Legal status:	Other: Primary School	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Opening Sunnyhills Pool for community usage outside of school hours

Location:	School Pool - 17 The Crest, Sunnyhills, Auckland		
Summary:	We are opening the Sunnyhills School Pool for community usage outside of school hours. This will enable the community to access the Sunnyhills School Pool after school hours and throughout the school holidays. Promoting outdoor recreation, health & fitness		
Dates:	01/01/2018 - 08/04/2018	Rain dates:	-
People delivering:	8 volunteers	People reached:	students, their families & community

Community benefits

Identified community outcomes:

Promote outdoor recreation & fitness over the summer months.

Provide a swimming facility for the local community & school families (our closest public swimming pool is Lloyd Elsmore)

Encourage our community to learn to swim & increase water confidence.

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- People are supported to lead and develop projects and create opportunities for young people

Encouraging water confidence and water safety in the community by providing a family friendly facility that is accessible for all. Encourages the community to be involved in recreational activities outdoors.

Howick College

Legal status:	School	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: North Island club championships

Location:	Lake Karapiro		
Summary:	Following on from the successes of the last two seasons, our group of rowers has now grown from 5 to 40 rowers supported by five coaches and a parent committee. Our rowing team now requires financial support as there are huge expenses for boats and equipment. We need to keep other expenses to a minimum and ask for help with the deposit for accommodation at the Christmas regatta.		
Dates:	26/01/2018 - 29/01/2018	Rain dates:	-
People delivering:	40 rowers, 5 coaches,	People reached:	115

Community benefits

Identified community outcomes:

To get all rowers involved in this regatta. To expose the rowers to more opportunities.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- Increased participation of people in sport, leisure and recreation activities

Howick College rowing create opportunities for young people to participate in National regattas by supporting them in coaching and fundraising. We believe that rowing at Howick College gives the students an opportunity to improve physical well-being, time management, team-work and to gain a sense of responsibility toward others. Howick College also increase participation of people in sport.

Inner Wheel of Howick

Legal status:	Other: non-for-profit community group	Activity focus:	Community
Conflicts of interest:	None identified		

Project: STAND support

Location:	STAND, Pigeon Mountain Rd, Half Moon Bay (previously Pakuranga Health Camp)		
Summary:	Our Club supports STAND (previously Pakuranga Health Camp) by purchasing for the children, clothing, toiletries such as shampoo, deodorants, toothbrushes and toothpaste, and sanitary products and other needs as requested. We give the children birthday cakes when they have a birthday during their stay at STAND, although these are voluntary and supplied by our members.		
Dates:	01/01/2018 - 31/12/2018	Rain dates:	-
People delivering:	30-40	People reached:	100's

Community benefits

Identified community outcomes:

Support for children in need who come to STAND for both health, family and abuse problems.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- People are supported to lead and develop projects and create opportunities for young people

By providing clothes and other support for the children who are given the opportunity to attend Stand, either because of health, family or abuse problems, we are giving them confidence by helping provide nice clothes and underwear to during their stay and to take home with them afterwards. Toiletries are a necessity, mostly the children do not even have a toothbrush or a flannel when they arrive. For older girls, underarm deodorant is another necessity. Shampoo for both boys and girls also. These issues are of major help to the staff who look after them.

The Uxbridge Community Projects Incorporated

Legal status:	Incorporated Society	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: Chinese New Year Celebrations

Location:	Uxbridge		
Summary:	Chinese New Year is an important event for UXBRIDGE to acknowledge. This celebration will give all of our community the chance to revel this important time of the year, learn new things and enjoy interesting cultural activities with a production of ROOTS by Oliver Chong and a demonstration in Chinese ink painting by Weilum Ha to co-inside with his exhibition in the Malcom smith Gallery.		
Dates:	23/02/2018 - 24/02/2018	Rain dates:	-
People delivering:	20	People reached:	550

Community benefits

Identified community outcomes:

UXBRIDGE Arts Centre aims to offer a cultural hub to develop a flourishing arts environment for the local community. The centre gives access to, and participation in, the arts for people of all ages, culture, and level of experience. Our programmes and opportunities reflect the cultural diversity of the local community with particular concern to our Asian community.

With close to 40% of the total population identifying with an Asian ethnic identity, Chinese New Year is an important event for UXBRIDGE to acknowledge. This celebration will give all of our community the chance to revel this important time of the year, learn new things and enjoy interesting cultural activities.

Alignment with local board priorities:

- Share and celebrate our culture through events
- Grow our arts, culture and music

The UXBRIDGE programme celebrates the Chinese culture with a theatre production that highlights many issues immigrants face such as identity questions and barriers to belonging, ROOTS is a universal story of the joys and hardships of discovering who you are and what you're made of. This production will be performed in Mandarin and English with subtitles encouraging a mixed audience from different cultures creating a dialogue for discussion. Our Chinese New Year celebrations will also include artist talks and demonstrations providing access to, and participation in, the arts for people of all ages, cultures participation creating flourishing arts environment for the local community. This is a project that will showcase and celebrate the Chinese New Year.

