

Attachment A - Summary of consultation information sent to the Papakura Local Board - March 2018

Project	Description of Proposal	Dates	Response
Relocation of GSR bus stop near Gatland Road	<p>The existing bus stop reduces the sight visibility of vehicles to the Gatland Rd intersection, increasing the likelihood of an accident at this intersection. This proposal seeks to relocate the bus stop 120m north towards Papakura removing the risk stated above and improve safety to road users.</p>	1/2/18	No objections received.
