Project: Arts and Artisans

Location:	Alberton, Mt Albert		
Summary:	Arts and Artisans will be a public event to showcase and experience Victorian era skills - from handcraft to culinary arts and garden/farm trades. After a morning of masterclass style workshops, the grounds of Alberton will be opened to the public, with skilled facilitators and volunteer groups leading workshops and hands-on demonstrations in metalwork, woodcraft, textile arts, food creation, garden arts and more. There will be opportunities to participate for all generations, levels and abilities, and the day will also feature period music, dance and games to complete the immersive atmosphere.		
Dates:	29/04/2018 - 29/04/2018	Rain dates:	-
People delivering:	Project Coordinator - 1 Alberton staff 2 Facilitators 10 Volunteers 10-20 (Most from Alberton)	People attending:	300-400

Community benefits

Identified community outcomes:

The day will provide a rich experience for the local community, with opportunities to explore hand processes in many mediums - and a chance to explore one of the many facets of Mt Albert's history in an accessible way. Local artisan craftspeople, musicians and volunteers will share their skills, increasing awareness of both their artforms and the knowledge available within our community. Participants will be able to take home small objects they have created as well as their newly acquired skills. In addition, it's a chance to meet other people from the area, and be entertained in the grounds of historic Alberton.

An excellent community outcome would be a high level of attendance by local population, good engagement with the artisans and a positive learning experience. Attendance numbers and participant engagement will be recorded on the day, and a feedback survey conducted. To capture the broadest possible response, the same survey will be sent out after the event through the Alberton mailing list and social media followers. With this feedback we hope to find new appreciation for the skilled artisans in our community, and a demonstrated enthusiasm and appetite for similar activity.

Alignment with local board priorities:

- innovative and exciting arts and events build our identity
- events

It gives the art of hand worked craft prominence in our community - allowing all generations an insight into the joy of process. This event is set in the perfect context of Alberton, a former working farm and founding property of Auckland. We will utilise this hidden gem on our doorstep as a setting to access the wealth of artisan knowledge in our community. Events such as these present our rich

heritage as a living tradition, with contemporary relevance and potential.

Collaborating organisation/individual	Role
Alberton	Staff/volunteer contribution, venue space
Local craft groups	Workshop facilitators and volunteer demonstrators
Local folk music groups	Scottish musicians, dancers
Caterers (independent)	Selling refreshments of the era

Project: Into the Underworld

Location:	TBC Venue in Albert-Eden Local Area		
Summary:	<p>“Into the Underworld” stems from 2 years of research and mapping 10 of Auckland’s suburban lava caves using state-of-the-art laser scanning machinery. Having collected this data, our team is looking to install a free public exhibition to disseminate our findings to local landowners and the wider Auckland public. The event would foster a better informed community as well as an enjoyable, immersive experience of this hidden landscape, made possible by the production and display of artistic and scientific plans, sections, animations, text, short films and 3D prints of some of the most prominent caves in the isthmus. The images will serve as the first archived drawings of these caves, establishing their unique heritage and identity within our broader landscape.</p>		
Dates:	01/02/2018 - 30/04/2018	Rain dates:	-
People delivering:	3 in post-production of exhibition, up to 10 for event hosting	People attending:	250-1000

Community benefits

Identified community outcomes:

Our primary objective is to foster a sense of awe and significance for a much neglected landscape, creating an opportunity for this unique environment to enter the public forum and consequently increase the likelihood of the long-term preservation of the lava caves underneath Auckland’s volcanic suburbs. Within this objective our outcomes also involve fostering relationships between landowners, local board members, council staff, iwi and speleologists, as well as raising awareness of the awkward relationship of the sites with the built environment on the surface. We hope the exhibition will imbue the community with a segment of curiosity and the beginnings of a meaningful sense of identity with the sublime underbelly of our volcanic city.

In terms of outreach and exposure, one of the simplest key indicators for the success of the exhibition will be attendee figures. As a forum for various parties to convene over future preservation and access, the exhibition will also host the likes of workshops, talks, meet + greets and film screenings throughout the first week. Such opportunities will provide for meaningful stories to be shared and new connections to be fostered. Further knowledge and information gathered about the sites because of the exhibition, as well as positive media attention, will serve as other key indicators of success. The potential sale of artwork to recuperate individual costs may add measure to the financial success of the event.

Alignment with local board priorities:

- innovative and exciting arts and events build our identity
- events

Our project will target the community surrounding three major lava caves that fall under the Albert-

Eden board: the cave under Hebron Christian College, the cave under Shackleton Road, and the cave under 81 Mount Royal Avenue. While the community is aware of the presence of lava caves in their area, there is no public open access to the sites. 81 Mount Royal Avenue for example, is rich with both Maori and colonial history, but can only be accessed through a private street-front garage. Our project amalgamates these sites with richly presented material and provides an opportunity build a shared identity.

Collaborating organisation/individual	Role
Albert-Eden Cave Landowners	Knowledge of caves' history; access to caves for further photography/material or tours
Peter Crossley	Presentation of caves on opening night; walking tour of exhibition and gallery supervision; knowledge of caves history for accompanying texts

Action Education

Legal status:	Incorporated Society	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: Express yourself (Central) - Engaging young people in creative youth development

Location:	Dilworth School, Diocesan School for Girls, Epsom Girls College, Marist College, Mt Albert Grammar School and St Cuthberts College		
Summary:	Action Education is requesting a contribution towards the cost of spoken word performances and follow up workshops in Dilworth School, Diocesan School for Girls, Epsom Girls College, Marist College, Mt Albert Grammar School and St Cuthberts College. We already have existing relationships with all the schools above but we would like to strengthen and grow our existing relationships with these schools by being able to offer these free services to their young people.		
Dates:	29/01/2018 - 31/03/2018	Rain dates:	-
People delivering:	5	People attending:	1500

Community benefits

Identified community outcomes:

Our programmes develop young people providing them with training focusing on personal development, teamwork, leadership and communication skills. We use creative and action-based methods (spoken word, drama, music and poetry) to engage young people in youth development processes that improve self-confidence, resiliency and social behaviour. Although they are fun and creative programmes, there is another layer to them which effectively help young people to examine their behaviours, attitudes and thinking - all critical parts of personal development.

