-
People participating:	Two.	People benefitting:	600
Promotion:	We plan to promote and advertise this project through the EcoMatters Facebook page,		

Community benefits

Identified need:

We get many calls a month from people who want advice/assistance with their weeds. We try to help, but as we are not funded for this work, we're limited in what we can do. Mostly we can only offer a bit of advice over the phone.

Identified community outcomes:

This project will help people identify their weeds. This project will give people advice on how to best manage/eradicate their weeds. The community will feel better supported by their Local Board as a result of this project.

Alignment with local board priorities:

Henderson-Massey

- enhancing and celebrating our natural environment
- enhancing community and economic opportunities

We will be able to provide free weed advice, including site visits and small scale weed eradication to residents in the Henderson-Massey Local Board area. It will provide a service that is lacking - and has the potential to greatly reduce the spread of weeds in the area as a whole.

Collaborating organisation/individual	Role

Financial information

Amount requested: \$10000.00

Requesting grant for: We seek funding to cover staff time (including administration costs and vehicle use) for a six month period (1st October 2017- 31st March 2018).

If full amount requested is not able to be funded:

There is only one part to this project. Any shortfall would mean having fewer staff hours available to provide advice.

Cost of participation: This will be a free service to the public.

New Zealand Bird Rescue Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Environment
Conflicts of interest:	None identified		

Project: NZ Bird Rescue Needs

Location:	74 Avonleigh Rd, Green Bay, Auckland 0604		
Summary:	Providing care for over 4,000 birds a year which are brought to the Bird Rescue Centre by members of the public. Our small staff team is supported by 60 volunteers so we can provide a seven day a week service to care for sick, injured and lost birds.		
Focus specific:	Environmental benefits: Caring for New Zealand's precious bird life enhances and celebrates the environment		
Dates:	01/10/2017 - 01/04/2018	Rain dates:	-
People participating:	80 approximately	People benefitting:	3,000 approximately
Promotion:	Website, social media, newsletter, word of mouth, community newspapers		

Community benefits

Identified need:

Most of the 4,000 birds received every year are from the West Auckland area. This number has been steadily increasing and peaks in the spring/summer baby bird season. We also care for birds from other areas of Auckland.

Identified community outcomes:

Fostering relationships with our communities is important to us and we provide education on conservation issues and bird care to schools and other community groups. We also work with the Corrections Department to offer work experience and upskilling opportunities.

Alignment with local board priorities:

Henderson-Massey

- enhancing and celebrating our natural environment
- enhancing community and economic opportunities

We enhance and celebrate the natural environment by caring for New Zealand's precious bird life, offering work, educational and volunteer opportunities.

Collaborating organisation/individual	Role
DoC	Permit
SPCA	Deliver injured birds

NorthWest Shopping Centre

Legal status:	Limited Liability Company	Activity focus:	Events
Conflicts of interest:	None identified		

Project: Christmas in the Square

Location:	Te Pumanawa Square		
Summary:	As part of the Christmas celebrations, we aim to provide a Christmas in the Square concert to bring the community together as a way to commence the Christmas period. The concert will also mark the occasion when our big outdoor Christmas tree will be lit and marks the arrival of Santa.		
Dates:	24/11/2017 - 24/11/2017	Rain dates:	24/11/2017 - 24/11/2017
People participating:	2	People benefitting:	up to 500 people
Promotion:	We will utilise all platforms available to us to communicate and advertise the event. A comprehensive advertising campaign will commence 4 weeks prior to the event. We will allocate budget to radio advertising, local press, Social Media, In store point of sale, internal signage and mail drop.		

Community benefits

Identified need:

As a newly created town centre with growing population we have received a great deal of encouragement and support from our community. Part of our communications with the local community is that we understand there is a great need and desire for family type events within the newly created town square. Last year, when we put up our outdoor Christmas tree there were so many people requesting that we

Identified community outcomes:

Create a first ever Christmas community event for the new town square. This could potentially become an annual event for the community.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- providing a fund for local community safety projects

Our event is family focused and will bring the community together to enjoy the newly created town square.

