**IN PROGRESS / UPCOMING AGENDA ITEMS**

<p><b>Long-term Plan 2018-2028 and Auckland Plan Refresh</b></p>	<p>The Long-term Plan sets out the priorities and funding for council activities that are planned over a 10-year period. It includes financial and non-financial information for the council and council-controlled organisations.</p> <p>The Auckland Plan acts as the common platform for getting agreement on and working towards Auckland's long-term future. Legislatively required, it must set a 20-30 year strategic direction for Auckland's growth and development, integrating social, economic, environmental and cultural objectives. The plan provides the ability to coordinate and align land use and infrastructure planning and provision to match the rapid growth in Auckland.</p> <p>The Long-term Plan 2018-2028 consultation period will run from 28 February 2018 until 28 March 2018. The current Auckland Plan was adopted in 2012. The plan is now being refreshed, and will be clearer and more focused on the key issues.</p>	<ul style="list-style-type: none"> <li>• To advise on the needs and priorities of city centre stakeholders.</li> <li>• To nominate a representative to present at governing body workshops on the Long-term Plan 2018-2028 and Auckland Plan Refresh.</li> </ul>	<p align="center">Advocacy – March 2018</p> <p align="center">Final governing body decision – June 2018</p>
<p><b>City Centre Targeted Rate programme review</b></p>	<p>The city centre targeted rate programme of works is endorsed by Auckland City Centre Advisory Board. It is funded by the city centre targeted rate. The current version of the work programme is known as TR7. TR8 will be workshopped with the board in mid-2018.</p>	<ul style="list-style-type: none"> <li>• To provide feedback and endorse the city centre targeted rate programme of work (TR8), for recommendation to the Finance and Performance Committee.</li> </ul>	<p align="center">May - July 2018</p>
