16th November	<p>Puketapapa Local Board Business Meeting</p> <p>Opening Speech:</p> <p>“Why am I on Local Board”</p> <p>I want to help those who need the extra direction, pathway clarification to succeed, complete and feel anything is possible. I want them to feel they can do anything no matter how difficult it is.</p> <p>I want to change how we are reflected on positions that usually are not reflecting our community we represent. I want to be a part of the decisions that are made to make sure they are fair, transparent to all and outcomes that the community decide on, not political outcomes.</p> <p>I want to be the local board member that does listen to her community and that is why I am on the local board.</p> <p>We are starting in the days where there is no discrimination between one community and another.</p> <p>We are starting this fundamental principle: that we are citizens and equal citizens. Quoted by M. Ali Jinnah.</p> <p>Keeping this in mind, I hope our local board make good Decisions today that help all our community equally.</p>