The Friendly Bear Makers Club

Legal status:	Other: Volunteer non profit Community project	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Trauma Bears for Children/Elderly during treatment/transport by Ambulance

Location:	St John Ambulance Hall, Pakuranga Highway, Highland Park.		
Summary:	<p>We are a multicultural group of volunteers who meet every Friday 9.30 - 11.30 am to hand sew Trauma Teddies which are given to the St John Paramedics, The Paramedics give them to each of the Children or to the Elderly when they are being transported by Ambulance.</p> <p>The Friendly Bear Makers began 30yrs ago by Gretl Bass.</p> <p>Every Bear is an 'individual' as each pattern is cut from a different type and colour of fur which enables each Bear to develop it's own Character.</p> <p>Every Bear is inspected by our Quality Control Team, before we hand the completed Bears directly to the St John Paramedics.</p> <p>We make approximately 250+ Bears every year (February - November)</p> <p>This project began approximately 25yrs ago.</p>		
Dates:	09/02/2018 - 30/11/2018	Rain dates:	-
People delivering:	approximately 30	People reached:	many many many young and older when transported by Ambulance

Community benefits

Identified community outcomes:

We have feedback from the Paramedics advising that both the Children and the Elderly respond instantly to the gift of a Trauma Bear, which they cling to and find comfort from and this also helps with treatment during their transport to hospital.

In many cases, whether it is an accident or medical issue, it is possibly their 1st experience of being in an unfamiliar situation and family members are not always present.

The Elderly also find it very comforting and reassuring to cuddle a Trauma Bear.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- Share and celebrate our culture through events

After much consideration, I feel that none of the options offered above gave a clear selection for our Trauma Bear Community project.

We do enjoy a mixture of cultures and ages within our 'Friendly Bear Makers' group. The majority are locals and enjoy the weekly catch up with fun and friendships that many have developed, some over the 20 yrs. We do advertise in the local papers to encourage folks to come join in our very happy group and always receive a good response.

Collaborating organisation/individual	Role
NA	

Demographics

Maori outcomes: NA

Target ethnic groups: all

Promoting SmokeFree: All Trauma Bears are made strictly within a 'smoke free' environment.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
40%	40%	%	%	%	20%	%

Financial information

Amount requested: \$1,000.00

Requesting grant for: We require all of the previous detailed items to continue with our ongoing Community project. e.g.
Fur fabric, joints, to allow the movement of the head, arms and legs, safety eyes and noses, filling (stuffing), ribbons (to add a finishing touch), special wool and cottons.

If full amount requested is not able to be funded:

Fur Fabric please.

Our last purchase of Fur Fabric was during 2013,

During the last 2 years we have received donations of Fur Fabric, so that has enabled us to keep making Trauma Bears up to now, 2017.

Cost of participation: We have an annual membership donation of \$5. per person.

Total expenditure	Total income	Other grants approved	Applicant contribution

Multiple Sclerosis Society of Auckland and the North Shore Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Hydrotherapy for people with MS living in Howick area

Location:	Lloyd Elsmore Pool, Sir Lloyd Drive Pakuranga		
Summary:	<p>Hydrotherapy is proving extremely beneficial for people with MS and other neurological conditions, helping them manage the symptoms of their disease and keeping them active in the community.</p> <p>These classes are very popular - 289 attendees in 2016 - people with MS find it valuable for maintaining their health and slowing the progressive nature of this disease.</p> <p>We run these classes at the Lloyd Elsmore Pool on Tuesday mornings. This venue is ideal as people with MS are very sensitive to temperature when exercising, so it is important to have a pool with water and ambient temperatures that enable people with MS not to feel too hot or cold. This pool also has a wheelchair hoist.</p>		
Dates:	01/01/2018 - 31/12/2018	Rain dates:	-
People delivering:	250 - attendees, caregivers, family, physiotherapists, volunteers, pool employees	People reached:	400 including family members and caregivers

Community benefits

Identified community outcomes:

1. People with Multiple Sclerosis and other neurological conditions participate in exercise in a supported social environment on a regular weekly basis
2. The opportunity for those who would otherwise be unable to exercise to receive supervised exercise and ongoing monitoring in a non-intrusive manner
3. The physical health and emotional wellbeing of people with MS and other neurological conditions are met

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- Hydrotherapy allows ageing and infirm people to be able to exercise.

Where a person with Multiple Sclerosis is not mobile on land they are more able to exercise in a group situation in the water. Decreased weight bearing is beneficial especially in the older population.

Hydrotherapy allows joint stiffness be released and uses both strength competencies and cardiovascular components.

For those with balance difficulties, there is a risk involved with exercising on land and this can be challenging.

Exercising in water removes that challenge and reduces risks.

Collaborating organisation/individual	Role
Lloyd Elsmore Pool	Neurological Hydrotherapy Venue
Rope Neuro Rehabilitation	Neurological Physiotherapist
Volunteers from the Howick area	Assist pool users to get in/out of the pool or get changed

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: Our goal is to help people with MS and other neurological conditions to live a healthy life.