Collaborating organisation/individual	Role
Community groups	entertainment
Local Schools	entertainment

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - As the event will be outdoors and on one level customer can access via our shopping centre carparks and by using our ramps and lifts will be able to move smoothly to the event venue.

Target ethnic groups: All/everyone

Promoting SmokeFree: Adequate signage and security team to monitor and manage any smokers

Project: Waitakere White Ribbon Campaign

Location:	Henderson, Ranui, Massey		
Summary:	White Ribbon is an international campaign designed to reduce family violence and raise awareness. The Waitakere White Ribbon campaign will involve a series of free community BBQs across West Auckland which will be hosted by local support agencies. The purpose of the BBQs will be to engage with our community around issues of family violence, and to foster positive relationships between the community and local support agencies. We will also be hosting a community exhibition called Behind Closed Doors which will profile the issue of family violence in our local libraries.		
Dates:	21/11/2017 - 25/11/2017	Rain dates:	-
People participating:	20	People benefitting:	10000
Promotion:	We will be advertising through online networks, social media and local newsletters. We will also be producing two posters for the campaign. One will be a White Ribbon agency poster which will list the details for some of our local support agencies in Waitakere. We will also be creating a '10 Ways to get involved in White Ribbon Day' poster which will include practical suggestions as well as details for all of our White Ribbon events. These posters will be distributed electronically and hard copies will be printed and distributed throughout Waitakere.		

Community benefits

Identified need:

Family violence is a significant issue in this country and in the West Auckland community in particular. On average the New Zealand Police attend a family violence call-out every five and a half minutes, and the Waitemata region issued the second highest number of Police Safety Orders in the country, which is an indicator of the prevalence of family violence in this area. Our project aims to raise awareness about family violence and to build on the recognition of the campaign over previous years to change attitudes and encourage people to seek help.

Identified community outcomes:

- Raise awareness about family violence. New Zealand has some of the worst family violence rates in the world, but it is often viewed as a private issue that happens behind closed doors. We want to raise awareness about family violence so that we can begin to confront it. Promote healthy relationships which are violence-free. Too many members of our community are in relationships characterised by fear and abuse, and a large number of children are growing up in these households. We want to change this by promoting respectful, loving relationships. Raise awareness about local support agencies. There are a number of agencies that are working to improve whanau wellbeing, and we want these agencies to build positive relationships with our community.

Alignment with local board priorities:

Henderson-Massey

- providing a fund for local community safety projects
- events that foster community spirit

Family violence has a devastating impact on our communities and contributes to negative perceptions of community safety. Our White Ribbon campaign aims to raise awareness and prevent family violence so that our communities can support each other and feel safe in their neighbourhoods.

Collaborating organisation/individual	Role
NZ Police	Hosting a Community BBQ in Ranui, involved in the organisation of the wider campaign
Community Waitakere	Hosting Community BBQs in Henderson, liaison with local schools, involved in the organisation of the wider campaign

Man Alive	Support for the Community BBQs
Te Kura Kaupapa Maori O Te Kotuku	Participation in the Behind Closed Doors exhibition
Kakano Youth Arts Collective	Participation in the Behind Closed Doors exhibition

Demographics

Māori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

This year we have been working alongside Te Kura Kaupapa Maori O Te Kotuku, a Maori full-immersion school in Ranui. Te Kotuku has embraced the White Ribbon kaupapa of healthy, respectful relationships, and they have incorporated this into their curriculum and adapted it to be relevant to the school community. As a result of this work they will be producing six pieces of artwork for our Behind Closed Doors exhibition. This is a significant contribution, as our previous White Ribbon campaigns have been lacking in terms of the involvement of Maori and our tamariki. Maori involvement in particular is important due to the over-representation of Maori in family violence statistics and the need for culturally relevant responses.

Accessible to people with disabilities: Yes - All of our events are taking place in locations that are easily accessible.

