| Community Connections       | Work with local residents or groups to support and provide opportunities for increased community connection, resident lead activities and greater participation in local initiatives | Co-ordinate opportunities for all parts of community to connect together around areas of common interest: food, recreation, culture and family focused initiatives. Facilitate improved connection and understanding of the local community by working alongside key community groups and individuals. Work with community to support development and delivery of other requested events. A percentage of activities, programmes or services are developed for differing ages and to accommodate a range of abilities. Continue to deliver a community ‘welcome initiative’ which provides information and connections for new residents, including opportunities to be involved in community events. Contribute to the functions of the Upper Harbour Strategic group. | At least 3 key community-wide gatherings or events are delivered over the 17/18 contract year. Key community groups and individuals have been able to link together and work collaboratively for improved connections across the local community. Support and direction is provided to local groups and residents, to encourage community lead initiatives in the Hobsonville Point area. Activities, programmes and events are age appropriate and accessible, as applicable. The ‘resident street initiative’ including training street/block coordinators and welcome dinners has been promoted and made accessible to more than 30% of residents in the Hobsonville Point community. HCT is an active contributor to the Upper Harbour Board Strategic Group, exploring key needs, trends, sharing of resources and ideas.  | Hobbi Wine & Cheese Evening - 178 attendees  
Cultural evening – 1 Nov – 200+ attendees, 50+ young people invited  
Thanksgiving Dinner – 36 adults  
Christmas on the Point – 250+ attendance

Partnership underway with Auckland Basketball to explore feasibility of Basketball games at Hobbi Point to further connect community and increase recreation  
Partnership with ‘The Parenting Place’ around Chokdimmers training + Hot Tips parenting session targeted for July. |
| Community Wellbeing         | Develop and deliver targeted initiatives that foster community, family and individual ‘hauora’ (wellbeing)         | A range of regular opportunities are available for local residents, such as sport and recreational activities, coffee groups, shared meals, and children’s activities. A ‘resource kit’ for hosting of local street events and gatherings, is available for residents, to ensure the successful and safe delivery of resident local events. Provide youth worker and community support services to those young people needing support and/or connection in the local community. | At least six different forms of regular community connection points have been established or supported to continue functioning by July 2018. The community ‘resource kit’, supporting delivery of local events, is promoted to the community and updated as applicable. Local youth have a recognised point of intervention or identified person, when requiring access to support or services.  | Coffee Group / Walking Group

| Community Collaboration, Advocacy and Strengthen use of Key Community Assets/Facilities | Work closely with a range of stakeholders across the Hobsonville Point community, including residents and the council, to improve the sharing of information, community collaboration and advocacy. Encourage the use of key community assets/facilities as they come online. | Assist community organisations in Hobsonville Point and surrounding areas, with opportunities to work collaboratively with other community initiatives, council activities and region wider development. Work with local residents, hobby groups and community organisations to utilise their community assets and facilities, as development of these is completed. Local Youth are encouraged to access new community facilities and contribute to delivery of events/activities being held. | The local community is regularly updated on significant regional and local developments and represented through consultation opportunities. Hobsonville Point Schools have been supported to improve their connection with the wider community and increase the effectiveness of their community events. Community events are hosted at the Riff Range amphitheatre, and use of this facility is supported and encouraged. Street Resource Kit

What is the Street Resource Kit?
The Street Resource Kit is a set of equipment and activity/game materials that you may find useful when you host a street/block gathering or BBQ or a wider community event. It includes the following items, all of which are available for use at no cost through the support of our local partners, Harcourts and Upper Harbour Board and our Resident Street Initiative Partner, Neighbourhood Support Waitakere.

The Hobsonville Community Trust also has some people that are willing if available to help you with planning your gathering, setup/cleanup, and/or running family friendly activities. We are also, at times, able to access a free sausage sizzle.

Please simply ensure that all items are returned in good condition, that they are dry, and are cared for during your event.

The Kit Includes:
- Gazebo (4.5x4.5m)
- Sandwich Boards (x5)
- Play Parachute (7.3m)
- Outdoor Portable Speaker (incl microphone, music inputs)
- Giant Egg & Spoons
- Hopper Race Pack (3 hoppers)
- Giant Jenga
- Sack Races (5 sacks)
- Long Plastic Serving Table x 2

Item 8.1
LEADERSHIP

During terms 3 & 4, the ‘Habitats’ leadership development initiative welcomed a number of new members, especially juniors, and there were many initiatives that were great successes. With facilitation from the youth workers, teachers and people in the community, the student leaders planned, developed and ran the West Auckland Regional Green Team, lunchtime competitions, a 3-week long ‘Unity in Diversity’ campaign, Peace Week workshops, a Senior’s Ball, junior social, cultural night, the list goes on.....

