Auckland Plan Refresh	<p>The Auckland Plan acts as the common platform for getting agreement on and working towards Auckland's long-term future. Legislatively required, it must set a 20-30 year strategic direction for Auckland's growth and development, integrating social, economic, environmental and cultural objectives. The plan provides the ability to coordinate and align land use and infrastructure planning and provision to match the rapid growth in Auckland.</p> <p>The current Auckland Plan was adopted in 2012. The plan is now being refreshed, and will be clearer and more focused on the key issues.</p>	<ul style="list-style-type: none"> Integrated panel workshops on 26 April 2017 helped the panel build awareness of the Auckland Plan Refresh, process and timing. The panels offered additional feedback in May and provided advice on community groups. Staff organised community workshops in May/June with community organisation stakeholders recommended by the panel. The panel will advise on engagement channels and approach with the rainbow communities prior to the formal consultation in Feb/March 2018. The panel will consider a community forum as a way of supporting the formal consultation of the Auckland Plan Refresh. 	Q3	Q4	Q1	Q2