Target ethnic groups: All/everyone

Promoting SmokeFree: All of our White Ribbon events will be strictly smoke-free.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

Corban Estate Arts Centre

Legal status:	Charitable Trust	Activity focus:	Events
Conflicts of interest:	None identified		

Project: Kids Arts Festival 2018

Location:	Corban Estate Arts Centre, 2 Mt Lebanon Lane, Henderson, Auckland		
Summary:	Kids Arts Festival is an annual free event for children aged 4 - 14 and their families. It has been running for 13 years and attracts over 3,500 people. The event involves hands-on arts workshops, a children's performance stage, a West Auckland Schools exhibition, food stalls, roaming performers and more. Each year the event focuses on a different theme and all workshops and artworks are related to that theme. Kids Arts Festival is a celebration of children's creativity and an opportunity for us to work with a wide range of schools and other child-focused organisations.		
Dates:	12/05/2018 - 12/05/2018	Rain dates:	-
People participating:	150	People benefitting:	4000
Promotion:	Kids Arts Festival is advertised in a variety of ways, through print media, billboards, posters and fliers, websites and a range of social media. We install over 30 billboards through the West Auckland region, print and distribute 6,000 + fliers and posters to schools, libraries, cafes and other community centres, and advertise in various print media such as the Western Leader and Ponsonby News. We also promote the event and organisations involved on social media, running extensive campaigns to let the public know what to expect each year. we also promote the event on our website and a number of event sites. Our funders' logos are on everything we produce.		

Community benefits

Identified need:

Kids Arts Festival has been in existence for over a decade. It is a much loved event by many in the West Auckland and wider community. The event caters for children of all ages and abilities and supports creativity and nurtures talents. Many families look forward to this event every year. Feedback is always encouraging and positive and whilst adults find the event exhausting, children leave with huge smiles on their faces and a wealth of creations under their arm. As a free event, Kids Art Festival is accessible to all regardless of socio economic status; it can be an affordable family day out for large families and people have to option of bringing their own food and drink too.

Identified community outcomes:

Community outcomes include inclusiveness (everyone is welcome), connections through creativity (children and families get to make friends and connect with like-minded people whilst creating), accessibility (the event is free, caters to all abilities and promotes opportunities in The Arts for all), opportunity to build relationships; for partnering and collaboration with other organisations as well as with local business who donate materials and goods for the event.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- fostering arts, culture and sport in the community

Kids Arts Festival supports both the community and fosters arts and culture. This annual free event for children and families offers children opportunities to exhibit, perform and participate in diverse free, hands-on arts workshops. It is a day to explore and experiment and learn new things about ourselves, the arts and the community we live in. The event promotes inclusiveness and accessibility for children of mixed abilities aged 4 - 13.

Collaborating organisation/individual	Role
In discussions with MOTAT and Auckland Zoo	nothing has been confirmed as yet

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - Corban Estate Arts Centre has many venues that are accessible to people with disabilities. We provide parking close to the main venues on the day, we have 2 bathrooms which have wheelchair access and a lift for activities in one of our upstairs venues. We provide painted lines on our stairs for those with sight impairments.

Target ethnic groups: All/everyone

Promoting SmokeFree: As an event for children and families we encourage a smoke-free environment. There is also a no smoking policy in all of our buildings. We will use signage in our venues to promote our smoke-free environment.

Legal status:	Incorporated Society	Activity focus:	Events
Conflicts of interest:	None identified		

Project: 2018 Waitakere Athletics Festival

Location:	Douglas Track & Field, The Trusts Arena, 65-67 Central Park Drive, Henderson		
Summary:	The Waitakere Athletics Festival is a celebration of the sport of athletics, from grassroots to elite performance. The event includes coordinated participation activities for local children from Henderson, Massey and surrounding areas, competition opportunities for local up and coming West Auckland athletes and an elite international competition bringing some of the best athletes in the world to Henderson, including New Zealand's Olympic heroes Eliza McCartney, Tom Walsh and Valerie Adams taking on top international competitors. This event utilises New Zealand's best athletics facility - the Douglas Track & Field in Henderson.		
Dates:	23/03/2018 - 25/03/2018	Rain dates:	30/03/2018 - 01/04/2018
People participating:	22	People benefitting:	87000
Promotion:	<ul style="list-style-type: none"> - Online advertising via social media, website/google adverts, event calendars - Media releases to National media contacts - NZME Radio, Print and Online, Fairfax Print and Online, TVNZ news, Three Newshub, Prime TV, Mediaworks Radio - Physical signage outside The Trusts Arena, Henderson and within The Trusts Arena Facility - Marketing through partner newsletters inc. Sport Waitakere, The Trusts Arena, The Trusts. 		