There are no smokers who participate in the project.

Anchorage Park School

Legal status:	Other: Primary School	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Community Use of School Pool

Location:	16 Swan Crescent, Pakuranga		
Summary:	Creates opportunities for increased / sustained participation by young people and their families in sport and recreation - developing their aquatic skills through regular use of the solar heated school pool out of school hours including all weekends and school holidays from 1 Jan 2018. 50 -60 people are expected to make use of the pool daily during this time.		
Dates:	01/01/2018 - 31/12/2018	Rain dates:	-
People delivering:	caretaker + families using the pool	People reached:	50 - 60 daily

Community benefits

Identified community outcomes:

More young people and their families using the pool on a regular basis - increasing their water confidence and further developing their aquatic skills

Easy access (walking distance) for school families to the pool thus reducing congestion at Lloyd Elsmore Pools and on the roads getting there

Increased family time - families are swimming in the solar heated pool and using the grounds / playground for picnics, playing games together

In recent years there has been an increase in the number of fathers swimming with their children after work in the early evening

Less vandalism at the school and in the local area

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- People are supported to lead and develop projects and create opportunities for young people

Provides local, easily accessible opportunities for young people to participate in leisure and recreation activities by developing water confidence and aquatic skills in association with others. Parents / Caregivers and older children provide encouragement, support and swimming skills modelling for younger children

Collaborating organisation/individual	Role
N/A	

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: Smoke free signage is on display around the school

'smoke free' is stated in the Guidelines for Use of the Pool document given to families

Pakuranga Baptist Church

Legal status:	Charitable Trust	Activity focus:	
Conflicts of interest:	None identified		

Project: Family Fun Day

Location:	2 Fremantle Place, Pakuranga		
Summary:	An outdoor community gathering with physical activities (inflatables, traditional games), skill challenges (craft, side-show stalls), fun (clown), food (fruit, popcorn, ice cream, candyfloss) and connection (coffee & cake, spaces to sit and talk with other people). Our prominent street frontage site has a large carpark, grass area, buildings and toilets which safely handle 1,500 people visiting spread over a three hour period. The buildings are big enough to host most of the planned activities inside if wet with an expected 30% reduction in attendance if the day is very wet.		
Dates:	03/03/2018 - 03/03/2018	Rain dates:	03/03/2018 - 03/03/2018
People delivering:	130	People reached:	1,500

Community benefits

Identified community outcomes:

We believe that families are a cornerstone of a healthy community and that children deserve to have places where they can have fun with parents, grandparents or caregivers. In an era focused upon media and commercialised entertainment we use traditional games etc and active participation by the children and adults and all without cost to participants. Our multi-cultural community is representative of the Ward and this event draws together people from all ethnicities around the universal theme of children having fun and being loved. It provides a prominent profile for Riverhills School. We hold it as part of the MSD Children's Day initiative.

Alignment with local board priorities:

- Share and celebrate our culture through events
- People are supported to lead and develop projects and create opportunities for young people

It is an event for children from toddlers to intermediate ages and the parents, grand-parents or carers. A multi-cultural group of volunteers and especially youth are involved as volunteers on the areas involved with games, craft and activities open to all to try.

Collaborating organisation/individual	Role
Pakuranga Chinese Baptist Church	Volunteer help; running craft and side-show stall
Riverhills Primary School	Running a craft and games stand; talking to attendees
Pakuranga Baptist Kindergarten	Volunteer support for under 5s; talking with attendees, running activities

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: Smoking is not permitted in the Church buildings or on the church grounds. This will be mentioned on the flyer delivered to letterboxes and schools.

Riverhills School Board of Trustees

Legal status:	Other: School	Activity focus:	Community
Conflicts of interest:	None identified		

Project: 50th Jubilee Event

Location:	Riverhills School, 13 Waikaremoana Place, Pakuranga, Auckland 2010		
Summary:	<p>Riverhills School turns 50 in 2018 and we are planning a Jubilee celebration on Saturday 19th of May. This event will bring together people who have been associated with the school over 50 years to re-unite, reminisce, connect, re-connect and celebrate.</p> <p>We would like to make the day something special to remember, without having to charge participants for attending.</p> <p>We are currently in early stages of planning the event.</p>		
Dates:	19/05/2018 - 19/05/2018	Rain dates:	19/05/2018 - 19/05/2018
People delivering:	Planning team = 5. School staff = 16	People reached:	500 - 1000

Community benefits

Identified community outcomes:

A wide cross-section of the community will come together to celebrate the school's jubilee. This is an opportunity for past attendees to re-connect with the school, and for current students to take pride in their school. Riverhills School is very much part of the local community. We are an unfenced school that is a hive of activity with community members making use of the grounds and facilities. We want to provide an opportunity for all members of the local community to come together and celebrate. Connecting with the local community enables the school to grow it's profile and better serve those who live near the school. It is our strategic goal to be the school of choice for local families.

