

**Attachment B. Kaipatiki Local Board June 2018: Report on Local Board Plan Advocacy Initiatives - Getting to and around Kaipātiki is easy**

Objective	Board Initiatives	AT Response
<p><b>More people choose to take public transport, walk or cycle to get to work, school or go about their daily lives.</b></p>	<p>Spend more of our local board transport budget on public transport, walking and cycling infrastructure in Kaipātiki.</p>	<p>The current draft AT RLTP sets out a proposed transport programme to provide for Auckland to address its current challenges and take advantage of future growth, while at the same time enabling the creation of an accessible, well-connected, safe and sustainable region.</p> <p>Proposed projects include:</p> <ul style="list-style-type: none"> <li>- Delivery of localised bus priority improvements across Auckland to support the roll out of the new bus networks.</li> <li>- Delivery of new bus interchanges on Quay St East and Lower Albert St, in conjunction with CRL and Council Downtown projects</li> </ul> <p>The local board also has an allocation of Local Board Transport Capital Fund to fund projects within the Kaipatiki Area</p>
<p><b>Our public transport network is affordable, accessible, reliable and efficient – connecting our people to where they need to go.</b></p>	<p>Advocate to Auckland Transport to continue to deliver bus and ferry public transport improvements in Kaipātiki.</p>	<p>The current draft RLTP sets out a proposed transport programme to provide for Auckland to address its current challenges and take advantage of future growth, while at the same time enabling the creation of an accessible, well-connected, safe and sustainable region.</p> <p>Proposed Projects include:</p> <ul style="list-style-type: none"> <li>- Technology improvements supporting PT customer experience and operations. Includes items such as improvements to the real-time passenger information system.</li> <li>- Replacing and enhancing business technology (e.g. journey planner, commercial vehicle real time, web applications, external systems and signage) to improve performance, safety and customer experience.</li> <li>- <b>Integrated Ticketing - Improvements, Replacement and National System-</b> to extend, enhance and replace AT HOP equipment and systems - including the back-end system, retail and top-up devices and the tag-on/off devices for rail, ferry and bus.</li> <li>- Delivery of whole of route bus priority improvements across Auckland to support the roll out of the new bus networks.</li> </ul>

<p><b>Our roads are well maintained and, where possible, prioritise cycling and pedestrian connections, buses and multi-person car use.</b></p>	<p>Spend more of our local board transport budget on public transport, walking and cycling infrastructure in Kaipātiki.</p>	<p>The current draft AT RLTP sets out a proposed transport programme to provide for Auckland to address its current challenges and take advantage of future growth, while at the same time enabling the creation of an accessible, well-connected, safe and sustainable region.</p> <p>Proposed Projects include:</p> <ul style="list-style-type: none"> <li>- Programme to respond to community requests for corridor improvements that focus on ensuring safe and efficient operation.</li> <li>- A programme of targeted improvements to address safety and operational deficiencies across AT's road, motorcycle, pedestrian and cycle networks.</li> <li>- Walking and cycling programme focuses on achieving maximum impact for short trips to the city centre, public transit interchanges, schools and local and metropolitan</li> </ul> <p>The local board also has an allocation of Local Board Transport Capital Fund to fund projects within the Kaipatiki Area</p>
<p><b>The Kaipātiki Connections Network Plan delivers walking and cycling links through the local board area.</b></p>	<p>Continue to deliver the Kaipātiki Connections Network Plan.</p>	<p>This is a local board document with projects to be investigated and delivered by Auckland Council Community Services/Parks Department.</p>