Community benefits

Identified need:

We believe a need exists for this project. There are few opportunities for top athletes to inspire the next generation and this event is unique in that young West Aucklanders can share the same world class facilities and compete on the same track as their Olympic heroes. The investment in the Douglas Track & Field facility has created a top facility for West Aucklanders to enjoy and there is a need for quality events to allow as many local West Aucklanders as possible to enjoy the facility.

Identified community outcomes:

-500 West Auckland Children learn new skills and activities in a fun and educational participation event at Douglas Track & Field, Henderson - utilising Athletics New Zealand's flagship Get Set Go and Run Jump Throw educational programmes for children 5-12 years old.

-Local West Aucklanders are inspired by watching top international athletes compete at Douglas Track & Field. Unique spectator viewing areas inside the arena allows attendees to watch the action up close - giving them an amazing, immersive experience. Local athletes are invited to compete in scheduled local events alongside the international competitions -allowing them to share their home track with their heroes.

- The local Waitakere City Athletics Club are given the opportunity to fundraise through the event by providing volunteer support in exchange for a donation and by opening their clubrooms for public sales.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

This event provides a premier sporting experience for Henderson-Massey residents. The event includes participation opportunities for locals as well as the chance to watch some of the world's best athletes compete in Henderson at New Zealand's best athletics facility - Douglas Track & Field.

Collaborating organisation/individual	Role
The Trusts Arena	Venue Provision
Sport Waitakere	liaison with local organisations, promotion of event and project delivery assistance
Waitakere City Athletics Club	Volunteer provision, event set-up support

Demographics

Māori outcomes: NA

Accessible to people with disabilities: Yes - Douglas Track & Field is an accessible venue and designated spectator areas will be provided for people with disabilities
Disabled athletes will be encouraged to compete alongside able bodied competitors, this includes Paralympic level athletes.

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, All/everyone

Promoting SmokeFree: The entire event venue is designated smoke-free and smoke-free signs will be in place around the venue. Security guards will actively inspect smoking within the audience and instruct smokers to leave the venue. Smoke-free messaging will be included within event programmes and messaging to event participants.

Zeal Education Trust

Legal status:	Charitable Trust	Activity focus:	Events
Conflicts of interest:	None identified		

Project: West Auckland Event Box Schools Tour

Location:	Zeal will approach 13 intermediate and high schools in West Auckland. Depending on interest and available funding, we aim to put on lunchtime festivals at approx. 10 schools over terms 1 and 2 next year. The following schools will be contacted 1) Henderson-Massey Local Board: Henderson High School, Waitakere College, Rutherford College, Massey High School, St Dominics College, Liston College 2) Whau Local Board: Kelston Boys High School, Kelston Girls College, Green Bay High School, Avondale College, Avondale Intermediate 3) Waitakere Ranges Local Board: Glen Eden Intermediate, Hoani Waititi School		
Summary:	Zeal will take the Event-Box, a truck with fold-out stage and state-of-the-art sound and lighting equipment, to 10 West-Auckland schools. Working with a team of students and musicians/artists from each school, Zeal will put on a mini lunchtime festival showcasing a local artist, school talent, dance-battle, fun challenges, games and giveaways. Students will have the opportunity to be involved in planning, production and management of the event. These fun, memorable, celebration events are aimed at fostering a pride moment within the school, bringing students together, encouraging student involvement, championing school values, and creating a positive and thriving school-culture. (NB: If wet, an alternative date will be arranged or the event will be held inside using equipment from the Event-Box.)		
Dates:	07/02/2018 - 31/07/2018	Rain dates:	28/09/2018 - 01/08/2018
People participating:	Per school: 10 - 15 key students, 5-10 music students, 10-20 event day helpers. Total: 25-45 students per school. Total 10 schools: 250-450 students	People benefitting:	approx. 9000 students
Promotion:	<ul style="list-style-type: none"> - Promo videos were created from footage taken at this year's West Auckland school tours. These will be sent to schools to promote next year's tour. These can be viewed here: <ul style="list-style-type: none"> • Henderson-Massey Local Board - https://www.youtube.com/watch?v=EDS1CLMjZb8 • Whau Local Board - https://www.youtube.com/watch?v=OdtFQeqKYbw • Waitakere Ranges Local Board - https://www.youtube.com/watch?v=lvG2VY5BExM - The tour will be promoted on our website and Facebook page prior to and during the tour using the promo videos. - Banners which will be placed around the school on the day of the event. - Set up of the Event Box will begin at 7.30 am as students begin to arrive at school to pique their interest and build momentum for the lunchtime event. 		

