## Great Barrier Island Community Health Trust

<b>Legal status:</b>	Charitable Trust 405969 CC21898	<b>Activity focus:</b>	Capital
<b>Conflicts of interest:</b>	None identified		

### Project: Driveway access

<b>Location:</b>	Nurses Cottage, 2077 Aotea Road, Port Fitzroy, Great Barrier Island		
<b>Summary:</b>	To provide all weather vehicle and ambulance access to clinic. At the moment the two driveways are metal and mud with no turnaround areas. The local ambulance cannot access.		
<b>Dates:</b>	11/06/2018 - 31/10/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	3	<b>People benefiting:</b>	300 regular northern residents
<b>Promotion</b>	No		

### Community benefits

#### Identified need:

Have had recent incidences whereby patient needed to be moved by ambulance and it could not come up the drive which was very uncomfortable for the patients. Also a resident with failing health cannot walk up the stairs and has a problem with vehicle access in the winter due to mud (area unable to be metaled). Some patients travel to Claris because of better access.

#### Identified community outcomes:

That people with disabilities will be able to easily access the nurses cottage via their vehicles.

That the emergency services will be able to deliver and collect patients from the clinic.

That staff will also have good access to enable them to move their emergency packs in and out of the clinic with ease

#### Alignment with local board priorities:

##### Great Barrier

- Our infrastructure is future-proofed
- Our people thrive and life is good

Having well maintained and accessible health facilities ensures that the island population has the same access to services that their mainland counterparts have in order to achieve optimal health for individuals and their families.

Collaborating organisation/individual	Role
Aotea Contractors Limited	demolition (free)
Aotea Contractors Limited	Paid contract

## Demographics

**Māori outcomes:** -NA-

**Accessible to people with disabilities** Yes  
It will enable them to exit directly from their vehicle onto a ramp leading to the clinic. At the moment wheelchairs and the striker stretcher are bumped with difficulty over very uneven muddy ground.

**Target ethnic groups:** All/everyone

**Promoting SmokeFree:** All of the Great Barrier Island Community Health Buildings are smoke free and this is widely advertised with signage at each of the clinics.

### Project: Marae Maintenance and Power Saving Projects

<b>Location:</b>	Kawa Marae - Kawa Bay Road Great Barrier Island		
<b>Summary:</b>	<p>To provide maintenance equipment and proper storage for equipment.</p> <p>To Provide a safer environment for the community and Whanau using the Marae.</p> <p>To provide power saving items(Fridge &amp; Washing machine) for smaller groups in lieu of using the large Chiller and Washing machine when groups are small.</p> <p>To provide consistent Maintenance for the Marae grounds and equipment and also employment of 4 hours a week.</p> <p>To ensure safety procedures are paramount by providing signage and entering into a Service agreement with Wormald.</p>		
<b>Dates:</b>	01/06/2018 - 31/05/2019	<b>Rain dates:</b>	-
<b>People delivering:</b>	6	<b>People benefiting:</b>	Several hundred
<b>Promotion</b>	No		

### Community benefits

#### Identified need:

At the moment most of the equipment used at the Marae is privately owned, which impacts on the family's providing the equipment as replacement or break downs are at their own cost. Lockable Storage is a necessity to provide safety and also provide a longer life for the equipment

The maintenance always fall on the same few as there a limited Whanau available to do it. These family's are struggling to keep up, age and injury being a large part.

Access and parking are necessary to the use of the Marae.

Power saving is always paramount at the Marae.

#### Identified community outcomes:

It will enable the Community continued access to a well maintained and safe and environmentally friendly Marae.

#### Alignment with local board priorities:

##### Great Barrier

- Our infrastructure is future-proofed
- Our environment is protected and enhanced

By maintaining our Infrastructure and upgrading the safety aspects.

By constantly striving towards sustainability and power saving projects.

Collaborating organisation/individual	Role
-NA-	

## Demographics

- Māori outcomes:**
- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).
- The Marae is a Maori meeting place that is Iwi, Hapu, Whanau and community focused. It focuses on the Well being and quality of life for the Maori people and providing a path to their cultural history. By putting details of our projects on facebook we are also reaching a greater number of Whanau.
- Accessible to people with disabilities:** Yes  
We are upgrading our Marae by providing better access, which will assist those with disabilities
- Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples
- Promoting SmokeFree:** The Marae and it surrounding grounds is a smoke-free zone and is promoted as such.

