

**FINANCE AND PERFORMANCE COMMITTEE FORWARD WORK PROGRAMME TO 30 JUNE 2018**

The purpose of the Committee is to control and review expenditure across the Group to improve value for money; to monitor the overall financial management and performance of Auckland Council parent and Auckland Council Group; to make financial decisions required outside the annual budgeting processes and to perform the responsibilities of another committee, where it is necessary.

Priorities for 2017/18 will be on initiatives which:

1. Strategic Reviews: Long-term Plan 2018-2028 Development
2. Monitoring
3. Acquisitions and disposals
4. Other financial decisions

The work of the committee will:

1. approve the Long-term Plan 2018-2028 including financial policy, the consultation document and supporting information for recommendation to the Governing Body
2. monitor achievement of financial and other measures of performance and services levels and recommend the Annual Report to the Governing Body
3. approve acquisition and disposal of property related to the Committee's responsibilities.
4. review and approve financial policy and non-budgeted expenditure.