Community benefits

Identified need:

The need for more youth-events was established in the Point Research feasibility study commissioned by Zeal in 2014. The main findings were:

- Young-people need somewhere to go and something to do in their local communities to express themselves creatively
- Young-people's interests are diverse and service providers need to cater to this
- Young-people desire central involvement in the establishment and running of any services
- Transport, safety and cost are the biggest barriers to participation

Through the West Auckland Event Box School Tour, Zeal will take its events to where young-people are, ensuring accessibility and offering young-people opportunities to be involved both as performers and event/programme managers.

Identified community outcomes:

Key community outcomes:

- To bring young people together to share fun celebration moments that build a positive school culture and environment
- To involve young people in the creative-arts, providing them with opportunities to showcase their talents
- To provide learning and training opportunities for young people in event management

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- fostering arts, culture and sport in the community

The West Auckland Event Box School Tour offers young people an opportunity to experience a range of creative arts through a lunchtime festival held at their school using the Zeal Event Box. These fun, memorable events foster community spirit within the school bringing students together, encouraging student involvement and helping to create a positive school environment. Young people are given the opportunity to showcase their talent as well as being actively involved in the planning, production and management of the event. It also enables Zeal to link students to the range of creative arts programmes at our West-Auckland Youth Facility.

Collaborating organisation/individual	Role
Freshmans Dance Crew	Dance crew performing at schools
10 x West Auckland Schools	Key staff and student volunteers

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - The events will be held in an outside area located within each high school. Each school fully caters for people with disabilities.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	This project is based in schools which are smoke free environments. Zeal fully promotes safe drug, alcohol and smoke free events and requires our performers, artists and staff to sign agreements to remain smoke free during each event. If supplied by Auckland Council, we would be happy to place banner flags promoting smoke free messages at each of the school events.

Te Whānau O Waipareira

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Waitangi@Waititi 2018

Location:	Hoane Waititi Marae		
Summary:	Waitangi@Waititi is a coming together of people to celebrate our founding day as a modern nation, to acknowledge how far we've come but also to recognise what is still left to achieve. Achievements that are not possible without a collective will that reflects Māori as tangata whenua, adheres to the principles of the Treaty and celebrates and is inclusive of the many diverse communities that now make up Aotearoa New Zealand. We are greater than the sum of our parts.		
Dates:	06/02/2018 - 06/02/2018	Rain dates:	-
People participating:	200	People benefitting:	20000
Promotion:	General advertising including Social Media, word of mouth		

Community benefits

Identified need:

This is the only public Waitangi Day celebration in West Auckland

Identified community outcomes:

We aim to promote Waitangi Day and the Treaty of Waitangi in a cultural, whānau friendly and community based environment that all ethnicities and local communities can enjoy, respect and nurture. We aim to minimise and reduce negative social and health impacts that affect the West Auckland community, promoting smoke, drug, violence and alcohol free whānau. We aim to encourage proactive participation and involvement by all stakeholders including local government, government bodies, private sector, local communities and NGOs. We aim to create and promote forms of inclusiveness that provide healthy interaction opportunities for the community which will increase better understanding of different cultures, customs, lifestyles, traditional knowledge and beliefs.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- fostering arts, culture and sport in the community