Our youth workers continued their support of the Student Council as they considered school culture and spirit and how they can strengthen their impact, as well as school uniform, curriculum change and new student leadership opportunities.

SUPPORT

Positively supporting students one-on-one and in small groups further increased in Terms 3 & 4. We have also provided a lot of triage support to the Student Services team during their busy periods.

Whether it be a quick check-in or a mentoring session where students can share what is on their mind, Gavin and Jacque have held over 1000 individual chats with young people over 2017.

In times of crisis, they have been listening ears to many. In times of celebration, they have shared many laughs and joyous moments.

The addition of therapeutic groups by the lead counsellor also gave Jacque an opportunity to support students who were learning how to better manage their anger.

Our focus through our partnership with HPSS is to support, connect, encourage, challenge, and inspire any and all students that are keen to step up, that are open to support, or that staff want us to get alongside.

We value, support and believe in students no matter who they are. We are here simply to support and to help students, HPSS and our community to be the best they can be.

Youth Worker STATS

- One-on-one chats: 1193
- Group contact: 7035
- Students at events attended/supported by youth worker: 7480
- Avg. time per week involved with school this year: 50 hrs

(Amounts 2 youth workers + Leadership & Well-Being Coordination)

A COLLABORATIVE PARTNERSHIP
Reflecting Back & Looking Ahead

2017 has been a year of change, particularly with the introduction of Year 12s and NCEA and our new YouthWorker, Jacque Williams, coming on board. We’ve therefore adapted our approach to youthwork within HPSS and our “Habitats” leadership initiative especially. We have once again been so proud of our 70+ students that have engaged with Habitats and the initiatives they have developed and implemented for the benefit of all students. We’ve developed much stronger links within our learning communities and we’ve also been so encouraged by the maturing and success of a number of students that we have supported and invested in over the past 3-4 years.

As we look ahead to 2018, the introduction of a fourth learning community, “Onekiriti” and year 13’s has led us to now move from being based within the Student Services team to now work directly alongside the Learning Communities under the guidance of Deputy Principal, Lea Vellenoweth. Our focus in term 1 will be on helping year 9’s to settle and make positive relationships early on through community camps at Piha Mill and Carey Park; empowering & challenging our senior students through Leaders Day and subsequent student-led initiatives as well as a range of one-on-one and group connection and support.

Relationships

An anonymous survey was recently done of 23 students that have been supported by our youth workers in some way. Of those 23, 15 answered that they had been “Moderately, A Lot, or Very Much” helped by one or both of our 24-7 YouthWorkers. No students said “Not At All”.

EOTC trips, coaching girls football, dance & art groups, and hanging out with students during break times and classes gave Gavin and Jacque opportunities to continue to support our young people. ‘Just being there’ has fostered a sense of belonging for a wide-range of teens.

Community

In term 4, our future year 9s were invited to HPSS. By empowering our senior students to run workshops on this day and getting alongside the year 8s that were feeling nervous or alone, we were able to help turn fear into courage and excitement for a number of our future students.

Our Culture Habitat students helped host a very successful 2nd cultural evening for our Hobsonville community with over 250 in attendance and an array of cultural talent on display from our students. Our Performing Arts Habitat ran workshops and showcase for HPSS.

School Spirit

There have been elements of our school’s culture that both students and staff have wanted to focus on and to address or develop further in 2017. We have been supporting our student leaders to identify student feedback opportunities for improvement which we have then supported them to put in place.

As seniors went on NCEA leave, we helped our juniors develop new lunchtime events including concerts, B/P challenges and competitions outside which fostered new friendships and kept HPSS buzzing in quieter times.

Hi There, I'm the Cub scouts leader at Riverhead scout group. I'm contacting you guys to see if it would be possible to run a Thursday evening target shooting session with our cubs. Purpose being to have some fun, have a new experience, learn about gun safety, and be introduced to a new sport. We have 23 Cubs in the group, and would bring plenty of supervising adults. Would it be possible to run an event like this? What costs would be involved? Our sessions are normally between 6-7.30 pm thanks in advance

 between 8-10.5 years of age
