Councillor Mike Lee  
Chair, Heritage Advisory Panel  
Auckland Council  
Private Bag 92300  
Auckland 1142

Dear Mike,

Please accept my resignation from the Heritage Advisory Panel. Having been on the Panel since May 2011, I think it is an appropriate time for me to leave the Panel, as a New Year and new focus commences.

I have really valued my experience on the Heritage Advisory Panel and the wide ranging knowledge and experience in heritage matters of Panel members, as well as the breadth of heritage management issues reviewed. The excellent presentations made by Council's Heritage staff demonstrate the hard work, robust approach and great progress made since the Auckland Unitary Plan was first proposed.

I wish the Panel all the best for its continued work.

Yours sincerely,
