

Attachment C: May 2018 - Summary of consultation information sent to Ōtara-Papatoetoe Local Board in April 2018

Project	Description of Proposal	Dates	Response
<p>Portage Road and Station Road Intersection Upgrade</p>	<p>Proposal to upgrade the intersection shown below to a roundabout including new crossing facilities. These changes will improve the safety and efficiency of this intersection for all road users and provide a signalised pedestrian crossing and pedestrian refuge islands where there is currently a lack of formal crossing facilities.</p>	<p>Circulated to local board 21 March 2018</p>	<p>No objections received.</p> <p>Comments in 'supporting' this project from member Robertson included in May report under "Consultations" section.</p>