Evaluation processes are essential so that we continue to reflect on and develop our ability to be with young people and the community effectively. All services provided by Action

Education have evaluation processes in place, which are then analysed and reviewed on a regular basis, this ensures best practice and enables our programmes to be more effective

We ask all participants to comment on their experience of being involved in an Action Education session, on Group Evaluation forms. The information is processed in order to give a qualitative overview of their experience and the effectiveness of our work. We have advanced this evaluative process further by instigating a rating system that allows a quantitative perspective and comparison between group programmes.

Alignment with local board priorities:

- young people have a place and a voice
- innovative and exciting arts and events build our identity

We use creative and action-based methods (spoken word, drama, music and poetry) to engage young people in youth development processes that improve self-confidence, resiliency and social behaviour. Our programmes aim to encourage discussions, review attitudes, and provide information so that isolation is reduced, personal skills are enhanced, and a greater

level of wellness is attained. Our methods resonate strongly with youth, particularly those who are struggling to identify with more traditional ways of learning - giving them a voice.

Collaborating organisation/individual	Role
South Auckland Poet Society	Performance poets/ Youth workers and facilitators - Term 1 is our busiest period of the year. We can use this group to assist Action Ed if our full time staff are not available

Demographics

- Maori outcomes:**
- Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)
- Action Education have Maori staff who will be directly involved with the project. We also use Te Whare Tapa Wha model within our work. All of our staff are trained in Te Tiriti O Waitangi. Maori young people are a key target group for our programmes.
- Target ethnic groups:** All/everyone
- Promoting SmokeFree:** Our staff members do not smoke and we work in smoke free environments. We also have a smoke free policy and can offer support to any young people that are wanting to quit smoking

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
-	-	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
-	30%	70%	-	-	-	-

Financial information

Amount requested: \$2,000.00

Requesting grant for: We are requesting the cost of covering spoken word workshops and performances. See attachment.

Once we have confirmed the funding amount - we can confirm performances - then we will know how many free workshops we are able to offer to each school that wishes to continue engagement with Action Ed.

The workshops and performances will be coordinated by Ramon Narayan our Action Ed manager. Either our full time staff will lead the workshops or we will use poets from South Auckland Poets Collective - we have included a quote from them.

If full amount requested is not able to be funded:

We would prefer funding the cost of at least one performance per school and one additional follow up workshop per school

Cost of participation: 0

Sogetsu Teachers Association Auckland Branch

Legal status:	Other: cultural art association	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: Sogetsu Teachers Association Auckland Branch 50th Anniversary Celebrations

Location:	Demonstration and Exhibition held at Raye Freedman Arts Centre at the corner of Gillies Ave and Silvia Rd, Epsom and Workshops held at Jubilee Hall , Parnell Community Centre, 545 Parnell Rd., Parnell, Auckland.		
Summary:	Mr Ken Katayama, a master instructor of our Sogetsu School Headquarter in Tokyo is invited to hold a demonstration to the public on Ikebana, Japanese traditional flower arrangement. He also runs four workshops for all our teacher members and their students of Auckland, of branches from other areas in New Zealand and Australia. An Ikebana exhibition is held to promote the floral art to the public as well. All these are parts of our 50th Anniversary Celebrations which end up with a celebration dinner.		
Dates:	25/08/2018 - 29/08/2018	Rain dates:	-
People delivering:	About seven to ten people	People attending:	For exhibition and demonstration, about 200. For workshops, about 40.

Community benefits

Identified community outcomes:

From our exhibition and demonstration, the audience is expected to know about Ikebana (Japanese traditional flower arrangement), her beauty and philosophy that enrich our daily life. From our four workshops, it is expected that the participants have better understanding on the skills used in the art. This is very useful to extend the knowledge from the teachers to the students and keeps the art in the right circumference. Moreover, it is our main initiative to bring the community attention to our association, even after 50 years of our establishment, that we are always ready to teach and pass on the knowledge of Ikebana to the public.

We can carry a simple survey on the feedback of the participants who come to our events. In the questionnaire, we can ask if they know more about our association, the art of Sogetsu Ikebana and the ways they can learn Sogetsu Ikebana in the local areas after attending the events of our celebrations.

Alignment with local board priorities:

- our diverse communities can participate fully in the future of our area
- innovative and exciting arts and events build our identity

Ikebana is an art that welcomes all kinds of communities that enjoy the beauty of the nature and creativity of their own minds. Through our association, we can promote and provide the opportunities for them to know and to do Ikebana.

Conflicts of interest:	None identified assessed once in 2015 and 2016 for the Creative Communities Scheme funding applications- I am Auckland Multicultural Society Inc. Volunteer Event-Coordinator.		

Project: Multicultural Expo 2018

Location:	Mt Eden War Memorial Hall - 489 Dominion Rd., Mt. Eden, Auckland		
Summary:	The 10th Multicultural Expo 2018. A five hours of vibrant music, dances from around the world with colourful costumes. Information stalls about activities and events of ethnic groups in Auckland.		
Dates:	05/08/2018 - 05/08/2018	Rain dates:	-
People delivering:	20 performance groups, 15 information Stalls , 7 AMS volunteers = 186	People attending:	180 plus audience = 400 people

Community benefits

Identified community outcomes:

To achieve the Auckland Multicultural Society Mission Statement "Each culture unites through understanding to strengthen New Zealand society" The 10th Multicultural Expo 2018 will bring together ethnic communities to build intercultural relationships and enhance knowledge of ethnic diversity for the audience, stalls holders and the performing groups.

We will measure the event by a survey / feed back from performances, stall holders and audience. Every year this event attracted more stall holders, performances groups and audience.

Alignment with local board priorities:

- our diverse communities can participate fully in the future of our area
- events

Information is a key to network with different ethnic communities, learn from each-other and find ways to work in a collaborative events to share our cultures through dance, music, information and food.

Project: New Zealand Shu Huai Group

Location:	One Tree Hill		
Summary:	<p>Shu Huai is like Gong Fu with dance style. It's developed in 1989 by Mr. Zhu, JunChang, a famous Chinese dancer, and getting popular in China.</p> <p>Shu Huai combines sword, dance and music into a performance. The performance is elegant and beautiful, and good for fitness. Shu Huai can perform on stage, in public event, in parks or even in home yards. But a performer needs to be coached with skills of sword and dance.</p> <p>New Zealand Shu Huai Group started to practice since 2009. Mrs. You, YuXia is a founder and was coached by Mr. Zhu, JunChang for 3 years. Now the group has over 30 members, and is mainly practicing in One Tree Hill and Three Kings area.</p>		
Dates:	01/01/2018 - 31/03/2018	Rain dates:	-
People delivering:	10	People attending:	100 to 5000

Community benefits

Identified community outcomes:

1. Attract local community people form all the age to exercise and having fun together.
 2. Enrich local community and school multi culture events
 3. Entertainment and culture exchange
- The performances are getting more and more popular and we have been invited to lot of events.