Alignment with local board priorities:

- Share and celebrate our culture through events
- People are supported to lead and develop projects and create opportunities for young people

Our curriculum focus for Term 1, 2018 will be about 'Change' with a focus on changes in schools over the past 50 years. Our students will then be involved in helping to prepare for the jubilee to celebrate 50 years of Riverhills.

We are planning to celebrate culture at the jubilee. We will open the event with a powhiri, and our kapahaka group will perform. We would also like to perform a medley of cultural dances representing all of the different cultures that make up our current student body.

Collaborating organisation/individual	Role
NA	

Demographics

Maori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

We will open the jubilee with a formal powhiri, and the school's kapahaka group will perform. 20% of Riverhills School's current students are Māori. Māori staff are involved in the planning team.

Target ethnic groups: All/everyone

Promoting SmokeFree: Riverhills School grounds are completely smoke-free.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	%	%	%	%	%	100%

Financial information

Amount requested: \$2,576.00

Requesting grant for: We are requesting funding to help with publicity/promotion, and for the event itself; staging, lighting, sound, photographer, entertainment/activities.

If full amount requested is not able to be funded:

Assistance with publicity and photography costs.

Cost of participation: Depends on our ability to access funding. If we are successful in obtaining a grant we would like to make the event completely free.

Deaf Wellbeing Society Incorporated

Legal status:	Incorporated Society	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: Deaf Wellbeing Arts and Craft Coordinator

Location:	Melville Cricket Pavilion, Gillies Avenue		
Summary:	A community centre for the Deaf, where art and craft projects are taught using volunteer art teachers and using volunteer New Zealand Sign Language interpreters. Giving the Auckland Deaf community the access to arts and crafts that they may not have had the opportunity to experience due to language barriers and teaching them in a Deaf friendly environment.		
Dates:	15/01/2018 - 27/12/2018	Rain dates:	-
People delivering:	10	People reached:	150

Community benefits

Identified community outcomes:

By providing a Deaf friendly art and craft class we will be able to allow the Auckland Deaf community to experience and express themselves artistically. Give them the opportunity to try something new that language barriers may have prevented them from trying. Our Deaf people will feel safe being in a Deaf environment and will be able to participate in their community group fully. Young Deaf people will have the opportunity to be teachers of certain art class themes and to see Deaf role models in action.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- Share and celebrate our culture through events

We have to hold our centre in a central location. Deaf Aucklanders are spread through out Auckland and there is not the funds or resources to hold our Deaf Wellbeing Centre in every area. Deaf need to feel valued and empowered. Our Deaf Wellbeing Centre will create opportunities for the Deaf to experience new forms of arts and crafts. Allow them to express themselves through art. Our art teachers come from a wide range of ethnic backgrounds and are volunteers. Our NZSL interpreters are year 2 and 3 AUT volunteer students that require real life experience. We aim to expose and celebrate our Deaf culture. There are currently approx 50 Deaf in the Howick area that may attend our centre.

Collaborating organisation/individual	Role
AUT New Zealand Sign Language Interpreters	providing volunteer interpreters
Geneva Elevator	send clients to attend the classes
Emerge Aotearoa	send clients to attend the classes
Volunteering Auckland	advertises our teaching roles on their website

Demographics

Maori outcomes:

- Māori involvement in the design/concept

Some of our volunteer teachers are Maori. This is important as it provides a role model for Deaf Maori youth. Some of the craft classes will have a Maori theme. Eg, Harakeke weaving and Toi whakairo with soap.

Target ethnic groups: All/everyone

Promoting SmokeFree: We will print the smoke free logo on our flyers and face book posts and created events.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	%	%	%	%	%	100%

Financial information

Amount requested: \$2,800.00

Requesting grant for: We have funding from Maungakiekie- Tamaki local board for venue hire until 01/06/18. We request funding towards a coordinator for the art and craft lessons. Ideally we would like to employ a Deaf coordinator for 8 hours a week but are requesting 2 hours per week from Howick. (the rest we will apply for from other local boards)

If full amount requested is not able to be funded:

Employing a disabled person to help other disabled people is a positive situation. It does not only help the disabled individual earn a living through independence, but it encourages all other disabled people by providing a role model and leader. If we could only get partial funding it would be most beneficial to be put towards a salary. We would be happy to attend a board meeting to present our project in person to you.

Cost of participation: Entry to the class will be \$5 this is to cover morning tea

Total expenditure	Total income	Other grants approved	Applicant contribution
\$19,793.06	\$1,000.00	\$14,993.66	\$1,000.00

Cession Community Trust Board

Legal status:	Charitable Trust	Activity focus:	Events
Conflicts of interest:	Cession Community Trust collaborates with Young Life NZ with whom Mike Turinsky (Howick Local Board member) is the CEO.		

