Suitability for freedom camping may need to be reconsidered on that site once established.

Sites to be recommended to the Regulatory Committee to be prohibited

Area and address	Preliminary assessment	Evidence base for preliminary assessment	Additional evidence provided by local board	Staff final recommendation	Reason for final recommendation
<p>Churchill Park</p> <p>Note: Riddell Road parking area assessed separately</p>	<p>Restricted - medium protection (to protect access and health and safety)</p>	<p>Kinsale Avenue carpark provides parking and drop-off area for playcenter and school. Large vehicles in narrow accessway likely to cause conflict. Very limited parking outside tennis club and bowls club.</p>	<p>Nil</p>	<p>Prohibited (to protect access and health & safety)</p>	<p>Multiple carparks around Churchill Park have been reassessed separately. Majority of carparks considered inappropriate for freedom camping.</p>
<p>Michael Joseph Savage Memorial</p> <p>19 Hapimana Street, Orakei</p>	<p>Not scheduled in bylaw.</p>	<p>Not assessed as surrounding reserve is not council owned.</p>	<p>Gated off at night. Would need to have agreement with iwi.</p>	<p>Prohibited (to protect area)</p>	<p>Site and surrounding area are of cultural and historical significance. Access limited due to gates. Likely to be in high demand due to location if left to default rules. Prohibition required to protect the area.</p>
<p>Vellenoweth Green</p> <p>353-359 Tamaki Drive St Heliers</p>	<p>Restricted - medium protection (to protect access and health and safety)</p>	<p>No off-street parking on site but marked parking available on roadsides. Lessees located on the south side of the park with additional parking along that edge. High use area for residential parking also.</p>	<p>A lot of competition for parking in the area – busy with commuters parking very early in the morning.</p>	<p>Prohibited (to protect access)</p>	<p>Additional information from the board provided evidence of high use by locals and visitors to the area. Access to area needs protecting.</p>