Alignment with local board priorities:

- more opportunities for more people to enjoy our parks and reserves
- our people feel safe and participate in their communities

One Tree hill is a beautiful place, we hope more and more people can come and enjoy the park, also we would like our performances can bring more joyful time for the community.

Epsom Community Creche Incorporated

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Messy Play Community Event

Location:	Epsom Community Creche		
Summary:	The Messy Play Event will bring together young children in the community to explore 'messy play' (also known as sensory play) in a safe and nurturing family environment. Messy play has become popular in recent years as numerous studies have shown that clear benefits are achieved by young children learning through this style of active play. We also hope to build family support networks during this event by allowing families and whanau to meet and socialise with other families with young children.		
Dates:	10/03/2018 - 10/03/2018	Rain dates:	-
People delivering:	8	People attending:	150+ families

Community benefits

Identified community outcomes:

Mainly aimed at pre-school or early school aged children, this event will expose children to messy play by offering a range of recreational experiences. Messy (or sensory play) helps connect neural pathways to aid brain development in early childhood. It allows children to experiment with their hands, fingers, feet and bodies and provides greater opportunities for vocabulary development.

We would like this event to bring families together within the community in a fun, engaging and inclusive way.

We intend to raise awareness of our small community creche and the community center.

We also wish to connect local families by creating opportunities for supportive networks which allow families to meet and support each other.

We expect to have significant interest in this event as messy play is becoming a popular activity for young children. We expect to have 150+ families attend our messy play event. We intend to collect contact details of those families wishing to subscribe to further information on the creche and/or wishing to be part of a local community Facebook group connecting families who have young children. We also intend to capture photo's during the event to show families engaging in messy play and having lots of fun!

Alignment with local board priorities:

- young people have a place and a voice
- our people feel safe and participate in their communities

This event targets the younger demographic and will be a safe nurturing environment for all children to explore sensory play. For some children, this will be the first time they have had opportunity for this type of activity.

This fun event will be child centric, allowing them and their families to explore messy play. We would like this event to be free if possible (if sufficient funding is provided by this grant). We wish to celebrate our young children by providing them with new opportunities for learning and building support networks for parents in our local community.

Collaborating organisation/individual	Role
Epsom Community Centre	Currently discussing the possibility of hosting a children's market in the nearby grounds to coincide with the Messy Play event. This will generate substantial additional interest should this market day go ahead.

Demographics

Maori outcomes: None identified

Target ethnic groups: All/everyone

Promoting SmokeFree: We will have signage that this event is smoke-free and that smoking is prohibited on site. We also intend to promote that the messy play event will be smoke-free on our marketing material.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
-	-	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
-	-	-	-	-	-	100%

Financial information

Amount requested: \$3,000.00

Requesting grant for: We are seeking funding for equipment and materials to support the activities that will be offered during the event. Although the creche has some of the equipment needed already, there are a few additional items needed. Due to the nature of the event, consumables/materials are needed for the messy play. This includes such items as flour, oil, detergent etc.

If full amount requested is not able to be funded:

The creche would accept any financial assistance from this grant as we would like to deliver this event to the community for as little cost to the participants as possible.

Cost of participation: We are looking to provide this event for free, but this will depend on how much funding we are able to receive from this grant. If sufficient funding is not provided then we will have entry by gold coin donation. We would like this event to be accessible to as many families as possible.

No.3 (Auckland City) Squadron, Air Training Corps

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Yearly Rent for the Photocopier

Location:	Ventura Block, Building 47, Gate 3, Farm Road, Unitec Campus, Carrington Road		
Summary:	Every Wednesday when the unit parade, the cadets undertake classroom lessons in a range of topics. In order to conduct these classroom lessons, there is a considerable amount of printing required. The unit rents a printer as this is more cost-effective and reliable for the amount of printing required.		
Dates:	22/01/2018 - 10/12/2018	Rain dates:	-
People delivering:	78+	People attending:	78+

Community benefits

Identified community outcomes:

The Air Training Corps is a nationwide organisation for 13 to 18 years olds. There is a curriculum followed for the weekly lessons for each Flight (year) on topics as wide ranging as aviation, bushcraft, first aid, dine-in etiquette, the New Zealand Defence Force and leadership. The lessons enable the cadets to get more out of the experiences offered.

For example, in the case of bushcraft, the lessons precede their first two-night camp (in tents in late autumn) and are essential for their safety. Prior to this they are taught about equipment, food and clothing to take into the great outdoors and why.

The lessons and activities develop the cadets' knowledge, confidence, leadership skills and sense of service.

It is difficult to measure these outcomes, as the cadets are not surveyed about their response to the lessons, although feedback is welcomed.

The general impression is that the cadets have appreciated the opportunity for personal development. Many siblings of members subsequently join the Squadron, which suggests that the older siblings have benefitted from it.

Alignment with local board priorities:

- young people have a place and a voice
-

3Squadron ATC is an organisation for young New Zealanders aged between 13 and 18 which provides the cadets with a wide range of experiences and activities. These include bushcraft, aviation, first aid and leadership.

These experiences develop the cadets' confidence.

Collaborating organisation/individual	Role
Nil	

Demographics

Maori outcomes: None identified

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, All/everyone

Promoting SmokeFree: As the cadets are all under 18, they are not allowed, nor encouraged to smoke. Any adults, parents or officers are not allowed to smoke on the parade ground or units buildings.

No. 19 (Auckland) Squadron - Branch of the Air Training Corps Association of NZ

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Operation: DPM18

Location:	Ventura Block, Carrington Road, Mt Albert, Auckland -- Goldies Bush, Muriwai		
Summary:	<p>To develop confident, responsible young citizens who are valued within their community by providing them, within a military framework, safe, enjoyable and challenging opportunities.</p> <p>We deliver weekly evening classroom-based training to youth 13-18 during the school term in 2017. Training includes leadership, teamwork, drill, bush-craft, navigation, radio use, communication skills, marksmanship, first aid, NZDF knowledge, instructional technique, guiding and mentoring younger Cadets.</p> <p>We enhance classroom training with practical activities in the weekends including camping, tramping, abseiling, orienteering, target shooting, leadership development courses. Our core values that frame all that we do are Courage, Commitment, Comradeship, Integrity.</p>		
Dates:	19/01/2018 - 28/01/2018	Rain dates:	-
People delivering:	25	People attending:	60-80

Community benefits

Identified community outcomes:

By keeping our junior and senior leaders well trained and up to date with current New Zealand Cadet Force policy we aim to be more effective and efficient with our forward operations. Through having more capable personnel we will be able to undertake more ambitious tasks and activities.