Project: Three family focussed community events at The Depot

Location:	The Depot, Sir Lloyd Drive, Lloyd Elsmore Park, Pakuranga, Auckland		
Summary:	'The Easter Egg Hunt', 'Halloween Carboot Party', and 'Christmas on the Lawn' are events hosted by Depot tenant Cession Community Trust and each engage up to 500 people from the local area. The events are run by volunteers from the local community, including youth connected with the Collide Drop In programme and supported by the Trust Manager. The events engage young children, families and youth and create a low cost recreational environment for the local community. All three events reflect our emerging kiwi culture of Easter Egg Hunting, trick or treating in a safe environment and Christmas singing and fun.		
Dates:	24/03/2018 - 24/12/2018	Rain dates:	24/03/2018 - 08/12/2018
People delivering:	40	People reached:	1000

Community benefits

Identified community outcomes:

All three events in this project will continue to create an involved and connected community which celebrates our culture through events. With the immigrant population in the Howick Ward, these events are a catalyst to reducing isolation and for people to experience annual celebrations in a 'Kiwi culture' way.

Through these events people are supported to lead and develop projects and create opportunities for young people. This outcome occurs with the event depending on volunteers for the event to happen and with the close partnership the events have with young people in the Collide Youth Drop in programme - run from the Depot and engaging youth from local high schools.

Alignment with local board priorities:

- Share and celebrate our culture through events
- Increased participation of people in sport, leisure and recreation activities

The Easter Egg Hunt celebrates the Easter season with the emerging Kiwiana culture of Egg Hunting. The setup of this event engages parents with young children to do the recreational activity together.

The Halloween Carboot Party creates a safe trick or treating environment for Halloween which our culture is adopting. The event requires individual families and businesses to participate by creating trick or treating stations with their cars.

Christmas on the Lawn is another end of year community event celebrating the festive season. Participation is encouraged through recreational games and communal Christmas carols.

Collaborating organisation/individual	Role
---------------------------------------	------

Young Life NZ	Supporting youthworkers who provide leadership to youth volunteers
---------------	--

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: All of the Cession Community Trust programmes run out of The Depot are smoke free. If clients are smokers who wish to stop, this is an issue that we will refer to Quitline, as well as offering wrap around support during the quitting process.

Youth and Community Development Trust

Legal status:	Charitable Trust	Activity focus:	Events
Conflicts of interest:	None identified		

Project: Neighbours' Day Event

Location:	Blundell Park. Elliot St Howick		
Summary:	The event aims to connect people in the community together by providing a fun, safe and friendly environment for meeting, mixing with and getting to know those who live around them. Activities would include such things as a Barbecue, bouncy castle, animal farmyard, games for children/families and face-painting.		
Dates:	25/03/2018 - 25/03/2018	Rain dates:	-
People delivering:	30	People reached:	250

Community benefits

Identified community outcomes:

Howick has a high proportion of people who have lived in the area for under 5 years. This means people are constantly getting to know new people. Outcomes for this event would be: connecting neighbours together. Increasing safety and security in the community as people get to know each other and talk about the issues which concern them. Children and families come out of their homes, doing active things and building family unity. Mixing with others in a safe environment. Being a positive event in the area and so lifting community spirit, leaving people encouraged that this is a good place to live in.

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- People are supported to lead and develop projects and create opportunities for young people

It gets people out in their community participating in a leisure and recreation activity. Weather permitting outdoor activities are good for the whole person. A limited number of activities will encourage a low level of exercise. Games and activities will be targeted at children and also involve parent interaction. It is anticipated that a team of young people will lead games and do face painting. this increases their leadership and social interaction skills.

Collaborating organisation/individual	Role
Howick Presbyterian Church	volunteers, sound equipment, gear.

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: This can be notified in our advertising and signs can be put up at the entrances to the park as reminders.

Macleans Primary School

Legal status:	Other: Primary School	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: 2018 Swimming pool community use

Location:	Macleans Primary School, 10 Wycherly Dr, Bucklands Beach, Auckland 2014		
Summary:	To make our school swimming pool available for community use over the summer period.		
Dates:	01/01/2018 - 30/04/2018	Rain dates:	-
People delivering:	10	People reached:	200+ (based on 50 keys available with many groups of 4 or more)

Community benefits

Identified community outcomes:

Our local community have been able to use our school pool over the summer period for many years (with the assistance of Council).

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities

This project gives our community the opportunity to use the school swimming pool. In doing so it will promote quality friends and family recreation and leisure time.

Collaborating organisation/individual	Role
NA	

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: We are a smoke free school with clear signage around the school. There is also a clause in the swimming pool agreement which is signed by ALL key holders.

