Dear Jane,

It was with regret that I received your letter of resignation from the Heritage Advisory Panel. As one of the original members of the panel, commencing in May 2011, your contribution has been significant. As a highly respected professional you have brought an expertise that has added considerable weight to the deliberations and advice of the Panel.

I know your contribution has been very much appreciated by your fellow Panel members as well as by Noel Reardon and the heritage unit staff. As Chair I have also very much appreciated your advice and guidance. You will be missed.

Thank you for your efforts on behalf of Auckland's heritage. I wish you well for the future.

Yours sincerely,

Michael Lee