## Barrier Social Club Incorporated

<b>Legal status:</b>	Incorporated Society 222424	<b>Activity focus:</b>	Capital
<b>Conflicts of interest:</b>	None identified		

### **Project: Theatre/Dining Lounge and Kitchen Upgrade**

<b>Location:</b>	Barrier Social Club, 21 Medland Road		
<b>Summary:</b>	The ongoing upgrade to the club needs the Theatre/Dining Lounge old carpet to be removed and the floor to be sanded. This will continue to be our main events area. A permanent stage will be created using club funds. The kitchen upgrade is an ongoing effort to raise the kitchen to a high level enabling us to cope with larger functions and provide the ongoing meals the club delivers. This will also ensure our ability to fulfill our designation as a Civil Defence emergency centre.		
<b>Dates:</b>	01/06/2018 - 20/10/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	25	<b>People benefiting:</b>	1000+
<b>Promotion</b>	Yes		

### **Community benefits**

#### **Identified need:**

There is no other large community facility on the Tryphena side of the island. This will also open the club to earn revenue from larger functions and events. The Civil Defence requirements also add to the need.

#### **Identified community outcomes:**

Continued improvements to the club facilities and the services we provide the surrounding community and visitors to the island.

#### **Alignment with local board priorities:**

##### **Great Barrier**

- Our infrastructure is future-proofed
- Our people thrive and life is good

The Barrier Social Club is an island based group providing facilities and services to the local population. It provides the residents with opportunities for social interaction, participation in sporting activities, music events, movies for both kids and adults, and more. It is home to St Johns ambulance service and hosts School Holiday Programme events, workshops, fishing competitions, and the biennial Art Auction Fundraiser for Mulberry Grove School.

<b>Collaborating organisation/individual</b>	<b>Role</b>
-NA-	

## Demographics

**Māori outcomes:** • -NA-

**Accessible to people with disabilities:** Yes  
The facility has easy and full access to those with disabilities.

**Target ethnic groups:** All/everyone

**Promoting SmokeFree:** No one is allowed to smoke within the Club building, and smoking outside is discouraged.

## Motairehe Marae Trust

<b>Legal status:</b>	Charitable Trust CC46858	<b>Activity focus:</b>	Capital
<b>Conflicts of interest:</b>	None identified		

### Project: Bathroom Refurbishment

<b>Location:</b>	Motairehe Marae		
<b>Summary:</b>	The Bathrooms are in dire need of an upgrade as the drainage is backing up and the Bathrooms are old and tired and are unusable.. A new septic was installed previously but the drainage was not upgraded at the same time. There is also rotten timber and the ceiling tiles are falling off which is a safety issue. There are no doors on the shower cubicles and they therefore offer little privacy.		
<b>Dates:</b>	01/06/2018 - 31/05/2019	<b>Rain dates:</b>	-
<b>People delivering:</b>	8	<b>People benefiting:</b>	100's
<b>Promotion</b>	No		

### Community benefits

#### Identified need:

The drainage is backing up and coming back into the bathrooms plus and the rotting wood and falling ceiling tiles are all health and safety issues and make the bathrooms unusable.

#### Identified community outcomes:

A safe and healthy environment when using or visiting the Marae

#### Alignment with local board priorities:

##### Great Barrier

- Our infrastructure is future-proofed
- Our environment is protected and enhanced

It will provide us with upgraded bathrooms which will last for many many years and maintain the health and safety of our people and community.

Collaborating organisation/individual	Role
-NA-	

### Demographics

#### Māori outcomes:

- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).

It is imperative to have a safe and healthy bathroom in the Marae.

#### Accessible to people with disabilities

Yes

They will have wheelchair access

**Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples

**Promoting SmokeFree:** Our Marae has providing a smoke free environment for many years been

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

<b>Legal status:</b>	Charitable Trust 610840 CC23301	<b>Activity focus:</b>	Capital
<b>Conflicts of interest:</b>	None identified		

### Project: Office solar system upgrade

<b>Location:</b>	Old School Building, Tryphena		
<b>Summary:</b>	We would like to increase solar panels with matching charge controller and batteries, to provide sufficient power for our office, but without making the existing 5-year old system redundant. We would also like to have the option to relocate the new system to a possible future office in Claris and being able to leave behind an intact setup for less-intensive use.		
<b>Focus specific:</b>	<b>Event producer/contractor/3<sup>rd</sup> party:</b> <b>Environmental benefits:</b> <b>Building/site accessible or visible to the public:</b> <b>Building/site recognised in a council heritage schedule or the NZ Historic Places Trust:</b>

## Great Barrier Island Community Heritage and Arts Village Trust

<b>Legal status:</b>	Charitable Trust 1190832 CC35624	<b>Activity focus:</b>	Capital
<b>Conflicts of interest:</b>	None identified		