Dance Therapy New Zealand

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: STARS Dance Movement Therapy for Children and Teenagers with Disabilities

Location:	Te Tuhi Arts Centre, 13 Reeves Road, Pakuranga, Auckland		
Summary:	STARS Pakuranga is a group dance therapy programme designed for children and teenagers on the Autism Spectrum. The project will take place at the Te Tuhi Arts Centre in Reeves Road, Pakuranga between February 21 and June 27, 2018 and be open to children and teenagers within the Howick Local board area. Over the period we will deliver 16 group sessions on Wednesdays after school during term time which will allow up to 120 places for children and teenagers with special needs and disabilities. The sessions will be facilitated by an experienced movement therapist and supported by a team of assistants and volunteers.		
Dates:	21/02/2018 - 27/06/2018	Rain dates:	-
People delivering:	40	People reached:	200

Community benefits

Identified community outcomes:

As the groups are non-competitive and open to the local community participants will be able to:

1. Feel welcomed and in a safe environment where they feel free to express and engage in movement therapy.
2. Engage in Dance Movement therapy as a self-regulating and soothing tool. Often children with disabilities experience anxiety and find it hard to communicate confidently either verbally or non-verbally. Dance Movement Therapy helps to break down social barriers and increase resilience and well-being.
3. Feel a sense of belonging to a group and enable participants to share, understand others and feel accepted.

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- Grow our arts, culture and music

Dance Therapy NZ STARS programmes are non-competitive dance therapy groups allowing children and young people to access their creativity and self-expression in a safe, fun environment. Many of our participants are unable to attend more mainstream dance classes due to heightened sensitivities and other issues. Our program works to improve the social, psychological and emotional health of the participants and ensures young people with disabilities are able to participate fully and feel a sense of belonging in the community. Our participants are able to freely express themselves and have a voice.

Collaborating organisation/individual	Role
---------------------------------------	------

Te Tuhi Arts Centre	Te Tuhi is a long time supporter of Dance Therapy New Zealand. They provide a safe and accessible venue for our program at a subsidised cost supporting the needs of the local community.
Disability Connect	We advertise our programs through their network and accept referrals.

Demographics

Maori outcomes: NA

Target ethnic groups: New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, All/everyone

Promoting SmokeFree: Te Tuhi Arts Centre is a smoke free venue and we would only deliver our project in a manner that does not involve the use of cigarettes or any other form of drug. We can put a smoke free logo on our signs that we place up around the venue when our sessions are in progress.

Applications prior to the 2014/2015 financial year have all been accounted for and omitted from this summary

Pakuranga Athletics Club Incorporated

Legal status:	Incorporated Society	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Pakuranga Athletic Club Junior Open Day

Location:	Yvette Williams Track, Lloyd Elsmore Park		
Summary:	Junior athletes (2-14 years) of all abilities from throughout Auckland are invited to participate in a day of track and field competition. While other clubs' Open Days are generally only open to registered athletes, the Pakuranga Open Day is a community-wide event with non-registered children also encouraged to attend. The focus is on participation and family fun. Events are organised so that all children leave with at least one ribbon, and a range of fun events (treasure hunts, parents' races) are organised to allow children and care-givers to participate together. This is also a popular event with competitive athletes, providing opportunities for them to test themselves against their competition a week out from the Counties-Manukau Championship event.		
Dates:	11/02/2018 - 11/02/2018	Rain dates:	-
People delivering:	200-250	People reached:	400-500

Community benefits

Identified community outcomes:

Key outcomes include:

- * family bonds are strengthened through opportunities to spend time together in a safe, inclusive environment
- * messages around healthy lifestyle choices are reinforced, particularly the importance of being Smoke Free and Sun Smart
- * current club members develop a greater sense of belonging.
- * children are encouraged to try a new sport
- * the club's profile is raised – through attendance by non-members and media coverage of the events
- * greater awareness of all forms of athletics among the local community
- * enhanced awareness of Council-provided sports facilities among the local community, particularly the Yvette Williams Track. It is hoped that this will lead to greater informal use of these facilities

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- Increased participation of people in sport, leisure and recreation activities

Pakuranga Junior Track and Field Open Day provides an opportunity for children 2-14 from throughout the Auckland region to gather together and participate in junior athletics in a safe, inclusive, engaging, fun environment. The Open Day provides an opportunity for those new to athletics to learn about the sport, 'have a go' and enhance their self-confidence. For the more experienced athletes, the region-wide competition provides challenge and an opportunity to strive towards personal goals, and also helps build resilience and a sense of self-belief. The event will also showcase Lloyd Elsmore Park's fantastic facilities to the wider Auckland community.

Collaborating organisation/individual	Role
Counties-Manukau Athletics (Terry Jensen)	Co-ordination of particular track events

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: The Pakuranga Athletic club-rooms and equipment sheds are a strictly-enforced smoke-free environment. In addition, all temporary covered areas used during the Open Day - including gazebos - will be clearly designated smoke-free. Smoke-free message reminders will be included on programmes provided to event attendees and mentioned as part of the event commentary/announcements. As part of previous events, branded smoke-free merchandise has been provided by ADHB's Smoke-free Team to be used as spot prizes. To further emphasise the smoke-free message, especially to young people, this team will again be approached to provide items to further prompt the smoke-free message.

Cession Community Trust

Legal status:	Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified Cession Community Trust collaborates with Young Life NZ with whom Mike Turinsky (Howick Local Board member) is the CEO.		