At the start of the year we outline what activities we want to undertake, and at the end of the year we review our intentions and compare it with the reality. The measure of success will be at least a 95% success rate for our activity intentions.

Alignment with local board priorities:

- our people feel safe and participate in their communities
- young people have a place and a voice

19 Squadron is a voluntary youth training organisation for 13-18 year old. Our youth leadership training weekend aims to develop public speaking, self-confidence, organisational, communication, teamwork and leadership skills in our senior cadets. We develop leadership skills within the unit, in order to pair trained 16-18 year old with a small squad of 4-6 junior cadets (13-15 year old) with a guiding and mentoring leadership role.

Collaborating organisation/individual	Role

Project: Annual Harvest Festival Celebration

Location:	Mt Eden War Memorial Hall		
Summary:	Harvest Festival is celebrated in the month January each year. This is equivalent to Thanks Giving to weather. Celebration includes various cultural events i.e Dance, songs and children speech competition. This is to make awareness among the children and youth.		
Dates:	15/01/2018 - 31/01/2018	Rain dates:	-
People delivering:	75-100	People attending:	300

Community benefits

Identified community outcomes:

- Provide opportunity for children and youth to participate in the cultural programmes
- Promote the cultural diversity among the community.
- Promote and uphold the significance of this annual event
- Opportunity to network among the new immigrants from the community
- No of participants and community involvement in the project

Alignment with local board priorities:

- our people feel safe and participate in their communities
- young people have a place and a voice

The project provide a networking opportunity for new immigrants
It also gives opportunity to youth to exchange their ideas

Citizens Advice Bureau Auckland City Inc (CABAC)

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Client Privacy Project

Location:	82 St Lukes Rd, Mt Albert, Auckland 1025		
Summary:	To replace the damaged blinds in the two primary interview rooms at CAB Eden-Albert at St Luke's with frosted window film. We have asked the property manager to do this but they will not. This will ensure better privacy for clients using the bureau as the current blinds allow the public to look through and identify people in the rooms.		
Dates:	15/01/2018 - 31/01/2018	Rain dates:	-
People delivering:	4	People attending:	13200

Community benefits

Identified community outcomes:

The replacement of the old damaged blinds with frosted film will improve the confidentiality of the service so that clients cannot be viewed by the public whilst making enquiries at the bureau. It will also be a more durable solution as the blinds have become damaged over the years.

By ensuring that clients are not identifiable through the frosted glass.

Alignment with local board priorities:

- projects that involve community volunteers
- our people feel safe and participate in their communities

CAB is Auckland's largest social service and is delivered by local volunteers to their local community. It provides a community focus and a unique opportunity for community members to participate and contribute to their communities. By making the service more confidential we hope to increase its uptake amongst local people.

Project: The Entrepreneurial Mindset Programme

Location:	Hoani Waititi Wharekura		
Summary:	The project consists of the development of mindset for young people aged 12-13 with an event at the end to showcase their skills and social enterprise expertise. Enterprise innovation workshops will be facilitated in a Kaupapa Māori way, with key concepts of business implemented to develop a product and/or service. This product and/or service will be showcased and judged based on key criteria by entrepreneurial experts.		
Dates:	29/01/2018 - 27/04/2018	Rain dates:	-
People delivering:	2	People attending:	100

Community benefits

Identified community outcomes:

A community led project for the development of young minds with mentors, facilitators and expertise to increase innovative entrepreneurship opportunities to give back, uplift and encourage the local community

Outcomes will be measured:

- through summative assessment in the form of feedback from participants, mentors and facilitators.
- through the development and completion of innovative enterprise concepts and activities through the community enterprise event and judging criteria
- through participation, development and connections of young people to entrepreneurs, business practices and connections with the community

Alignment with local board priorities:

- our people feel safe and participate in their communities
- young people have a place and a voice

Our project aims to develop the entrepreneurial mindset of young people in order to grow innovative enterprise practices and to share these skills, experiences and products/services with the wider community. Using social enterprise skills and opportunities the project builds youth capability to ensure a strong community spirit and to enhance community and economic opportunities.

Demographics

Maori outcomes:

- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)

All of the Māori outcomes above apply to this project. I am a Māori individual applying through a Māori organisation, all facilitators and mentors speak Te Reo Māori, the programme has been designed by Māori, for Māori, all participants are Māori and will be engaged from a Māori kura, the focus is on Māori tikanga models of entrepreneurial mindset and matauranga. All facil

Target ethnic groups: New Zealand European, Māori, Pacific Peoples

Promoting SmokeFree: Hauora (health and wellbeing) is intertwined within the concepts of aroha, manaakitanga, kaha, mana and toa. Being smoke-free, drug-free and alcohol free are fundamental to the wellbeing of our community and the notion of 'toa' demands that these things are upheld. It will be highlighted and emphasised throughout the project that these expectations, including being smoke-free, is the best thing for themselves, their whānau and their communities

Bharatiya Mandir (Indian Temple) Inc.

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Bharatiya Mandir Community Garden

Location:	3 Arabi Street, Balmoral		
Summary:	Bharatiya Mandir is committed to becoming a model temple and community place showcasing sustainability and zero waste. The Temple owned properties surrounding the temple (including land behind the Presbyterian Church and hall) is to be transformed into an organic edible landscape for education and community purposes. Auckland Council and Gardens 4 Health have been assisting in the establishment of garden beds and composting systems. Funding is required to build up the infrastructure of the garden to make it a flourishing community project.		
Dates:	01/01/2018 - 31/05/2018	Rain dates:	-
People delivering:	6	People attending:	50 - 100

Community benefits

Identified community outcomes:

1. Local people learning about edible gardening, household zero waste, composting in a local space, taking their learnings back to their own households.
2. The temple property is used by the wider community - not just the Hindu community, many of whom don't live in the immediate vicinity. This provide cross-cultural benefits.
3. People without space for gardening have a place they can come to.
4. Local waste converted to local resource - locals can bring their scraps, lawn clippings etc to compost onsite.
1. Locals from the surrounding community attending working bees, workshops or simply turning up to the garden to help out.
2. The garden will start to grow beyond it's current footprint as more people get involved - at the moment it has started in one backyard but there is plenty more space to convert to gardens.
3. Increase in compost made.
4. The community starts using the vegetables grown in the garden

Alignment with local board priorities:

- community garden initiatives
- our community lives in more sustainable ways and reduces its environmental impact

It is a community garden. And we want it to be a model of sustainable living for the community.