Waitangi@Waititi provides the opportunity for togetherness to commemorate an important day in NZ's history and exposure to Māori culture, as well as giving service providers the opportunity to engage with attendees and the community alike. Enables these organisations to provide critical support services to our community and achieve the objective; To minimize and reduce negative social and health impacts that affect the West Auckland community. Waitangi@Waititi 2017 remains a smokefree, alcohol & drug free, and violence free day for all which, as well as being in line with the above objective, makes for embracing a healthy lifestyle and fun day.

OKE Charity

Legal status:	Other: Charity	Activity focus:	Events, Sport and recreation
Conflicts of interest:	None identified		

Project: 2017 OKE Head2Head Walk

Location:	Oura Bay Beach Motor Camp, 294 Oura Bay Rd, RD4 Waiuku, Auckland 2684		
Summary:	The Head2Hed Walk has been going since 2012 and is now the official fundraiser for the OKE Charity. This is a unique event, circumnavigating the entire Manukau Harbour, all 125km! Teams are five people cover the 125km distance in the form of a relay, with each walker walking approximately 25km each. The event starts in Oura Bay at 8am Saturday morning and finishes in Huia around 9am Sunday morning.		
Dates:	11/11/2017 - 12/11/2017	Rain dates:	11/11/2017 - 12/11/2017
People delivering:	OKE has four people working on the project. We're also engaging Event Management students from AUT South Campus to support the running of the event.	People reached:	At least 150 people are directly involved in the event. Throughout the 125km route of the event, 1,000's will be aware of the walkers taking part.
Promotion:	Not stated We have enlisted the support of West Coast Creative who have provided a detailed Communications and Campaign Proposal. This grant application will help to fund this campaign.		

Community benefits

Identified need:

There is a real need for this event, in order to raise funds for the OKE Charity. Over the years, OKE has identified the need for school gardens is much greater than just knowing about fruit and vegetables. Through contact with schools, we have found there is a distinct lack of understanding of gardening and the many benefits it can provide. Teachers, as well as students, need educating. Then, of course, there is the actual OKE Head2Head Walk itself. This is a social and community focused event. The idea of the event is to bring communities all around the Manukau Harbour together and remind people that Auckland doesn't finish at Mt Wellington but stretches out the amazing Awhitu Peninsula.

Identified community outcomes:

The charity builds an amazing community spirit within the primary schools it works with. The school gardens build an amazing array of skills in the kids, which are sadly lacking; compassion, ownership, resilience, empowerment, etc. As mentioned above, this is a social and community focused event. The team behind the event engages with community groups all around the harbour and the ultimate goal will be for each leg of the walk to be managed by the communities they pass through. As well as raising funds for the OKE Charity, we want to showcase the Manukau Harbour, as it needs more attention and love.

Alignment with local board priorities:

Henderson-Massey

- events that foster community spirit
- enhancing and celebrating our natural environment

The OKE Head2Head Walk pulls in volunteers from all over Auckland to support the event. The last leg of the walk starts in Lynfield at 4.30am and finishes in Huia around 10am. The local communities along the route of the walk often support the walkers. For the majority of participants, this is the first time walking through this area and it showcases the magnificence of the Waitakere Ranges.

Collaborating organisation/individual	Role
AUT South Campus	Student Volunteer Support
Manukau Beautification Charitable Trust	Volunteers

Demographics

Māori outcomes:

- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)

Through the OKE education resource, we will be encouraging the development of Maori philosophy, Hauora, the health and well-being of kiwi kids. The gardens will also encourage the growth of local native plants and develop an understanding of traditional Maori foods and natural products.