Project: Stations of the Cross: Easter Art Exhibition

Location:	The Depot, Sir Lloyd Drive, Lloyd Elsmore Park		
Summary:	'Stations of the Cross' Easter Art Exhibition has been providing exhibit space for local artists in the wider Auckland community for over 10 years through a range of multi-sensory and interactive media installations alongside more conventional visual art media. Stations of the Cross is framed as a journey through the universal human themes of Easter over the Easter weekend. The exhibition is created around a different theme challenging local creatives and artists who are growing a connected and involved community of creativity. Cession Community runs artistic workshops including with ATC Alternative Education programme which lead to youth creating art, connecting to the wider community and gaining a sense of achievement as part of our wider resiliency programmes with youth.		
Dates:	30/03/2018 - 01/04/2018	Rain dates:	-
People delivering:	50	People reached:	500

Community benefits

Identified community outcomes:

Stations of the Cross has been developing an involved and connected artistic community over the 11 years the exhibition has been running. This community is driven by the project team who envisions the annual theme to local artists and draws their engagement and participation. People are supported to lead aspects of the event as they engage further into the community. This project sees arts fostered.

Opportunities are created for young people through Cession Community's Collide Youth drop in and our collaboration with the ATC Train Me alternative education programme. Workshops offered to youth see youth engaging with the arts, developing a sense of achievement through what they produce and having the opportunity to see it displayed in an exhibition.

Alignment with local board priorities:

- Grow our arts, culture and music
- People are supported to lead and develop projects and create opportunities for young people

Stations of the Cross fosters the expression of self and universal human themes through various artistic medium.

This annual project creates an involved and connected community through people being engaged in the project and encourage to take responsibility for aspects of the exhibition.

Young people are offered opportunity through the workshops, involvement in the project team, and inclusion in the development of the project.

Collaborating organisation/individual	Role
ATC Train Me alternative education programme - co tenant at the Depot	Engaging with artistic workshops in the lead up to the exhibition

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: All of the Cession Community Trust programmes run out of The Depot are smoke free. If clients are smokers who wish to stop, this is an issue that we will refer to Quitline, as well as offering wrap around support (through our other services and programmes) during the quitting process.

0%	5%	30%	25%	25%	15%	%

Financial information

Amount requested: \$800.00

Requesting grant for: Stations of the Cross has received funding from the Creative Communities Scheme for the past 5 years which largely funds the exhibition. This grant is unable to be used to purchase capital items. Each year we have spent in the realm of \$1200 of the grant on hiring lights for the exhibition. Cession Community has recently been able to purchase some of it's own lights and we are applying to the HLB to fund another 4 LED lights (\$800). With this grant, we will be able to better utilise the funding we are receiving from Creative Communities Scheme.

If full amount requested is not able to be funded:

We are requesting a contribution towards one component of a capital purchase to reduce overhead costs of the annual event.

Cost of participation: Entry to the exhibition is by koha

Owairoa Primary School

Legal status:	Other: State School	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Owairoa Primary School Sensory Room

Location:	Owairoa Primary School		
Summary:	To develop a Sensory Room at Owairoa Primary School that provides learning and emotional support and wellbeing to an increasing number of students who have learning difficulties, developmental disabilities and sensory impairments. This room will provide these students with a calming, quiet, safe withdrawal space, allowing them to learn how to increase their own self managing skills in a positive supportive way, enabling a faster return to their regular classroom environment.		
Dates:	15/01/2018 - 07/02/2018	Rain dates:	-
People delivering:	10	People reached:	150

Community benefits

Identified community outcomes:

The Owairoa Primary School Sensory Room will help those students who have learning difficulties, developmental disabilities and sensory impairments learn to interact within the community by building their confidence in a safe non-threatening environment at a young age. The skills they learn while at Primary School will enable them to grow up to be contributing members of our community.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
-

Our project allows our young primary aged students to function in a regular classroom environment while supporting their special needs and developing their skills and resilience to the overwhelming sensory overload that these students experience

Collaborating organisation/individual	Role
NA	

Demographics

Maori outcomes: NA

Target ethnic groups: All/everyone

Promoting SmokeFree: Owairoa Primary School is proud to be a smoke-free environment and we actively portray this message to our Students, Teachers, Parents and the school community on an ongoing basis.