Collaborating organisation/individual	Role
Gardens 4 Health	Advisory
Neighbours in the immediate vicinity	Working with the land

Demographics

Maori outcomes: None identified

Target ethnic groups: All/everyone

Promoting SmokeFree: The temple is a smoke-free, meat-free, alcohol-free venue. The garden, being on Temple land, upholds these principles.

Kāhui Tū Kaha Ltd

Legal status:	Charitable Trust, Limited Liability Company	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Tūruapō Tumeke! Living the Vision Project

Location:	Ferndale House, 830 Mt Albert Road, Auckland		
Summary:	Albert-Eden is identified as a culturally rich and diverse community where there need for people who are isolated through their situations, to have access to programmes that promote health, wellbeing, social connection and community confidence. The population includes Maori, Pacifica peoples, Asian, migrants and refugees, and the intended programme for adults 18-65 years, will strengthen personal and cultural identity, celebrate diversity, assist in developing community networks and bring about lifestyle confidence. A range of innovative approaches through creative and digital media will be utilised resulting in artworks as a by-product, which can be exhibited and inspire others. Ferndale house is the chosen venue because it offers both historical context and a nature-rich park area, conducive to Te Whare Tapa Wha.		
Dates:	15/01/2018 - 14/12/2018	Rain dates:	-
People delivering:	Four	People attending:	30

Community benefits

Identified community outcomes:

People who are currently isolated within Albert-Eden community through mental health symptoms and/or cultural marginalisation will become a part of a community connecting project where their own personal and cultural identity will be strengthened and celebrated; and a range of different cultures will be better understood and appreciated. This will build a greater sense of cultural-safety and social acceptance, and innovative creative learning approaches will be utilised to develop local community knowledge and confidence. The group will be better able to connect with others in their community on a day-to-day basis, and will provide a community event which will enrich and inspire others from the community.

People who are currently disengaged from the community through mental health and cultural marginalisation will join and maintain attendance in the project because of the positive benefits through social connection, wellbeing and skill developments.

Participants will have knowledge and confidence in using local resources that can assist in achieving personal goals and lifestyle aspirations bringing about greater personal fulfillment.

The project will culminate in a community event hosted by the group which will celebrate cultural diversity, showcase creative presentations, and contribute to the richness of Albert-Eden community.

- Quantitative data for the above will be collated
- Feedback gained from participants and stakeholders
- Kupenga Ora Evaluation form

Alignment with local board priorities:

- Our people feel safe and participate in their communities
- Innovative and exciting arts initiatives that build our identity

People who we serve in the community are isolated and anxious through mental health symptoms and cultural alienation, and our programme effectively addresses this. The programme will enable people to strengthen their own personal and cultural identity through the arts and contribute to the building of the collective Albert-Eden identity.

Collaborating organisation/individual	Role
Kāhui Tū Kaha Migrant and Refugee specialist team	referrals, knowledge, networking and support
Kāhui Tū Kaha Maori Support hours team	referrals, knowledge, networking and support

Demographics

Maori outcomes:

- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).

Kāhui Tū Kaha is a Ngati Whatua organisation who work with a Maori kaupapa in all of our day-to-day activities. The team members are all of Maori and Pacifica backgrounds. Maori form a key part of our target group within Albert-Eden community. All of our programmes are provided within the framework of Te Whare Tapa Wha - involving the four taha of wairua, hinengaro, tinana and whanau (spirituality, mind and emotions, physical health, and family and social networks)

Target ethnic groups: All/everyone

Promoting SmokeFree: Our team are all certificated in smoking cessation and our organisation require us to actively promote opportunities to gain support in quit-line initiatives each three months with each person involved in our programmes. The project leader is a certified quit-line

provider for prescription of nicotine replacement products. In our focus on the four taha of Te Whare Tapa Wha, the role of smoking in disease and the benefits of being smokefree will be discussed; alongside of proactive approaches to health and fitness. Our existing

programmes promote healthy lifestyle including smoking cessation, such as "Walk with Maori Korero (or draw)" and "Oranga - Health & Wellbeing". Healthy smoke-free city environments will also be included as a topic in the project.

Mt Albert Toy Library

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Operation Going Digital

Location:	732 New North Road, Mt Albert 1025 Auckland		
Summary:	To bring Mt Albert Toy Library into the digital age so we can serve our members more effectively, efficiently and accurately. We are currently on paper based system which is slow, cumbersome and error prone. We are hoping by going digital, we are able to improve the quality of our service to our members and look at growing our membership base which is currently unrealistic due to our paper based system.		
Dates:	08/01/2018 - 13/04/2018	Rain dates:	-
People delivering:	3	People attending:	320

Community benefits

Identified community outcomes:

We are confident by going digital, we will be able to provide our members with young children in our community with a more positive experience as the new system will help us cut down the handling time (which means cutting down the long waiting time in our library), reducing error and we can also reduce administrative work as sometimes members misplace our storage bags which include the contents list of toys they have hired and this is often the only detail we have so we go online to look for photos of the toys to match against what has been returned which is not always accurate as sometimes some of the toy pieces may have been damaged or lost.

Reduce wait time

Increase accuracy

A more positive experience for all

Alignment with local board priorities:

- our community lives in more sustainable ways and reduces its environmental impact
- our diverse communities can participate fully in the future of our area

Mt Albert Toy Library, a non-profit organisation aims to provide a wide range of educational toys and puzzles designed to aid the mental, physical and social development of preschoolers. We give families access to hundreds of good quality toys and helps the environment by borrowing rather than purchasing reducing waste. Families can borrow toys to match their child's age and ability, stage of development in children. The library is also a meeting place for parents to connect and feel they belong to something in their community and is an important part of our community for over 20 years.