Accessible to people with disabilities: No -

Target ethnic groups: All/everyone

Promoting SmokeFree: The OKE Head2Head Walk is a non-smoking event.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

#Squadgoals Softball Team

Legal status:	Other: Not for profit sports team	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Squadgoals Sin City Shootout

Location:	11th Annual Sin City Shootout Sports Festival, Las Vegas, Nevada USA. Hosted by GLASA (Greater Los Angeles Softball Association)		
Summary:	Sin City Shootout is the largest annual LGBT sporting event in the world. The tournament began in 2007 with the idea of creating the best LGBT softball tournament in the world. For 2018, it is anticipated there will be over 9,000 participants, for 25 sports, and 240 softball teams playing at over 12 softball complexes. Metro Squadgoals team are proud to be the first New Zealand team to be invited to attend.		
Dates:	11/01/2018 - 14/01/2018	Rain dates:	-
People participating:	Up to 16 team members and 1 loyal coach	People benefitting:	Up to 9000 internationally, locally through the LGBT and Softball communities
Promotion:	Social Media, in person, through our club, at events such as the two quiz nights already held for fundraising, via raffle tickets and chocolate sales.		

Community benefits

Identified need:

The LGBT sports movement is the new, emerging energy in the LGBT community. It presents unique opportunities to connect with health minded men and women outside of the traditional avenues of bars and pride events. Feedback from the organisers on including an international team has been overwhelming.

Identified community outcomes:

Inclusiveness and advancement at an international level. Continued publicity of Softball in New Zealand. Our NZ Men Black Sox have just won their 7th World title against Australia. Showing that women of all ages, backgrounds, family situations can get out there and perform in an international tournament

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- fostering arts, culture and sport in the community

We are softballers who live, play and promote within and outside the community. A majority of our team live in the Henderson-Massey area, with several being property owners / rate payers. Softball is more than just a sport, it's a family orientated team that promotes wellness, being active, fair play, volunteering and community input to achieve a fun result in a social setting. While primarily based in West/Central Auckland, we do play and promote across the greater Auckland, impacting many communities.

Collaborating organisation/individual	Role
Metro Softball Club	Club Backing, providing training grounds and uniforms

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - We do not exclude people with disabilities. We have always been an inclusive team so as long as there is a role in the team suited we accommodate all. At this stage we do not have any members with disabilities that we are aware of.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	To travel the distance for the tournament and for the physical preparation, we encourage all members to be smoke free. I myself stopped four years ago, as did my partner three years ago. Last year we had another team member quit, and we have three team members actively going through the process of stopping. Support and guidance is given to those wanting to make the change and many of the sports grounds we play at are now smokefree environments.

Ranui 135

Legal status:	Charitable Trust	Activity focus:	Sport and recreation
Conflicts of interest:	None identified Declaration of potential conflict of interest: Kelsi Cox is currently on our Board and employed by Auckland Council however she has not moved the motion nor seconded at our recent board meeting.		

Project: Sports and recreation

Location:	Willowpark Christian Sports Camp, Moire Park Touch Rugby fields (Massey)		
Summary:	Providing opportunities for young people to participate in positive recreational after school and evening activities. These activities will occupy young people for 14 weeks duration every Thursday for modules running through the Summer and over one weekend in December for a camp.		
Dates:	26/10/2017 - 28/02/2018	Rain dates:	-
People participating:	6	People benefitting:	55

Community benefits

Identified need:

We have spoken to potential new participants of this module who are keen to play. Young people from the local community. We are also aware of the need to engage young people in positive social environments after school and on the weekends from local information shared at the panel meetings which we hold monthly involving health, ministry of education, Ranui Neighbourhood Police (NZ Police) and from the local youth network of organisations working with youth in the Ranui area also aware of the need for young people to be involved in regular after school activities.

Identified community outcomes:

To provide positive social recreational activities for young people after school and in the evenings. For sports to be accessible to young people from the local area. Improve social connections with peers and role models.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

By creating real opportunities for young people to contribute and participate fully in the community they are part of. Opportunities to connect through arts, culture and sports activities we believe should be accessible to all young people. In particular, families who experience financial challenges in the costs for their young people to attend certain activities can often be the difference between attending the activity or not. Removing as many barriers to access so young people can build new friendships, contribute more fully and feel a sense of belonging and connection to their community is our aim.

