Imagery of a Meandering Creek painted on the ground surface Creek Lane and across Commons Road. This is intended to bring attention to the adjacent river.

Rollards and Rubbish bin painted blue.
Sculptural seating located adjacent to the bus stop providing additional seating and a creative pop of colour to the street environment.

Existing wall repainted and vegetation added to soften road environment adjacent to the Health Trust property.

NEW SOUTH EAST TOWARD BUS STOP FROM A LOCATION ON COMMERCIAL ROAD TO THE SOUTH OF THE EXIT DRIVEWAY OF THE HELENsville DISTRICT HEALTH TRUST
Street trees to narrow the roadscape and create a feeling of intimacy for passing motorists. Trees to be canopy lifted to ensure views through to the supermarket behind.

Timber seating facing historic photographs of Helensville to be superimposed onto wall to give passersby an excuse to stop and relax.

Amenity planting/under planting to provide colour and life to the space.

A series of historic photographs of Helensville to be attached to the front of the retaining wall to add life to the currently dead space and bring the story of the township to life.

Timber to frame the top of the retaining wall above sections of chunky timber. Waterway imagery carved and painted into the front to add texture and colour and frame the photographs.

Concrete to double as bench supports and low seating.

Details of the footpath:
- Street trees: amenity planting and seating along footpath
- Existing planting adjacent supermarket car parking
- Photos of town on wall
- Helensville Town Centre
  Roadside planting adjacent supermarket

**Cross section through footpath 1:50 @ A3**
