<td>1.0 Small sites programme</td>
</tr>
<tr>
<td>Presenters:</td>
</tr>
<tr>
<td>- Small Sites “Ambassador” programme was discussed with members. It was noted that $29k budget has been approved for this in 17/18 MHF work programme.</td>
</tr>
<tr>
<td>- It was noted that Howick Local Board has done this pilot programme in Flatbush area using door-knocking approach. The programme showed that there is lack of knowledge, compliance and need of training and engagement.</td>
</tr>
<tr>
<td>- A report on Flatbush area findings will be going to the Howick Local Board with identified problems/issues and recommendations; staff will forward the report to MHF for information and to see how the forum can support the advocacy to governing body (as this is a region wide issue across Auckland).</td>
</tr>
<tr>
<td>- It was noted that Auckland Council has produced some materials such as YouTube clips to support good building practices but it has limited views.</td>
</tr>
<tr>
<td>- Members requested for an update from Regulatory and Compliance on what inspectors roles are and if/how the matter of sedimentation control is being addressed.</td>
</tr>
<tr>
<td>- Two options were proposed to MHF (current proposal for the programme):</td>
</tr>
<tr>
<td>- Both involve pre-booked, focused interactions with builders in the wider area (Focus on “catchments of interest”) OR (Spread the focus across entire MHF area)</td>
</tr>

### Item 12

**Follow-up site visits to sites could be substituted for more site visits overall, but with less “deliverables” monitoring**
- Members agreed that there is a need of education along with enforcement.
- It was noted that members would like to look to multiple catchments across the member boards however want to be effective and not want to stretch.
- Members agreed that programme focus needs to be in areas of subdivision or concentrated activities that have multiple builders to get better outcomes for the programme.
- Noted that Ridley Dunphy Environmental Ltd will assess if there is any value in follow-up site visits and provide regular updates to the forum.

### 2.0 Work Programme

**Presenters:** Emma Joyce, Glenn Boyd

- Draft work programme was discussed with members.
- Members supported the proposal around Governance Review.
- It was noted that educational programme is not yet finalised for this year (look for opportunities to do more with schools with direct contact with the harbour).
- There were mixed views on symposium proposal; members asked for more internal support from Auckland Council and agreed that this event to be shifted to election term cycle with more involvement from all forum members and reduced budget for the event.
- It was noted that staff is discussing support from events team to support the symposium internally; this is yet to be confirmed by the events team.
- Members requested to look for ways to broaden the focus and raise awareness via symposium.
