

### ENVIRONMENT AND COMMUNITY COMMITTEE FORWARD WORK PROGRAMME 2017

This committee deals with strategy and policy decision-making that relates to the environmental, social, economic and cultural activities of Auckland as well as matters that are not the responsibility of another committee or the Governing Body

**Priorities for 2017 will be on initiatives which:**

1. Clearly demonstrate that Auckland is making progress with climate change adaptation and mitigation and taking action to reduce greenhouse gas emissions
2. Enable green growth with a focus on improved water quality, pest eradication and ecological restoration
3. Strengthen communities and enable Aucklanders to be active and connected
4. Make measurable progress towards the social and community aspects of housing all Aucklanders in secure, healthy homes they can afford
5. Grow skills and a local workforce to support economic growth in Auckland

**The work of the committee will:**

- Deliver on the outcomes in the Auckland Plan
- Be focused on initiatives that have a high impact
- Meet the Council's statutory obligations, including funding allocation decisions
- Increase the public's trust and confidence in the organisation.
