

## Local Governance Group Work Programme 2016/2017

Support the Youth Connections Programme, collaborate with multiple sectors in the Local Governance Group (Māngere-Ōtāhuhu and Ōtara-Papatoetoe Local Boards) to track youth from secondary education through pathways to employment, with the aim for all Youth to be meaningfully engaged in education, employment or training and have clear and viable employment pathways.

Strategic Area of Focus	Initiative	Description	Outcome	Progress
<b>EXTENDING HORIZONS</b> Improving the Transition Journey from School to Employment	<b>HERO PROJECT:</b> [tracking support service]	A support service that creates visibility of a school leaver as they transition from education to employment, training or further education, supporting the young person to confidently enter the job market	South Auckland schools engaged in exchange of data and knowledge to inform education systems change  Insights gained to inform Youth Connections strategy and interventions  Lever for changing the career conversation, increasing employability training within the school system, and improving the youth transition journey into employment  REDUCES NEET	After considerable investigation into various digital programmes available, less resource intensive and more cost effective platforms were identified. A platform that is more than a tracking tool was required.  Learnings from the "Attitude Gap" led to investigating a platform that enabled working with business to co-design work readiness courses, enabling youth to become work and link to youth to available roles. YouthFull was launched.
	<b>Supporting Drivers Licence Programmes</b>	Supporting the local drivers licence initiatives	Enabling local youth to gain a drivers licence. A drivers Licence is an enabler to Youth Employment.	Over 450 local youth assisted with match-funding learners licences