### Project: Pathway construction/ Grounds development

<b>Location:</b>	Great Barrier Island Community Heritage and Arts Village		
<b>Summary:</b>	We currently have concrete paths linking the first two buildings. We wish to complete the path to the Museum and back to the main entrance to make a circular route. Additionally we wish to improve the seating area, with a fence displaying children's artwork, and give the shed a coat of paint. We will coordinate working bees with volunteers over the winter to complete this work.		
<b>Focus specific:</b>	<b>Event producer/contractor/3<sup>rd</sup> party:</b> <b>Environmental benefits:</b> <b>Building/site accessible or visible to the public:</b> <b>Building/site recognised in a council heritage schedule or the NZ Historic Places Trust:</b>		
<b>Dates:</b>	01/06/2018 - 01/12/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	12	<b>People benefiting:</b>	10,000
<b>Promotion</b>	Yes		

### Community benefits

#### Identified need:

We currently welcome visitors in wheelchairs and those with small children to the Art Gallery. The Museum will add to the visitor attraction, and we want to make it accessible to all. Currently we have wheelchair accessible ramps within the building but no pathway to get to the building.

The rest of the work will continue to improve the site/make it more appealing to visitors.

The Gallery provides a valuable source of income for many island artists and the more visitors the greater the turnover. Providing pleasant seating area is beneficial to those participating in workshops/events at the Gallery.

#### Identified community outcomes:

An easily accessible site for all visitors. Increased turnover at the Gallery, which feeds back into the local island economy.

#### Alignment with local board priorities:

##### Great Barrier

- Our economy is sustainable and prosperous

- Our people thrive and life is good

Continued development of the Heritage and Arts Village adds to the island economy and supports local artists, helping them thrive. The activities and events offered by the Gallery engages local residents through exhibitions, celebrations such as Matariki, workshops, Kids Art Club and more, helping make Barrier a great place to live.

Collaborating organisation/individual	Role
-NA-	

## Demographics

<b>Māori outcomes:</b>	-NA-
<b>Accessible to people with disabilities</b>	Yes Completing the paths means that the site will be much more accessible to wheelchairs than currently.
<b>Target ethnic groups:</b>	All/everyone
<b>Promoting SmokeFree:</b>	We are a smoke free site, and have signs telling visitors such.

<b>Conflicts of interest:</b>	None identified		

### Project: Port FitzRoy Reclamation Health and Safety Upgrade

<b>Location:</b>	Port Fitzroy Reclamation, Port FitzRoy, Great Barrier Island		
<b>Summary:</b>	The provision of portable site perimeter safety fencing and entrance way gate for deployment during cargo handling operations		
<b>Dates:</b>	01/05/2019 - 10/05/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	6	<b>People benefiting:</b>	Up to 200 persons
<b>Promotion</b>	Yes		

### Community benefits

#### Identified need:

A recent Health and Safety Audit by Sealink established that there is a lack of site security during cargo handling operations and identified the need for secure perimeter fencing to contain the public from entering into the cargo handling area.

#### Identified community outcomes:

- A safe working area for the local contractors who manage the unloading of cargo.
- A safe access route and protocol for local consignees receiving freight.
- A safe area for embarking passengers to consign luggage and await directions by crew.
- A safe route for wharf users to navigate around the cargo handling area.

#### Alignment with local board priorities:

##### Great Barrier

- Our people thrive and life is good
- Our economy is sustainable and prosperous

Provision of Health and Safety requirements protects firstly our people, secondly it protects the freight operation essential to our island economy.

Collaborating organisation/individual	Role
Sealink Travel Co	Consultants
Great Barrier Cartage	Active participants

## Demographics

**Māori outcomes:** • -NA-

**Accessible to people with disabilities** No

**Target ethnic groups:** All/everyone

**Promoting SmokeFree:** No smoking is permitted in the cargo handling zone during operations.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
						100

## Financial information

**Amount requested: \$5167.00**

**Requesting grant for:** The purchase price and freighting costs of the protective fencing and gating required, plus the purchase price and freight costs of a weather-proof trailer to store and move the fencing.

**If full amount requested is not able to be funded:**

The fencing and gating itself is clearly the priority from a H&S perspective and would be achievable with less monies, however the long term secure storage and portability of the fencing is important as the NBR&R (and possibly other groups) can use this fencing for community events in other places eg Fitzroy family festival etc.

**Cost of participation:** No

Total expenditure	Total income	Other grants approved	Applicant contribution
6,079.38	0	0	912

Expenditure item	Amount
Xtndr gate Barrier 2 x 4m units	1,870
