Issue	Description	Response
Baverstock Road	Concerns have been raised about speed on Baverstock Road	<p>Auckland Transport has investigated building new pedestrian crossing. The investigation concluded that:</p> <ul style="list-style-type: none"> • The road experienced a normal school pedestrian flows i.e. was busy as people went to and from school • Speed was within the expected norms for this type of road. • The area warranted a zebra crossing and this has been put into the forward work programme. • It was expected that this will be delivered in the 17-18 Financial Year but the project is now in projected for the 18-19 Financial Year. <p>The delivery team have been asked for information and have reported that a consultation plan has been developed and that the project progressing.</p>
Cascades Road Footpath	A resident has requested a continuation of the footpath on Cascades Road so that it links to the 'Cascades Walkway'	<p>The footpath is missing because the original consent did not require it.</p> <p>In 2016 an application was made to Auckland Transport to build the missing section of footpath using Auckland Transport Funds. This was declined.</p> <p>The HLB is now investigating using some of it Local Board Transport Capital Fund to complete this section of footpath. Details of how this project is progressing are in the main body of the report.</p>