Collaborating organisation/individual	Role
Students	Taking photos and itemise each toy

Volunteers	Uploading all of members info online

Youthline Auckland Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Supporting young people into employment - Auckland Central Series

Location:	13 Maidstone Street, Grey Lynn Auckland 1021 (Youthline House)		
Summary:	<p>Many of the young people we work with are struggling to find employment. In the Albert Eden Local Board area there are over 1,200 young people who are not in employment, education or training. Youthline has developed a workshop programme for young people to prepare them for the workplace. It is targeted at young people who are struggling to find employment. We will deliver 6 workshops in the Auckland Central area: 2 Driver Licence Training, 2 Employment Skills and 2 Barista Training workshops.</p> <p>We know through experience that acquiring these skill sets will greatly improve the chances of young people finding work.</p>		
Dates:	01/02/2018 - 30/06/2018	Rain dates:	-
People delivering:	8 youthworkers	People attending:	72 young people

Community benefits

Identified community outcomes:

Many of the young people we work with are struggling to find employment. These workshops will equip them to be in a better position to find jobs.

We know through experience that acquiring these skill sets will greatly improve the chances of finding work. At the very least they will know how to apply for jobs, be able to get to the interview and gain (temporary) employment in the hospitality industry.

Specifically they will acquire:

1. Employment Skills including an up-to-date CV and interview training
2. Driver Licence Training Skills including practising the theory test
3. Barista Skills including learning the skills of coffee making/being a barista

This will be of huge benefit to the individuals and the community generally.

Young people's knowledge will be assessed at the beginning and the end of the workshops. We will use evaluation forms. Evaluation processes are essential so that we continue to reflect on and develop our ability to be with young people and their families effectively. All services provided by Youthline have evaluation processes in place.

Through evaluation processes Youthline measure both qualitative and quantitative data which includes the following:

- The things that worked well in the seminar,
- The things that didn't work so well (feeding back into lessons learned),
- Participant Overall Ratings of the Seminar,
- Participant Ratings of Aspects of the Seminar,
- Demographics: Age, ethnicity, gender and participant area

Alignment with local board priorities:

- young people have a place and a voice
-

The programme is designed around a strengths based approach consistent with the Youth Development Strategy Aotearoa and Youthline's Youth Development Approach. It will support community initiatives that benefit young people and their families to achieve financial stability and new opportunities for young people to engage in employment.

Our programme aims to improve the chances of young people finding work. At the very least they will know how to apply for jobs, be able to get to the interview and gain (temporary) employment in the hospitality industry and we will have contributed to "Young people have a place and a voice".

Collaborating organisation/individual	Role
Nil	

Demographics

Maori outcomes: None identified

Target ethnic groups: All/everyone

Promoting SmokeFree: Youthline supports the Auckland Council's Smokefree Policy and its commitment to working proactively with others towards making Auckland smokefree by 2025. At each workshop we will acknowledge the support of the Auckland Council Hibiscus and Bays Local Board and add "Youthline supports the Auckland Council SmokeFree policy and encourages anyone who would like to quit to contact Quitline. You can call them on 0800 778 778, or sign up at <https://quit.org.nz/en/register> "

Deaf Wellbeing Society Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Deaf Wellbeing Arts and Craft Coordinator

Location:	Melville Cricket Pavilion, Gillies Ave, Epsom		
Summary:	A community centre for the Deaf, where art and craft projects are taught using volunteer art teachers and using volunteer New Zealand Sign Language interpreters. Giving the Deaf community the access to arts and crafts that they may not have had the opportunity to experience due to language barriers and teaching them in a Deaf friendly environment.		
Dates:	15/01/2018 - 27/12/2018	Rain dates:	-
People delivering:	10	People attending:	150

Community benefits

Identified community outcomes:

By providing a Deaf friendly art and craft class we will be able to allow the Auckland Deaf community to experience and express themselves artistically. Give them the opportunity to try something new that language barriers may have prevented them from trying. Our Deaf people will feel safe being in a Deaf environment and will be able to participate in their community group fully. Young Deaf people will have the opportunity to be teachers of certain art class themes and to see Deaf role models in action.

When we started the Deaf Wellbeing Cooking Club 5 years ago we started with 10 Deaf attendees. Last week at our 5th anniversary we had over 45 people attend with hundreds now following us on face book.

The art and craft classes success will be measured by attendee numbers and quarterly surveys (we do this with the cooking club).

This means that the attendees have an opportunity to voice their views.

Many Deaf Auckland have been asking for this art and craft class in NZSL for a while. We see a need for this in the community.

Alignment with local board priorities:

- projects that involve community volunteers
- innovative and exciting arts and events build our identity

Our Deaf Wellbeing Centre will create opportunities for the Deaf to experience new forms of arts and crafts. Allow them to express themselves through art. Our art teachers come from a wide range of ethnic backgrounds and are volunteers. Our NZSL interpreters are year 2 and 3 AUT volunteer students that require real life experience.

Collaborating organisation/individual	Role
AUT New Zealand Sign Language Interpreters	providing volunteer interpreters

Volunteering Auckland	advertises our teaching roles on their website
Geneva Elevator	send clients to attend the classes
Emerge Aotearoa	send clients to attend the classes

Demographics

Maori outcomes:

- Māori involvement in the design/concept

Some of our volunteer teachers are Maori. This is important as it provides a role model for Deaf Maori youth. Some of the craft classes will have a Maori theme. Eg, Harakeke weaving and Toi whakairo with soap.

Target ethnic groups: All/everyone

Promoting SmokeFree: We will print the smoke free logo on our flyers and face book posts and created events.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

Financial information

Amount requested: \$3,691.00

Requesting grant for: We have funding from Maungakiekie- Tamaki local board for venue hire until 01/06/18. We request funding to hire Melville Cricket Pavilion (3 times a month) for the period of 01/06/18 to 27/12/18. A total of 30 weeks or 21 days hire. We request funding towards a coordinator for the art and craft lessons. Ideally we would like to employ a Deaf coordinator for 8 hours a week but are requesting 2 hours per week from Albert-Eden. (the rest we will apply for from other local boards)

If full amount requested is not able to be funded:

Employing a disabled person to help other disabled people is a positive situation. It does not only help the disabled individual earn a living through independence, but it encourages all other disabled people by providing a role model and leader. If we could only get partial funding it would be most beneficial to be put towards a salary.