Life Education Trust Counties Manukau

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Purchase workbooks to help deliver Life Education's preventative health programme

Location:	in our mobile classrooms in the grounds of local Howick schools		
Summary:	<p>Life Education & Harold the Giraffe deliver vitally important preventative health messages to children & youth across Counties Manukau in our unique mobile classrooms.</p> <p>The workbooks are an essential part of our programme in allowing our students to share the information learnt with their parents and caregivers at home. The school's teachers also use them to reiterate information topics covered thus enable it to be remembered and used throughout the year.</p> <p>For every year that we visit children in their schools, we can have a positive effect on their health choices regarding food, nutrition & exercise by showing them the short & long-term effects of making good choices. A parent session is offered at every school we visit to encourage two-way information sharing.</p>		
Dates:	31/01/2018 - 30/03/2018	Rain dates:	-
People delivering:	1	People reached:	2740

Community benefits

Identified community outcomes:

Teachers observing our lessons strongly agree/agree that the workbooks:

- reinforced/supported what was covered in the lesson - 89%
- are age appropriate - 86%
- are suited to a range of abilities - 81%
- were of value - 84%

The workbooks combined with our lessons promote:

Improved awareness & knowledge on key health & nutrition areas

Improved attitudes towards healthier behaviours

Improved skills & understanding about how to make healthier choices

Alignment with local board priorities:

- Increased participation of people in sport, leisure and recreation activities
- People are supported to lead and develop projects and create opportunities for young people

NZ Health Survey 2011-2013 for 2-14 year olds in Counties Manukau:

Overall Maori Pacific

Overweight 21.3% 23.2% 26.9%

Obese 18.6% 23.6% 28.9%

The need for our programme is more relevant today in our community than it has ever been, particularly because we have a rapidly growing population which includes 14% of NZ's child population & 42% of NZ's decile 1 & 2 schools.

We are invited back into schools on an annual/bi-annual basis. There has been a surge in schools also requesting additional visits/teaching support when a problem arises and/or schools wish to use our expertise practical knowledge & skills e.g. cyber safety, digital citizenship, positive puberty.

Collaborating organisation/individual	Role
We continually seek and use the latest research from the health sector for new facts that we can use in our lessons eg Department of Health, Heart Foundation, Cancer Society	

Demographics

- Maori outcomes:**
- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)
- Our workbooks are available in Te Reo and as an inclusive organisation we use Te Reo words throughout our lessons. One of our educators speaks fluent Te Reo which enables us to teach at full immersion schools & kuras to which we have been continually re-invited.
- Target ethnic groups:** All/everyone
- Promoting SmokeFree:** 'Substances' is one of the five core subjects we teach to intermediate students. We discuss & roleplay the decision-making processes they may come across & go through when seeing their friends & peers smoke or they are offered a variety of substances to smoke. We talk about the effects smoking has on your brain, body, finances & making decisions.

Auckland Seniors Support and Caring Group Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Festival Celebration

Location:	Te Tuhi Arts Centre, 13 Reeves Road, Pakuranga, Auckland		
Summary:	It is Chinese Spring Festival Celebration. There are more that 100 people in the meeting. They play all kinds of performances and share traditional Chinese food.		
Dates:	15/02/2018 - 15/02/2018	Rain dates:	-
People delivering:	100 about	People reached:	100 about

Community benefits

Identified community outcomes:

People especially old people meet together to celebrate their own traditional festival by watching performances and sharing food. Some of them come from the rest homes; some from other ethnic groups; most of them from our group as members and volunteers.

Alignment with local board priorities:

- Share and celebrate our culture through events
- Grow our arts, culture and music

Chinese spring festival is the most important celebration in tradition. Chinese people like to get together to share their happiness and best wishes on the festival. It is a special day for Chinese, esp. for the Chinese seniors who enjoy the traditional culture so much.

Collaborating organisation/individual	Role

Summary:	“Young people creatively raising awareness about mental health issues, reducing mental health discrimination, and increasing social inclusion for people with experience of mental distress through the #IAMREAL Cabinet Painting Project 2018”		
Dates:	01/02/2018 - 01/04/2018	Rain dates:	-
People delivering:	4 team members	People reached:	The entire Howick Community plus an international online audience.

Community benefits

Identified community outcomes:

Advocacy: Provide a unique opportunity for young people to raise awareness about issues important to them by expressing themselves through their art.

Engagement: Engages young people in a meaningful opportunity & encourages conversation about important topics.

Environment: Beautify our environment in an inspiring and motivating way.

Wellbeing: Aims to positively impact, inspire and uplift the viewer directly.

Alignment with local board priorities:

- People are supported to lead and develop projects and create opportunities for young people
- Grow our arts, culture and music

The #IAMREAL Cabinet Painting Project aims to support the Howick Local Board

Priorities by utilising the creative skills of our young people to beautify our community and

advocate for important issues our people face. We believe this is a project that can grow to give way to more youth-led projects and enhance the art and culture of Howick in a positive way.

Collaborating organisation/individual	Role
Choris Ltd.	Provide Permission to paint Cabinets.
Creative Giants	Creative Community of Artists

Demographics

Maori outcomes:

- Māori involvement in the design/concept

We will incorporate Maori and Pacific philosophies into our creative design knowing the

power of cultural inclusion and cultural identity to effectively advocate our message of the

importance in healthy families.

Target ethnic groups: All/everyone

Promoting SmokeFree: We aim to beautify our community and advocate healthy choices, becoming a healthy

member of the community and making positive social impact in the world around us

as young people. A Smoke-free Auckland aligns with our core values as a community

organisation and individuals. None of our members are smokers.