Te Atatu Endeavour Sea Scouts

Legal status:	Other: Not for Profit Community Group	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Boat Transport & Storage

Location:	Boat Shed, Taipari Strand, end of Taikata Road, Te Atatu Peninsula		
Summary:	Sailing is a vital part of Sea Scouts and some of our much used equipment is due and overdue for maintenance. We preciously received a grant to help with the boats, but this application is for the boat trailers and a container to store them in. Our current boat shed is bursting at the seams and some of our boats are stored at various other locations, making it difficult to use them. So we desperately need a shipping container to increase our storage down at the boat shed so all our kit is in one spot and used during summer.		
Dates:	10/10/2017 - 20/12/2017	Rain dates:	-
People participating:	5	People benefitting:	80

Community benefits

Identified need:

Being part of our core scouting activity the above equipment has come due for maintenance. And the increased storage to sort a long need for housing all our boats at the boat shed. these have long been discussed at various meetings and committee meetings

Identified community outcomes:

The various age groups from Keas(6 – 8), Cubs(8 – 10), Scout(10 – 15) and Venturers(14-18) meet one night a week. Here they are taught various scouting skills and during the summer months take part in water based activities like kayaking sailing and water safety. Boating plays a large part in their development and this maintenance will help to keep this going.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- events that foster community spirit

Sea Scouts use the maritime environment to deliver a range of water based activities to provide a safe, fun, challenging and adventurous programme in which to develop important life skills. The Te Atatu endeavour sea scout group currently includes approximately 80 youth members. The group is led by volunteers. This Grant is to repair equipment currently out of use. Normally done by volunteers, but in this case needs specialist skills to repair and manufacture. The boat trailers have either been donated in a sad state or are due for maintenance due to age and use.

Demographics

Māori outcomes:	NA
Accessible to people with disabilities:	Yes - Due to the nature of outdoor activities, some disabilities restrict the abilities restrict their ability to participate, however this does not stop people with disabilities from joining and they are welcome.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	Being a children based organization smoking is not allowed. Adult helpers are discouraged from smoking at scout meetings.

Garis International Limited

Legal status:	Limited Liability Company	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Baby Swim lessons & Busses for schools to access heated pool

Location:	Te Atatu Peninsula Primary School - SWIMMING POOL		
Summary:	We have offered a free term of lessons to babies for over 14 months but are no longer able to fund this initiative. We have spent over \$66k to provide free swim lessons to community families. We wish to continue offering this initiative. In addition we currently pay for busses to transport local schools to the pool for swimming lessons as the schools cannot afford to pay in addition to the swim lessons. These school age children benefit greatly from water safe swimming lessons at a quality swim school. Without continued busses they will not receive this learning experience.		
Dates:	06/11/2017 - 16/07/2017	Rain dates:	-
People participating:	30	People benefitting:	1000
Promotion:	Website / social media / preschool visits / school emails and newsletter to all our existing clients.		

Community benefits

Identified need:

Baby lessons - Previous offered free baby lessons and spent over \$66k of our companies costs on this initiative. Busses - We have paid for busses for these schools in the past to assist in Water safety programs for primary & intermediate schools.

Identified community outcomes:

Water safety programme for students not normally able to attend classes. Both school age and babies getting access to swimming lessons which could save their life but most certainly increases their fitness level throughout their lives.

Alignment with local board priorities:

Henderson-Massey

- fostering arts, culture and sport in the community
- providing a fund for local community safety projects

Learn to swim lessons, embody safety and community fitness.

Financial information

Amount requested: \$23189.00

Requesting grant for: Pomaria Primary, Te Atatu Intermediate, St Mary's Primary busses to get school children to their swimming lessons.
Baby lessons are \$140 for 10 lessons we hope to support 150 babies into a free term of lessons.

If full amount requested is not able to be funded:

Busses for the school children as we know the schools won't pay for transport. Potentially some of the families who receive the free lessons would enrol their children if they were not given free lessons but we have no way of recording this.

Cost of participation: no cost of participation,