Cost of participation: Entry to the class will be \$5 this is to cover morning tea.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$18,793.06	\$125.00	\$14,102.66	\$875.00

Dance Therapy NZ

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: STARS Dance Movement Therapy for Children and Teenagers with Disabilities

Location:	YMCA Mt Albert Community Centre 773 New North Road, Mt Albert		
Summary:	STARS Mt Albert is a group dance therapy programme designed for children and teenagers with Autism and other disabilities. The project will take place at the YMCA Mt Albert Community Centre in New North Road between February 14 and June 27, 2018 and be open to children and teenagers within the Albert Eden Local board area. Over the period we will deliver 32 group sessions on Wednesdays after school during term time which will allow up to 384 places for children and teenagers with special needs and disabilities. The sessions will be facilitated by an experienced movement therapist and supported by a team of assistants and volunteers.		
Dates:	14/02/2018 - 27/06/2017	Rain dates:	-
People delivering:	12	People attending:	200

Community benefits

Identified community outcomes:

As the groups are non-competitive and open to the local community participants will be able to:

1. Feel welcomed and in a safe environment where they feel free to express and engage in movement therapy.
2. Engage in Dance Movement therapy as a self-regulating and soothing tool. Often children with disabilities experience anxiety and find it hard to communicate confidently either verbally or non-verbally. Dance Movement Therapy helps to break down social barriers and increase resilience and well-being.
3. Feel a sense of belonging to a group and enable participants to share, understand others and feel accepted.

We will distribute evaluation forms at the end of each term which will ask parents and caregivers to measure the outcomes of our programme and describe any changes they may have noticed after attending.

Expected outcomes are

1. Improved self –confidence, reduced anxiety and increased creative self -expression.
2. Improved verbal and non- verbal communication and social skills.
3. Improved general well-being and resilience and increased participation at school and in the local community.

Alignment with local board priorities:

- our people feel safe and participate in their communities
- young people have a place and a voice

Dance Therapy NZ STARS programmes are non-competitive dance therapy groups allowing children and young people to access their creativity and self-expression in a safe, fun environment. Many of our participants are unable to attend more mainstream dance classes due to heightened sensitivities and behavioural issues. Our program works to improve the social, psychological and emotional health of the participants and ensures young people with disabilities are able to participate fully and feel a sense of belonging in the community. Our participants are able to freely express themselves and have a place and a voice.

Collaborating organisation/individual	Role
YMCA Mt Albert -Auckland Council Venue	YMCA Mt Albert provides a safe and accessible venue for our program at a subsidised cost supporting the needs of the community
Disability Connect	We advertise our programmes through the organisation and accept referrals.

Demographics

- Maori outcomes:** None identified
- Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, All/everyone
- Promoting SmokeFree:** YMCA Mt Albert Community Centre is a smoke free venue and we would only deliver our project in a manner that does not involve the use of cigarettes or any other form of drug.
- We can put a smoke free logo on our signs that we place up around the venue when our sessions are in progress.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

Financial information

Amount requested: \$3,890.00

Requesting grant for: We are requesting a contribution toward the venue hire costs and facilitation costs of our project which includes
Therapist and assistant fees.

If full amount requested is not able to be funded:

We would appreciate and value any contribution towards the cost of the facilitation and venue hire of the project.

Cost of participation: We will ask for a contribution of \$165 per term for each participant in the project which will cover some of our project costs.

Total expenditure	Total income	Other grants approved	Applicant contribution

Project: Homework class

Location:	Top floor 166 Stoddard Road, Mt Roskill, Auckland		
Summary:	We would like to continue deliver a Homework Centre Project which involves after school academic catch up programme for average 30 school-aged children. The costs will go towards tutors, resource venue hire and volunteer support.		
Dates:	13/02/2017 - 15/12/2017	Rain dates:	-
People delivering:	average 30	People attending:	45

Community benefits

Identified community outcomes:

Education is the key for better future in life. We would like to see good achievement on our kids, it is also a highly relevant to the successful settlement, well being and development of the community in large.

Class participation, assessment pass rates and school report will measure whether the outcome.

Alignment with local board priorities:

- seed-funding for community-led projects and activities
- our people feel safe and participate in their communities

It is a community project creates a safe environment for kids to get support on their homework and academic needs to help them achieve their goal and be a better citizen.

GROW NZ Inc

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Training, support and co-ordination of mental wellbeing group volunteers

Location:	The GROW Centre, 97 St Lukes Road, Sandringham.		
Summary:	GROW operates a mental wellbeing co-ordination Centre, which is a central hub for its group operation in St Lukes and surrounding districts to meet together for training, support and social inclusion. It is vital for coordinating the volunteer leaders in GROW who offer a 12 Step mental wellbeing program for people who struggle to live well and cope with everyday living in our local community. We encourage social inclusion and a network of friendships with a common interest to get well and stay well. Typically, people seek help at GROW for depression, anxiety, stress, life crisis, addictions, loneliness, shyness and numerous other complex psychotic conditions. People who succeed and make good progress in their life can become leader volunteers.		
Dates:	01/01/2018 - 31/12/2018	Rain dates:	-
People delivering:	40	People attending:	300

Community benefits

Identified community outcomes:

Members will achieve progress and maintain a mentally healthy lifestyle with good self esteem and feelings of being a valued member of society. Ideally once members make good progress in their own life they feel a compunction to help others within the organisation in similar need. For some this can be achieved by becoming volunteer group leaders and eventually taking on management roles at various levels of GROW governance or work with other similar minded organisations.

Advertising outcomes are important and it is vital that people in need can find us via internet searches online and via community event adverts in local newspapers. Leaders of the groups are encouraged to submit events regularly and the accountant will monitor that happening.

The bi monthly self evaluation reports are the main document to identify group outcomes. They show to our governance board and assigned group evaluators that tasks are being assigned, progress reports are being received, testimonies are being shared, group and members problems are being addressed, educational readings are being chosen to read aloud in group, disruptions or problem persons are being safely and confidentially addressed.

Alignment with local board priorities:

- our people feel safe and participate in their communities
- projects that involve community volunteers

It is important that people who suffer mental illness can find like-minded people with the same ambition and desire to overcome their afflictions. They need a safe and confidential environment and meeting venue to be trusting and confident with the volunteer leaders who are trying to help them. The GROW organisation has developed its unique program over 50 years or more and is totally reliant on volunteers leaders who have come up through the program and know how to apply

it to people's lives. The aim is to restore members to being confident participants and valued members of society.

