Spooks & Sparks

Spooks and Sparks is the very popular family entertainment and fireworks show held at The Trusts Arena in November each year, in 2016 more than 10,000 attended the event

- The event is promoted and run by The Trusts Arena since it took over from the local Lions Club in 2013
- The show is family friendly and alcohol free
- Tickets are priced for families with 2 adults and 3 kids at \$50 in advance
- We get support from The Trusts but aside from that all the risk rests with us. In 2017 the board of the Trusts Arena decided to postpone the event and review funding to reduce the risk of a loss

Financial Information

- In 2016 we needed around \$100K in ticket sales to break even
- We need to try and mitigate the risk by seeking funders other than The Trusts as well as sponsors
- The weather is the single biggest risk, the chart below shows the sales pattern as people check the forecast before they commit.
