Higher priority

Projects and activities that demonstrate smoke-free programmes.

Lower priorities

We will also consider applications for other services, projects and initiatives, however they may be considered a lower priority. We have identified the following activities as lower priorities:

- commercial entities and promotion of commercial entities
- ticketed events
- activities that primarily benefit communities outside the Albert-Eden Local Board area
- activities that primarily benefit a third party (e.g. activity to gain money for an organisation)
- grants to support the purchase of, or maintenance associated with, motor vehicles
- wages or operational costs
- projects and activities in schools unless the following can be demonstrated:
 - accessibility to the public out of school hours
 - a plan on how the project or activity is open to the community
- catering
- fundraising activities for a group or organisation.

Exclusions

In addition to the eligibility criteria outlined in the [Community grants policy](#), we will not fund applications towards alcohol or liquor licences.

Please refer to the [Community grants policy](#): “Scope and eligibility” for general eligibility criteria:

- Ineligible applicants – Paragraph 78
- What we won't fund – Paragraphs 84-86
- Lower priority – Paragraphs 87-88.

Grant schemes and funding thresholds

For 2018/219, we will operate three contestable grants schemes to support the community grants programme:

- Quick response grants – for smaller grant applications
- Local grants – for larger grant applications
- Accommodation support – for supporting community groups with their rates, lease payments and venue hire costs from 1 July 2018 to 30 June 2019.

Match funding

We will also consider applications for match funding. Match funding is where grants are provided in exchange for the community's 'match' of an equal value in volunteer labour, cash or donated goods and services. Applications will be prioritised and assessed under the same priorities as other grants and equal value will be measured against the market standard.

Multi-board funding

We will consider multi-board funding applications on a case-by-case basis. The applicant will need to clearly demonstrate how the proposal benefits people and communities in the Albert-Eden area.

Discretionary funding

In addition to our contestable grants schemes, we also provide discretionary grants toward strategic projects, initiatives or events that align with the priorities of our local grants programme. These grants are allocated through the local board's work programmes and administered by the relevant departments.

Please contact the local board directly if you have any questions regarding discretionary funding.

For more information and criteria about the quick response, local grants and match funding schemes, please refer to page 34 of the [Community grants policy](#).

Neighbours Day 2019

Applications will be open for Neighbours Day in February 2019, for events around the national Neighbours Day Aotearoa.

Please contact the Albert-Eden Local Board office at 135 Dominion Road or phone (09) 623 6090 for further information.