Collaborating organisation/individual	Role
Citizens Advice Bureau	Refer people to GROW in need of a support group
Mental Health Hospitals	Allow our leaders to hold talks about GROW's services to patients.
Doctors, nurses & psychologists	Work in conjunction with GROW and complimenting services
Churches and Community Centres	Allow us to hire safe and confidential venues for meetings
Youth Organisations	Request our literature to help their members combat early onset of mental illness
Salvation Army	Work together to provide meals for poor and needy
Framework Trust	Members and governance share governance roles
Mental Health Foundation of NZ	Share a link to our support groups on their website.
Affinity Services	Staff are volunteer serving on GROW board

Demographics

Maori outcomes: None identified

Target ethnic groups: All/everyone

Promoting SmokeFree: Often a member will make it their specific task that they give up smoking and the group will offer parts of the program to help do that and follow up with getting a progress report weekly. Many members have succeeded giving up smoking this way. Of course, no smoking is allowed in the Grow Centre or in or around the group meeting. It becomes a long term goal and is difficult for some because smoking has become a crutch they have used to cope with their mental illness before they found GROW. Most long term leaders in GROW do not smoke.

Helen Fergusson

Legal status:	Individual	Activity focus:	Community
Conflicts of interest:	None identified		

Project: MBODY movement - Connection, health & well-being workshops

Location:	Mt Albert War Memorial Hall		
Summary:	We are offering two movement workshops aimed at (but not limited to) adults of all ages and abilities to improve health and well-being, connection and confidence, and bring people together as community. Each workshop will be facilitated by a highly experienced and professional movement practitioner, Cathy Livermore, and assisted by an experienced dancer, Helen Fergusson. Called MBODY movement, we aim to increase people's fitness, strength, co-ordination, flexibility, joy, confidence and connectedness through both movement education and fostering of community spirit. Each 2-hour workshop will include 3 sessions; cardio focused, social partnering focused and mind/body focused. People are welcome to do one, two or all three of the fun and open sessions in each workshop.		
Dates:	11/02/2018 - 11/03/2018	Rain dates:	-
People delivering:	2	People attending:	20

Community benefits

Identified community outcomes:

Our purpose for doing this is to increase people's health, well-being and connectedness through dance and movement whilst fostering community spirit. Through participating in movement and mindfulness exercises together, people will experience both the joys and benefits of moving, nurturing and being present with our bodies, and with each other. The movement workshops will increase people's fitness, strength, co-ordination and flexibility, and provide people access to experiencing healthy and empowered relationships with their bodies and with each other.

We will provide questionnaires our participants can fill out to give us feedback on the workshops, including whether or not they would like to attend such workshops or classes regularly for their health and well-being.

Alignment with local board priorities:

- our people feel safe and participate in their communities
- our diverse communities can participate fully in the future of our area

The workshops are all about community. They bring people of different ages, backgrounds and abilities together to explore what we have in common; a human body. Participants will be guided through various movement and well-being exercises as a group and in pairs, during which we will facilitate trust, social connection and compassion for both self and others. People will have a unique opportunity to connect in new ways, which can deepen and expand how we relate to each other both in and out of the workshops. Gaining a new awareness of ourselves and each other can be profoundly healing.

Collaborating organisation/individual	Role
Helen Fergusson	Many hours of administration and advertising all done unpaid for the benefit of the community

Demographics

- Maori outcomes:**
- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).
- Both workshops will be facilitated by Cathy Livermore, a highly experienced movement specialist who is Māori. Her values and world view, shaped by Māoridom, come through in her teaching and facilitation in a way that all participants, Māori and non-Māori, can engage with and learn from.
- Target ethnic groups:** All/everyone
- Promoting SmokeFree:** The participants will be guided through exercises involving breathing, energy flow, awareness of emotions and increasing physical health. We will discuss and show how movement and mindfulness exercises can be very effective as well as healthy stress relievers.

Liaoning Fellowship of New Zealand Incorporated

Legal status:	Incorporated Society	Activity focus:	
Conflicts of interest:	None identified		

Project: Waste battery collecting at residential area

Location:	Mt Eden Road, Auckland		
Summary:	The purpose of our project is to help collect waste battery and protect our public environment. It can lessen the burden of environmental sanitation and motivate people's initiative. Our Liaoning townsmen group can increase the cohesion by this project, too.		
Focus specific:	Environmental benefits: This project can strengthen people's awareness of protecting environment, because waste batteries could be harmful to people and environment if they are not be collected correctly. It can protect our land and air.		
Dates:	01/11/2017 - 30/11/2017	Rain dates:	-
People delivering:	1000	People attending:	200

Community benefits

Identified community outcomes:

People can strengthen their awareness of protecting environment. This project would reduce the pressure of council on collecting recycle. We will establish and perfect our group by action, cooperation and communication.

We will have a better living environment.

People will know how to do the wasting classification by our action and explain.

It will get positive effect among residents and our Liaoning Fellowship.

Alignment with local board priorities:

- our people feel safe and participate in their communities transport that meets our communities' and businesses' needsevents in our people friendly town centres for both locals and visitorssupport and enable a diverse range of local community groups to initiate and implement projects and activitiesthe environmentour streets work as great public spaces
- our community lives in more sustainable ways and reduces its environmental impacta built environment that strengthens our communities and reinforces our heritage and local charactercommunity safety programmesbuild strong neighbourhoods where people feel safe and connected at all timessocial cohesionour communities can participate fully in community life

First, we will hold meetings and discuss the detail of te project before start. Our community would learn knowledge about collecting waste by discussion. Then we will go to the area ahead to know more details to make sure our project can be hold successfully.We will do our best to help people who need help.We will let more people know the importance of living in a good and safe environment by advertising and positive behaviours.We will encourage people live nearby to join our project, which can make them have a better way to know and help each other.We do our best in this

project to inspire people and strengthen their cohesion. We can encourage people to join our project and make them feel helpful to each other.

Eden Rugby Football Club Incorporated

Legal status:	Incorporated Society	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: NZ National Club Rugby 7's Tournament

Location:	Gribblehirst Park		
Summary:	Eden Rugby Club won the NZ National Club Rugby 7's tournament in February this year. We will now host the tournament on the 10-11th of February 2018. This will be a festival of rugby with teams from all over New Zealand attending. As part of this great event, we need to provide a safe environment for all of the competitors and supporters.		
Dates:	10/02/2018 - 11/02/2018	Rain dates:	-
People delivering:	15	People attending:	250

Community benefits

Identified community outcomes:

- Our people feel safe and participate in their communities
- Young people have a place and a voice
- Innovative events build our identity
- More opportunities for more people to enjoy our parks and reserves
- Projects that involve community volunteers
- Events
- Facebook engagement and feedback on the day. We will also ask for feedback from the teams.

Alignment with local board priorities:

- events
- projects that involve community volunteers

This will be a major national event for the club and community. It involves a group of volunteers that are part of the club committee and the wider club community. It will be an engaging festival of sport.
