

Memo

To: Victoria Villaraza, Relationship Manager Maungakiekie-Tamaki Local Board
From: Tracey Freeman, Democracy Advisor

Subject: Urgent decision request of the Maungakiekie-Tamaki Local Board

Purpose

1. The purpose of this urgent decision is to:
 - update the Maungakiekie-Tāmaki Local Board on the changes to the Auckland Transport Election Signs Bylaw; and
 - propose a nine week time restriction on public election sign sites.

Reason for the urgency

The reason for the urgency is to fit within the by-election timeframes, all decisions need to be received by the 16th November 2017, as the next business meeting of the board is on the 28 November this would be too late to provide feedback.

Decision sought from the chair and deputy chair (or any person acting in these roles)

The report seeks the board's views on the proposal to limit the time period for placement of public election sign sites in order to address maintenance issues and other complaints raised by the community around election time in relation to signage.

Background

All 21 local boards have been sent a report (see attached) updating them on the changes to the AT Election Signs bylaw and proposing a nine week time restriction on public election sign sites. Specific park sites (detailed in attachment A of the report) can be used for election signs for periods longer than nine weeks.

The staff recommendation is Option 2 which offers consistency around the region. . Further information regarding the four options for the boards consideration is contained in the report attached.
