

Proposed Allocation of Decision-Making Responsibility for Non-Regulatory Activities

Source of decision-making responsibilities

The Governing Body and local boards obtain their decision-making responsibilities from three sources:

(a) Statutory decision-making responsibilities

The Governing Body and local boards have statutory responsibilities under the Local Government (Auckland Council) Act 2009 (Act). These statutory responsibilities are not repeated in the allocation table.

Governing Body: The Governing Body is a local authority, and hence has the power of general competence under section 12 of the Local Government Act 2002. In addition, the Governing Body has specific statutory decision-making responsibility for the following:

- The regulatory activities of Auckland Council (such as Unitary Plan, consenting, and bylaws)
- Allocation of non-regulatory activities to either local boards or the Governing Body
- Any non-regulatory activities of Auckland Council that are allocated to the Governing Body
- Agreeing local board agreements with local boards
- Emergency management
- Compliance with the financial management requirements of section 101 of the Local Government Act (including the Annual Plan, the Long-term Plan, and financial policies)
- Regional strategies and policies (such as the Auckland Plan and the Local Board Funding Policy)
- Governance of Council-Controlled Organisations
- Appointment of the Chief Executive and maintaining the capacity of Auckland Council to provide its services and facilities
- Transport networks and infrastructure.

Local boards: The statutory role of local boards includes decision-making responsibility for the following:

- Any non-regulatory activities of Auckland Council that are allocated to local boards
- Adoption of local board plans
- Agreement of local board agreements (with the Governing Body) and monitoring the implementation of local board agreements - this can include proposing a local targeted rate
- Providing input into regional strategies, policies and plans

- Proposing bylaws for the local area
- Community engagement, consultation and advocacy.

Local boards are not local authorities but will act as such for specified allocated matters, or those matters set out in the Local Government (Auckland Council) Act 2009.

(b) Delegation of decision-making responsibilities

The Governing Body can also delegate some of its decision-making responsibilities to local boards. To date the Governing Body has delegated the following decision-making responsibilities to local boards:

- Input into notification decisions for resource consent applications
- Authorising the destruction of wandering stock on Great Barrier Island, in accordance with the Impounding Act 1955 is delegated to the Great Barrier Local Board
- Decision-making on operational cemeteries on Great Barrier Island is delegated to the Great Barrier Local Board.
- Amendments to the Policy on Dogs in relation to any dog access rules in local parks, local beaches or local foreshore areas in their local board area
- Making objections to liquor licensing applications under the Sale and Supply of Alcohol Act 2012
- Making, amending or revoking alcohol bans, except in areas of regional significance.
- Certain powers under the Reserve Act 1977 for local reserves: declaring a reserve (s.14(1)), classifying a reserve (s.16(1) or 16(2A)), reclassifying a reserve (24(1)), and proposing the revocation of reserve status (s.24(1)) in order to manage the land under the Local Government Act 2002.

The Governing Body and local boards can also be delegated decision-making responsibilities from Auckland Transport. There are currently no delegations in place.

(c) Allocation of decision-making for non-regulatory activities

The Governing Body is required by legislation to allocate decision-making responsibility for the non-regulatory activities of Auckland Council to either the Governing Body or local boards, in accordance with principles contained in section 17(2) of the Act. This provides as follows:

- a) decision-making responsibility for a non-regulatory activity of the Auckland Council should be exercised by its local boards unless paragraph (b) applies:
- b) decision-making responsibility for a non-regulatory activity of the Auckland Council should be exercised by its Governing Body if the nature of the activity is such that decision-making on an Auckland-wide basis will better promote the well-being of the communities across Auckland because-
 - i. the impact of the decision will extend beyond a single local board area; or
 - ii. effective decision making will require alignment or integration with other decisions that are the responsibility of the Governing Body; or

- iii. the benefits of a consistent or co-ordinated approach across Auckland will outweigh the benefits of reflecting the diverse needs and preferences of the communities within each local board area.

Decision-making for non-regulatory activities can only be allocated to either the Governing Body or to a local board. Where more than one local board has an interest in a local activity then section 16(3) of the Act provides that:

... a local board should collaborate and co-operate with 1 or more other local boards in situations where the interests and preferences of communities within each local board area will be better served by doing so.

The non-regulatory decision-making allocation is required to be identified in the Auckland Council's Long-Term Plan and Annual Plans.
